No 14 of 2001

An Act about legislation

[Notified in ACT Gazette No. 14: 5 April 2001]

The Legislative Assembly for the Australian Capital Territory enacts as follows:

CHAPTER 1—PRELIMINARY

PART 1.1—GENERAL

1 Name of Act

This Act is the *Legislation Act 2001*.

2 Commencement

This Act commences on a day fixed by the Minister by notice in the Gazette.

Note 1 The provisions of an Act providing for its name and commencement automatically commence on the date of notification of the Act (see *Interpretation Act 1967*, s 10B—that section is to be replaced by s 75 of this Act).

Legislation Act No 14, 2001

Note 2 A single day or time may be fixed, or different days or times may be fixed, for the commencement of different provisions (see *Interpretation Act 1967*, s 10C (1)—that subsection is to be replaced by s 77 of this Act).

Note 3 If a provision has not commenced within 6 months beginning on the date of notification of the Act, it automatically commences on the first day after that period (see *Interpretation Act 1967*, s 10E (2)—that provision is to be replaced by s 79 of this Act).

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act.

For example, the signpost definition ‘*disallowable instrument*—see section 9.’ means that the expression disallowable instrument is defined in section 9.

Note 2 A definition in the dictionary applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Interpretation Act 1967*, s 11F and s 11G).

4 Notes

(1) A note included in this Act is explanatory and is not part of this Act.

Note See *Interpretation Act 1967*, section 12 (1), (4) and (5) for the legal status of notes.

(2) In this section:

note includes material enclosed in brackets in section headings.

Note For comparison, a number of sections of this Act contain bracketed notes in their headings drawing attention to equivalent or comparable (though not necessarily identical) provisions of other Acts. Abbreviations in the notes include the following:

- EA: *Evidence Act 1971* (the operation of this Act is affected by the *Evidence Act 1995* (Cwlth))
- IA: *Interpretation Act 1967* (amended by the *Statute Law Amendment Act 2000* and the *Statute Law Amendment Act 2001*)
- LRA: *Legislation (Republication) Act 1996* (amended by the *Statute Law Amendment Act 2000*)
- SLA: *Subordinate Laws Act 1989* (amended by the *Statute Law Amendment Act 2000*).

(3) Subsection (2) and this subsection expire 2 years after this section commences.

5 Objects

- (1) The main object of this Act is to make legislation more accessible.
- (2) This is to be achieved particularly by—
 - (a) encouraging access to legislation through the Internet, while maintaining access to printed legislation; and
 - (b) restating the law about the making, publication and operation of legislation, improving its structure and content, and simplifying its provisions where practicable; and
 - (c) assisting users of legislation to find, read, understand and use legislation by—
 - (i) facilitating the shortening and simplifying of legislation; and
 - (ii) promoting consistency in the form and language of legislation; and
 - (iii) facilitating the updating and republication of legislation to ensure its ready availability.

PART 1.3—SOURCES OF LAW IN THE TERRITORY

Notes on sources of law

Note 1 The laws in force in the Territory consist of the written law and various unwritten laws known as the principles and rules of common law and equity.

Note 2 The written law of the Territory consists primarily of laws, known as Acts, made by the Legislative Assembly. It also includes regulations, rules of court and other legislative instruments made under specific powers given by Acts. (Written laws made under an Act are commonly called ‘subordinate’ or ‘delegated’ legislation.)

Note 3 Before self-government, ordinances made by the Governor-General under the *Seat of Government (Administration) Act 1910* (Cwlth) were the main form of legislation made for the Territory. Most of the ordinances in force at self-government have been converted into Acts (see s 34 of the Self-Government Act). However, the Governor-General has power to make ordinances for the Territory on a limited number of topics (see s 12 of the *Seat of Government (Administration) Act 1910* (Cwlth)).

Note 4 The written laws in force in the Territory also include the Commonwealth Constitution, Commonwealth Acts, and regulations and other legislative instruments made under Commonwealth Acts. As a general rule, Commonwealth Acts and legislative instruments apply in the ACT in the same way as they apply in other parts of Australia. Commonwealth Acts and instruments prevail over the Acts made by the Legislative Assembly to the extent to which they are inconsistent (see s 28 of the Self-Government Act).

Note 5 Certain Acts of New South Wales and the United Kingdom also formed part of the written laws in force in the Territory. Because of section 65 of the *Interpretation Act 1967* (now repealed), these are now taken to be laws made by the Legislative Assembly as if they had been enacted by the Assembly. These Acts are listed in Schedule 1.

17 References to Acts include references to former Cwlth enactments etc (IA s 7A, dict, def of *Act*, par (b) and def of *enactment*)

(1) A reference to an *Act* includes a reference to a former Commonwealth enactment.

(2) Without limiting subsection (1), a reference to an Act includes a reference to a former NSW Act or former UK Act mentioned in Schedule 1.

(3) In this section:

former Commonwealth enactment means a Commonwealth Act or ordinance, a New South Wales Act or Imperial Act that is—

(a) an enactment within the meaning of the Self-Government Act because of section 34 of that Act; or

Legislation Act No 14, 2001

- (b) an enactment because of subsection 10 (3) or 12 (2) or (3) of the *A.C.T. Self-Government (Consequential Provisions) Act 1988* (Cwlth).

CHAPTER 2—ACT LEGISLATION REGISTER AND WEB SITE

18 ACT legislation register

- (1) The parliamentary counsel must establish and maintain a register of Acts and statutory instruments (the *ACT legislation register*).
- (2) The register must be kept in the form of, or as part of, 1 or more computer databases.

19 Contents of register

- (1) The ACT legislation register must contain the following parts:
 - part 1—authorised republications of laws as in force from time to time
 - part 2—Acts as made
 - part 3—subordinate laws as made
 - part 4—disallowable instruments as made
 - part 5—commencement notices as made
 - part 6—notifiable instruments as made
 - part 7—notifications of Acts
 - part 8—notifications of subordinate laws
 - part 9—notifications of disallowable instruments
 - part 10—notifications of commencement notices
 - part 11—notifications of notifiable instruments
 - part 12—notifications of amendments of subordinate laws and disallowable instruments made by the Legislative Assembly.
- (2) However, if the parliamentary counsel considers it likely to be useful to users of the register, the parliamentary counsel may establish additional parts of the register.
- (3) Without limiting subsection (2), additional parts of the register may be established under that subsection for—
 - (a) a particular kind of registrable instrument; or

- (b) statutory instruments that are not registrable instruments; or
- (c) Commonwealth laws that apply in or in relation to the Territory; or
- (d) bills, explanatory memoranda for bills, and amendments of bills, presented to the Legislative Assembly; or
- (e) superseded versions of authorised republications; or
- (f) repealed Acts and statutory instruments.

(4) The parliamentary counsel may enter material in additional parts of the register established under subsection (2).

Note The following sections of the Act deal with the entry of material in other parts of the register:

- section 28 (Notification of Acts)
- section 61 (Notification of registrable instruments)
- section 69 (Notification of amendments made by resolution of Assembly)
- section 108 (Republication in register).

(5) If a law entered in part 1 of the register is amended, the parliamentary counsel must replace the version of the law entered in the part with a version of the law as amended.

(6) If a law entered in part 1 of the register is repealed, expires or, for a subordinate law or disallowable instrument, is disallowed by the Legislative Assembly, the parliamentary counsel must omit the version of the law entered in the part.

(7) If the parliamentary counsel considers it likely to be useful to users of the register to enter information (in any form) in any part of the register, the parliamentary counsel may enter the information at any time.

Example

The parliamentary counsel may enter guides and indexes to the register or particular parts of the register.

(8) If an Act passed by the Legislative Assembly, or a registrable instrument made, before the commencement of this Act need not be notified under this Act, the parliamentary counsel may enter the text of the Act or instrument in the appropriate part of the register.

Note See s 122 (Application of s 28) and s 123 (Application of s 61 and s 62) about Acts and registrable instruments made before the commencement of this Act.

(9) The parliamentary counsel may correct any mistake, error or omission in the register subject to the requirements (if any) of the regulations.

(10) In this section:

(2) The parliamentary counsel may enter into agreements or arrangements to ensure that users can authenticate an approved web site or the material accessible on an approved web site.

22 Access to registered material at approved web site

(1) The parliamentary counsel must ensure, as far as practicable, that a copy of the material in each part of the register is accessible at all times on an approved web site.

(2) Access is to be provided without charge by the Territory.

24 Authorised electronic versions (LRA s 20, s 22, s 23)

(1) A version of an Act, statutory instrument or republication accessible at an approved web site is an authorised version.

(2) Any other electronic version of an Act, statutory instrument or republication authorised by the parliamentary counsel is an authorised version.

Example of another electronic version

A version on a CD-ROM.

(3) It is presumed, unless the contrary is proved—

- (a) that an Internet site purporting to be an approved web site is an approved web site; and
- (b) that a version of an Act, statutory instrument or republication accessible at an approved web site has been authorised by the parliamentary counsel under this Act; and
- (c) that any other electronic version of an Act, statutory instrument or republication purporting to have been authorised by the parliamentary counsel was authorised by the parliamentary counsel under this Act; and
- (d) that an authorised electronic version of the Act or statutory instrument correctly shows the Act or instrument; and
- (e) that an authorised electronic version of a republication of a law correctly shows the law as at the republication date.

(4) In this section:

law—see section 107 (Meaning of *law* in ch 11).

25 Authorised printed versions (LRA ss 6-9, ss 20-23)

(1) A version of an Act, statutory instrument or republication printed by authority of the government of the Territory and authorised by the parliamentary counsel is an authorised version.

(2) It is presumed, unless the contrary is proved—

- (a) that a printed version of an Act, statutory instrument or republication purporting to have been printed by authority of the government of the Territory was so printed; and
- (b) that a printed version of an Act, statutory instrument or republication purporting to have been authorised by the parliamentary counsel was authorised by the parliamentary counsel under this Act; and
- (c) that an authorised printed version of an Act or statutory instrument correctly shows the Act or instrument; and
- (d) that an authorised printed version of a republication of a law correctly shows the law as at the republication date.

(3) In this section:

law—see section 107 (Meaning of *law* in ch 11).

26 Judicial notice of certain matters (EA ss 8–10A, s 10C)

(1) Proof is not required about—

- (a) the passing of a proposed law by the Legislative Assembly or its notification in the register or the Gazette; or
- (b) the making, or notification or publication in the register or the Gazette, of a subordinate law, disallowable instrument, notifiable instrument, commencement notice or any other statutory instrument; or
- (c) the approval (however described) of a statutory instrument by the Executive, a Minister or any other entity; or
- (d) the provisions of an Act, subordinate law, disallowable instrument, notifiable instrument, commencement notice or any other statutory instrument; or

Legislation Act No 14, 2001

(2) A court or tribunal may inform itself of anything mentioned in subsection (1) in any way it considers appropriate.

Examples of ways that may be appropriate

- 1 Using a version of an Act downloaded from an approved web site using the Internet.
- 2 Using information obtained from an approved web site using the Internet.
- 3 Using an authorised printed version of a republication.

(3) However, the court or tribunal must consider whether the source it intends to use appears to be a reliable source of information.

(4) For subsection (3), an authorised version of an Act, statutory instrument or republication is a reliable source of information.

(5) This section does not limit any other law providing how a court or tribunal may be informed about a matter mentioned in subsection (1).

CHAPTER 4—NUMBERING AND NOTIFICATION OF ACTS

27 Numbering of Acts (IA s 9)

The Acts passed in each year are to be numbered as nearly as practicable in the order in which they are passed.

28 Notification of Acts (IA s 8)

- (1) If a proposed law is passed by the Legislative Assembly, the Speaker must ask the parliamentary counsel to notify the making of the law.
- (2) If the Speaker asks the parliamentary counsel to notify the making of the proposed law, the parliamentary counsel must—
 - (a) notify the making of the law in the register; or
 - (b) if that is not practicable or a copy of the material in a relevant part of the register is not accessible at 1 or more approved web sites when the law is to be notified—notify the making of the law in the Gazette.
- (3) If the Speaker asks the parliamentary counsel to notify the making of the proposed law on a particular day, the parliamentary counsel must notify the making of the law on that day unless it is impracticable to do so.
- (4) The making of the proposed law is notified in the register by—
 - (a) entering in part 7 of the register a statement that the law has been passed by the Legislative Assembly; and
 - (b) entering the text of the law in part 2 of the register.
- (5) The making of the proposed law is notified in the Gazette by publishing in the Gazette a statement—
 - (a) that the law has been passed by the Legislative Assembly; and
 - (b) of the place or places where copies of the law can be purchased.
- (6) If the making of the proposed law is notified in the Gazette—
 - (a) copies of the law must be available for purchase on the day of publication (the *Gazette date*), or as soon as practicable after the Gazette date, at the place, or each of the places, stated in the Gazette; and

- (b) the parliamentary counsel must later notify the making of the law in the register and include with the statement entered in part 7 of the register a statement that the making of the law was notified in the Gazette on the Gazette date.
- (7) If on the Gazette date no copies of the law are available for purchase at the place, or any of the places, stated in the Gazette, the parliamentary counsel must give the Minister a statement—
- (a) that copies of the law were not available; and
 - (b) explaining why they were not available.
- (8) The Minister must present the statement to the Legislative Assembly within 6 sitting days after the Gazette date.

29 References to *enactment* or *passing* of Acts (IA s 10F)

In an Act or statutory instrument, a reference to the *enactment* or *passing* of an Act is a reference to the making of the Act having been notified in the register or the Gazette.

30 References to *notification* of Acts

- (1) In an Act or statutory instrument, a reference to the *notification* of an Act is a reference to the making of the Act having been notified in the register or the Gazette.
- (2) If an Act is notified in the Gazette and later notified in the register, the Act is taken to have been notified when it is notified in the Gazette.

**CHAPTER 5—REGULATORY IMPACT STATEMENTS FOR
SUBORDINATE LAWS AND DISALLOWABLE INSTRUMENTS**

PART 5.1—PRELIMINARY

31 Definitions for ch 5 (SLA s 9A)

In this chapter:

authorising law, in relation to a proposed subordinate law or disallowable instrument (the *proposed law*), means the Act or statutory instrument (and, if appropriate, the provision of the Act or statutory instrument) under which the proposed law will be made.

benefits includes—

- (a) advantages; and
- (b) direct and indirect economic, environmental and social benefits.

costs includes—

- (a) burdens and disadvantages; and
- (b) direct and indirect economic, environmental and social costs.

scrutiny committee principles means the terms of reference of the Legislative Assembly's Standing Committee on Justice and Community Safety that apply to subordinate laws and disallowable instruments.

32 Other publication or consultation requirements not affected (SLA s 9B)

(1) Part 5.2 (Requirements for regulatory impact statements) does not affect any requirements in any other Territory law for publication or consultation about a proposal to make a subordinate law or disallowable instrument.

(2) Part 5.2 does not apply to the subordinate law or disallowable instrument if the requirements are of a comparable level to publication and consultation under the part.

33 Guidelines about costs of proposed subordinate laws and disallowable instruments (SLA s 9C)

- (1) The Minister may, in writing, issue guidelines to be applied in deciding whether a proposed subordinate law or disallowable instrument is, or is not, likely to impose appreciable costs on the community or a part of the community.
- (2) Guidelines issued under this section are a disallowable instrument.
- (3) The Minister must issue guidelines under subsection (1) within 6 months after the commencement of this section.
- (4) Subsection (3) and this subsection expire 6 months after the commencement of this section.

PART 5.2 —REQUIREMENTS FOR REGULATORY IMPACT STATEMENTS

34 Preparation of regulatory impact statements (SLA s 9D)

(1) If a proposed subordinate law or disallowable instrument (the *proposed law*) is likely to impose appreciable costs on the community, or a part of the community, then, before the proposed law is made, the Minister administering the authorising law (the *administering Minister*) must arrange for a regulatory impact statement to be prepared for the proposed law.

(2) However, this section does not apply to the proposed law if the administering Minister, in writing, exempts the proposed law from subsection (1).

Note Sections 32 and 36 also state other circumstances when a regulatory impact statement is not required.

(3) An exemption under subsection (2) (the *RIS exemption*) is a disallowable instrument.

(4) If the RIS exemption is disallowed under this Act after the proposed law has been made in whole or in part, the administering Minister must arrange for a regulatory impact statement to be prepared for the subordinate law or disallowable instrument.

(5) The regulatory impact statement prepared under subsection (4) must be presented to the Legislative Assembly within 5 sitting days after the disallowance of the RIS exemption.

(6) This chapter (other than section 37 (When must a regulatory impact statement be presented?)) applies to the law as if the law were a proposed subordinate law or disallowable instrument.

35 Content of regulatory impact statements (SLA s 9E)

A regulatory impact statement for a proposed subordinate law or disallowable instrument (the *proposed law*) must include the following information about the proposed law in clear and precise language:

- (a) the authorising law;
- (b) a brief statement of the policy objectives of the proposed law and the reasons for them;

- (c) a brief statement of the way the policy objectives will be achieved by the proposed law and why this way of achieving them is reasonable and appropriate;
- (d) a brief explanation of how the proposed law is consistent with the policy objectives of the authorising law;
- (e) if the proposed law is inconsistent with the policy objectives of another Territory law—
 - (i) a brief explanation of the relationship with the other law; and
 - (ii) a brief explanation for the inconsistency;
- (f) if appropriate, a brief statement of any reasonable alternative way of achieving the policy objectives (including the option of not making a subordinate law or disallowable instrument) and why the alternative was rejected;
- (g) a brief assessment of the benefits and costs of implementing the proposed law that—
 - (i) if practicable and appropriate, quantifies the benefits and costs; and
 - (ii) includes a comparison of the benefits and costs with the benefits and costs of any reasonable alternative way of achieving the policy objectives stated under paragraph (f);
- (h) a brief assessment of the consistency of the proposed law with the scrutiny committee principles and, if it is inconsistent with the principles, the reasons for the inconsistency.

36 When is preparation of a regulatory impact statement unnecessary?

(SLA s 9F)

(1) A regulatory impact statement need not be prepared for a proposed subordinate law or disallowable instrument (the *proposed law*) if the proposed law only provides for, or to the extent it only provides for, any of the following:

- (a) a matter that is not of a legislative nature, including, for example, a matter of a machinery, administrative, drafting or formal nature;

- (b) a matter that does not operate to the disadvantage of anyone (other than the Territory or a Territory authority or instrumentality) by—
 - (i) adversely affecting the person's rights; or
 - (ii) imposing liabilities on the person;
- (c) an amendment of a Territory law to take account of current legislative drafting practice;
- (d) the commencement of an Act or statutory instrument or a provision of an Act or statutory instrument;
- (e) an amendment of a Territory law that does not fundamentally affect the law's application or operation;
- (f) a matter of a transitional character;
- (g) a matter arising under a Territory law that is substantially uniform or complementary with legislation of the Commonwealth or a State;
- (h) a matter involving the adoption of an Australian or international protocol, standard, code, or intergovernmental agreement or instrument, if an assessment of the benefits and costs has already been made and the assessment was made for, or is relevant to, the ACT;
- (i) a proposal to make, amend or repeal rules of court;
- (j) a matter advance notice of which would enable someone to gain unfair advantage;
- (k) an amendment of a fee, charge or tax consistent with announced government policy.

(2) A regulatory impact statement also need not be prepared for the proposed law if, or to the extent, it would be against the public interest because of the nature of the proposed law or the circumstances in which it is made.

Example

A law may need to be made urgently for controlling the spread of a disease or dealing with another urgent situation.

Note Sections 32 and 34 also state other circumstances when a regulatory impact statement is not required.

37 When must a regulatory impact statement be presented? (SLA s 9G)

(1) This section applies if a regulatory impact statement for a proposed subordinate law or disallowable instrument (the *proposed law*) has been prepared and the proposed law is made in whole or part.

(2) The statement must be presented to the Legislative Assembly with the subordinate law or disallowable instrument.

**PART 5.3— FAILURE TO COMPLY WITH REQUIREMENTS
FOR REGULATORY IMPACT STATEMENTS**

38 Effect of failure to comply with pt 5.2 (SLA s 9H)

(1) Failure to comply with part 5.2 (Requirements for regulatory impact statements) in relation to a subordinate law or disallowable instrument (the *law*) does not—

- (a) affect the law's validity; or
- (b) create rights or impose legally enforceable obligations on the Territory, a Minister or anyone else.

(2) In addition, a decision made, or appearing to be made, under part 5.2 is final and conclusive.

(3) In this section:

decision includes—

- (a) conduct engaged in to make a decision; and
- (b) conduct related to making a decision; and
- (c) failure to make a decision.

**CHAPTER 6—MAKING, NOTIFICATION AND NUMBERING OF
STATUTORY INSTRUMENTS**

PART 6.1—GENERAL

39 Meaning of *matter* in ch 6 (IA s 27B)

In this Chapter:

matter, in relation to a statutory instrument, includes circumstance, person, place and purpose.

40 Presumption of validity (EA s 10C (2) (e))

It is presumed, unless the contrary is proved, that all conditions and steps required for the making of a statutory instrument have been satisfied and carried out.

41 Exercise of regulation-making power (SLA s 3)

(1) If an Act authorises or requires the Executive to make regulations, it is sufficient if the regulations are signed by any 2 Ministers who are members of the Executive.

(2) Regulations are taken to be made when they are signed by the second Minister who is a member of the Executive.

PART 6.2—MAKING OF STATUTORY INSTRUMENTS GENERALLY

42 Power to make statutory instruments (IA s 26 (1), s 27C)

(1) If an Act or statutory instrument gives a power that can be exercised by making an instrument, the Act or statutory instrument gives power to make the instrument.

Example

An Act gives a Minister power to approve codes of practice, but does not require the approval to be in writing or to be given by a particular instrument. The power can be exercised by giving a written approval. The Act, therefore, gives power to make an instrument, namely, a written approval.

(2) If an Act or statutory instrument gives power to make an instrument, the power may be exercised from time to time.

43 Statutory instruments to be interpreted not to exceed powers under authorising law (SLA s 9 (3))

(1) A statutory instrument is to be interpreted as operating to the full extent of, but not to exceed, the power given by the Act or statutory instrument under which it is made (the *authorising law*).

(2) Without limiting subsection (1), if a provision of a statutory instrument would, apart from this section, be interpreted as exceeding power—

- (a) the provision is valid to the extent to which it does not exceed power; and
- (b) the remainder of the instrument is not affected.

Example 1

Part 4 of the *Agriculture Services Determination 2001* exceeds the determination-making power given by the *Agriculture Services Act 2000*. The other provisions of the determination are within power.

The determination (apart from Part 4) operates effectively. Part 4 is treated as if it did not form part of the determination and is disregarded.

Note to example 1 The kind of interpretation indicated in example 1 is known as a divisible interpretation of the determination.

Example 2

The *Goats Regulations 2001* are made under the *Goats Act 2001*. Regulation 39 of the *Goats Regulations 2001* seeks to impose rules about the care of ‘animals’, but the Act only gives power to make regulations about goats.

Regulation 39 is read restrictively (‘read down’) as if it mentioned goats. In other words, the regulation is effective but treated as if it applied only to goats.

Note to example 2 The kind of interpretation indicated in example 2 is known as a distributive interpretation of the regulations.

(3) Without limiting subsection (1), if the application of a provision of a statutory instrument to a matter would, apart from this section, be interpreted as exceeding power, the provision’s application to other matters is not affected.

Example

The *Community Safety Order 2001* is expressed to apply to all members of the community without qualification although it is in fact made under the *Building Industry (Safety) Act 2000*. That Act is restricted in its operation to the building industry. The order is cast in such wide terms that it cannot be interpreted divisibly or distributively. However, the order applies to entities such as XYZ Constructions Pty Ltd because it is a company in the construction industry.

(4) This section is in addition to any provision of the statutory instrument or authorising law.

44 Power to make statutory instruments for an Act etc (SLA s 2A)

(1) If an Act or statutory instrument (the *authorising law*) authorises or requires the making of a statutory instrument for (or for the purposes of) the authorising law or another Act or statutory instrument (the *other law*), the power authorises a statutory instrument to be made with respect to any matter that—

- (a) is required or permitted to be prescribed by the authorising law or other law; or
- (b) is necessary or convenient to be prescribed for carrying out or giving effect to the authorising law or other law.

(2) Subsection (1) applies to the authorising law even though the authorising law—

- (a) only authorises the making of a statutory instrument for or for the purposes of the authorising law; or

(b) also authorises or requires the making of a statutory instrument about a particular matter.

(3) Power given by the authorising law to make a statutory instrument about a particular matter does not limit power given by the authorising law or other law to make a statutory instrument (whether or not of the same kind) about any other matter, except so far as the authorising law otherwise expressly provides.

45 Power to make rules of court (IA s 27I)

The power of an entity to make rules of court in relation to a court includes power to make rules of court for any Act, subordinate law or disallowable instrument that requires or permits anything to be done, in relation to the court, by rules of court.

46 Power to make instrument includes power to amend or repeal (IA s 27D)

(1) Power given under an Act or statutory instrument (the *authorising law*) to make a statutory instrument includes power to amend or repeal the instrument.

(2) The power to amend or repeal the instrument is exercisable in the same way, and subject to the same conditions, as the power to make the instrument.

Examples

- 1 If the instrument is a disallowable instrument, an amendment or repeal of the instrument is also a disallowable instrument.
- 2 If the instrument is a notifiable instrument, an amendment or repeal of the instrument is also a notifiable instrument.
- 3 If notice of the making of the instrument must be published in a newspaper, notice of an amendment or repeal of the instrument must also be published in the newspaper.

(3) This section is subject to any provision of the authorising law.

47 Statutory instrument may make provision by applying a law or instrument (SLA s 8)

(1) If an Act, subordinate law or disallowable instrument (the *authorising law*) authorises or requires the making of a statutory instrument about a matter, a statutory instrument (the *relevant instrument*)

made under the authorising law may make provision about the matter by applying (with or without change)—

- (a) a law or instrument, or a provision of a law or instrument, as in force at a particular time; or
- (b) a law or instrument, or a provision of a law or instrument, as in force from time to time if—
 - (i) the statutory instrument expressly provides that the law, instrument or provision is applied from time to time; and
 - (ii) for an instrument or provision of an instrument—the authorising law authorises the instrument or provision to be applied from time to time.

Example of paragraph (b) (i)

The *ABC Regulations 2000* provide that noise measurements are to be taken in accordance with the NSW noise control manual as in force from time to time.

Example of paragraph (b) (ii)

The *XYZ Regulations 2000* are made under the *XYZ Act 1999*. The *XYZ Act 1999* contains the following provision:

‘(2) The regulations may apply, adopt or incorporate (with or without change) an instrument or provision of an instrument as in force from time to time.’

(2) If the relevant instrument makes provision about the matter by applying (with or without change), a law or instrument, or a provision of a law or instrument, as in force at a particular time, the text of the law, instrument or provision as in force at that time is taken to be a notifiable instrument made under the relevant instrument by the entity authorised or required to make the relevant instrument.

(3) If the relevant instrument makes provision about the matter by applying (with or without change), a law or instrument, or a provision of a law or instrument, as in force from time to time, the text of each of the following is taken to be a notifiable instrument made under the relevant instrument by the person authorised or required to make the relevant instrument:

- (a) the law, instrument or provision as in force at the time the relevant instrument is made;
- (b) each subsequent amendment of the law, instrument or provision;

- (c) for a law or instrument that is repealed and remade (with or without changes)—the law or instrument as remade and each subsequent amendment of the law or instrument;
 - (d) for a provision that is omitted and remade (with or without changes) in another law or instrument—the provision as remade and each subsequent amendment of the provision.
- (4) Subsections (2) and (3) do not apply in relation to—
- (a) an ACT law or a provision of an ACT law; or
 - (b) a law of another jurisdiction, an instrument, or a provision of a law of another jurisdiction or an instrument, if the authorising law or the relevant instrument expressly declares that it does not apply.
- (5) Subsections (2) and (3) apply in relation to a law of another jurisdiction, an instrument, or a provision of a law of another jurisdiction or an instrument, with the modifications (if any) expressly made by the authorising law or the relevant instrument.
- (6) In this section:

ACT law means an Act, subordinate law or disallowable instrument.

applying includes adopting or incorporating.

disallowable instrument, for a Commonwealth Act, means a disallowable instrument under the *Acts Interpretation Act 1901* (Cwlth), section 46A.

instrument does not include a law.

law means an ACT law or law of another jurisdiction.

law of another jurisdiction means—

- (a) a Commonwealth Act, or any regulations, rules, ordinance or disallowable instrument under a Commonwealth Act; or
- (b) a State Act, or any regulations or rules under a State Act; or
- (c) a New Zealand or Norfolk Island Act, or any regulations or rules under a New Zealand or Norfolk Island Act.

48 Power to make instrument includes power to make different provision for different categories etc (IA s 27E)

- (1) Power given under an Act or statutory instrument to make a statutory instrument includes power—
- (a) to make different provision with respect to different matters or different classes of matters; or
 - (b) to make an instrument that applies differently by reference to stated exceptions or factors.
- (2) Without limiting subsection (1), power given under an Act or statutory instrument to make a statutory instrument about particular matters includes power to make a statutory instrument about any 1 or more of the matters or a particular class of the matters.
- (3) For this section, a class may consist of a single matter.

49 Single instrument may exercise several powers or satisfy several requirements (IA s 27F)

- (1) Power given under an Act or statutory instrument may be exercised with any other power to make a single instrument—
- (a) whether or not the powers are exercised in relation to separate provisions, some of the same provisions, or all of the provisions, of the instrument; or
 - (b) whether or not the other powers are given under the same Act or statutory instrument, another Act or statutory instrument or any other Territory law.
- (2) A statutory instrument is taken—
- (a) to be made under each power given under Territory law under which it could be made; and
 - (b) to satisfy each requirement under Territory law that it could satisfy.
- (3) Without limiting subsection (2), that subsection applies to an instrument even though—
- (a) it is stated to be made under a particular Territory law (the *authorising law*) or a particular provision of the authorising law; and

- (b) it is stated to be made for a particular Territory law (the *requiring law*) or a particular provision of the requiring law.

50 Relationship between authorising law and instrument dealing with same matter (IA s 27G)

If an Act or statutory instrument (the *authorising law*) gives power to make a statutory instrument about a matter, the instrument may make provision with respect to a particular aspect of the matter even though provision is made by the authorising law in relation to another aspect of the matter or in relation to another matter.

51 Instrument may make provision in relation to land by reference to map etc (IA s 27GA)

(1) This section applies if an Act or statutory instrument authorises or requires provision to be made by statutory instrument in relation to land or waters.

(2) Provision may be made by reference to—

- (a) a particular map or plan held by an entity; or
- (b) a particular entry in a register kept by an entity;

if the map, plan or register is available for inspection by members of the public, whether or not on payment of a fee.

52 Instrument may authorise determination of matter etc (IA s 27GB)

(1) This section applies if an Act or statutory instrument (the *authorising law*) authorises or requires provision to be made about a matter by statutory instrument.

(2) A statutory instrument made under the authorising law may make provision about the matter by authorising or requiring a stated entity to make provision about the matter, or any aspect of the matter, whether or not from time to time.

(3) In this section:

provision, for a matter, includes determining or regulating the matter, applying the instrument to the matter, being satisfied or forming an opinion about anything relating to the matter, or doing anything else in relation to the matter.

Example

If an Act provides that an application is to be in a prescribed form, regulations made under the Act may provide that the form is to be that approved by the Minister.

53 Instrument may prohibit (IA s 27GC)

If an Act or statutory instrument authorises or requires a matter to be regulated (however described) by statutory instrument, the power may be exercised by prohibiting by statutory instrument the matter or any aspect of the matter.

54 Instrument may require the making of statutory declaration (IA s 27H)

(1) If an Act or statutory instrument (the *authorising law*) gives power to make a statutory instrument, the instrument may require the making of a statutory declaration.

(2) Subsection (1) applies—

- (a) whether or not the authorising law authorises or requires penalties to be prescribed by instrument; and
- (b) if the authorising law authorises or requires penalties to be prescribed by instrument—irrespective of the level of penalties that may be prescribed.

PART 6.3— MAKING OF CERTAIN STATUTORY INSTRUMENTS ABOUT FEES

55 Definitions for pt 6.3

In this part:

fee includes a charge or other amount.

provide a service includes exercise a function.

service includes a function or facility.

56 Determination of fees by disallowable instrument

(1) This section applies if an Act authorises or requires a fee to be determined for an Act or statutory instrument by a disallowable instrument.

(2) The fee may be determined—

- (a) by specifying the fee; or
- (b) by setting a rate, or providing a formula or other method, by which the fee is to be worked out; or
- (c) a combination of a specified fee and a rate, formula or other method.

Examples of different methods of determining fees

An instrument may determine a fee by specifying an amount (eg \$250), or a rate (eg \$7.50 per kilogram). An instrument may also determine a fee by providing a formula. For example, the fee for a licence issued for part of a year could be worked out using the following formula:

$$\text{annual fee} \times \frac{\text{whole and part months for which licence issued}}{12}$$

(3) The determination—

- (a) must provide by whom the fee is payable; and
- (b) must provide to whom the fee is to be paid; and
- (c) may make provision about the circumstances in which the fee is payable; and

- (d) may make provision about exempting a person from payment of the fee; and
- (e) may make provision about when the fee is payable and how it is to be paid (for example, as a lump sum or by instalments); and
- (f) may mention the service for which the fee is payable; and
- (g) may make provision about waiving, postponing or refunding the fee (in whole or part); and
- (h) may make provision about anything else relating to the fee.

Example of paragraph (a)

A provision that the owner for the time being of a vehicle is liable for any unpaid registration fee.

Examples of paragraph (c)

1 A provision that a document prepared and submitted in accordance with a condition imposed under the Act be accompanied by a fee.

2 A provision that royalty ceases to be payable if the percentage of recoverable minerals is less than the prescribed limit.

Examples of paragraph (e)

1 A provision that a levy is payable within 30 days after a sale of goods.

2 A provision that, if a licensee fails to pay an instalment payable in the financial year within 14 days after the day it is payable, all remaining instalments payable in the financial year become payable.

Example of paragraph (g)

A provision that a stated official may waive all or part of a charge in stated circumstances, including if the official is satisfied about a stated circumstance.

57 Fees payable in accordance with determinations etc

(1) A fee determined by a disallowable instrument is payable by the person by whom the fee is payable under the determination, in relation to the service (if any) mentioned in the determination and in accordance with the determination, to the person to whom the fee is payable under the determination.

(2) If a service is mentioned in the determination, the fee is payable before the service is provided unless the determination provides otherwise.

(3) If the fee is payable in relation to a service mentioned in the determination and the fee has not been paid in accordance with the determination, no-one is obliged to provide the service.

Examples

1 If a fee for a service is payable in advance under a disallowable instrument and the fee is not paid, there is no obligation to provide the service.

2 If fees for services over a period of time are payable by instalment under a disallowable instrument and the person paying the fees falls behind in payments on the instalments, there is no obligation to provide further services for the person.

(4) Subsection (3) applies to a service even though, apart from that subsection, someone is under a duty to provide the service.

Example

A provision of an Act provides that a registrar ‘must’ renew a licence if the holder of the licence applies to the registrar for its renewal before the end of the licence term. If a fee is determined for renewal of the licence, the registrar is not required to renew the licence unless the fee is paid.

58 Regulations may make provision about fees

(1) This section applies if an Act (the *authorising law*)—

- (a) authorises or requires fees to be determined for the authorising law, or another Act or a statutory instrument (the *fees law*); and
- (b) the authorising law authorises the making of regulations by the Executive.

(2) Regulations under the authorising law may make provision in relation to—

- (a) the payment, collection and recovery of determined fees; and
- (b) the waiver, postponement or refund of the fees (in whole or part); and
- (c) anything else about which provision may, under section 56 (Determination of fees by disallowable instrument), be made by determination in relation to determined fees.

(3) The power mentioned in subsection (2) (b) includes power to make provision in relation to an entitlement to a waiver, postponement or refund of determined fees in circumstances prescribed under the regulations (including the removal of a statutory capacity).

(4) The regulations may make provision in relation to the payment of determined fees by cheque or credit card, including, for example, the consequences of a cheque not being honoured on presentation or a credit card transaction not being honoured.

(5) The regulations may make provision in relation to the removal of a statutory capacity if any determined fee—

- (a) is not paid when it is required to be paid; or
- (b) is paid by cheque and the cheque is not honoured on presentation; or
- (c) is paid by credit card and the credit card transaction is not honoured.

(6) The regulations may make provision in relation to the restoration of a statutory capacity (whether prospectively or during any past period).

(7) This section is in addition to any provision of the authorising law or fees law.

(8) In this section:

credit card includes debit card.

removal, of a statutory capacity, includes suspension, cancellation, revocation, withdrawal, surrender or other prescribed restriction or termination of a statutory capacity under the fees law or authorising law.

statutory capacity includes an accreditation, approval, assessment, authority, certificate, condition, decision, determination, exemption, licence, permission, permit, registration or other prescribed thing conferring a status, privilege or benefit under the fees law or authorising law (whether or not required under either law for doing anything).

PART 6.4—NUMBERING AND NOTIFICATION OF REGISTRABLE INSTRUMENTS

59 Numbering (SLA s 4 (1))

- (1) The registrable instruments registered in each year must be numbered by the parliamentary counsel in the order in which they are registered.
- (2) However, the parliamentary counsel may—
 - (a) allocate different kinds of statutory instruments to different series for numbering purposes; or
 - (b) add distinguishing letters to numbers to indicate the kind of statutory instrument.

Examples

1 The parliamentary counsel may number subordinate laws, disallowable instruments, commencement notices and other registrable instruments in different series.

2 The parliamentary counsel could add the letters 'SL' to the numbers of registered subordinate laws, the letters 'DI' to the numbers of registered disallowable instruments and the letters 'CN' to the numbers of registered commencement notices.

- (3) Also, the regulations may provide that this section does not apply to a notifiable instrument of a kind prescribed under the regulations.

60 Correction of name of registrable instrument

- (1) This section applies if the name that a registrable instrument gives to itself—
 - (a) includes a year that is not the year in which the instrument was made; or
 - (b) is the same as another registrable instrument that has been, or is to be, notified under this Act; or
 - (c) includes a number that is not consecutive with other registrable instruments that have been notified under this Act; or

- (d) does not include a number that would give the instrument a unique name.

Example of paragraph (c)

A registrable instrument has the name ‘XYZ Amendment Rule 2000 (No 5)’. Registrable instruments with the names ‘XYZ Amendment Rule 2000 (No 1)’, ‘XYZ Amendment Rule 2000 (No 2)’ and ‘XYZ Amendment Rule 2000 (No 3)’ have already been notified under the Act

Example of paragraph (d)

A registrable instrument has the name ‘XYZ Amendment Rule 2000 (No)’.

(2) The parliamentary counsel is authorised, before notifying the registrable instrument under this Act, to amend the instrument’s name to bring it into line with current drafting practice.

(3) If the name of a registrable instrument is amended under this section, the instrument has effect for all purposes as if the instrument were made with the name as amended.

61 Notification of registrable instruments (SLA s 6 (1) (a), (2)-(5))

(1) If a registrable instrument is made, the maker of, or the appropriate person for, the instrument may ask the parliamentary counsel to notify the instrument.

(2) If the maker of, or appropriate person for, a registrable instrument asks the parliamentary counsel to notify the instrument and complies with the requirements (if any) prescribed under the regulations, the parliamentary counsel must—

- (a) notify the instrument in the register; or
- (b) if that is not practicable or a copy of the material on a relevant part of the register is not accessible at 1 or more approved web sites when the instrument is to be notified—notify the instrument in the Gazette.

(3) The registrable instrument is notified in the register by—

- (a) entering in the appropriate part of the register a statement that the instrument has been made; and
- (b) entering the text of the instrument in the relevant part of the register.

- (4) The registrable instrument is notified in the Gazette by—
- (a) publishing the text of the instrument in the Gazette; or
 - (b) publishing in the Gazette a statement—
 - (i) that the instrument has been made; and
 - (ii) of the place or places where copies of the instrument can be purchased.
- (5) If the registrable instrument is notified in the Gazette, the parliamentary counsel must later notify the instrument in the register and include with the statement entered in the appropriate part of the register a statement that the instrument was notified in the Gazette on a stated date.
- (6) If the registrable instrument is notified in the Gazette by publishing the statement mentioned in paragraph (4) (b), copies of the instrument must be available for purchase on the day of the publication (the *Gazette date*), or as soon as practicable after the Gazette date, at the place, or each of the places, stated in the Gazette.
- (7) If on the Gazette date no copies of the registrable instrument are available for purchase at the place, or any of the places, stated in the Gazette, the parliamentary counsel must give the Minister a statement—
- (a) that copies of the law were not available; and
 - (b) explaining why they were not available.
- (8) The Minister must present the statement to the Legislative Assembly within 6 sitting days after the Gazette date.
- (9) The regulations may provide that paragraph (3) (a) does not apply to a disallowable instrument or notifiable instrument of a kind prescribed under the regulations.
- (10) In this section:
- appropriate part*, of the register, means—
- (a) for a subordinate law, other than an excepted registrable instrument—part 8; and

excepted registrable instrument means a registrable instrument to which an additional part of the register established under subsection 19 (3) applies.

relevant part, of the register, means—

- (a) for a subordinate law, other than an excepted registrable instrument—part 3; and

- (c) for a commencement notice, other than an excepted registrable instrument—part 5; and
- (d) for a notifiable instrument, other than an excepted registrable instrument—part 6; and
- (e) for an excepted registrable instrument—the appropriate additional part of the register established under subsection 19 (3).

62 Effect of failure to notify registrable instrument

A registrable instrument is not enforceable by or against the Territory or anyone else unless it is notified.

63 References to *notification* of registrable instruments

(1) In an Act or statutory instrument, a reference to the *notification* of a registrable instrument is a reference to the instrument having been notified in the register or Gazette.

**CHAPTER 8—COMMENCEMENT AND EXERCISE OF POWERS
BEFORE COMMENCEMENT**

72 Meaning of *law* in ch 8

In this Chapter:

law means an Act, subordinate law or disallowable instrument, and includes a provision of a law.

73 General rules about commencement (IA s 10, SLA s 6 (1) (b))

- (1) An Act commences—
- (a) on its notification day; or
 - (b) if the Act provides for a different date or time of commencement—on that date or at that time.
- (2) A subordinate law, disallowable instrument or notifiable instrument commences—
- (a) on its notification day; or
 - (b) if an Act or the instrument provides for a later date or time of commencement—on that date or at that time; or
 - (c) if an Act provides for an earlier date or time of commencement—on that date or at that time; or
 - (d) if the instrument, under authority given by an Act, provides for an earlier date or time—on that date or at that time.

Examples for paragraph (b)

1 A subordinate law may provide that it commences on a stated future date or at a stated time on a stated future date.

2 A disallowable instrument may provide that it commences on the day, or immediately after, a stated law, or a stated provision of a stated law, commences.

3 A notifiable instrument may provide that it commences on the expiry of a stated statutory instrument.

4 A notifiable instrument may provide that it commences on the date fixed by a Commonwealth Minister, by notice in the Commonwealth Gazette, under a stated Commonwealth Act.

(3) Without limiting subsection (2), if a subordinate law, disallowable instrument or notifiable instrument is notified on a day after the day or time provided by the instrument for its commencement, and paragraph (2) (c) or (d) does not apply to the instrument—

- (a) the instrument is valid; but
- (b) the instrument commences on its notification day.

(4) A statutory instrument that is not a registrable instrument commences—

- (a) on the day it is made or, if it is required under an Act or statutory instrument to be approved (however described) by the Executive, a Minister or any other entity, the day it is approved; or
- (b) if an Act or the instrument provides for a later date or time of commencement—on that date or at that time; or
- (c) if an Act provides for an earlier date or time of commencement—on that date or at that time; or
- (d) if the instrument, under authority given by an Act, provides for an earlier date or time—on that date or at that time.

(5) This section is subject to the following sections:

- (a) section 75 (Commencement of naming and commencement provisions on notification day);
- (b) section 76 (Non-prejudicial provision may commence retrospectively);
- (c) section 79 (Automatic commencement of postponed law).

74 Time of commencement (IA s 10A)

If a law commences on a day, it commences at the beginning of the day.

75 Commencement of naming and commencement provisions on notification day (IA s 10B)

(1) The provisions of a law providing for its name and commencement automatically commence on its notification day.

(2) This section applies to a law despite anything in the law unless it expressly provides that this section does not apply.

76 Non-prejudicial provision may commence retrospectively
(SLA s 7)

(1) A statutory instrument may provide that a non-prejudicial provision of the instrument commences retrospectively.

(2) This section applies to a non-prejudicial provision of a statutory instrument only if the instrument clearly indicates that the provision is to commence retrospectively.

Example

The instrument provides that a non-prejudicial provision is ‘taken to have commenced’ at an earlier date or time.

(3) In this section:

non-prejudicial provision means a provision that does not operate to the disadvantage of a person (other than the Territory or a Territory authority or instrumentality) by—

- (a) adversely affecting the person’s rights; or
- (b) imposing liabilities on the person.

77 Commencement by commencement notice (IA s 10C)

(1) If a law is expressed to commence on a day fixed or otherwise determined by a notice—

- (a) a single day, or a time on a single day, may be fixed or determined; or
- (b) different days or times may be fixed or determined for different provisions.

Example

The *Hypothetical Act 2001* is expressed to commence on a day to be fixed by the Minister by notice. Unless the Act has commenced automatically in accordance with section 79 (Automatic commencement of postponed law), any of the following arrangements for commencement would be possible:

- (a) a notice could fix a single day (eg 5 June 2001) for the entire Act to commence;
- (b) a notice could fix a time on a single day (eg 8 pm on 5 June 2001) for the entire Act to commence;

Legislation Act No 14, 2001

- (c) a notice could fix different days or times for the different provisions of the Act to commence (eg Parts 7 and 9 and Schedule 4 commence on 5 June 2001, Part 11 commences at 5 pm on 30 June 2001, and the remaining provisions of the Act commence on 1 July 2001).
 - (d) a notice could fix a single day (eg 5 June 2001) or a time on a single day (eg 8 pm on 5 June 2001) for the provisions of the Act not already commenced to come into operation.
- (2) If the day or time fixed by a commencement notice for the commencement of an Act happens before the notification day of the notice—
- (a) the notice is valid; but
 - (b) the Act commences on the notification day of the notice.

78 Separate commencement of amendments (IA s 10D)

An amendment made by a provision of a law may be given a separate commencement, whether or not the provision is self-contained.

Examples

- 1 Each paragraph of a provision of an amending law may be given a separate commencement.
- 2 Each item in a schedule to an amending law may be given a separate commencement.

79 Automatic commencement of postponed law (IA s 10E)

(1) If a postponed law has not commenced within 6 months beginning on the notification day, it automatically commences on the first day after that period.

Example

The *Hypothetical Act 2001* was notified on 5 July 2001 and was expressed to commence on a day to be fixed by the Minister by notice. If the Act had not commenced by notice on or before 4 January 2002, it would automatically commence on 5 January 2002.

(2) This section applies to a postponed law unless a law expressly states it does not apply.

(3) In this section:

enact includes make.

notification day, for a postponed law, means the notification day of—

- (a) if the postponed law is a law—the law; or
- (b) if the postponed law is a provision of a law—the law that enacts the provision.

postponed law means a law or provision of a law that does not commence on the notification day because a law postpones its commencement until a day or time fixed or determined by a commencement notice.

80 References to commencement of law (IA s 11)

In a law, a reference to the **commencement** of the law, or another law (the **law concerned**), is a reference to—

- (a) if the provisions of the law concerned (other than those providing for its name and commencement) commence, or are required to commence, on a single day or at a single time—the commencement of the remaining provisions; or
- (b) if paragraph (a) does not apply and the reference is in a provision of the law concerned—the commencement of the provision; or
- (c) in any other case—the commencement of the relevant provision of the law concerned.

81 Exercise of powers between notification and commencement (SLA s 5)

(1) This section applies to a power to make an appointment or a statutory instrument, or to do anything else, in the following situations:

- (a) the power is given by a law (the **authorising law**) that has been notified but does not commence on the law's notification day;
- (b) the power is given by a law (the **authorising law**) as amended by another law (the **amending law**) and both laws have been notified, but either or both of them do not commence on their notification days.

(2) The power may be exercised at any time even though the authorising law, or the authorising and amending laws (or either of them), is not in force at the time.

- (3) Also, anything else may be done under the power at any time for the purpose of bringing, or in relation to bringing, the authorising law, or the authorising law as amended by the amending law, into operation.
- (4) If an appointment or statutory instrument made under this section declares that this subsection applies to it, then, unless the appointment or instrument commences on a different date or at a different time under another provision of this Chapter, the appointment or instrument commences on—
- (a) for an appointment or statutory instrument that is a registrable instrument—the notification day of the instrument; or
 - (b) for any other appointment or statutory instrument—the day it is made.
- (5) In any other case, an appointment or statutory instrument made under this section commences on the latest of the following:
- (a) the commencement of the authorising law or, if paragraph (1) (b) applies and the amending law commences after the authorising law, the commencement of the amending law;
 - (b) on the day or at the time the appointment or instrument would have commenced if it had not been made under this section.

CHAPTER 9—REPEAL AND AMENDMENT OF LAWS

PART 9.1—GENERAL

82 Definitions for ch 9 (IA s 37)

In this Chapter:

amend includes modify.

law means an Act, subordinate law or disallowable instrument, and includes a provision of a law.

repeal includes expiry.

83 Consequences of amendment of statutory instrument by Act (SLA s 8A)

If an Act amends a statutory instrument, the instrument may be amended or repealed as if the amendment had been made by another statutory instrument of that kind.

84 Saving of operation of repealed and amended laws (IA s 41)

- (1) The repeal or amendment of a law does not—
 - (a) revive anything not in force or existing when the repeal or amendment takes effect; or
 - (b) affect the previous operation of the law or anything done, begun or suffered under the law; or
 - (c) affect an existing right, privilege or liability acquired, accrued or incurred under the law.
- (2) An investigation, proceeding or remedy in relation to an existing right, privilege or liability under the law may be begun, exercised, continued or completed, and the right, privilege or liability may be enforced and any penalty imposed, as if the repeal or amendment had not happened.
- (3) Without limiting subsections (1) and (2), the repeal or amendment of a law does not affect—
 - (a) the proof of anything that has happened; or

(b) any right, privilege or liability saved by the law.

(4) This section does not limit any other provision of this Chapter and is in addition to any provision of the law by which the repeal or amendment is made.

(5) In this section:

liability includes liability to penalty for an offence against the law.

penalty includes punishment and forfeiture.

privilege includes immunity.

right includes capacity, interest, status and title.

PART 9.2—REPEAL

85 When repeal takes effect (IA s 38)

If a law is repealed on a day, the law continues in force until the end of the day and the repeal takes effect at midnight on the day.

86 Repealed and amended laws not revived on repeal of repealing and amending laws (IA s 39)

(1) If a law (the *first law*) is repealed by another law (the *other law*), the first law is not revived merely because the other law is repealed.

Examples

1 Act A repeals Act B. Act A is repealed. The repeal of Act A does not revive Act B.

2 Act A repeals Act B. Act A is automatically repealed under section 89 of this Act (Automatic repeal of certain laws and provisions). The repeal of Act A does not revive Act B.

(2) If a law (the *first law*) is amended by another law (the *other law*), the continuing operation of the amendments made by the other law is not affected merely because the other law is repealed and, in particular, the first law is not revived in the form in which it was in before the amendments took effect merely because of the repeal.

Examples

1 Act A amends Act B. Act A is repealed after it has commenced by a later Act C. The amendments made by Act A continue to operate, even though Act A has been repealed.

2 Act A amends Act B. Act A is automatically repealed under section 89 of this Act. The amendments made by Act A continue to operate, even though Act A has been repealed.

(3) This section does not limit any other provision of this Chapter and is in addition to any provision of the law by which the repeal is made.

(4) In this section:

amended does not include modified.

law includes a rule of the common law (including equity).

Examples

- 1 A common law offence.
- 2 A common law rule of practice or procedure.
- 3 A right to equitable relief.

87 Commencement not undone if repealed (IA s 40)

- (1) If a provision of a law providing for the commencement of the law is repealed after the law has commenced, the repeal of the provision does not affect the continuing operation of the law.
- (2) If a commencement notice providing for the commencement of a law is repealed after the law has commenced, the repeal of the notice does not affect the continuing operation of the law.
- (3) This section does not limit any other provision of this Chapter and is in addition to any provision of the law by which the repeal is made.

88 Repeal does not end transitional or validating effect etc (IA s 42)

- (1) If a law—
 - (a) declares something for a transitional purpose (whether or not the law is expressed to be made for that purpose); or
 - (b) validates something that is or may otherwise be invalid; or
 - (c) declares something for a purpose that is consequential on a declaration mentioned in paragraph (a) or a validation mentioned in paragraph (b) (whether or not the law is expressed to be made for a purpose of that kind);

the declaratory or validating effect of the law does not end merely because of the repeal of the law.

Example of paragraph (a)

A provision stating that an existing licence under a repealed Act is taken to be a licence of a particular kind under another Act and authorising the imposition of conditions under the other Act.

Example of paragraph (b)

A provision declaring an instrument to have been validly made and acts done in reliance on the instrument to have been validly done.

Example of paragraph (c)

A provision stating that an instrument that is declared valid is taken to have been amended in a particular way.

(2) If a law (the *savings law*) declares a law (the *declared law*) to be a law to which this section applies—

- (a) the effect of the declared law does not end merely because of its repeal; and
- (b) the effect of the savings law does not end merely because of its repeal.

(3) A declaration may be made for subsection (2) about a law whether or not the Act is a law to which subsection (1) applies.

(4) A declaration made for subsection (2) about a law does not imply that, in the absence of a declaration about it, another law is not a law to which this section applies.

(5) This section does not limit any other provision of this Chapter and is in addition to any provision of the law by which the repeal is made.

89 Automatic repeal of certain laws and provisions (IA s 43)

(1) An amending law is automatically repealed on the day after all of its provisions have commenced.

(2) An appropriation Act is automatically repealed on the last day of the financial year for which it makes appropriations.

(3) An amending provision of a law is automatically repealed on the day after all of the amendments and repeals made by it (or to which it relates) have commenced.

(4) A commencement provision of a law is automatically repealed on the day after all of the provisions of the law have commenced.

(5) A commencement notice is automatically repealed on the day after the day, or the last of the days, fixed or otherwise determined by the notice for the commencement of a law.

- (6) A repeal under this section has effect for all purposes, including, for example, any other provisions of this Chapter about repeals.
- (7) This section does not limit any other provision of this Chapter.
- (8) In this section:

amending law means a law that consists only of provisions of the following kinds:

- (c) a provision about the law’s name;
- (d) a provision about the law’s commencement;
- (e) a provision about the purposes of the law or any of its provisions;

- (i) a provision about the renumbering of a law;
- (j) a provision authorising or requiring something to be done under Chapter 11 (Republication of Acts and statutory instruments).

amending provision, of a law, means a provision of the law that only amends or repeals a law or statutory instrument, and includes any other provision (for example, a schedule) of the law that only identifies the law or instrument amended or repealed.

appropriation Act—see the *Financial Management Act 1996*, section 3.

commencement provision, of a law, means a provision of the law that only provides for the commencement of the law.

Example 1

The *Hypothetical Amending Act 2002* repeals and amends a number of Acts. The Act contains the following provisions:

- a long title
- a provision about the Act's name
- a provision about the Act's commencement
- repealing provisions (that is, a provision stating that the Act repeals the Acts mentioned in Schedule 1 and a schedule (Schedule 1) setting out the names of the repealed Acts)
- amending provisions (that is, a provision stating that the Act amends the Acts mentioned in Schedule 2 and a schedule (Schedule 2) setting out the amended Acts and the amendments made to them)
- a provision about the application of section 88 (Repeal does not end transitional or validating effect etc) of this Act to a provision being repealed
- a provision requiring an amended Act (the *XYZ Act 1990*) to be renumbered under Chapter 10 in the next authorised republication of the *XYZ Act 1990*.

The Act contains no other provisions. Its repealing provisions, and its other provisions apart from the amending provisions, commence on the date of notification, 21 March 2002. Its amending provisions commence on a date fixed by the Minister by notice, 12 April 2002. Under subsection (1), the *Hypothetical Amending Act 2002* is automatically repealed on 13 April 2002.

Example 2

The *Example Act 2001* contains provisions establishing a new licensing scheme. It also amends several Acts and repeals others. Because it contains the scheme provisions, it is not an amending law covered by subsection (1).

PART 9.3—AMENDMENT

90 Law and amending laws to be read as one (IA s 44)

A law and all laws amending it are to be read as one.

91 Insertion of provisions by amending law (IA s 45)

(1) This section applies if a law (the *amending law*) amends another law (the *amended law*) by inserting any of the following provisions, and does not exactly specify the position in the amended law where it is to be inserted:

(6) An inserted definition is inserted in the appropriate alphabetical position (worked out on a letter-by-letter basis) in a series of definitions in the amended law.

- (7) A miscellaneous inserted provision is inserted in the appropriate position in the amended law.
- (8) In applying this section to a subordinate law or disallowable instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to an equivalent provision of the law, instrument or schedule.
- (9) In working out the appropriate position where a provision is to be inserted in the amended law, regard may be had to the following:
- (a) the provision number or letter;
 - (b) the heading of the relevant amending provision of the amending Act;
 - (c) any other amendments in the amending law including the order of amendments;
 - (d) anything else in the amending law or amended law;
 - (e) current ACT legislative drafting practice.

Examples

1 If a part numbered '3' is to be inserted into an amended law with an existing sequence of parts 'Part 1—Part 2—Part 4', inserted Part 3 is inserted between Parts 2 and 4.

2 If a division numbered '2.2A' is to be inserted into an amended law with an existing sequence of divisions in Part 2 'Division 2.1—Division 2.2—Division 2.3', inserted Division 2.2A is inserted between Divisions 2.2 and 2.3.

3 If a section numbered '6AA' is to be inserted into an amended law with an existing sequence of sections 'section 6—section 6A—section 6B', inserted section 6AA is inserted between sections 6A and 6B.

4 If a section numbered '7A' is to be inserted, by an amending section headed 'new section 7A, Division 2.2', into an amended law with an existing sequence 'section 7 [in Division 2.2]—Division 2.3 [heading]—section 8', inserted section 7A is inserted between section 7 and the heading to Division 2.3 (that is, at the end of Division 2.2).

- (10) In this section:

insert includes relocate.

92 Amendment to be made wherever possible (IA s 46)

If a law amends another law—

- (a) by omitting a word; or
- (b) by substituting a word for another word; or
- (c) by inserting a word before or after a particular word;

the amendment is to be made wherever possible in the other law unless the law otherwise expressly provides.

93 Provisions included in another provision for amendment purposes (IA s 46A)

- (1) This section applies for the purpose of amending a law.
- (2) The heading to a chapter, part, division, subdivision, schedule, dictionary, section or any other provision of the law forms part of the provision to which it is a heading.
- (3) An example at the end of a provision of the law is part of the provision unless the example is expressed in a way that indicates that it applies only to another provision.
- (4) A note at the end of a provision of the law is taken, for this section, to be part of the provision unless the note is expressed in a way that indicates that it applies only to another provision.
- (5) However, a note in a law is not, for any other purpose, part of the law.

Note The *Interpretation Act 1967*, section 12 (Material that is not part of an Act) deals with the status of notes.

- (6) A penalty at the end of a subsection of the law—
 - (a) is part of the subsection unless the penalty is expressed in a way that indicates that it applies only to other subsections of the section; or
 - (b) if the penalty is expressed in a way that indicates that it applies only to other subsections—is part of the section.
- (7) A penalty at the end of a section of the law that is not divided into subsections is part of the section.

(8) The word ‘and’, ‘or’ or ‘but’, or a similar word, at the end of a paragraph, subparagraph, sub-subparagraph or another provision of the law is part of the provision.

(9) In working out whether an example or note is at the end of a provision of the law, any penalty is to be disregarded, and, for an example, any note is to be disregarded.

Note According to current legislative drafting practice, examples, notes and penalties to a provision are arranged in the following order at the end of provisions:

- 1 penalty (first)
- 2 examples
- 3 notes (last).

(10) In applying this section to a subordinate law or disallowable instrument or to a provision of a schedule to an Act, a reference to a section or subsection is a reference to an equivalent provision of the law, instrument or schedule.

94 Continuance of appointments etc made under amended provisions (IA s 47)

(1) This section applies if—

- (a) a law expressly or impliedly authorises or requires—

 - (iii) the thing may be done.

(2) An appointment, statutory instrument, delegation or other thing mentioned in subsection (1) that was in force immediately before the commencement of the amendment continues to have effect after the commencement as if it had been made or done under the amended law.

(3) In this section:

amend includes omit and re-enact in the same law (with or without changes), but does not include omit and re-enact in another law.

95 Status of modifications (IA s 48)

If a law is modified by another law, the law operates as modified but the modification does not amend the text of the law.

96 Relocated provisions (IA s 49)

(1) This section applies if a provision of a law is relocated (with or without changes) to a different place in the same law or to a different law.

(2) The operation or meaning of the provision is not affected merely because of the provision's relocation.

(3) Without limiting subsection (2), if before its relocation the provision was to be interpreted in a particular way, it is to be interpreted in that way in its new location.

Example

If a provision of an Act is to be interpreted as if it were a law consolidating the provisions of other laws and it is relocated into another Act, it is to be interpreted in the same way in its new location.

(4) However, the provision has effect subject to any changes made to it.
