AUSTRALIAN CAPITAL TERRITORY

# National Environment Protection Council Amendment Act 2003

**A2003-7**

---

An Act to amend the *National Environment Protection Council Act 1994*

---

*Notified under the Legislation Act 2001 on 27 March 2003  
(see [www.legislation.act.gov.au](http://www.legislation.act.gov.au))*

The Legislative Assembly for the Australian Capital Territory enacts as follows:

## **1 Name of Act**

This Act is the *National Environment Protection Council Amendment Act 2003*.

## **2 Commencement**

This Act commences on whichever of the following happens later:

- (a) the day after its notification day;
- (b) the day the *National Environment Protection Council Amendment Act 2002* (Cwlth), schedule 1 commences.

*Note* The naming and commencement provisions automatically commence on the notification day (see Legislation Act, s 75 (1)).

## **3 Act amended**

This Act amends the *National Environment Protection Council Act 1994*.

## **4 Interpretation for Act Section 5 (1), definitions**

*relocate to dictionary*

## **5 Section 5, remainder**

*substitute*

## **5 Dictionary**

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain words and expressions used in this Act.

*Note 2* A definition in the dictionary applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

**5A Notes**

A note included in this Act is explanatory and is not part of this Act.

*Note* See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

**5B Interpretation—implementation of national environment protection measures**

A reference in this Act to the implementation of national environment protection measures includes a reference to the enforcement of the laws and other arrangements made for the purpose of implementing those measures.

**6 Powers of council  
New section 12 (g) and (h)**

*substitute*

- (g) consult with the Australian Local Government Association;  
and
- (h) direct the service corporation to provide assistance and support to other ministerial councils.

**7 Variation or revocation of measures  
New section 19 (5) and (6)**

*insert*

- (5) A variation or revocation of a national environment protection measure is a notifiable instrument.
- (6) Subsections (2) to (4) do not apply to a minor variation of a national environment protection measure under division 3.2A.

*Note* A notifiable instrument must be notified under the Legislation Act.

**8 New Division 3.2A**

*insert*

**Division 3.2A Minor variation of national  
environment protection measures**

**21A Minor variation of measures**

- (1) The council may vary a national environment protection measure (a *minor variation*) if—
  - (a) the variation is supported by a unanimous resolution of all of the members; and
  - (b) the resolution states that the variation does not involve a significant change in the effect of the national environment protection measure.
- (2) If the council decides that a variation does not involve a significant change in the effect of the national environment protection measure, the council must prepare—
  - (a) a draft of the proposed variation; and
  - (b) a statement relating to the variation that explains—
    - (i) the reasons for the proposed variation; and
    - (ii) the nature and effect of the proposed variation; and
    - (iii) the reasons why the council is satisfied that the variation is a minor variation.
- (3) A minor variation of a national environment protection measure is a notifiable instrument.

*Note* A notifiable instrument must be notified under the Legislation Act.

**21B Public consultation for minor variation**

- (1) Before making a minor variation to a national environment protection measure, the council must publish a notice—
  - (a) stating how the draft of the proposed variation and the explanatory statement may be obtained; and
  - (b) inviting submissions to the council on the proposed variation, or on the explanatory statement, within a stated period.
- (2) The notice must—
  - (a) be published in the *Commonwealth of Australia Gazette*; and
  - (b) in each participating State or Territory concerned—also be published, on at least 1 day during the month when the *Commonwealth of Australia Gazette* notice is published, in a newspaper circulating in that State or Territory.
- (3) The period stated in each notice under subsection (1) must end not less than 1 month after the day when subsection (2) (b) has been fully complied with in all participating jurisdictions.

**21C Council to have regard to submissions etc**

In making a minor variation to a national environment protection measure, the council must have regard to—

- (a) any submissions it receives that relate to the proposed variation or the explanatory statement; and
- (b) whether the measure is consistent with section 3 of the agreement; and
- (c) relevant international agreements to which Australia is a party; and
- (d) any regional environmental differences in Australia.

**9 Functions of service corporation**  
**New section 35 (b) and (c)**

*substitute*

- (b) to provide assistance and support to other ministerial councils as directed by the council; and
- (c) to do anything incidental or conducive to the exercise of the function mentioned in paragraph (a) or (b).

**10 Review of operation of Act**  
**Section 63 (2)**

*substitute*

- (2) The report of the review is to be presented to the Legislative Assembly within 12 months after the 5th anniversary of that commencement.
- (3) As soon as possible after the end of every 5 year period following the review under subsection (1), the council must cause a further review of the kind set out in subsection (1) to be undertaken.
- (4) The report of each further review is to be presented to the Legislative Assembly within 12 months after the end of the period to which it relates.

**11 New dictionary**

*insert*
