About this republication

The republished law

This is a republication of the *First Home Owner Grant Act 2000* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 2 September 2015. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 2 September 2015.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

First Home Owner Grant Act 2000

An Act to encourage and assist home ownership, and to offset the effect of the GST on the acquisition of a first home, by establishing a scheme for the payment of grants to first home owners

Part 1 Preliminary

1 Name of Act

This Act is the *First Home Owner Grant Act 2000*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition ‘*identity card*—see the [Taxation Administration Act 1999](#), dictionary.’ means that the term ‘identity card’ is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

3 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

3A Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

4 Homes

A *home* is a building (affixed to land) that—

- (a) may lawfully be used as a place of residence; and
- (b) is, in the commissioner's opinion, a suitable building for use as a place of residence.

5 Ownership of land and homes

- (1) A person is an *owner* of a home or a *home owner* if the person has a relevant interest in land on which a home is built.
- (2) Each of the following is a *relevant interest* in land:
 - (a) a leasehold interest in the land granted by the Commonwealth;
 - (b) a leasehold interest under a land sublease;
 - (c) a life estate in the land approved by the commissioner;
 - (d) a licence or right of occupancy granted by the Commonwealth that gives, in the commissioner's opinion, the licensee or the holder of the right reasonable security of tenure;

- (e) an interest in a company's shares if the commissioner is satisfied that—
 - (i) the interest entitles the holder of the interest to exclusive occupation of a particular home owned by the company; and
 - (ii) the value of the shares is not less than the value of the company's interest in the home.
- (3) However—
 - (a) an interest is not a *relevant interest* in land at a particular time unless the holder of the interest has, or will have within 12 months after that time (or a longer time allowed by the commissioner), a right to immediate occupation of the land; and
 - (b) an interest is not a *relevant interest* in land in the hands of a person who holds it subject to a trust; and
 - (c) an equitable interest is not a *relevant interest* in land unless it is the interest of a person under a legal disability for whom a guardian holds the interest on trust.
- (4) Despite subsections (2) and (3), the regulations may provide for recognition of an interest (a *noncomplying interest*) as a *relevant interest* in land—
 - (a) even though the interest may not comply with the subsections; and
 - (b) even though the interest may not be recognised at law or in equity as an interest in land.
- (5) If a first home owner grant is to be paid because of the recognition of a noncomplying interest as a relevant interest in land, the commissioner may impose appropriate conditions on the payment of the grant to ensure its recovery if criteria prescribed under the regulations about future conduct or events are not satisfied.

- (6) In this section:

land sublease—see the *Planning and Development Act 2007*, dictionary.

6 Partner of applicant

- (1) A person is the *partner* of the applicant if the person is the applicant's domestic partner.

Note For the meaning of *domestic partner*, see [Legislation Act](#), s 169.

- (2) However, if the applicant is married, in a civil union or civil partnership, the applicant's spouse, civil union partner or civil partner is not to be regarded as the applicant's partner if the commissioner is satisfied that, at the time of deciding the application for a first home owner grant, the applicant—

- (a) is not living with the person; and
- (b) has no intention of resuming living with the person.

Part 2 First home owner grant

Division 2.1 Entitlement to grant

7 Entitlement to grant

- (1) A first home owner grant is payable on an application under this Act if—
- (a) the applicant or, if there are 2 or more of them, each of the applicants complies with the eligibility criteria; and
 - (b) the transaction for which the grant is sought—
 - (i) is an eligible transaction; and
 - (ii) has been completed; and
 - (c) if the first home owner grant cap applies to the eligible transaction for which the grant is sought—the total value of the transaction is not more than the amount of the first home owner grant cap.
- Note 1* The first home owner grant cap applies to an eligible transaction with a commencement date on or after 1 January 2011 (see s 13A).
- Note 2* See s 13B for how to work out the total value of an eligible transaction.
- (2) Despite subsection (1) (a), an applicant need not comply with the eligibility criteria to the extent the applicant is exempted from compliance under this Act.
- (3) Only 1 first home owner grant is payable for the same eligible transaction.

Division 2.2 Eligibility criteria for applicants

8 Criterion 1—Applicant to be an individual

An applicant for a first home owner grant must be an individual.

8A Criterion 1A—Applicant to be at least 18 years old

- (1) An applicant for a first home owner grant must be at least 18 years old.
- (2) However, if the commissioner is satisfied there are good reasons to do so, the commissioner may exempt the applicant from the requirement to be at least 18 years old.

9 Criterion 2—Applicant to be Australian citizen or permanent resident

- (1) An applicant for a first home owner grant must be an Australian citizen or permanent resident.
- (2) However, if an application is made by joint applicants and 1 of the applicants is an Australian citizen or permanent resident, it is not necessary for the other or others to be Australian citizens or permanent residents.

10 Criterion 3—Applicant (or applicant's partner) must not have received an earlier grant

- (1) An applicant is ineligible if—
 - (a) the applicant or the applicant's partner has been a party to an earlier application under this Act or a corresponding law; and
 - (b) a grant was paid on the application.

- (2) However, the applicant is not ineligible if—
- (a) for an application that relates to an eligible transaction with a commencement date before 1 January 2011—the grant was later paid back under the conditions on which the grant was made; or
 - (b) for an application that relates to an eligible transaction with a commencement date on or after 1 January 2011—
 - (i) the grant was later paid back; and
 - (ii) any amount payable as a penalty or as interest was also paid in relation to the earlier application.
- (3) An applicant is also ineligible if the applicant or the applicant's partner—
- (a) could have successfully applied for a first home owner grant under this Act or a corresponding law in relation to an earlier transaction to which he or she was a party but did not do so; or
 - (b) could, assuming that he or she had then been an Australian citizen or permanent resident, have successfully applied for a first home owner grant under this Act or a corresponding law in relation to an earlier transaction to which he or she was a party.

11 Criterion 4—Applicant (or applicant's partner) must not have had relevant interest in residential property

- (1) An applicant is ineligible if the applicant or the applicant's partner has, before 1 July 2000, held—
- (a) a relevant interest in residential property in the ACT; or
 - (b) an interest in residential property in a State that is a relevant interest under the corresponding law of the State.

- (2) In working out for section (1) whether an applicant held a relevant interest (within the meaning of this Act or a corresponding law) in residential property at a particular time, any deferment of the applicant's right of occupation (because the property was subject to a lease) is to be disregarded.
- (3) An applicant is also ineligible if, before the commencement date of the eligible transaction to which the application relates, the applicant or the applicant's partner—
- (a) held a relevant interest in residential property in the ACT or an interest in residential property in a State that is a relevant interest under the corresponding law of the State; and
 - (b) occupied the property as a place of residence.
- (4) However, for subsection (3), the applicant or the applicant's partner is taken not to have used the property as the residence of the applicant or the applicant's partner if—
- (a) the property was the subject of an earlier application under this Act by the applicant; and
 - (b) a first home owner grant was paid under the earlier application; and
 - (c) the applicant repaid the grant because of a failure to comply with section 12 in relation to the earlier application.
- (5) In this section:
- residential property***—land in Australia is ***residential property*** at a particular time if there is, at that time, a building on the land lawfully occupied as a place of residence or suitable for occupation as a place of residence.

12 Criterion 5—Residence requirements

- (1) An applicant for a first home owner grant must occupy the home to which the application relates as the applicant's principal place of residence for a continuous period of at least 1 year.
- (2) However, if the commissioner is satisfied there are good reasons to do so, the commissioner may—
 - (a) approve a shorter period; or
 - (b) exempt the applicant from the requirement to comply with subsection (1).
- (3) The period of occupation required under subsection (1), or the shorter period approved under subsection (2) (a), must start within 1 year after completion of the eligible transaction to which the application relates or a longer period approved by the commissioner.
- (4) The commissioner may give an approval or exemption under this section within 18 months after completion of the eligible transaction to which the application relates.
- (5) If an application is made by joint applicants and at least 1 (but not all) of the applicants complies with the residence requirements, the non-complying applicant or applicants are exempted from compliance with the residence requirements.

12A Criterion 6—Applicant must not have been convicted of offence against Act

An applicant is ineligible if the applicant has been convicted of an offence against this Act or a corresponding law.

Division 2.3 Eligible transactions

12B Meaning of *new home*—div 2.3

- (1) For this division, a *new home* is a home that has not been previously occupied or sold as a place of residence, and includes a substantially renovated home.

- (2) For this section:

substantially renovated home means a home that—

- (a) has substantial renovations; and
- (b) as renovated, has not previously been occupied or sold as a place of residence.

substantial renovations, of a home, means renovations in which all, or a substantial part, of the home is removed or replaced.

Examples—substantial renovations

removal or replacement of foundations, external walls, interior supporting walls, floors, roof or staircases

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see [Legislation Act](#), s 126 and s 132).

13 Meaning of *eligible transaction* etc

- (1) An *eligible transaction* is—
- (a) a contract for the purchase of a new home in the ACT made on or after 1 September 2013; or
 - (b) a comprehensive home building contract made on or after 1 September 2013 by the owner of land in the ACT, or a person who will on completion of the contract be the owner of land in the ACT, to have a new home built on the land; or
 - (c) the building of a new home in the ACT by an owner-builder if the building work begins on or after 1 September 2013.

- (2) However, a contract is not an *eligible transaction* if the commissioner is of the opinion that it forms part of a scheme to circumvent limitations on, or requirements affecting, eligibility or entitlement to a first home owner grant and the commissioner will, unless satisfied to the contrary, presume the existence of such a scheme, if—
- (a) for a contract to purchase a home—the purchaser had an option to purchase the home granted before 1 July 2000 or the vendor had an option to require the purchaser to purchase the home granted before that date; or
 - (b) for a comprehensive building contract—either party had a right or option granted before 1 July 2000 to require the other to enter into the contract; or
 - (c) for a contract made on or after 1 September 2013 that—
 - (i) the contract replaces a contract made before 1 September 2013; and
 - (ii) the replaced contract was—
 - (A) a contract for the purchase of the same home; or
 - (B) a comprehensive home building contract to build the same or a substantially similar home.
- (3) The *commencement date* of an eligible transaction is—
- (a) for a contract—the date when the contract is made; or
 - (b) for the building of a home by an owner-builder—
 - (i) the date when laying the foundations for the home begins; or
 - (ii) another date the commissioner considers appropriate in the circumstances of the case.
- (4) Subject to any qualifications prescribed under the regulations, an eligible transaction is *completed* when—

- (a) for a contract for the purchase of a home—
 - (i) the purchaser becomes entitled to possession of the home under the contract; and
 - (ii) if the purchaser is to obtain a registered title to the land on which the home is situated—the necessary steps to obtain registration of the purchaser’s title have been taken; or
- (b) for a contract to have a home built—the building is ready for occupation as a place of residence; or
- (c) for the building of a home by an owner-builder—the building is ready for occupation as a place of residence.

Note For when certain transactions related to moveable buildings are completed, see s (5).

- (5) If a person purchases a moveable building and intends to use it as a place of residence on land in which the person has a relevant interest but on which it is not situated at the time of purchase—
 - (a) this Act applies as if the person were an owner-builder building a home on the land; and
 - (b) the commencement date of the transaction is taken to be the date of the contract to purchase the moveable building; and
 - (c) the transaction is taken to be completed when the moveable building is ready for occupation as a place of residence on land in which the purchaser has a relevant interest.
- (6) The **consideration** for an eligible transaction is—
 - (a) for a contract for the purchase of a home—the consideration for the purchase; or
 - (b) for a comprehensive home building contract—the total consideration payable for the building work; or

(c) for the building of a home by an owner-builder—the actual costs to the owner of carrying out the work (excluding any allowance for the owner-builder’s own labour).

(7) In this section:

comprehensive home building contract means a contract under which a builder undertakes to build a home on land from the inception of the building work to the point where the home is ready for occupation and if, for any reason, the work to be carried out under such a contract is not completed, includes any further contract under which the work is to be completed.

contract for the purchase of a home means a contract for the acquisition of a relevant interest in land on which a home is built.

option to purchase includes a right of pre-emption or a right of first refusal.

owner-builder means an owner of land who builds a home, or has a home built, on the land without entering into a comprehensive home building contract.

Note For when a person is taken to be an owner-builder in relation to a moveable building, see s (5).

13A First home owner grant cap

- (1) The first home owner grant cap applies to an eligible transaction with a commencement date on or after 1 January 2011.
- (2) The amount of the first home owner grant cap is—
 - (a) \$750 000; or
 - (b) if another amount is prescribed by regulation—the prescribed amount.

13B **Meaning of *total value* of eligible transaction etc**

- (1) The *total value* of an eligible transaction is as follows:
 - (a) for a contract for the purchase of a home, the greater of the following:
 - (i) the consideration for the contract;
 - (ii) the unencumbered value, at the commencement date, of the home;
 - (b) for a comprehensive home building contract, the amount worked out by adding together—
 - (i) the consideration for the contract; and
 - (ii) the value, at the commencement date, of the relevant interest in the land on which the home is to be built;
 - (c) for the building of a home by an owner builder, the amount worked out by adding together—
 - (i) the unencumbered value, at the date the transaction is completed, of the home; and
 - (ii) the value, at the date the transaction is completed, of the relevant interest in the land on which the home is built.
- (2) The *value of the relevant interest in the land* on which a home is, or is to be, built is the greater of the following:
 - (a) the consideration paid or payable for the interest;
 - (b) the unencumbered value of the interest.
- (3) The *unencumbered value* of a home or relevant interest in land is the value of the home or interest worked out without regard to—
 - (a) any encumbrance to which the home or interest is subject, whether contingently or otherwise; or

- (b) any arrangement that results in the reduction of the value of the home or interest, if the parties to the arrangement are not dealing with each other at arm's length; or
 - (c) any scheme or arrangement that, in the commissioner's opinion, was entered into, made or carried out by a party to the scheme or arrangement for the main purpose of reducing the value of the home or interest; or
 - (d) if the home or interest is held by a person on trust as guardian for another person who is under a legal disability—any liabilities of the trust, including the liability to indemnify the trustee.
- (4) For the purposes of subsection (3) (c), the commissioner may consider—
- (a) the duration of the scheme or arrangement before the commencement date of the transaction to which the home or interest relates; and
 - (b) whether there is any commercial efficacy to the making of the scheme or arrangement other than to reduce the value of the home or interest; and
 - (c) anything else the commissioner considers relevant.

Division 2.4 Application for grant

14 Application for grant

- (1) An application for a first home owner grant is to be made to the commissioner.

Note 1 If a form is approved under s 55 (Approved forms) for an application, the form must be used.

Note 2 For how documents may be given, see [Legislation Act](#), pt 19.5.

- (2) An applicant must provide the commissioner with any information the commissioner requires to decide the application.

- (3) Information provided by an applicant in or in relation to an application must, if the commissioner so requires, be verified by statutory declaration or supported by other evidence required by the commissioner.

Note 1 The *Statutory Declarations Act 1959* (Cwlth) applies to the making of statutory declarations under ACT laws.

Note 2 It is an offence to make a false or misleading statement, give false or misleading information or produce a false or misleading document (see *Criminal Code*, pt 3.4).

- (4) An application may only be made within a period (the *application period*)—
- (a) beginning on the commencement date of the eligible transaction to which the application relates; and
 - (b) ending 1 year after the completion of the eligible transaction to which the application relates.
- (5) However, the commissioner has a discretion to allow an application before or after the application period.
- (6) An applicant may, with the commissioner's consent, amend an application.

15 All interested persons to join in application

- (1) All interested persons must be applicants.
- (2) An *interested person* is a person who is, or will be on completion of the eligible transaction to which the application relates, an owner of the relevant home except such a person who is excluded from the application of this section under the regulations.

16 Application on behalf of person under legal disability

- (1) An application may be made on behalf of a person under a legal disability by a guardian.

- (2) For the purpose of deciding eligibility, the person under the legal disability is to be regarded as the applicant.

Division 2.5 Decision on application

17 Commissioner to decide applications

- (1) If the commissioner is satisfied that a first home owner grant is payable on an application, the commissioner must authorise the payment of the grant.
- (2) The commissioner may authorise the payment of a first home owner grant before completion of the eligible transaction if satisfied that—
 - (a) there are good reasons for doing so; and
 - (b) the interests of the Territory can be adequately protected by conditions requiring repayment of the grant if the transaction is not completed within a reasonable time.

18 Amount of grant

The amount of a first home owner grant is the lesser of the following:

- (a) the consideration for the eligible transaction;
- (b) \$12 500.

19 Payment of grant

- (1) A first home owner grant is to be paid by electronic funds transfer, by cheque or in any other way the commissioner considers appropriate.
- (2) A first home owner grant is to be paid—
 - (a) to the applicant; or
 - (b) to someone else to whom the applicant directs in writing that the grant be paid.

20 Payment in anticipation of compliance with residence requirements or first home owner grant cap

- (1) The commissioner may authorise payment of a first home owner grant in anticipation of compliance with the residence requirements if the commissioner is satisfied that each applicant intends to comply with the residence requirements.
- (2) If a first home owner grant is paid in anticipation of compliance with the residence requirements, the payment is made on condition that, if the residence requirements are not complied with, the applicant must within 14 days after the relevant date—
 - (a) give written notice of that fact to the commissioner; and
 - (b) repay the amount of the grant.
- (3) The *relevant date* is the earlier of the following:
 - (a) the end of the period allowed for compliance with the residence requirements;
 - (b) the date it first becomes apparent that the residence requirements will not be complied with during the period allowed for compliance.
- (4) The commissioner may authorise payment of a first home owner grant in anticipation of compliance with the first home owner grant cap if—
 - (a) the grant is to be paid in relation to an eligible transaction that involves the building of a home by an owner builder before the completion of the eligible transaction; and
 - (b) the first home owner grant cap applies to the eligible transaction.
- (5) If a first home owner grant is paid in anticipation of compliance with the first home owner grant cap, the payment is made on condition that, if the applicant becomes aware that the total value of the eligible transaction is, or will be, more than the first home owner

grant cap, the applicant must, within 14 days after the day the applicant becomes aware of that fact—

- (a) give written notice of that fact to the commissioner; and
 - (b) repay the amount of the grant.
- (6) If a first home owner grant is paid to a person on the condition mentioned in subsection (2) or (5), the person must comply with the condition.

Maximum penalty: 50 penalty units.

- (7) An offence against this section is a strict liability offence.

21 Conditions generally

- (1) The commissioner may authorise the payment of a first home owner grant on conditions the commissioner considers appropriate.
- (2) A condition imposed by the commissioner (under this section or any other provision of this Act) may require a person on whose application the first home owner grant is paid—
- (a) to give notice of noncompliance with the condition within a period stated in the condition; and
 - (b) to repay the grant or part of the grant within a period stated in the condition.
- (3) For a joint application, each applicant is individually liable to comply with a requirement under subsection (2) but compliance by any of them is to be regarded as compliance by all.
- (4) If a first home owner grant is paid to a person on a condition imposed by the commissioner under this section or another provision of this Act, the person must comply with the condition.

Maximum penalty: 50 penalty units.

- (5) An offence against this section is a strict liability offence.

22 Death of applicant

- (1) An application for a first home owner grant does not lapse because an applicant dies before the application is decided.

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws are not included in the republished law. The details of these laws are underlined in the legislation history. Uncommenced expiries are underlined in the legislation history and amendment history.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

6 Expired transitional or validating provisions

This Act may be affected by transitional or validating provisions that have expired. The expiry does not affect any continuing operation of the provisions (see *Legislation Act 2001*, s 88 (1)).

Expired provisions are removed from the republished law when the expiry takes effect and are listed in the amendment history using the abbreviation ‘exp’ followed by the date of the expiry.

To find the expired provisions see the version of this Act before the expiry took effect. The ACT legislation register has point-in-time versions of this Act.
