Health Professionals (Special Events Exemptions) Act 2000

A2000-25

Republication No 9

Effective: 1 July 2010 – 20 September 2011

Republication date: 1 July 2010

Last amendment made by A2010-10

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Health Professionals (Special Events Exemptions) Act 2000* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 July 2010. It also includes any amendment, repeal or expiry affecting the republished law to 1 July 2010.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Health Professionals (Special Events Exemptions) Act 2000

An Act to allow visiting health professionals to provide health services in connection with certain special events without being registered under Territory laws

Part 1 Preliminary

1 Name of Act

This Act is the *Health Professionals (Special Events Exemptions) Act 2000*.

2 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*supply*—see the *Medicines, Poisons and Therapeutic Goods Act 2008*, section 24.' means that the term 'supply' is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

Part 2 Special events

5 Declaration of a special event

- (1) The Minister may, in writing, declare an event to be a *special event* for this Act if the Minister is satisfied that a significant number of persons from outside Australia will come to the ACT to participate in, or to prepare, train, practice, rehearse or acclimatise for, the event.
- (2) A declaration must specify, for the special event, the period or periods (the *exemption period*) when an exemption under this Act will apply.
- (3) An exemption period may include periods before or after the special event takes place.
- (4) A declaration must specify a *notification procedure* for giving notice within the ACT that a person will be a visiting health professional for a visitor to the special event.
- (5) A declaration is a notifiable instrument.

Note A notifiable instrument must be notified under the Legislation Act.

6 Meaning of *visitor*

A person is a *visitor* to a special event if—

- (a) the person is a resident of another country who is in the ACT for the purpose of officially participating in, or preparing, training, practising, rehearsing or acclimatising for, a special event; or
- (b) the person is a resident of Australia who—
 - (i) is in the ACT for the purpose mentioned in paragraph (a); and

- (ii) is a member of a group the majority of which is comprised of persons who are residents of other countries and are in the ACT for the same purpose.

7 Meaning of *visiting health professional*

A person is a *visiting health professional* for a visitor, if—

- (a) the person is a resident of another country; and
- (b) notice has been given, in accordance with the notification procedure for the relevant special event, that the person will be providing health care services to the visitor, or to a group that includes the visitor; and
- (c) the person is currently appointed, employed, contracted or otherwise engaged to provide health care services to the visitor.

Note A visiting health professional may provide services to other visitors to the event only after giving a further notification in accordance with the notification procedure.

8 Provision of health care services by visiting health professionals

- (1) A visiting health professional for a visitor is authorised by this section to provide health care services to the visitor.
- (2) This section—
 - (a) applies only during the exemption period for the relevant special event; and
 - (b) ceases to apply if the health professional does not comply with conditions imposed under this Act.
- (3) This section does not authorise a visiting health professional to possess, or supply to a visitor, a prohibited substance within the meaning of the *Medicines, Poisons and Therapeutic Goods Act 2008*.

9 Conditions on practise by visiting health professionals

- (1) The regulations may impose conditions on the provision of health care services by a visiting health professional.
- (2) A special event declaration may impose further conditions on the provision of health care services by a visiting health professional.

10 Issue of prescriptions and supply of prescription medicines

- (1) A visiting health professional may be authorised under this section to issue a written prescription for a prescription medicine.
- (2) An authorisation under this section does not authorise a visiting health professional to issue a prescription unless the prescription could be issued by an authorised person under the *Medicines, Poisons and Therapeutic Goods Act 2008*.
- (3) The Minister may, in a special event declaration—
 - (a) authorise a visiting health professional, whom the Minister is satisfied should be regarded as qualified to issue prescriptions, to issue written prescriptions for a prescription medicine in the course of providing health care services in accordance with this Act; and
 - (b) authorise a supplier to supply a prescription medicine on the prescription.

Note A power given under an Act to make a statutory instrument about particular matters includes power to make a statutory instrument about any 1 or more of the matters or a particular class of the matters (see Legislation Act, s 48 (2)).

- (4) The Minister must not make a special event declaration containing an authorisation under subsection (3) unless satisfied that adequate arrangements are in place to ensure that prescription medicines will be prescribed only for, and supplied only to, visitors to whom

visiting health professionals are authorised to provide health care services under this Act.

- (5) A special event declaration may impose conditions on an authorisation under subsection (3), including a visiting health professional's authority to issue prescriptions.
- (6) In this section:

supplier, of a prescription medicine, means a person who is authorised under the *Medicines, Poisons and Therapeutic Goods Act 2008* to supply the medicine.

11 Exemptions relating to offences

- (1) A visiting health professional does not commit an offence against the *Health Professionals Act 2004*, the *Health Practitioner Regulation National Law (ACT)*, the *Medicines, Poisons and Therapeutic Goods Act 2008* or the *Skin Penetration Procedures Act 1994* by—

 - (e) using any name, initials, description, word, symbol, addition or title that the health professional ordinarily uses.
- (2) A visitor to a special event does not commit an offence against the *Medicines, Poisons and Therapeutic Goods Act 2008* by doing anything, or possessing a prescription medicine, because of being provided with health care services in accordance with this Act.

- (3) A person does not commit an offence against the *Medicines, Poisons and Therapeutic Goods Act 2008* by supplying a prescription medicine in accordance with a written prescription issued by a visiting health professional if—
- (a) the health professional is authorised under this Act to issue the prescription; and
 - (b) the person is authorised under this Act to supply the medicine on the prescription.
- (4) A regulation may prescribe other offences to which exemptions under this section apply.

Note A visiting health professional who provides health care services otherwise than in accordance with this Act loses the exemption.

Part 3 Miscellaneous

- (1) A complaint may not be made about, nor may disciplinary action be taken against, a visiting health professional under the *Health Professionals Act 2004*, the *Health Practitioner Regulation National Law (ACT)* or the *Human Rights Commission Act 2005* in relation to anything done by the health professional in—
