About this republication

The republished law

This is a republication of the *Unit Titles Act 2001* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 30 March 2012. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 30 March 2012.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$110 for an individual and \$550 for a corporation (see *Legislation Act 2001*, s 133).

Unit Titles Act 2001

An Act to provide for the subdivision of land by units plans, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Unit Titles Act 2001*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*owners corporation*—see the *Unit Titles (Management) Act 2011*, dictionary.' means that the term '*owners corporation*' is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

Part 2 **Key concepts**

Division 2.1 **Unit title developments**

5 **Parcels**

A *parcel* is land—

- (a) proposed (in a unit title application) to be subdivided under this Act; or
- (b) comprising the whole of the land subdivided under this Act (as shown in a registered units plan).

6 **Unit title application**

A *unit title application* is an application under section 17 for the subdivision of land under this Act.

7 **Units plan**

- (1) After a unit title application has been approved, there is a units plan consisting of the following documents mentioned in section 27 (Endorsement of units plan for registration):
 - (a) diagrams showing the subdivision;
 - (b) if the application provides for a staged development—the development statement;
 - (c) the schedule of unit entitlement;
 - (d) schedules of rent and lease provisions.
- (2) After those documents have been registered, the units plan consists of the registered documents as amended from time to time under this Act.

8 Unit entitlement

- (1) The *schedule of unit entitlement* forming part of a units plan is a schedule indicating (by numbers assigned to each unit) the improved value of each unit relative to each other unit (the unit's *unit entitlement*).
- (2) For this Act, the total unit entitlement under a schedule of unit entitlement must be 10, 100, 1 000, 10 000 or 100 000.

9 Units

- (1) A *unit* is a part of a parcel shown in a unit title application or a units plan as a unit.
- (2) After a units plan is registered, a *unit* of the units plan includes any unit subsidiary shown on the units plan as annexed to the unit.

10 Class A units

- (1) A *class A unit* is a unit that is identified as a class A unit—
 - (a) before a units plan is registered—in the relevant unit title application; or
 - (b) after the relevant units plan is registered—in the units plan.
- (2) After a units plan is registered, a *class A unit* of the units plan includes any unit subsidiary shown on the units plan as annexed to the unit.

Note A unit title application must show a class A unit as part of a building bounded by reference to floors, walls and ceilings (see s 18).

11 Class B units

- (1) A *class B unit* is a unit that is identified as a class B unit—
 - (a) before a units plan is registered—in the relevant unit title application; or
 - (b) after the relevant units plan is registered—in the units plan.

- (2) After a units plan is registered, a *class B unit* of the units plan includes any unit subsidiary shown on the units plan as annexed to the unit.

Note A unit title application must show a class B unit as land unlimited in height, except to the extent of any encroachment, whether at, above or below ground level, by another part of the parcel (see s 18).

12 Unit subsidiaries

A *unit subsidiary* is a part of a parcel identified as a unit subsidiary annexed to a unit—

- (a) before a units plan is registered—in the relevant unit title application; or
- (b) after the relevant units plan is registered—in the units plan.

Note A unit title application must show a unit subsidiary as a building (or part of a building) of a kind prescribed by regulation, or as a building (or part of a building) or land suitable for a purpose prescribed by regulation (see s 19 and *Unit Titles Regulation 2001*, s 3).

12A Meaning of *annexed*

A unit subsidiary or an easement that is stated by this Act to be *annexed* to a unit, common property or an estate in leasehold is taken to be appurtenant to the unit, common property or estate.

Note Property in a unit subsidiary or easement that is, at law, ‘appurtenant’ to a unit, common property or a leasehold estate is transferred with that estate when the unit, common property or lease is transferred.

13 Common property

Common property is all the parts of a parcel identified as common property—

- (a) before a units plan is registered—in the relevant unit title application; or

(b) after the relevant units plan is registered—in the units plan.

Note A unit title application must show as common property all parts of the parcel that are not shown as units or unit subsidiaries (see s 17 (2) (d)).

Division 2.2 Boundaries

14 Common boundaries—internal

If a floor, wall or ceiling separates a class A unit or a unit subsidiary from common property or another unit or unit subsidiary, the common boundary lies along the centre of the floor, wall or ceiling, unless otherwise specified in the relevant unit title application or units plan.

15 Common boundaries—external

If a class A unit or a unit subsidiary is bounded by an external wall of the building containing the units, then, unless otherwise indicated in the relevant unit title application or units plan—

- (a) the boundary of the unit or unit subsidiary lies along the centre of the wall; and
- (b) the part of the wall outside the boundary is common property.

16 Minor boundary changes

A *minor boundary change* is a change to the boundaries between units, or between units and the common property, to which all of the following criteria apply:

- (a) the change would not involve any change of the boundaries of the parcel;
- (b) the change would not substantially change the units plan, or the proposed units plan;

- (c) the change would not result in any inconsistency arising with the provisions of the lease under which any of the units, or the common property, is held;
- (d) approval under this Act or any other relevant territory law for the subdivision and development of the parcel would still have been given if the proposals for the subdivision of the parcel under this Act, or any other relevant development proposals, had shown the boundaries as they are proposed to be changed.

Part 3 Unit title applications

Division 3.1 Approval of unit title applications

17 Unit title applications—general requirements

- (1) The lessee of a parcel may apply to the planning and land authority for approval of the subdivision of the parcel under this Act.

Note 1 A fee may be determined under s 179 for this section.

Note 2 If a form is approved under s 180 for an application, the form must be used.

- (2) The application must provide for the subdivision of the parcel into—

(a) no fewer than—

(i) if 1 unit is wholly or partly superimposed on another unit—2 units; or

(ii) in any other case—3 units; and

(b) class A units or class B units, but not both; and

(c) unit subsidiaries (if any are provided for in the application); and

(d) common property (for the remaining parts of the parcel).

Note The requirements for what may be shown as class A units, class B units and unit subsidiaries are set out in s 18 and s 19.

- (3) The application may provide for the development of all or some of the units and unit subsidiaries (their *staged development*) after the approval of the application.

Note An application for a staged development may be approved only if—

(a) the development has development approval under the *Planning and Development Act 2007* (see s 20 (3) and *Planning and Development Act 2007*, ch 7); and

- (b) for developments of class A units, the boundary floors, walls and ceilings of each unit have already been built in accordance with the development statement (see s 20 (3)).
- (4) The application must include—
 - (a) if the parcel is prescribed by regulation—a unit title assessment report that is not more than 3 months old; and
 - (b) a plan prepared by a registered surveyor showing anything prescribed by regulation.
- Note* **Unit title assessment report**—see s 22B.
- (5) If the application provides for a staged development, it must include—
 - (a) a development statement prepared in accordance with the regulations; and
 - (b) on the completion of each stage of the development, the documents mentioned in subsection (4).

- (6) In this section:

stage, of a development, means a stage identified in the development statement.

18 Unit title applications—class A units and class B units

- (1) A unit title application must show any class A unit as part of a building, with boundaries defined by reference to the floors, walls and ceilings of the building as shown in the application.
- (2) A unit title application must show any class B unit as land that has boundaries unlimited in height except to the extent of any encroachment at, above or below ground level by another part of the parcel.

19 Unit title applications—unit subsidiaries

- (1) A unit title application must show any unit subsidiary as—
 - (a) a building, or part of a building, of a kind prescribed by regulation; or
 - (b) a building, part of a building, or land, that is suitable for a purpose prescribed by regulation.

Note See the *Unit Titles Regulation 2001*, s 3 for the permissible kinds of unit subsidiaries and purposes.

- (2) The application must show any unit subsidiary consisting of a building or part of a building with boundaries defined by reference to the floors, walls and ceilings of the building.
- (3) The application must show any unit subsidiary consisting of land as having boundaries unlimited in height except to the extent of any encroachment at, above or below ground level by another part of the parcel.
- (4) The application must show unit subsidiaries as annexed to a particular unit, but need not show unit subsidiaries as adjoining the unit.

20 Unit title applications—approval

- (1) The planning and land authority may approve a unit title application if satisfied on reasonable grounds that—
 - (a) the application is in accordance with this Act; and
 - (b) each unit is (or will be) suitable for separate occupation, and for a use that is not inconsistent with the lease of the parcel; and
 - (c) the proposed schedule of unit entitlement is reasonable, having regard to the prospective relative improved values of the units; and

- (d) if the application shows an encroachment on a public place by an attachment to a building—
- (i) if the attachment exists on the day the application is lodged with the authority—the attachment is an authorised existing attachment; or
- Note* **Authorised existing attachment**—see s (10).
- (ii) in any other case—
 - (A) the encroachment would not endanger public safety or unreasonably interfere with the amenity of the neighbourhood; and
 - (B) it is not in the public interest to refuse to approve the application because of the encroachment.
- (2) If a unit title application provides for staged development, the planning and land authority may approve a stage of the development (a **development stage**) as if the stage were a unit title application.
- (3) The planning and land authority may approve a development stage only if satisfied that—
- (a) the development has development approval under the *Planning and Development Act 2007*, chapter 7; and
 - (b) for a staged development of class A units—the boundary floors, walls and ceilings of each unit in the development stage have been built in accordance with the development statement.
- (4) Also, if a unit title application relates to a lease located within a prescribed zone, the planning and land authority may approve the application only if the lease states the number of units (however described) permitted on the land and the application is for not more than the permitted number of units.

- (5) The planning and land authority may refuse to approve the application if the lessee is in breach of the lease, or of a provision of (or requirement under) the *Planning and Development Act 2007* that applies because the lessee is the lessee of the parcel.
- (6) The planning and land authority may refuse to approve the application if the proposed subdivision would be inconsistent with the requirements of the heritage register.
- (7) The planning and land authority may refuse to approve the application if—
 - (a) the applicant is required to provide the authority with a unit title assessment report under section 17 and—
 - (i) has not provided a unit title assessment report; or
 - (ii) has provided a unit title assessment report that is more than 3 months old; or
 - (b) the authority has asked for further information under section 22F and the applicant has not provided some or all of the information by—
 - (i) the end of the period stated in the request; or
 - (ii) if the authority has extended the period within which the further information must be provided—the end of that period.
- (8) If a parcel is leased for rural purposes, the planning and land authority may approve the application only if—
 - (a) criteria have been determined by the authority for the approval of rural unit title applications; and
 - (b) the application is in accordance with the criteria.

- (9) A determination under subsection (8)(a) is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

- (10) In this section:

authorised existing attachment, in relation to a unit title application, means—

- (a) if the application includes the cancellation of a units plan (the ***old plan***) that was registered before 1 January 2002—the old plan shows the attachment; or
- (b) in any other case—the attachment was lawful when it was constructed.

prescribed zone means a zone identified in the territory plan that is prescribed by regulation.

stage, of a staged development, means a stage identified in the development statement.

21 Unit title applications—reasonable rent

- (1) If the planning and land authority considers that the rent proposed in a unit title application to be reserved for the lease of 1 or more units is not reasonable in the circumstances, the authority must determine what rent is reasonable for the relevant unit or units.
- (2) The total rent for all units, worked out in accordance with the planning and land authority's determination, must not exceed the rent payable under the lease of the parcel when the determination is made.

- (3) If the total rent for all units, worked out in accordance with the planning and land authority's determination, equals the rent payable under the lease of the parcel when the determination is made, a decision (under part 14 (Notification and review of decisions)) on an objection or review of the authority's determination must not change the total amount.

22 Unit title applications—amendment of development statement by authority

If a unit title application provides for a staged development, the planning and land authority may, before approving the application under section 20, amend the development statement if the authority considers it reasonable to do so to minimise the adverse effect of the development on anyone's amenity while it is taking place.

Examples of people whose amenity may be affected

- 1 owners or occupiers of units
- 2 owners or occupiers of nearby premises
- 3 members of the public who regularly use the surrounding area

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Division 3.1A Unit title assessment reports for unit title applications

22A Meaning of *unit title assessor*

In this Act:

unit title assessor means—

- (a) a works assessor licensed under the Construction Occupations (Licensing) Act 2004; or

Note **Works assessor**—see the *Construction Occupations (Licensing) Act 2004*, s 14A.

- (b) a building surveyor licensed under the *Construction Occupations (Licensing) Act 2004* when providing a works assessment service.

Note **Building surveyor**—see the *Construction Occupations (Licensing) Act 2004*, s 9.

22B Unit title assessment reports

- (1) An applicant under section 17 (the *applicant*) may apply, in writing, to a unit title assessor for a report (a *unit title assessment report*).
- (2) The application must include any details or material prescribed by regulation.

Examples

- 1 proposed unit title plans
- 2 information about a development approval

Note 1 If a form is approved under s 180 for this provision, the form must be used.

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) If a unit title assessor receives an application under subsection (1) and the unit title assessor agrees to undertake the work, the unit title assessor must—

- (a) prepare a unit title assessment report and give it to the applicant; and

Note 1 The report must be prepared and given to the applicant as soon as possible (see Legislation Act, s 151B).

Note 2 The unit title assessor may refuse to prepare and provide a report if the unit title assessor does not have enough information (see s 22E).

- (b) not later than 5 working days after the day the assessor gives the report to the applicant—give a copy of the report to the planning and land authority.

- (4) If, after taking reasonable steps, an applicant cannot find a unit title assessor who will agree to prepare a unit title assessment report, the applicant may apply to the construction occupations registrar to appoint a unit title assessor to prepare a unit title assessment report and give it to the applicant.
- (5) A regulation may prescribe the requirements for a unit title assessment report, including—
 - (a) what the report must contain; or
 - (b) anything that must accompany the report.

22C Unit title assessment report applications—unit title assessor may require further information

- (1) This section applies if—
 - (a) a unit title assessor requires further information to prepare a unit title assessment report under section 22B; and
 - (b) the applicant and the unit title assessor have not agreed that the unit title assessor will obtain the further information; and
 - (c) the unit title assessor believes on reasonable grounds that the further information will help the unit title assessor to prepare the report.
- (2) The unit title assessor may, by written notice, ask the applicant to give the unit title assessor stated further information in relation to the application.
- (3) This section does not entitle a unit title assessor to require—
 - (a) photographs to be taken by someone other than the owner of the parcel of land; or
 - (b) photographs to be taken using equipment other than equipment of the owner's choice; or

- (c) further information if—
- (i) the unit title assessor has, or has reasonable access to, suitable information that allows the unit title assessor to decide the application without personally inspecting the land where the building work is to be carried out; or
 - (ii) a territory law requires the unit title assessor to personally obtain or be given the information.

Examples—suitable information unit title assessor has or has reasonable access to

- 1 The website www.actmapi.act.gov.au provides aerial photographs and topographical information including ground contours for some ACT areas. If the land to which an application relates is covered by the website, the photographs and contours have sufficient information, and are accurate and recent enough, to decide the application in relation to tree and ground-height related matters, the unit title assessor may not require further information or documents by way of photographs or topographical information in relation to trees and ground heights.
- 2 A unit title assessor may verify land tenure and permit and statutory approval matters by contacting the statutory custodians of the information to a sufficient degree to decide the application in relation to those matters. The unit title assessor may not require further information in relation to those matters.
- 3 The land to which an application relates is covered by www.actmapi.act.gov.au but, because the slope of the land to be built on is steeper than would be adequately shown on the website, the unit title assessor does not have suitable information to allow the unit title assessor to decide the application without personally inspecting the land. Another website has some topographical information on the land, but it is not of sufficient resolution, or recent enough, to be relied on by the unit title assessor in relation to ground heights to decide the application. The unit title assessor may require further information in relation to ground heights.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (4) For this section, a unit title assessor that is a partnership inspects land personally if any partner inspects the land.

22D Unit title assessment report applications—contents of request for further information

- (1) A request under section 22C must—
 - (a) state the period within which the further information asked for must be provided; and
 - (b) if the further information is not a document—state that the further information must be provided in writing; and
 - (c) state that the applicant need not provide the further information, but if the applicant fails to provide some or all of the information in accordance with the request, the unit title assessor may refuse to provide a unit title assessment report under section 22E; and
 - (d) state that, despite the applicant and unit title assessor having previously not agreed that the unit title assessor would obtain the further information, the applicant and unit title assessor may agree that the unit title assessor will obtain the information.
- (2) The request may require the applicant to confirm all or part of any information provided by statutory declaration.
- (3) The period stated under subsection (1) (a) must be at least 20 working days or, if a shorter period is prescribed by regulation, the shorter period.
- (4) The unit title assessor may, on application before the end of the period stated under subsection (1) (a), extend the period within which the further information must be provided once only, for a period not longer than 20 working days.

22E Unit title assessment report applications—effect of failure to provide further information

- (1) This section applies if—
 - (a) a unit title assessor has asked for further information under section 22C in relation to an application; and
 - (b) the applicant has not provided some or all of the information by—
 - (i) the end of the period stated in the request; or
 - (ii) if the unit title assessor has extended the period within which the further information must be provided—the end of that period; and
 - (c) the applicant and the unit title assessor have not agreed that the unit title assessor will obtain the further information.
- (2) The unit title assessor may refuse to prepare and provide a unit title assessment report under section 22B.

22F Unit title applications—authority may require further information

- (1) This section applies if—
 - (a) an applicant has provided a unit title assessment report under section 17; and
 - (b) further information is needed for the planning and land authority to be able to decide the application under section 20; and
 - (c) the authority believes on reasonable grounds that the further information will help the authority to decide the application
- (2) The authority may, by written notice, ask the applicant to give the authority stated further information in relation to the application.

22G Unit title applications—contents of request for further information

- (1) A request under section 22F must—
 - (a) state the period within which the further information asked for must be provided; and
 - (b) if the further information is not a document—state that the further information must be provided in writing; and
 - (c) state that the applicant need not provide the further information, but if the applicant fails to provide some or all of the information in accordance with the request, the authority may refuse to approve the unit title application under section 20 (7).
- (2) The period stated under subsection (1) (a) must be at least 20 working days or, if a shorter period is prescribed by regulation, the shorter period.
- (3) The authority may, on application before the end of the period stated under subsection (1) (a), extend the period within which the further information must be provided once only, for a period not longer than 20 working days.

Division 3.2 Endorsement of units plan for registration

23 Notice of approval of unit title applications

- (1) If the planning and land authority approves a unit title application for a parcel, the authority must give the lessee of the parcel—
 - (a) written notice of approval including—
 - (i) if the application provides for a staged development—a copy of the development statement, signed by the authority, as amended (if at all) under section 22; and

- (ii) particulars of any security required under section 24; and
 - (b) a schedule setting out the rent to be reserved under the lease of each unit and the provisions subject to which the lease of the unit is to be held; and
 - (c) a schedule setting out the provisions subject to which the lease of the common property is to be held.
- (2) The rent reserved under the lease of a unit as indicated in the schedule mentioned in subsection (1) (b) is the rent for that unit (including any unit subsidiary annexed to the unit) indicated in the application or as decided by the planning and land authority under section 21 (Unit title applications—reasonable rent).

24 Security for staged developments and unfinished work

- (1) This section applies to—
- (a) a staged development; or
 - (b) any works (including, for example, landscaping, roadworks and work on driveways) required to give effect to a development provided for in an approved unit title application that (in the planning and land authority's opinion) will not be complete when the units plan is endorsed under section 27.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) If this section applies, the planning and land authority may, by written notice to the lessee of the parcel, require the lessee to give a bond to the Territory providing security for—
- (a) if it is a staged development—the completion of the development in accordance with the development statement; or

- (b) in any other case—the completion of the works, as provided for in the unit title application, within the time stated in the notice.

Note If a form is approved under s 180 for a bond, the form must be used.

- (3) The required security must not exceed—
 - (a) for a staged development—10% of the total cost of the work required to be carried out to complete the staged development; or
 - (b) in any other case—the amount required to complete the incomplete works under the notice.
- (4) If a bond is forfeited, the Territory is entitled to all of the security or to a lesser amount decided by the planning and land authority.

25 Territory rent for common property lease

The rent reserved under a lease of common property is 5 cents per year payable if and when demanded.

26 Territory rent for unit leases—unit title proposals approved before 1 October 1975

If proposals for the subdivision of a parcel of land were approved under the *Unit Titles Act 1970* before 1 October 1975 (whether conditionally or otherwise), the rent reserved under the lease of any unit provided for by the proposals is 5 cents per year payable if and when demanded.

27 Endorsement of units plan for registration

- (1) If the planning and land authority has approved a unit title application, the lessee of the parcel may submit to the authority for endorsement under this section a units plan consisting of the following documents:
 - (a) diagrams showing the subdivision as approved (including the nature and extent of any encroachment mentioned in section 20 (1) (d) (Unit title applications—approval));
 - (b) if the application provides for a staged development—
 - (i) the development statement as approved; or
 - (ii) if the development statement has been amended under section 29—the development statement as amended;
 - (c) the schedule of unit entitlement as approved;
 - (d) the schedules of rent and lease provisions given to the lessee under section 23 (1) (b) and (c).
- (2) The documents must comply with the regulations.
- (3) The planning and land authority must approve the documents as the units plan in accordance with the regulations unless—
 - (a) there has been any development on the parcel since the application was approved by the authority (except any part of a staged development carried out in accordance with the development statement); or
 - (b) the lessee is in breach of the lease, or of a provision of (or requirement under) the *Planning and Development Act 2007* that applies because the lessee is the lessee of the parcel; or
 - (c) the documents submitted to the authority are not in accordance with the application as approved, or do not comply with this section; or

- (d) the full amount of any security required under section 24 has not been provided with the documents.

28 Lapse of endorsement after 3 months

- (1) An endorsement of a units plan (under section 27) ceases to have effect—
 - (a) 3 months after it was made, unless the units plan has been lodged with the registrar-general for registration under the *Land Titles (Unit Titles) Act 1970*; or
 - (b) if the units plan is lodged within 3 months after the endorsement was made, and is subsequently withdrawn under that Act, section 26—when the endorsement under that section is made by the registrar-general.
- (2) If an endorsement of a units plan ceases to have effect, the lessee of the parcel may again submit the units plan to the planning and land authority for endorsement under section 27.
- (3) If the lessee of the parcel again submits the units plan to the planning and land authority for endorsement under section 27, that section and this section apply as if the previous endorsement had not been made.

Division 3.3 Amendment of development statements

29 Amendment of development statements before registration

- (1) After a unit title application providing for a staged development is approved (under section 20) and before the units plan is registered, the lessee of the parcel may apply to the planning and land authority for the amendment of the development statement.

Note 1 A fee may be determined under s 179 for this section.

Note 2 If a form is approved under s 180 for an application, the form must be used.

- (2) The planning and land authority may amend the development statement as applied for if satisfied on reasonable grounds that—
- (a) the applicant has obtained the written agreement to the amendment of each person with an interest in the parcel (except any interested person to whom subsection (3) applies); and
 - (b) any change of unit or common property boundaries provided for by the amendment is a minor boundary change.
- (3) The planning and land authority may amend the development statement despite the applicant's failure to obtain an interested person's agreement if the authority is satisfied on reasonable grounds that—
- (a) the applicant could not reasonably be aware of that interest, or has made reasonable efforts to obtain the agreement; and
 - (b) either—
 - (i) the interested person would not suffer any substantial long-term detriment because of the proposed amendment; or
 - (ii) despite that failure, it is desirable to authorise the amendment having regard to the overall interests of everyone with interests in the parcel.
- (4) The planning and land authority may refuse to amend the development statement if, in the authority's opinion based on reasonable grounds, the amendment would result in the development having a significantly adverse effect on anyone's amenity while it is taking place.

Examples of people whose amenity may be affected

- 1 owners or occupiers of units
- 2 owners or occupiers of nearby premises

3 members of the public who regularly use the surrounding area

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (5) If the amendment of the development statement requires the change of boundaries, the planning and land authority may amend the schedule of unit entitlement to reflect the change of boundaries, if satisfied on reasonable grounds that the amendment is necessary to reflect accurately a potential change in the relative improved values of the units.

30 Amendment of development statements after registration

- (1) After a units plan that is subject to a staged development has been registered, and before the development is completed, the lessee of the parcel immediately before registration may apply to the planning and land authority for the amendment of the development statement.

Note 1 A fee may be determined under s 179 for this section.

Note 2 If a form is approved under s 180 for an application, the form must be used.

- (2) If the amendment of the development statement only affects an uncompleted stage of a staged development, the planning and land authority may amend the development statement as applied for if satisfied on reasonable grounds that—
- (a) the applicant has obtained the written agreement to the amendment of each person with an interest in a unit in that part of the parcel comprising the uncompleted stages of the development (except any interested person to whom subsection (3) applies); and
 - (b) any change of unit or common property boundaries provided for by the amendment is a minor boundary change within the uncompleted stages of the development.
- (3) The planning and land authority may amend the development statement under subsection (2) despite the applicant's failure to obtain an interested person's agreement if the authority is satisfied on reasonable grounds that—
- (a) the applicant could not reasonably be aware of that interest, or has made reasonable efforts to obtain the agreement; and
 - (b) either—
 - (i) the interested person would not suffer any substantial long-term detriment because of the proposed amendment; or

- (ii) despite that failure, it is desirable to authorise the amendment having regard to the overall interests of everyone with interests in that part of the parcel comprising the uncompleted stages of the development.
- (4) If subsection (2) does not apply, the planning and land authority may amend the development statement as applied for if satisfied on reasonable grounds that—
 - (a) the application is authorised by a special resolution of the owners corporation made within 3 months before the day the application is given to the authority; and
 - (b) the applicant has obtained the written agreement of each interested nonvoter (except any interested nonvoter to whom subsection (5) applies); and
 - (c) any change of unit or common property boundaries provided for by the amendment is a minor boundary change.
- (5) The planning and land authority may amend the development statement under subsection (4) despite the applicant's failure to obtain an interested nonvoter's agreement if the authority is satisfied on reasonable grounds that—
 - (a) the applicant has made reasonable efforts to obtain the agreement; and
 - (b) either—
 - (i) the interested nonvoter would not suffer any substantial long-term detriment because of the proposed amendment; or
 - (ii) despite that failure, it is desirable to authorise the amendment having regard to the overall interests of everyone with interests in the units and the common property.

- (6) The planning and land authority may refuse to amend the development statement if, in the authority's opinion based on reasonable grounds, the amendment would result in the development having a significantly adverse effect on anyone's amenity while it is taking place.

Examples of people whose amenity may be affected

- 1 owners or occupiers of units
- 2 owners or occupiers of nearby premises
- 3 members of the public who regularly use the surrounding area

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (7) The planning and land authority may authorise the amendment of the schedule of unit entitlement to reflect a change of boundaries if—
- (a) the amendment of the development statement requires the change of boundaries; and
 - (b) the authority is satisfied, on reasonable grounds, that the amendment is necessary to reflect accurately a change in the relative improved values of the units.
- (8) If the planning and land authority authorises the amendment of the schedule of unit entitlement under this section—
- (a) the authority must—
 - (i) endorse the amended schedule of unit entitlement; and
 - (ii) give a notice of authorisation to the lessee; and
 - (b) the lessee must lodge with the registrar-general—
 - (i) the endorsed amended schedule of unit entitlement; and
 - (ii) the notice of authorisation.

- (9) If the planning and land authority amends the development statement under this section—
- (a) the authority must endorse the amended development statement; and
 - (b) the lessee must lodge with the registrar-general the endorsed amended development statement.

31 Effect of registration of amendment

- (1) On the registration of an amended development statement, and any amended schedule of unit entitlement, lodged under section 30—
- (a) the units plan is amended accordingly; and
 - (b) if unit or common property boundaries are changed—the land covered by each affected lease is the area of land indicated by the boundaries as changed.
- (2) A change of unit or common property boundaries under this section is not a variation of a lease for the *Planning and Development Act 2007*, chapter 7 (Development approvals).

Part 4 Registration of units plans

Division 4.1 Subdivision, unit leases and common property lease

32 Subdivision of parcel made by registration

On and after the registration of a units plan, the parcel is subdivided as specified in the diagrams in the units plan.

33 Leases of units and common property

- (1) On the registration of a units plan, the lease of the parcel ends.
- (2) On the registration of the units plan, the former lessee of the parcel becomes the holder of an estate in leasehold in each unit for the term fixed under subsection (4), subject to the provisions in the units plan for each unit, as if a separate lease of that unit for that term and subject to those provisions had been granted to the former lessee by the Territory under the *Planning and Development Act 2007*.
- (3) On the registration of the units plan, the owners corporation becomes the holder of an estate of leasehold in the common property for the term fixed under subsection (4), subject to the provisions set out in the units plan for the common property, as if a lease of the common property for that term and subject to those provisions had been granted to the corporation by the Territory under the *Planning and Development Act 2007*.

Note On the registration of a units plan, an owners corporation for the units plan is established (see *Unit Titles (Management) Act 2011*, s 8).

- (4) The term of the leases of the units and of the common property begins on the registration of the units plan and ends on the date (stated in the units plan) when, apart from the operation of this section, the term of the lease of the parcel would have ended.

- (5) The estate of which a person or the owners corporation becomes the holder under this section—
- (a) is subject to any mortgage mentioned in the *Land Titles (Unit Titles) Act 1970*, section 8; and
 - (b) is subject to, and has annexed to it, any easement mentioned in that section; and
 - (c) is subject to, and has annexed to it, the easements given by this Act, section 35.
- (6) In this section:

former lessee means the person who was the lessee of the parcel immediately before registration.

Division 4.2 Easements

34 Unit title easement rights

This division applies to the following rights (*unit title easement rights*) that the owner of a benefited estate may have against the owner of a burdened estate:

- (a) rights of support, shelter and protection (including rights for shelter provided by encroaching eaves, awnings or similar structures)—
 - (i) provided by the burdened estate at the time of the registration of the units plan, or at the time of the latest amendment (if any) of the plan after its registration; and
 - (ii) that will be provided by the burdened estate on compliance by its owner with a building and development provision (if any) in the lease of the burdened estate;

- (b) rights to utility services, and to their provision by any reasonable form of utility conduit (including rights for the collection, passage and drainage of rainwater by encroaching eaves, gutters, downpipes or similar structures);
- (c) all ancillary rights necessary to make the rights mentioned in paragraphs (a) and (b) effective, including a right of entry by the owner of the benefited estate at all reasonable times on the burdened estate for the inspection and maintenance of—
 - (i) any building on the estate; and
 - (ii) facilities for any utility service on the estate; and
 - (iii) any utility conduit on the estate.

Note **Estate** is defined in the dictionary as a unit or common property (in this context).

35 Easements given by this Act

- (1) On and after the registration of a units plan, the owner of an estate (a **benefited estate**) has against the owner of another estate (the **burdened estate**) any unit title easement rights that are necessary for the reasonable use and enjoyment of the benefited estate.
- (2) A unit title easement right under this section is an easement annexed to the benefited estate.
- (3) An easement given by this section exists even if the same person is the owner of both the benefited and burdened estates.
- (4) A person carrying out work in the exercise of a unit title easement right under this section must make good any damage done in carrying out the work.

Note **Estate** is defined in the dictionary as a unit or common property (in this context).

36 Easements declared by owners corporations

- (1) An owners corporation may, by ordinary resolution, with the consent of the owners of each affected estate, declare that the owner of an estate (a *benefited estate*) has against the owner of another estate (the *burdened estate*) any unit title easement rights that are necessary for the reasonable support and maintenance of an encroachment of a kind prescribed by regulation.
- (2) A unit title easement right declared by an owners corporation under this section is an easement annexed to the benefited estate.
- (3) An easement declared by an owners corporation under this section exists even if the same person is the owner of both the benefited and burdened estates.
- (4) A person carrying out work in the exercise of a unit title easement right under this section must make good any damage done in carrying out the work.
- (5) An easement declared by an owners corporation under this section may only be revoked—
 - (a) by special resolution of the owners corporation; and
 - (b) with the consent of the owners of each affected estate.

Note *Estate* is defined in the dictionary as a unit or common property (in this context).

37 Registration—easements declared by owners corporations

A resolution of an owners corporation under section 36 declaring or revoking an easement takes effect on the registration of the easement, or of a memorandum of extinguishment of the easement, together with written evidence of the consent of the owners of each affected estate.

Division 4.3 Encroachments on public places

37A Effect of registration of units plan with encroachment on public place

- (1) This section applies if—
- (a) a units plan is registered for a parcel; and
 - (b) the plan shows an encroachment on a public place by an attachment to a building on the parcel.

Note *Attachment* and *encroachment*—see the dictionary.

- (2) This Act, the *Unit Titles (Management) Act 2011* and the *Land Titles (Unit Titles) Act 1970*, other than the provisions relating to ownership of interests and certificates of title, apply to the encroachment—

- (a) if the units plan shows the encroachment is for use with a unit—as if it were part of the unit; and
- (b) in any other case—as if it were common property.

Note The *Land Titles (Unit Titles) Act 1970*, s 4 (1) provides that it is incorporated with and must be read as one with the *Land Titles Act 1925*.

Part 10 Amendment of units plans

Division 10.1 Amendment of schedule of unit entitlement

146 Unit entitlement authority—grant

- (1) An owners corporation may apply to the planning and land authority for authority (a *unit entitlement authority*) for the amendment of the schedule of unit entitlement.

Note 1 A fee may be determined under s 179 for this section.

Note 2 If a form is approved under s 180 for an application, the form must be used.

- (2) The planning and land authority may, by written notice to the owners corporation, grant a unit entitlement authority if satisfied on reasonable grounds that—
- (a) the application is authorised by a special resolution of the owners corporation made within 3 months before the day the application is made; and
 - (b) the amendment is necessary to reflect accurately the current relative improved values of the units, or a change in those values that is anticipated after a particular event happens.
- (3) The planning and land authority may grant a unit entitlement authority subject to the condition that it is to take effect only when a stated event happens.
- (4) If the owners corporation applies for a unit entitlement authority that is to remain in force for longer than 3 months, the planning and land authority may, in authorising the unit entitlement amendment, if satisfied that an extended period is justified—
- (a) allow the extended period applied for; or
 - (b) allow a shorter extended period.

147 Unit entitlement authorities—period of effect

- (1) A unit entitlement authority remains in force for—
 - (a) 3 months after it is given, or after an event stated in the authority happens; or
 - (b) any extended period allowed under section 146 (4).
- (2) A unit entitlement authority must state the period for which it is in force.

148 Unit entitlement authorities—registration

On the registration of a unit entitlement authority, the units plan is amended accordingly.

Note A unit entitlement authority may be registered with the registrar-general under the *Land Titles (Unit Titles) Act 1970* on lodgment by the owners corporation within the period of effect of the authority (see dict, def *registered*).

Division 10.2 Minor boundary changes

149 Boundary authority—grant

- (1) An owners corporation may apply to the planning and land authority for authority (a *boundary authority*) for the change of any unit or common property boundaries, together with any consequential amendment of the schedule of unit entitlement.

Note 1 A fee may be determined under s 179 for this section.

Note 2 If a form is approved under s 180 for an application, the form must be used.

- (2) The planning and land authority may grant a boundary authority if satisfied on reasonable grounds that—
 - (a) the application is authorised by a unanimous resolution of the owners corporation made within 3 months before the application is made; and

- (b) the corporation has obtained the written agreement of each interested nonvoter (except any interested nonvoter to whom subsection (3) applies); and
- (c) the authorised boundary change is a minor boundary change; and

Note A **minor boundary change** is a change to the boundaries of the units or the common property that is described in s 16.

- (d) if an amendment of the schedule of unit entitlement is authorised—the amendment is necessary to reflect accurately a change in the relative improved values of the units because of the change of boundaries as authorised.
- (3) The planning and land authority may grant a boundary authority despite the owners corporation’s failure to obtain an interested nonvoter’s agreement if the planning and land authority is satisfied on reasonable grounds that—
- (a) the corporation has made reasonable efforts to obtain the agreement; and
 - (b) either—
 - (i) the interested nonvoter would not suffer any substantial long-term detriment because of the proposed change; or
 - (ii) despite that failure, it is desirable to authorise the change having regard to the overall interests of everyone with interests in the units and the common property.
- (4) If the owners corporation applies for a boundary authority that is to remain in force for longer than 3 months, the planning and land authority may, in authorising the change, if satisfied that an extended period is justified—
- (a) allow the extended period applied for; or
 - (b) allow a shorter extended period.

150 Boundary authority—period of effect

- (1) A boundary authority remains in force for—
 - (a) 3 months after it is given; or
 - (b) any extended period allowed under section 149 (4).
- (2) A boundary authority must state the period for which it is in force.

151 Boundary authorities—registration

- (1) On the registration of a boundary authority—
 - (a) the units plan is amended accordingly; and
 - (b) the land covered by each affected lease is the area of land indicated by the boundaries as changed.

Note A unit entitlement authority may be registered with the registrar-general under the *Land Titles (Unit Titles) Act 1970* on lodgment by the owners corporation within the period of effect of the authority (see dict, def *registered*).

- (2) A change of unit or common property boundaries under this section is not a variation of a lease for the *Planning and Development Act 2007*, chapter 7 (Development approvals).

Division 10.3 Building damage schemes

152 What is a *building damage scheme*?

A *building damage scheme* for a units plan is a scheme for—

- (a) the reinstatement of any building on the parcel that is damaged or destroyed; and
- (b) the elimination of any class A unit that is damaged or destroyed (unless the unit is to be reinstated); and
- (c) the consequential amendment of the units plan; and

- (d) the application of any insurance amount paid (or payable) for the damage or destruction to any building on the parcel; and
- (e) the payment of compensation (or other money) to the owner of any unit, and anyone else who may be adversely affected by the scheme.

153 Building damage orders—right of appearance

- (1) The following have a right to appear on an application for a provisional building damage order or a final building damage order:
 - (a) the owners corporation;
 - (b) a unit owner, or another person with an interest in a unit, or the common property, that is recorded on the corporate register;
 - (c) an insurer who has insured a building on the parcel for the *Unit Titles (Management) Act 2011*, section 100;
 - (d) the director-general, on behalf of the Territory.

Note A unit owner or the owners corporation may apply for a provisional building damage order (see s 154 (2)). The applicant for a provisional building damage order may apply for a final building damage order (see s 157 (2)).

- (2) The applicant must serve a copy of the application on everyone else who has a right to appear, except the director-general.

Note The applicant may serve the application on a person who has a right to appear at the person's address for correspondence shown on the corporate register. Other forms of service are also permitted, see the *Unit Titles (Management) Act 2011*, s 124.

- (3) A person who has a right to appear may be represented by a lawyer or someone else.
- (4) The registrar of the ACAT must give a copy of an application to the director-general.

154 Provisional building damage order—application

- (1) This section applies if—
 - (a) after the registration of a units plan, a building on the parcel is damaged or destroyed, unless the damage or destruction happens in the course of the demolition or development of the building; and
 - (b) the planning and land authority has given—
 - (i) a development approval under the *Planning and Development Act 2007*, chapter 7 for a development consisting of the reinstatement or elimination of any unit or building (or part of a unit or building) on the parcel (a *unit redevelopment*); or
 - (ii) if the unit redevelopment is exempt from the requirement to obtain development approval under the *Planning and Development Act 2007*, chapter 7—a certificate under subsection (4); and
 - (c) a cancellation authority or cancellation order for the units plan is not in force; and
 - (d) an application for a cancellation authority or cancellation order for the units plan is not pending.
- (2) If this section applies, the owners corporation authorised by an ordinary resolution, or a unit owner, may apply to the ACAT for an order (a *provisional building damage order*) approving a building damage scheme incorporating the unit redevelopment.
- (3) The application must be accompanied by—
 - (a) the proposed building damage scheme; and

- (b) as the case requires—
- (i) a copy of the development approval mentioned in subsection (1) (b) (i), certified by the planning and land authority as a true copy; or
 - (ii) a copy of the certificate mentioned in subsection (1) (b) (ii).
- (4) On application by the applicant for the provisional damage order, if the planning and land authority is satisfied that approval under this Act or any other relevant territory law for the unit redevelopment would still have been given if the proposals for the subdivision of the parcel under this Act, or any other relevant development proposals, had shown the units plan as it is proposed to be altered by the unit redevelopment, the authority must give the applicant a certificate to that effect.

Note 1 A fee may be determined under s 179 for this section.

Note 2 If a form is approved under s 180 for an application, the form must be used.

155 Provisional building damage order—approval of scheme

- (1) The ACAT may make a provisional building damage order on application under section 154 if satisfied that—
- (a) the damage or destruction to the building did not happen in the course of the development or demolition of the building; and
 - (b) the planning and land authority has given the development approval or certificate mentioned in section 154 (1) (b); and
 - (c) it is just and equitable to do so.
- (2) The certified copy of the development approval accompanying the application (see section 154 (3) (b)) is evidence that the planning and land authority has given the relevant approval.

- (3) The ACAT may make any ancillary order necessary or convenient for giving effect to a provisional building damage order.

156 Provisional building damage order—period of effect

A provisional building damage order, or any ancillary order, remains in force for—

- (a) the period (not longer than 3 months) stated in the order; or
- (b) an extended or further extended period stated in an ACAT order for extension made on application by the applicant for the provisional building damage order while the provisional building damage order (or the ancillary order) is in force.

157 Final building damage order—amendment of units plan

- (1) This section applies while a provisional building damage order approving a building damage scheme is in force.
- (2) On application by the applicant for the provisional building damage order, the ACAT may make an order (a *final building damage order*) authorising the amendment of the units plan in accordance with the building damage scheme approved under the provisional building damage order.
- (3) The ACAT may make a final building damage order only if satisfied that—
 - (a) the approved building damage scheme has been carried out as far as practicable; and
 - (b) any order ancillary to the provisional building damage order has been complied with.
- (4) The ACAT may make any ancillary order necessary or convenient for giving effect to a final building damage order.

158 Final building damage order—period of effect

A final building damage order, or any ancillary order, remains in force for—

- (a) the period (not longer than 3 months) stated in the order; or
- (b) an extended or further extended period stated in an ACAT order for extension made on application by the applicant for the final building damage order while the final building damage order (or the ancillary order) is in force.

159 Final building damage order—registration

- (1) On the registration of a final building damage order—
 - (a) the units plan is amended in accordance with the approved building damage scheme; and
 - (b) if unit or common property boundaries are changed—the land covered by each affected lease is the area of land indicated by the boundaries as changed.
- (2) In addition, on the registration of a final building damage order authorising the elimination of a unit—
 - (a) the lease of the eliminated unit ends; and
 - (b) the land covered by the lease of the unit immediately before the registration of the order is included in the land covered by the lease of the common property.
- (3) A change of unit or common property boundaries under this section is not a variation of a lease for the *Planning and Development Act 2007*, chapter 7 (Development approvals).

Part 11 **Cancellation of units plans**

Division 11.1 **Cancellation authority**

160 **Cancellation authority—grant by planning and land authority**

 - (b) the corporation has obtained the written agreement of each interested nonvoter (except any interested nonvoter to whom subsection (4) applies).
- (4) The planning and land authority may grant a cancellation authority despite the owners corporation's failure to obtain an interested nonvoter's agreement if the planning and land authority is satisfied on reasonable grounds that—
- (a) the corporation has made reasonable efforts to obtain the agreement; and

- (b) either—
 - (i) the interested nonvoter would not suffer any substantial long-term detriment because of the proposed cancellation; or
 - (ii) despite that failure, it is desirable to authorise the cancellation having regard to the overall interests of everyone with interests in the units and the common property.
- (5) If the owners corporation applies for a cancellation authority that is to remain in force for longer than 3 months, the planning and land authority may, in authorising cancellation, if satisfied that an extended period is justified—
 - (a) allow the extended period applied for; or
 - (b) allow a shorter extended period.
- (6) A cancellation authority must include a declaration of the provisions that are to govern the new lease arising under section 162 if the planning and land authority considers on reasonable grounds that it is desirable to do so to take account of any variation of a lease of any unit, or of the common property, made (or applied for) since the units plan was registered.

161 Cancellation authority—period of effect

- (1) A cancellation authority remains in force for—
 - (a) 3 months after it is given; or

- (4) A cancellation order may include either or both of the following:
 - (a) directions to be complied with after cancellation of the units plan;

- (5) A direction mentioned in subsection (4) (a) may be enforced as if it were a judgment of the Supreme Court obtained by someone for whose benefit the direction was given against the person required to comply with the direction.
- (6) A cancellation order remains in force for the period stated in the order.

161B Cancellation orders—provisional orders

- (1) On an application for a cancellation order for a units plan, the Supreme Court may make a provisional cancellation order for the units plan imposing conditions or giving directions (or both) to be complied with before the court makes a cancellation order.

 - (a) it is necessary for either or both of the following purposes:

 - (ii) to adjust the rights and duties of everyone who has registered interests in the units, between each other, to the extent that the rights and duties may be affected by the cancellation of the units plan; and
 - (b) it is just and equitable to make the order having regard to the interests of everyone with interests in the units.
- (3) A provisional cancellation order remains in force for the period stated in the order.

 - (ii) if there was a single owner of all the units immediately before the registration of the authority—by the owner; and
 - (b) expires on the day each of the leases of the units, and the lease of the common property, would have expired if it were not for the cancellation of the units plan; and
 - (c) is otherwise governed by the provisions to which the lease of the parcel was subject immediately before the registration of the units plan, subject to any declaration of the planning and land authority under section 160 (6) (Cancellation authority—grant by planning and land authority) or any declaration of the Supreme Court under section 161A (4) (b) (Cancellation orders—Supreme Court powers).

- (2) If immediately before the registration of the authority, 2 or more people were the owners of a unit, 2 or more units or all the units (whether as joint tenants or tenants in common), the share in the estate, or the whole estate, vests in them under subsection (1) (a)—
 - (a) if they were joint tenants—jointly; or
 - (b) if they were tenants in common—as tenants in common in shares proportional to their former shares in the unit or units.

164 Dissolution of owners corporation

- (1) On the dissolution of an owners corporation (on cancellation of the units plan)—
 - (a) all rights (at law or in equity) of the corporation immediately before the dissolution vest in the former members as tenants in common in shares proportional to their unit entitlement immediately before the dissolution; and
 - (b) the former members are liable separately and together for all the liabilities of the corporation existing immediately before dissolution.
- (2) For subsection (1), a reference in a document to an owners corporation that has been dissolved is taken to be a reference to the former members.

Example of a document

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

165B Subdivision of units plan—application

- (1) An owners corporation to which this part applies may, on behalf of the members of the corporation, apply for development approval under the *Planning and Development Act 2007* to subdivide the parcel of land covered by the leases of the units and common property into 2 parcels in accordance with a subdivision plan.
- (2) The *Planning and Development Act 2007*, chapter 11 applies to the owners corporation as if the corporation were the lessee of the parcel of land.

Note A development approval for the subdivision of a units plan must be conditional on the units plan being cancelled (see *Planning and Development Act 2007*, s 165 (2) (b)).

Part 12 **Variation or surrender of leases**

Division 12.1 **Variation of leases**

166 **Development applications to vary lease under Planning and Development Act**

- (1) An application for development approval for the variation of a unit or common property lease may be made under the *Planning and Development Act 2007*, chapter 7 (Development approvals) only if—
 - (a) all members of the owners corporation have been given notice of the proposed application under subsection (2); and
 - (b) the application is authorised by unopposed resolution; and
 - (c) a certificate under the corporation's seal is provided confirming that the requirements mentioned in paragraphs (a) and (b) have been met.
- (2) The notice of general meeting including notice of the motion to authorisation the application must set out—
 - (a) details of the variation sought; and
 - (b) the implications of the proposed variation for the unit entitlement and property interests of the members.
- (3) If an application for development approval for the variation of a unit lease or common property lease is approved under the *Planning and Development Act 2007*, chapter 7, the planning and land authority must give each member of the owners corporation written notice of the approval stating the date the approval is to take effect.

167 **Lease variation—amendment of schedule of unit entitlement**

- (1) On the variation of the lease of a unit, the planning and land authority may, by written notice to the registrar-general, direct that

the schedule of unit entitlement be amended if the authority considers it necessary to do so to reflect accurately any change in the relative improved values of the units because of the variation.

- (2) On the registration of the planning and land authority's direction to amend the schedule of unit entitlement, the units plan is amended accordingly.

Division 12.2 Surrender of leases in units

167A Surrender of leases in units

- (1) This section applies if—
 - (a) the owners corporation of a units plan applies, or intends to apply, under the *Planning and Development Act 2007*, section 254, for the grant of a further lease of the units and common property in the units plan; and
 - (b) an owner of a unit in the units plan has not surrendered the lease of the owner's unit.
- (2) The owners corporation may surrender the lease of the owner's unit on behalf of the owner if—

Note For how documents may be served, see the Legislation Act, pt 19.5.
 - (b) the owner does not give the owners corporation a written objection to the surrender; and
 - (c) after the end of the 3-month notice period, the surrender is authorised by an unopposed resolution.

- (3) The owners corporation may also do anything on behalf of the owner that is necessary to make the surrender effective.

Example

The owners corporation may deal with a mortgagee in relation to the unit to obtain the mortgagee's consent to the surrender.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Part 13 Expiry and termination of unit leases

168 Effects of lease expiry

- (1) On the expiry of the terms of the leases of the units and the common property in a units plan (as extended, if at all, under the *Unit Titles Act 1970*, section 108)—
 - (a) the units plan is cancelled; and
 - (b) the owners corporation is dissolved; and
 - (c) for each unit, the Territory is liable to pay a share of the value of the buildings on the parcel (on the date of expiry) proportional to the unit entitlement of the unit immediately before the expiry.
- (2) The Territory is liable to pay the amount mentioned in subsection (1) (c) for a unit—
 - (a) to the person who owned the unit immediately before the expiry of the leases; or
 - (b) if the unit was owned by 2 or more people immediately before the expiry of the leases—to each co-owner in proportion to the co-owner's former share in the unit.
- (3) On the dissolution of an owners corporation under subsection (1)—
 - (a) all rights (at law or in equity) vested in the corporation immediately before the expiry are vested in the former members as tenants in common in shares proportional to their former unit entitlement; and
 - (b) the former members are liable separately and together for all the liabilities of the corporation existing immediately before the dissolution.

- (4) For subsection (1), a reference in a document to an owners corporation that has been dissolved is taken to be a reference to the former members.

Example of a document

A contract signed by the owners corporation before the dissolution under which the corporation owes, or is owed, an amount.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (5) The operation of subsection (3) on the owners corporation may be varied by expiry dissolution order (under section 169).

**169 Dissolution of owners corporation on lease expiry—
Supreme Court powers**

- (1) On an application by an owners corporation authorised by an ordinary resolution, or a person with an interest in a unit, the Supreme Court may, if it considers that it is just and equitable to do so—
- (a) by order (an *expiry dissolution order*), vary the operation of section 168 (3) (Effects of lease expiry) on the corporation and its members; and
 - (b) make any orders that are necessary or convenient for giving effect to the expiry dissolution order.
- (2) The application may only be made before the dissolution of the owners corporation (on the expiry of the terms of the leases and common property).
- (3) The following have a right to appear on an application:
- (a) the owners corporation;
 - (b) a unit owner;
 - (c) someone else with an interest in a unit, or the common property, that is recorded on the corporate register;

- (d) an insurer who has insured a building on the parcel for the *Unit Titles (Management) Act 2011*, section 100;
 - (e) the director-general, on behalf of the Territory.
- (4) The applicant must serve a copy of the application on everyone else who has a right to appear, except the director-general.
- Note* The applicant may serve the application on a person who has a right to appear at the person's address for correspondence shown on the corporate register. Other forms of service are also permitted, see the *Unit Titles (Management) Act 2011*, s 124.
- (5) A person who has a right to appear may be represented by a lawyer or someone else.
- (6) The registrar of the Supreme Court must give a copy of the application to the director-general.

170 Effect of termination of unit lease

- (1) If the registrar-general, under the *Land Titles (Unit Titles) Act 1970*, section 23, enters on a units plan a memorial of the termination of the lease of a unit—
- (a) the interest of the lessee in the unit ends; and
 - (b) the land that was, immediately before the endorsement, covered by the lease continues to be a unit despite the termination; and
 - (c) the unit entitlement of the unit is omitted from the schedule of unit entitlement; and
 - (d) the unit entitlement of each other unit is increased in proportion (so that the total unit entitlement remains unchanged).

- (2) After the termination of the lease of a unit and until a further lease of that unit is granted—
- (a) the easements given by section 35 continue, as they benefit or burden the unit; and
 - (b) any easement declared under section 36 in effect at the time of termination continues, as it benefits or burdens the unit; and
 - (c) all those easements are enforceable by and against the planning and land authority as if the authority were the owner of the unit; and
 - (d) a person authorised in writing by the authority has the same rights to use the common property as the owner of the unit would have had if the lease had not been terminated.

Note This section does not apply to a lease surrendered under the *Planning and Development Act 2007*, s 254 (see dict, def *termination*).

171 New unit lease

- (1) If, after the termination of the lease of a unit, a person becomes entitled under the *Planning and Development Act 2007* to the grant of a lease of the unit, the planning and land authority must—
- (a) lodge with the registrar-general written notice of that fact; and
 - (b) give the owners corporation written notice accordingly.
- (2) On the entry on the units plan of a memorial under the *Land Titles (Units Titles) Act 1970*, section 24, the person entitled to the grant of the lease becomes the holder of an estate of leasehold in the unit for the term mentioned in subsection (3) and subject to the provisions set out in the units plan for the lease of that unit, as if a lease of that unit for that term and subject to those provisions had been granted to the person by the Territory under the *Planning and Development Act 2007*.

- (3) The term of the lease begins on the registration of the notice and expires on the same day (stated in the units plan) as the terms of the leases of the other units.
- (4) When a person becomes the holder of an estate in leasehold under this section—
 - (a) the easements given by section 35 continue, as they benefit or burden the unit; and
 - (b) any easement declared under section 36 to which the terminated lease was subject continues, as it benefits or burdens the unit.

Note This section does not apply to a new lease granted after a lease has been surrendered under the *Planning and Development Act 2007*, s 254 (see dict, def *termination*).

172 New unit lease—schedule of unit entitlement

- (1) This section applies if, after the termination of the lease of a unit, a person becomes entitled under the *Planning and Development Act 2007* to the grant of a lease of the unit.
- (2) On the entry on the units plan of memorials under the *Land Titles (Unit Titles) Act 1970*, section 24, the schedule of unit entitlement has the same effect as it had immediately before the entry was made on that schedule under that Act, section 23 on the termination of the previous lease.

Note This section does not apply to a new lease granted after a lease has been surrendered under the *Planning and Development Act 2007*, s 254 (see dict, def *termination*).

Note 2 Section 174 gives a person who is given an internal review notice the right to object to the internally reviewable decision (unless the person was the applicant for the decision, and the decision was made in the applicant's favour).

- (2) However, the planning and land authority is not required to give an internal review notice to a person with an interest in a parcel, or an interested non-voter, in relation to a decision if the authority is not, and could not reasonably be, aware of the person's interest because of the process of reaching the decision.

- (3) An internal review notice given to a person in relation to a decision must include a statement to the effect that the person may not object to the decision if—
- (a) the person applied for the decision; and

- (2) The review must happen within 28 days (the *28-day period*) after the day the planning and land authority receives the objection to the internally reviewable decision.
- (3) The internal reviewer must—
 - (a) allow the objection and substitute the reviewer's own decision;
or
 - (b) disallow the objection.
- (4) If the objection is not decided within the 28-day period, the objection is taken to have been disallowed by the internal reviewer.

176 Reviewable decision notices

If an internal reviewer makes a reviewable decision, the reviewer must give a reviewable decision notice only to each person to whom an internal review notice is required to be given in relation to the decision.

Note The requirements for reviewable decision notices are prescribed under the *ACT Civil and Administrative Tribunal Act 2008*.

177 Effect of decision to allow objection

If a decision is made to allow an objection and to substitute a new decision for the decision objected to—

- (a) the decision objected to no longer has effect from the date of the reviewable decision notice; and
- (b) this Act applies as if the substituted decision had been made on the date of the notice, subject to paragraph (c); and
- (c) this part does not apply to the substituted decision.

177A Applications for review

The person in relation to whom a reviewable decision is made may apply to the ACAT for review of the decision.
