Act not amended up to this date

Provisions effective to 10 March 2002

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Community Title Act 2001* as in force on 10 March 2002. It includes any commencement, amendment, repeal or expiry affecting the republished law to 10 March 2002 and any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes).

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Community Title Act 2001

An Act to provide for the establishment and administration of community title schemes, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Community Title Act 2001*.

3 Dictionary

The dictionary at the end of this Act is part of the Act.

Note 1 The dictionary at the end of this Act defines certain words and expressions used in this Act, and includes references (*signpost definitions*) to other words and expressions defined elsewhere in this Act.

For example, the signpost definition '*lot entitlement schedule*—see section 7 (h).' means that the expression 'lot entitlement schedule' is defined in that paragraph.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act 2001*, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of the Act.

Note See *Legislation Act 2001*, s 127 (1), (4) and (5) for the legal status of notes.

Part 2 Nature of community title schemes

5 Community title schemes

- (1) A community title scheme consists of—
 - (a) a master plan for developing the scheme land; and
 - (b) a management statement that complies with this part; and
 - (c) the constituent documents for the body corporate to be formed on the registration of the scheme; and
 - (d) the by-laws of the body corporate.
- (2) A community title scheme must include—
 - (a) 1 or more lots that are common property; and
 - (b) 2 or more lots that are not common property.
- (3) The land included in a community title scheme must form a single area that is not divided by anything other than—
 - (a) a road; or
 - (b) a body of water (other than a lake within the meaning of the *Lakes Act 1976*); or
 - (c) an area prescribed under the regulations.

6 Form and content of master plan

The master plan forming part of a community title scheme must—

- (a) contain a site plan that—
 - (i) delineates the site; and
 - (ii) shows each lot included in the scheme; and

- (iii) identifies the lots that are common property; and
- (iv) shows the position of all buildings on the site; and
- (b) contain a sketch that complies with the regulations showing the expected appearance of the finished development; and
- (c) include a description of the general theme (if any) of the development (for example, the architectural style or the nature of landscaping); and
- (d) include any other information prescribed under the regulations.

7 Form and content of management statements

A management statement that forms part of a community title scheme must include—

- (a) the name and address of the developer; and
- (b) a description of the stages, and the sequence of stages, in which any development of scheme land is to be carried out; and
- (c) a plan showing construction zones and access zones and the nature of the use that may be made of them; and
- (d) a schedule of times for starting and finishing each stage of any proposed development of scheme land (which may be fixed by reference to the calendar, by reference to the finishing of a previous element of the scheme, by reference to progress in the sale of lots or on any other reasonable basis); and
- (e) if a body corporate is to be established (other than on registration of the scheme) for any elements of the scheme—a copy of the documents that are to establish the body corporate; and
- (f) a schedule of the hours when work may be carried out on the proposed development; and

- (g) a description of the amenities to be provided as part of the proposed development and a statement of—
 - (i) the purposes for which the amenities are to be provided; and
 - (ii) the extent to which the amenities are to be available for use by owners and occupiers of lots and their invitees; and
 - (iii) the arrangements for providing and maintaining the amenities and defraying the cost of their provision and maintenance; and
- (h) a schedule (the lot entitlement schedule) setting out—
 - (i) for each lot that is not to be common property—a whole number that is the lot entitlement for the lot; and
 - (ii) a whole number that is the total of the entitlements of all lots that are not to be common property; and
- (i) a statement of the voting rights of the members of the body corporate at a general meeting if a poll is required; and
- (j) any other information or materials prescribed under the regulations.

Note If a form is approved under the *Land Titles Act 1925*, s 140 (Approved forms) for a lot entitlement schedule, the form must be used.

Part 3 Establishment of community title schemes

8 Community title scheme proposal—application for approval

- (1) The developer of a community title scheme may apply to the Minister, in writing, for approval of the scheme.

Note 1 A fee may be determined under s 96 (Determination of fees) for this subsection.

Note 2 If a form is approved under s 97 (Approved forms) for an application, the form must be used.

- (2) The application must be signed by—
- (a) the developer; and
 - (b) if the developer is not the lessee of every lot to be included in the scheme—the lessee of each such lot that is not leased to the developer.
- (3) Each person who signs the application is taken to be the applicant in relation to it.
- (4) The application must be accompanied by the documents that comprise the proposed community title scheme.
- (5) The documents that comprise the scheme must comply with the regulations.
- (6) The application may be made whether the site is entirely undeveloped or partly developed.

9 Power of Minister to require changes to scheme proposal

Before approving a proposed community title scheme, the Minister may require changes to the scheme that need to be made for the scheme to comply with this Act.

10 Community title scheme proposal—approval

- (1) The Minister may approve a community title scheme proposal if satisfied that—
 - (a) the proposal is in accordance with section 8 (Community title scheme proposal—application for approval); and
 - (b) the proposed community title scheme complies with section 5 (2) and (3) (Community title schemes); and
 - (c) the proposed lot entitlement schedule is reasonable having regard to the prospective relative values of the lots to be included in the scheme that are not to be common property.
- (2) The Minister may refuse to approve a community title scheme if the lessee of a lot proposed to be included in the scheme is in breach of the lease, or a provision of (or requirement under) the Land Act that applies to the lessee because he or she is the lessee of the lot.
- (3) The Minister may refuse to approve a community title scheme proposal if the proposal is inconsistent with the requirements of the heritage places register under the Land Act.

11 Community title scheme proposal—amendment of management statement

If a community title scheme proposal provides for development of the scheme land in stages, the Minister may, before approving the proposal under section 10 (Community title scheme proposal—approval), amend the management statement if the Minister considers it reasonable to do so to reduce the adverse effect of the development on anyone's amenity while it is taking place.

Examples of people whose amenity may be affected

- 1 Owners or occupiers of lots, or parts of lots, in the scheme.
- 2 Owners or occupiers of nearby premises.
- 3 Members of the public who regularly use the surrounding area.

12 Notice of approval of community title scheme proposal

If the Minister approves a community title scheme proposal, the Minister must give the developer of the scheme—

- (a) written notice of the approval including particulars of any security required under section 13 (Security for staged developments and unfinished works); and
- (b) a schedule setting out the provisions under which leases of the lots of common property are to be held.

13 Security for staged developments and unfinished works

- (1) This section applies—
 - (a) to a community title scheme that provides for development of the scheme land in stages (a staged development); and
 - (b) to works (including landscaping, roadworks and work on driveways) needed for a development provided for in an approved community title scheme proposal that (in the Minister's opinion) will not be finished when the community title scheme plan is endorsed under section 14 (Endorsement of community title plan for registration).
- (2) If this section applies, the Minister may, by written notice to the developer of the scheme, require the developer to give a bond to the Territory providing security—
 - (a) for a staged development—for the completion of the development in accordance with the development statement; or
 - (b) in any other case—for the completion of the works, as provided for in the community title proposal, within the time mentioned in the notice.

Note If a form is approved under s 97 (Approved forms) for a bond, the form must be used.

- (3) The required security must not be more than—

- (a) for a staged development—10% of the total cost of the work necessary to finish the staged development; or
 - (b) in any other case—the amount needed to finish the incomplete works as required by the notice.
- (4) If a bond is forfeited, the Territory is entitled to all of the security or to a lesser amount decided by the Minister.

14 Endorsement of community title plan for registration

If the Minister has approved a community title scheme and the full amount of any security required under section 13 (Security for staged developments and unfinished works) has been provided, the Minister must—

- (a) place on the documents that comprise the scheme an endorsement that the documents are approved under this Act as the community title scheme for the scheme land; and
- (b) sign and date the endorsement.

Note If a form is approved under the *Land Titles Act 1925*, s 140 (Approved forms) for an endorsement under par (a), the form must be used.

15 Expiry of endorsement

- (1) An endorsement of a community title scheme under section 14 (Endorsement of community title plan for registration) ceases to have effect—
- (a) 3 months after it is made, unless the scheme is, before that time, lodged with the registrar-general for registration under the *Land Titles Act 1925*; or
 - (b) if the scheme is so lodged within 3 months after the endorsement is made, but is later withdrawn under that Act, section 26—when the endorsement under that section is made by the registrar-general.
- (2) If an endorsement of a community title scheme ceases to have effect, the developer may again submit the scheme to the Minister

for endorsement under section 14 (Endorsement of community title plan for registration), after which that section and this section apply as if the previous endorsement had not been made.

16 Request to register community title scheme

- (1) The developer of a community title scheme may lodge with the registrar-general a request for registration of the scheme.

Note 1 A fee may be determined under the *Land Titles Act 1925*, s 139 (Determination of fees, charges and other amounts) for this subsection.

Note 2 If a form is approved under the *Land Titles Act 1925*, s 140 (Approved forms) for a request, the form must be used.

- (2) The request must be accompanied by (in addition to documents required under the *Land Titles Act 1925*) the scheme documents endorsed by the Minister under section 14 (Endorsement of community title plan for registration).

17 Registration of community title scheme

- (1) If a request to register a community title scheme complies with this Act and is in registrable form under the *Land Titles Act 1925*, the registrar-general must—
 - (a) register the scheme; and
 - (b) record the registration of the scheme on the folium for the certificate of title for each lot included in the scheme.
- (2) The registration of the scheme takes effect when the registrar-general finishes the action mentioned in subsection (1).

Part 4 Common property

18 **Common property**

The *common property* of a community title scheme is all the parts of the land included in the scheme that are identified as common property in the master plan for the scheme.

19 **Vesting of common property**

The common property of a community title scheme vests in the body corporate of the scheme.

Part 5 Development rights

20 Development rights

- (1) The developer of a community title scheme is entitled to reasonable access to, and use of, the scheme land—
 - (a) to carry out the proposed development; and
 - (b) for other purposes related to development stated in the management statement except subdivision of the common property.
- (2) The rights of others in relation to the scheme land (including rights in relation to lots that are not common property) are subordinate to the rights of the developer under this section.
- (3) The by-laws cannot limit the rights of a developer under this section.

21 Progressive development

- (1) The land subject to a community title scheme is to be progressively developed in accordance with the scheme.
- (2) The relevant authority under the Land Act, part 6 may refuse to approve an application under the part for approval to carry out an activity needed for the development of a stage of the scheme if an earlier stage of the scheme has not been finished as required by the scheme.

Part 6 Amendment of schemes

22 Application for authorisation to amend scheme

- (1) The developer under a registered community title scheme, or the body corporate of the scheme, may apply to the Minister for an authorisation to amend the scheme and to make any consequential amendments needed to the lot entitlement schedule.

Note 1 A fee may be determined under s 96 (Determination of fees) for this subsection.

Note 2 If a form is approved under s 97 (Approved forms) for an application, the form must be used.

- (2) The Minister may, by written notice, require the applicant to provide additional information or documents needed to consider the application (including a certificate from a qualified valuer about the effect of the proposed amendment of the scheme on the potential relative values of the lots in the scheme).
- (3) The Minister may defer consideration of an application until any required additional information and documents are provided.

23 Ministerial authorisation

- (1) The Minister may authorise an amendment of a community title scheme on an application under section 22 (Application for authorisation to amend scheme) if satisfied that—
 - (a) each person with a registered interest in a lot in the scheme, and each prospective owner of a lot in the scheme, consents to the amendment; and
 - (b) the scheme as amended is consistent with the Territory plan; and
 - (c) for an amendment of the lot entitlement schedule—the amendment is necessary to reflect accurately a change in the

relative values of lots because of other amendments of the scheme.

- (2) The Minister may—
- (a) authorise the amendment unconditionally; or
 - (b) authorise the amendment subject to conditions; or
 - (c) refuse to authorise the amendment.

- (3) In this section:

registered interest means an interest registered under the *Land Titles Act 1925*.

24 Expiry of authorisation

- (1) An authorisation under section 23 (Ministerial authorisation) ceases to have effect—
- (a) 3 months after it is given, unless the amendment it authorises is, before that time, lodged with the registrar-general for registration under the *Land Titles Act 1925*; or
 - (b) if the amendment is so lodged within 3 months after the authorisation is given, but is later withdrawn under section 26 of that Act—when the endorsement under that section is made by the registrar-general.
- (2) If an authorisation of an amendment ceases to have effect, the developer may again apply to the Minister under section 22 (Application for authorisation to amend scheme) for authorisation to make the amendment, after which that section, section 23 (Ministerial authorisation) and this section apply as if the previous authorisation had not been given.

25 Request to register amendment

- (1) The developer of a community title scheme may lodge with the registrar-general a request for registration of an amendment of the scheme.

Note 1 A fee may be determined under the *Land Titles Act 1925*, s 139 (Determination of fees, charges and other amounts) for this subsection.

Note 2 If a form is approved under the *Land Titles Act 1925*, s 140 (Approved forms) for a request, the form must be used.

- (2) The request must be accompanied by (in addition to documents required under the *Land Titles Act 1925*)—
- (a) the proposed scheme as amended, indicating the amendments; and
 - (b) the ministerial authorisation of the amendment under section 23 (Ministerial authorisation); and
 - (c) the certificate of title to any land not formerly within the scheme that is affected by the amendment.

26 Registration of amendment

- (1) If a request to register an amendment of a community title scheme complies with this Act and is in registrable form under the *Land Titles Act 1925*, the registrar-general must—
- (a) register the scheme as amended; and
 - (b) record the registration of the scheme in the folium for the certificate of title for any lot not formerly within the scheme that is within the scheme as amended.
- (2) The registration of the amendment takes effect when the registrar-general finishes the action mentioned in subsection (1).

27 Amendment by the Supreme Court

- (1) The Supreme Court may, on application by an interested person, order that a community title scheme be amended if satisfied that it is

impossible or impracticable to finish the scheme as proposed in the master plan and management statement.

- (2) For this section, each of the following is an *interested person*:
 - (a) the developer of the community title scheme;
 - (b) the body corporate;
 - (c) an owner or prospective owner of a lot of scheme land;
 - (d) the registrar-general;
 - (e) anyone else who has, in the Supreme Court's opinion, a proper interest in the matter.
- (3) The applicant must give notice of the application to each other interested person.
- (4) An interested person may appear and be heard in the proceeding.
- (5) The Supreme Court may make an order—
 - (a) extending the time for completion of 1 or more stages of the community title scheme; or
 - (b) changing the order in which the various stages of the scheme are to be finished; or
 - (c) amending the scheme in other ways to ensure (so far as practicable) its successful completion.
- (6) An order may also—
 - (a) provide for the payment of compensation in addition to, or instead of, damages or compensation to which a person would otherwise be entitled; and
 - (b) amend rights and obligations arising under this Act in relation to the community title scheme; and
 - (c) make any other provision the Supreme Court considers just and equitable.

- (7) The Supreme Court may, on application by an interested person, amend or revoke an order under this section.
- (8) Subsections (3) and (4) apply to an application to amend or revoke an order under this section.
- (9) A copy of an order under this section (including an order amending or revoking an earlier order) must be lodged with the registrar-general by the person who obtained the order.

Note A fee may be determined under the *Land Titles Act 1925*, s 139 (Determination of fees, charges and other amounts) for this subsection.

- (10) The registrar-general must register the order and, on registration, it becomes part of the scheme.

Part 7 Enforcement of schemes

28 Injunction

- (1) The Supreme Court may, on application by an interested person, grant a mandatory injunction requiring the developer of a community title scheme to finish the scheme in accordance with the terms of the scheme.
- (2) For this section, each of the following is an *interested person*:
 - (a) a body corporate for the community title scheme;
 - (b) an owner or prospective owner of a lot of scheme land;
 - (c) the owners corporation of a units plan within the scheme;
 - (d) the Minister.

29 Implied term in contract for sale of lot

- (1) Until the development of a community title scheme is finished, the developer of the scheme warrants to a person who purchases a lot or a proposed lot of scheme land, or who is a prospective owner of a lot or a proposed lot of scheme land, that the development will be carried out in accordance with the scheme.
- (2) A warranty under subsection (1)—
 - (a) is enforceable in the same way as a contractual warranty; and
 - (b) cannot be limited or excluded by contract.
- (3) Without limiting the damages recoverable for breach of the statutory warranty, the owner or prospective owner of a lot may recover damages for the loss of a reasonably expected capital appreciation of the lot that would have resulted from completion of the development in accordance with the terms of the community title scheme.

Part 8 **Bodies corporate**

Division 8.1 **Establishment of bodies corporate**

30 **Establishment of body corporate**

- (1) On the registration of a community title scheme, a body corporate is established under the name ‘Community Title Scheme No ’.
- (2) The number to be included in the name of a body corporate established under this section is the number allotted to the community title scheme by the registrar-general on its registration.

31 **Legal status of body corporate**

A body corporate—

- (a) has perpetual succession; and
- (b) must have a common seal; and
- (c) may sue and be sued in its corporate name.

32 **Members of body corporate**

- (1) The members of the body corporate of a community title scheme are the people who are for the time being the owners of the lots in the scheme that are not common property.
- (2) If a lot in a community title scheme that is not common property is owned by more than 1 person, each part-owner is a member of the body corporate of the scheme.

33 **Merger and division of bodies corporate**

- (1) A body corporate may be divided into 2 or more separate bodies corporate by unanimous resolution of the body corporate.

- (2) Rights and liabilities that had accrued to the body corporate before the division takes effect attach to the bodies corporate established by the division both separately and collectively.
- (3) Two or more bodies corporate established for a scheme may merge to form a single body corporate.
- (4) Any rights and liabilities that had accrued to the bodies corporate subject to the merger before the merger takes effect attach to the body corporate established by the merger.
- (5) A merger of bodies corporate, or a division of a body corporate, under this section does not take effect until the community title scheme is amended to reflect the merger or division.
- (6) If 2 or more bodies corporate are established for the same scheme, constituent documents for the bodies corporate must—
 - (a) define the functions and responsibilities of each body corporate and, in doing so, may create an administrative hierarchy with 1 or more bodies corporate at each level of the hierarchy; and
 - (b) provide for the resolution of disputes between the bodies corporate; and
 - (c) ensure the powers of a body corporate under this Act, so far as they relate to a lot within the scheme, are directly exercisable in relation to the lot by only a single body corporate.

34 Common seal

- (1) A body corporate's common seal must include the body corporate's name.

- (2) However a by-law may impose a minimum term (not longer than 6 months) for the letting of lots.

50 Registration and commencement of changes to by-laws

- (1) If a body corporate makes a by-law, the body corporate must, within 3 months after passing the resolution for making the by-law, lodge an application for registration of the by-law with the registrar-general—

 - (a) the by-law is made; or
 - (b) the allocation to the owner of the part of the common property to which the rights relate.
- (4) If the owner to whom the rights are given first agrees in writing, an exclusive use by-law may impose conditions (which may include conditions requiring the owner to make a payment or periodic payments to the body corporate or the owners of other lots or both).
- (5) An exclusive use by-law is taken, unless it specifically provides otherwise, to make the owner of the lot responsible for maintenance of the part of the common property over which the rights are given by the by-law.
- (6) An exclusive use by-law may allow the owner who has the benefit of the by-law to make particular improvements to the part of the common property to which the by-law applies (which may consist of or include the installation of particular fixtures or the making of particular changes to that part of the common property) but, if the

by-law does not give that permission, it is not to be taken to allow the owner to make improvements to the common property.

- (7) If an exclusive use by-law imposes a monetary liability—
 - (a) the liability may be recovered as a debt; and
 - (b) the liability is enforceable separately and collectively against the person who was the owner of the lot when the liability arose and a successor in title.
- (8) An exclusive use by-law may be revoked by an ordinary resolution.

52 Legal effect of by-laws

- (1) There are taken to be agreements under seal between the body corporate of a community title scheme and the owner of each lot in the scheme that is not common property, and between the owner of each lot in the scheme that is not common property and the owner of each other such lot, under which the body corporate and the owners of the lots agree to be bound by the by-laws of the scheme.
- (2) An occupier of a lot in a community title scheme (who is not the owner of the lot) is bound by each by-law of the scheme as if the occupier were the owner of the lot, unless the by-laws provide otherwise.
- (3) If the owner of a lot in a community title scheme does not occupy the lot, the owner is liable separately and collectively with an occupier of the lot for any breach of the by-laws of the scheme by the occupier, unless the owner establishes that the owner took reasonable precautions and exercised appropriate care to prevent the breach.
- (4) An occupier of a lot in a community title scheme who occupies the lot under a residential tenancy agreement within the meaning of the *Residential Tenancies Act 1997* is not bound by any by-law of the scheme to the extent that the by-law is inconsistent with the prescribed terms (or terms to the effect of the prescribed terms) to which the agreement is subject under section 7 of that Act.

53 Breach of by-laws—remedy

- (1) If the owner or an occupier of a lot in a community title scheme breaches the by-laws of the scheme by an act or omission, the body corporate may serve on the owner or occupier written notice giving particulars of the breach and requiring the owner or occupier to remedy the breach within a reasonable time stated in the notice.
- (2) If the person on whom the notice is served fails to remedy the breach within the time stated in the notice, the body corporate may remedy the breach itself.

Note If the body corporate remedies the breach, it may recover the cost of doing so from the owner or occupier concerned (see s 37 (Recovery of expenditure resulting from member's etc default)).

Part 11 Amalgamation of community title schemes

Division 11.1 General

77 Meaning of *subsidiary scheme*

In this part:

subsidiary scheme means a community title scheme all the scheme land for which is located within, and forms part of, the scheme land for another community title scheme.

78 General principles of amalgamation

- (1) Two or more community title schemes may be amalgamated under this part.
- (2) When the schemes are amalgamated—
 - (a) the schemes end their existence as separate community title schemes; and
 - (b) the lots of each scheme become the lots of a single, newly established, community title scheme.
- (3) Community title schemes must not be amalgamated if the newly established community title scheme would not comply with the requirements of this Act for a community title scheme.

79 Community title schemes that may be amalgamated

- (1) Subsections (2) and (3) describe the only amalgamations of community title schemes available under this part.
- (2) Two or more community title schemes may be amalgamated if—
 - (a) none of the schemes is a subsidiary scheme; and

- (b) the scheme land of each of the schemes would, on amalgamation of the schemes, form a single area of land undivided by anything other than—
 - (i) a road; or
 - (ii) a body of water; or
 - (iii) an area prescribed for section 5 (3) (c).
- (3) Two or more subsidiary schemes may be amalgamated if—
 - (a) all the schemes are lots included in a single community title scheme (*scheme A*), but they are not the only lots in scheme A; and
 - (b) the scheme land of each of the schemes would, on amalgamation of the schemes, form a single area of land undivided by anything other than—
 - (i) a road; or
 - (ii) a body of water; or
 - (iii) an area prescribed for section 5 (3) (c).

Division 11.2 Amalgamation process

80 Purpose of div 11.2

- (1) This division describes the requirements, and the process that must be followed, for the amalgamation of community title schemes.
- (2) The approach adopted in this division for the description of the process of amalgamation is to describe the process for the amalgamation of 2 community title schemes (*scheme A* and *scheme B*), but the process described applies equally to the amalgamation of more than 2 community title schemes.

(3) In this division:

scheme C means the single, newly established, community title scheme formed, or to be formed, from the amalgamation of schemes A and B.

81 Approval for amalgamations

- (1) Scheme A and scheme B may be amalgamated if—
 - (a) the Minister consents in writing to the amalgamation; and
 - (b) the body corporate for scheme A and the body corporate for scheme B each agree, by unanimous resolution, to—
 - (i) the amalgamation; and
 - (ii) the management statement to be recorded for scheme C; and
 - (iii) the constituent documents for the body corporate to be formed on the registration of scheme C; and
 - (iv) the by-laws of the body corporate for scheme C.
- (2) If scheme A and scheme B are subsidiary schemes, the body corporate for the community title scheme that includes scheme A and scheme B as lots must also consent to the amalgamation, but by ordinary resolution.
- (3) Alternatively, scheme A and scheme B may be amalgamated if the Supreme Court, on the application of the owner of a lot included in scheme A or scheme B, or the body corporate for scheme A or scheme B, decides it is just and equitable to amalgamate the schemes and orders that they be amalgamated.
- (4) A person who applies to the Supreme Court for an order under subsection (3) must, on the day the application is made to the court, give the Minister—
 - (a) written notice of the application; and

- (b) a copy of the application and each document filed with the court in support of the application.
- (5) If scheme A and scheme B are, or are to be, amalgamated under subsection (1) or (3), the Supreme Court may make an order, if it considers it is just and equitable to do so, about—
 - (a) the contents of the management statement for scheme C; or
 - (b) the disposition of liabilities that, immediately before the amalgamation, were liabilities of the body corporate for scheme A or scheme B.
- (6) The Supreme Court may make an order under subsection (5) on application by the body corporate for scheme A or scheme B.

82 Request to record amalgamation of community title schemes

- (1) A request to record the amalgamation of scheme A and scheme B may be lodged with the registrar-general.

Note 1 A fee may be determined under the *Land Titles Act 1925*, s 139 (Determination of fees, charges and other amounts) for this subsection.

Note 2 If a form is approved under the *Land Titles Act 1925*, s 140 (Approved forms) for a request, the form must be used.

- (2) The request must be lodged by or on behalf of—
 - (a) the bodies corporate for the schemes; or
 - (b) a person on whose application the court made an order for amalgamating the schemes.
- (3) The request must be accompanied by (in addition to documents required under the *Land Titles Act 1925*)—
 - (a) a true copy of each resolution, or the order, for the amalgamation of the schemes; and
 - (b) the management statement intended to be recorded for scheme C, showing the appropriate consents and notifications; and

- (c) if scheme A and scheme B are lots included in another community title scheme and the existing statement for the other scheme is not consistent with amalgamation of the schemes—a new management statement for the other scheme.

83 Recording amalgamation of community title schemes

- (1) If the request to record the amalgamation of scheme A and scheme B complies with this Act and any order of the Supreme Court, and is in registrable form under the *Land Titles Act 1925*, the registrar-general must—
 - (a) record the cancellation of the management statements for the schemes; and
 - (b) record the management statement for scheme C and any other management statement accompanying the request; and
 - (c) register the amalgamation.
- (2) The amalgamation takes effect when the registrar-general completes the action mentioned in subsection (1).

84 Dissolution of bodies corporate on amalgamation

- (1) When scheme A and scheme B are amalgamated, the bodies corporate for the schemes are dissolved.
- (2) On dissolution of the bodies corporate for the schemes, the rights and liabilities of the bodies corporate for the schemes vest in the body corporate for scheme C.
- (3) Body corporate assets for scheme A and scheme B (including land and other body corporate assets registered or otherwise held in the name of a dissolved body corporate) vest in the body corporate for scheme C, and may be dealt with by that body corporate as if they were registered or otherwise held in its name.
- (4) If the amalgamation is authorised under a court order, subsections (2) and (3) have effect subject to the order.

85 Effects of amalgamation of community title schemes

When scheme A and scheme B are amalgamated—

- (a) a liability for a charge, levy, rate or tax that has accrued on a lot included in scheme A or scheme B before the schemes ceased to exist as community title schemes is not affected; and
- (b) anything done in relation to scheme A or scheme B before the amalgamation continues in effect so far as there is no inconsistency with the management statement recorded for scheme C, including, for example, the following:
 - (i) an order of a court relating to a lot;
 - (ii) obligations attaching to the owner of each lot.

Part 12 Termination of community title schemes

Division 12.1 General

86 Purpose of pt 12

- (1) This part provides for the complete termination of a community title scheme, including the dissolution of the body corporate.
- (2) Only a basic scheme may be terminated.
- (3) Consequently, to terminate a community title scheme other than a basic scheme, it is necessary for the scheme first to become a basic scheme.

87 Definitions for pt 12

In this part:

basic scheme means a community title scheme that consists entirely of lots that are registered under the *Land Titles Act 1925* and that are not—

- (a) land of another community title scheme; or
- (b) land that has been subdivided under the *Unit Titles Act 2001*.

termination issues means—

- (a) the disposal, and disposition of proceeds from the disposal, of the land that, immediately before the termination of a community title scheme, is scheme land; and
- (b) custody, management and distribution (including the disposal, and disposition of proceeds from the disposal) of items of property that, immediately before the termination of a community title scheme are body corporate assets; and

- (c) the sharing of liabilities that, immediately before the termination of a community title scheme, are liabilities of the body corporate.

Division 12.2 Termination process

88 Application of div 12.2

This division applies to a basic scheme (the *scheme*).

89 Termination of schemes

- (1) The scheme may be terminated if—
 - (a) the body corporate by unanimous resolution decides to terminate the scheme; and
 - (b) so far as necessary for the effective termination of the scheme, an agreement about termination issues is entered into between—
 - (i) all registered proprietors of scheme land; and
 - (ii) each lessee under a registrable sublease to which scheme land is subject.
- (2) Alternatively, the scheme may be terminated if the Supreme Court decides it is just and equitable to terminate the scheme and orders that the scheme be terminated.
- (3) If the scheme is, or is to be, terminated under an order of the Supreme Court, the court may make an order, so far as is necessary for the effective termination of the scheme, about termination issues.
- (4) The court may make an order under subsection (2) or (3) on application by—
 - (a) the body corporate; or
 - (b) the owner of a lot in the scheme.

- (5) In making an order under this section, the court may appoint an administrator and give the administrator authority to put the order into effect in the way directed by the court.
- (6) In making an order under this section, the court may take into account the views of the following:
 - (a) a person mentioned in subsection (1) (b);
 - (b) the Minister.

90 Request to record termination of basic scheme

- (1) A request to record the termination of the scheme may be lodged with the registrar-general.

Note 1 A fee may be determined under the *Land Titles Act 1925*, s 139 (Determination of fees, charges and other amounts) for this subsection.

Note 2 If a form is approved under the *Land Titles Act 1925*, s 140 (Approved forms) for a request, the form must be used.

- (2) The request must be lodged by—
 - (a) the body corporate; or
 - (b) a person on whose application the Supreme Court made an order terminating the scheme.
- (3) The request must be accompanied by (in addition to documents required under the *Land Titles Act 1925*) a true copy of—
 - (a) if the scheme is terminated under a resolution of the body corporate—the resolution to terminate the scheme, and any agreement made about termination issues; or
 - (b) if the scheme is terminated under an order of the Supreme Court—the order to terminate the scheme.

91 Recording termination of scheme

- (1) If the request to record the termination of the scheme complies with this Act and with any order of the Supreme Court, the registrar-general must record the termination of the scheme and must also—
 - (a) place a statement of the termination of the scheme in the folium for the certificate of title for each lot that was included in the scheme; and
 - (b) cancel the particulars (other than particulars of easements, covenants and other dealings that can be maintained against scheme land after the termination of the scheme) recorded in the register kept under the *Land Titles Act 1925*, section 43.
- (2) The termination takes effect when the registrar-general completes the action mentioned in subsection (1).
- (3) On the termination of the scheme, the registrar-general must create a single title for a lot consisting of all the land that, immediately before the termination, was scheme land.
- (4) The registered owners for the title mentioned in subsection (3) are the persons who, immediately before the scheme's termination, were the owners of the lots included in the scheme (the *former owners*).
- (5) For subsection (4), the former owners must be recorded as tenants in common in shares proportionate to their respective schedule lot entitlements immediately before the termination.
- (6) If a lot included in the scheme was mortgaged immediately before the scheme was terminated, the former owner's interest in the land as tenant in common is subject to the mortgage.
- (7) A liability for a charge, levy, rate or tax that had accrued on a lot included in the scheme before the scheme was terminated is not affected by the termination, and the charge, levy, rate or tax is taken to have been levied on the former owner's interest in the land as tenant in common.

92 Dissolution of body corporate for terminated scheme

- (1) On termination of the scheme, the body corporate is dissolved.
- (2) On dissolution of the body corporate—
 - (a) the owners of the lots immediately before the scheme was terminated (the *former owners*) become entitled to the body corporate assets in shares proportionate to the respective schedule lot entitlements of their lots immediately before the termination; and
 - (b) the liabilities of the body corporate vest collectively and separately in the former owners, but they are entitled to contribution against each other in proportion to their respective schedule lot entitlements immediately before the termination.
- (3) Body corporate assets (including land and other body corporate assets registered or otherwise held in the name of the dissolved body corporate) may be dealt with by the former owners as if the assets were registered or otherwise held in the names of the former owners.
- (4) Subsections (2) and (3) are subject to—
 - (a) if the scheme is terminated under a resolution of the body corporate—the resolution to terminate the scheme, and any agreement made about termination issues; or
 - (b) if the scheme is terminated under an order of the Supreme Court—the order to terminate the scheme.
- (5) On the application of an interested person, the Supreme Court may make orders for the custody, management and distribution of body corporate assets.
