About this republication

The republished law

This is a republication of the *Gungahlin Drive Extension Authorisation Act 2004* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 2 July 2004. It also includes any amendment, repeal or expiry affecting the republished law to 2 July 2004.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Gungahlin Drive Extension Authorisation Act 2004

An Act to facilitate the construction of the Gungahlin Drive extension, and for other purposes

Preamble

- 1 Canberra is a growing, thriving city.
- 2 It is an important part of planning for the ACT that the needs of all Canberrans are weighed in any decision.
- 3 The Gungahlin Drive extension (the *GDE*), including alternatives to it, has been considered at length by the community and its representatives. Preliminary assessments covering environmental issues have been undertaken as well as an extensive process of public consultation.
- 4 The GDE is designed to provide appropriate access for all Canberrans to and from Gungahlin, and is a crucial link in Canberra's transport network.
- 5 After careful consideration, and weighing the advantages and disadvantages to different community groups, the Legislative Assembly considers that—
 - Canberrans should be able to enter and leave Gungahlin with ease
 - the GDE is the best way to facilitate this
 - work for the GDE should be allowed to proceed
 - further litigation about the GDE is expensive and divisive and does not reflect the wishes of the Canberra community as a whole.
- 6 For these reasons, the Legislative Assembly wishes to facilitate the construction of the GDE, and the carrying out of all works related to the construction of the GDE.

The Legislative Assembly for the Australian Capital Territory therefore enacts as follows:

1 Name of Act

This Act is the *Gungahlin Drive Extension Authorisation Act 2004*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act.

Note 2 A definition in the dictionary applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

5 Meaning of *GDE*

- (ii) Gungahlin Drive Extension Document Readiness Report, February 2004 Package B, Project No US 01176C-02, plan numbers 32416B-PP-061 and 062; or

Note 1 The plans are available for public inspection at Roads ACT, level 7, Macarthur House, 12 Wattle Street, Lyneham ACT 2602.

Note 2 The plans are also available for public inspection at www.gde.act.gov.au/download/alignment_details.htm.

- (b) if the Minister approves an amendment of a plan mentioned in paragraph (a)—the Gungahlin Drive extension as described in paragraph (a), as amended.

 - (a) part of the construction of the GDE; or
 - (b) related to the construction of the GDE.
- (2) A declaration is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

- (b) Territory laws apply to the land with the modifications (if any) prescribed under the regulations.
- (6) To remove any doubt—

 - (c) if the Minister makes a declaration under subsection (2) (b) in relation to land that is a reserved area under the *Nature Conservation Act 1980*, the land is taken not to be a reserved area under that Act for the period stated in the declaration; and
 - (d) an instrument under this section may be made despite any other Territory law.

- 1 A declaration under subsection (2) may be made despite the *Land (Planning and Environment) Act 1991*, section 8.
- 2 A variation under subsection (5) (a) (ii) may be made despite the *Land (Planning and Environment) Act 1991*, part 2.
- 3 An instrument under this section may be made despite any provision of the *Nature Conservation Act 1980*.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (7) An instrument under this section is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

8 Environmental assessments for the GDE

- (1) In this section:

GDE includes works that are part of, or related to, the construction of the GDE (see section 6).

Land Act means the *Land (Planning and Environment) Act 1991*.

preliminary assessment—see the Land Act, section 111.

- (2) Nothing in the Land Act is to be taken to require—
 - (a) a further or additional preliminary assessment of the environmental impact of the GDE to be undertaken; or
 - (b) any other assessment or inquiry in relation to the GDE to be undertaken under the Land Act, part 4 (Environmental assessments and inquiries); or
 - (c) any other action in relation to the GDE to be taken under the Land Act, part 4.
- (3) Subsection (2) applies whether or not a preliminary assessment already undertaken in relation to the GDE complied with the Land Act.

- (2) The Minister may, in the Minister's absolute discretion and in writing, give any authorisation in relation to the GDE.
 - (3) The authorisation may be given on conditions decided by the Minister, in the Minister's absolute discretion.

Example

The Minister may impose stated environmental controls on the authorisation.

- (4) To remove any doubt and without limiting subsection (2) or (3), in making a decision under this section in relation to an authorisation required or allowed to be given under a relevant law, the Minister may have regard to (but is not required to have regard to, consider or otherwise comply with) any requirement, precondition or other provision relating to the making of a decision of that kind under a relevant law.

Example

In deciding under the *Land (Planning and Environment) Act 1991*, section 230, an application for a development approval in relation to the GDE, the Minister is not required to consider the matters mentioned in section 231 (1) (a). However, the Minister may consider some or all of those matters if the Minister chooses to do so.

- (5) The Minister may give an authorisation (the *later authorisation*) under this section in relation to a matter whether or not the relevant decision-maker has already given an authorisation under the relevant law in relation to the matter.
- (6) However, if the relevant decision-maker has already given an authorisation (the *original authorisation*) under the relevant law in relation to the matter, the original authorisation is, by force of this subsection, taken to have been revoked by the giving of the later authorisation.
- (7) If the Minister gives an authorisation under this section, the relevant law and all other Territory laws apply in relation to the authorisation as if—
- (a) the Minister were the relevant decision-maker for the authorisation; and
 - (b) the authorisation were given under this Act and the relevant law; and
 - (c) all necessary changes, and any changes prescribed under the regulations, were made.
- (8) This section has effect despite any other Territory law, whether passed before or after the commencement of this Act, but subject to section 10.

- (3) Accordingly, a decision to give (or not give) an authorisation is final and conclusive.
