**Effective: 1 July 2024 – 25 December 2025**

Republication date: 1 July 2024

## About this republication

### The republished law

This is a republication of the *Rates Act 2004* (including any amendment made under the [Legislation Act 2001](#), part 11.3 (Editorial changes)) as in force on 1 July 2024. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 July 2024.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the [Legislation Act 2001](#) applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The [Legislation Act 2001](#), part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see [Legislation Act 2001](#), s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register ([www.legislation.act.gov.au](http://www.legislation.act.gov.au)). For more information, see the home page for this law on the register.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the [Legislation Act 2001](#), section 95.

### Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see [Legislation Act 2001](#), s 133).

# Rates Act 2004

---

An Act about rates, and for other purposes

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Rates Act 2004*.

*Note* This Act is a **tax law** under the [Taxation Administration Act](#). As a tax law, this Act is subject to provisions of the [Taxation Administration Act](#) about the administration and enforcement of tax laws generally.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (**signpost definitions**) to other words and expressions defined elsewhere.

For example, the signpost definition '**land tax**—see the [Land Tax Act 2004](#), dictionary.' means that the term 'land tax' is defined in that dictionary and the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

## 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1 Criminal Code*

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## Part 2                      Unimproved value of rateable land

### 6                      **Meaning of *unimproved value***

- (1) The ***unimproved value*** of a parcel of land held under a lease from the Commonwealth is the capital amount that might be expected to have been offered on a date (the ***base date***), for the lease of the parcel, assuming that—
  - (a) the only improvements on or to the parcel were the improvements (if any) by way of clearing, filling, grading, draining, levelling or excavating—
    - (i) if the Territory or Commonwealth had, before the parcel became rateable as a separate parcel, granted a development lease of land that included the parcel—made by the lessee under that lease or by the Territory or Commonwealth, or the cost of which was met by that lessee or by the Territory or Commonwealth; or
    - (ii) in any other case—made by the Territory or Commonwealth or the cost of which was met by the Territory or Commonwealth; and
  - (b) the circumstances that existed on the prescribed date also existed on the base date; and
  - (c) on the base date, the lease had an unexpired term of 99 years; and
  - (d) a nominal rent was payable under the lease for the 99 year term.
- (2) The ***unimproved value*** of a parcel of land held in fee simple is the capital amount that might be expected to have been offered for the parcel at a genuine sale on a date on the reasonable terms and conditions that a genuine seller would require, assuming that no improvements had been made on or to the parcel.

(3) In this section:

*prescribed date*, for a parcel of land, means—

- (a) for a determination of the unimproved value of the parcel—the date the parcel became rateable; or
- (b) for an annual redetermination of the unimproved value of the parcel—the date the redetermination applies; or
- (c) for a redetermination of the unimproved value of the parcel under section 11 (Redetermination—error), section 11A (Redetermination—change of circumstances (other than chargeable variation of nominal rent lease)) or section 11B (Redetermination—chargeable variation of nominal rent lease)—the date the redetermination begins to apply to the parcel.

## **7 Unimproved value of land developed under development lease**

- (1) This section applies to a parcel of land on or to which an improvement mentioned in section 6 (1) (a) is made by a lessee under a development lease mentioned in section 6 (1) (a) (i).
- (2) For the determination of the unimproved value of the parcel, the improvement is taken to have been made only to the extent that the Territory or Commonwealth normally makes improvements of the same kind on or to a comparable parcel of land.

## **8 Meaning of *rateable land***

(1) In this Act:

*rateable land*—

- (a) means all land in the ACT, including Commonwealth land; but

(b) does not include—

- (i) commons, public parks and public reserves not held under lease or licence; and
- (ii) sites of cemeteries and public hospitals; and
- (iii) land leased to charitable organisations and used exclusively for religious, educational, benevolent or charitable purposes; and
- (iv) sites of churches and other buildings used exclusively for public worship; and
- (v) sites of buildings used for free public libraries; and
- (vi) land leased from the Commonwealth that is occupied by, or used in connection with, a non-government school; and
- (vii) Commonwealth land that is not leased and is unoccupied (other than land that, immediately before becoming unoccupied, was occupied by a lessee of the Territory or Commonwealth on a weekly or fortnightly tenancy).

(2) In this section:

**charitable organisation**, for a tax law—see the [Taxation Administration Act 1999](#), section 18B.

**charitable purposes** does not include community housing purposes.

**community housing**—see the [Duties Act 1999](#), section 73A (4).

**non-government school**—

- (a) see the [Education Act 2004](#), dictionary; and
- (b) includes any playground belonging to, or used in relation to, the school.

## **9 First determination of unimproved value**

- (1) This section applies to a parcel of land that becomes rateable in a financial year (the *first financial year*).
- (2) The commissioner must determine the unimproved value of the parcel of land for the first financial year as at 1 January in the immediately preceding financial year.
- (3) If the determination for the first financial year is not made in that year, the commissioner must also determine the unimproved value of the parcel for each subsequent financial year.

### **Example**

A parcel of land became rateable on 28 September 2009. However, the first determination of the unimproved value of the parcel of land was not made until 2016. The first determination of the unimproved value of the parcel of land is for the unimproved value as at 1 January 2009 and applies to the parcel for the financial year beginning on 1 July 2009.

The commissioner must redetermine the unimproved value of the parcel of land for each of the financial years from 2010 to 2016.

## **10 Annual redeterminations**

- (1) This section applies to a parcel of land that is rateable on 1 January in a year.
- (2) The commissioner must, as soon as practicable after 1 January, redetermine the unimproved value of the parcel of land as at that date for the financial year immediately following that date.

## **11 Redetermination—error**

- (1) This section applies if an error was made in relation to a determination of the unimproved value of a parcel of land as at 1 January in a particular year (the *redetermination date*).
- (2) The commissioner may redetermine the unimproved value of the parcel as at the redetermination date.

- (3) The redetermination applies to the parcel of land for the financial year immediately following the redetermination date.

**Example**

A clerical error was made in relation to the determination of a parcel of land as at 1 January 2025, resulting in the unimproved value of the land being incorrectly determined as \$220 000.

The unimproved value of the parcel was correctly determined as at 1 January 2021, 1 January 2022 and 1 January 2023 as \$230 000 and on 1 January 2024 as \$240 000.

The average unimproved value of the land for the year beginning 1 July 2025 was calculated as—

$$(\$230\,000 + \$230\,000 + \$230\,000 + \$240\,000 + \$220\,000)/5 = \$230\,000$$

After the clerical error was corrected, the unimproved value of the parcel was correctly redetermined as at 1 January 2025 as \$250 000.

The average unimproved value of the land was recalculated as (the *recalculated AUV*)—

$$(\$230\,000 + \$230\,000 + \$230\,000 + \$240\,000 + \$250\,000)/5 = \$236\,000$$

The recalculated AUV applies for the period starting on 1 July 2025 and ending on 30 June 2026.

*Note* The calculation of average unimproved value for a parcel of land before 1 July 2022 involves averaging over 3-year or 4-year periods (see s 13A).

- (4) In this section:
- error**, in relation to a determination, includes—
- (a) an error in making a valuation on which the determination is based; and
  - (b) the duplication of an error in relation to an earlier determination.

## **11A Redetermination—change of circumstances (other than chargeable variation of nominal rent lease)**

- (1) This section applies if—
- (a) a change of circumstances (other than a change mentioned in section 11B) happens in relation to a parcel of land; and

- (b) the change of circumstance affects the unimproved value of the land.
- (2) The commissioner may redetermine the unimproved value of the parcel as at a date if the unimproved value as at that date is used in calculating the average unimproved value of the land for the year in which the change of circumstances happens.
- (3) The commissioner may also redetermine the unimproved value of the parcel as at a later date if a determination of the unimproved value as at that date did not take the change of circumstances into account.
- (4) A redetermination under subsection (2) applies to the parcel for the period—
  - (a) beginning on the day the change of circumstances happened; and
  - (b) ending on 30 June in the next calendar year.
- (5) A redetermination under subsection (3) applies to the parcel for the period—
  - (a) beginning on 1 July in the calendar year when the redetermination is made; and
  - (b) ending on 30 June in the next calendar year.

**11B Redetermination—chargeable variation of nominal rent lease**

- (1) This section applies if—
  - (a) the territory planning authority executes a chargeable variation of a nominal rent lease in relation to a parcel of land; and
  - (b) the variation affects the unimproved value of the parcel of land.
- (2) The commissioner must redetermine the unimproved value of the parcel as soon as practicable after the territory planning authority executes the variation.

- (3) A redetermination under subsection (2) applies to the parcel for the period—
  - (a) beginning on the day the territory planning authority executes the variation; and
  - (b) ending on 30 June in the next calendar year.
- (4) In this section:  
*chargeable variation*, of a nominal rent lease—see the [Planning Act 2023](#), section 327.

## **12 Recording, notification and publication of determinations**

- (1) The commissioner must record particulars of each determination of the unimproved value of a parcel of land.
- (2) The commissioner must give written notice of the amount determined as the unimproved value of a parcel to the owner.
- (3) As soon as practicable after each annual redetermination under section 10 of the unimproved values of parcels of rateable land, the commissioner must arrange for the unimproved values to be available to the public.

### **Example**

To make the unimproved values available to the public, the commissioner might make copies of a schedule of the unimproved values available at ACT government shopfronts.

## Part 3                      Imposition and payment of rates

### 13              Pt 3 subject to pt 5

This part is subject to part 5 (Unit subdivisions).

### 13A            Meaning of *average unimproved value*

(1) In this Act:

*average unimproved value*, of a parcel of land for a particular year, means the following:

- (a) if the parcel has not been rateable previously—the unimproved value of the parcel;
- (b) if the particular year is before 1 July 2020 and the parcel has been rateable for less than 3 years—the average unimproved value of the parcel over those years;
- (c) if the particular year is before 1 July 2020 and the parcel has been rateable for 3 years or more—the average unimproved value of the parcel over the 3 years immediately before the particular year;
- (d) if the particular year is 1 July 2020 to 30 June 2021 and the parcel has been rateable for less than 4 years—the average unimproved value of the parcel over those years;
- (e) if the particular year is 1 July 2020 to 30 June 2021 and the parcel has been rateable for 4 years or more—the average unimproved value of the parcel over the 4 years immediately before the particular year;
- (f) if the particular year is 1 July 2021 to 30 June 2022, or a later year, and the parcel has been rateable for less than 5 years—the average unimproved value of the parcel over those years;

- (g) if the particular year is 1 July 2021 to 30 June 2022, or a later year, and the parcel has been rateable for 5 years or more—the average unimproved value of the parcel over the 5 years immediately before the particular year.
- (2) For this section, if a parcel of land is subject to a redetermination under section 11B (Redetermination—chargeable variation of nominal rent lease), the parcel is taken not to have been rateable before the date of the redetermination.
- (3) To remove any doubt, the period for which a parcel of land has been rateable is not affected by the grant of a further lease of the parcel of land under the *Planning Act 2023*, section 289.

**Example—s (3)**

The lease of a parcel of land (the *old lease*) for a term of 99 years expired on 31 October 2023. A further lease of the land was granted under the *Planning Act 2023*, s 289 and began on 1 November 2023. While held under the old lease, the parcel of land became rateable in the 1950s and has been rateable since then. The average unimproved value of the parcel for 2024 is the average unimproved value of the parcel over the last 5 years immediately before 2024 (see s (1) (g)).

**14 Imposition of rates**

- (1) Rates of the fixed charge are imposed for a parcel of rateable land.
- (2) Rates are imposed for a parcel of rateable land in accordance with—
- (a) if section 29 (3) applies—the formula that applies under section 29 (4); or
- (b) in any other case—the following formula:

$$FC + (AUV \times P)$$

*Note* If s 29 (3) applies, rates imposed for a parcel of land that is a unit subdivision are payable by the unit owners. The amount payable by each unit owner is the amount worked out under section 29 (4).

- (3) In this section:

*AUV* means—

- (a) the average unimproved value of the parcel; or
- (b) for airport land—the AUV of airport land under section 40C.

*FC* (or fixed charge) means the fixed charge determined under the [Taxation Administration Act](#), section 139 for the parcel.

*P* means the percentage rate determined under the [Taxation Administration Act](#), section 139 for the parcel.

*Note* Different fixed charges, amounts, or percentage rates may be determined for residential, commercial or rural land (see [Legislation Act](#), s 48).

## 15 Rates for part of year

- (1) This section applies to a parcel of land if the parcel starts or stops being rateable in a year.
- (2) In working out the rates payable for the parcel for the year, the amount of rates payable is the amount worked out in accordance with the following formula:

$$\text{rates otherwise payable for year} \times \frac{\text{rateable days}}{\text{days in year}}$$

- (3) However, if a parcel of rateable land is held under a lease from the Commonwealth for only part of the year, the amount of rates payable for the year is the amount worked out in accordance with the following formula:

$$\text{rates otherwise payable for year} \times \frac{\text{days lease in force}}{\text{days in year}}$$

- (4) In this section:

*days lease in force* means the number of days in the year when the lease is in force, and includes any days when an owner continues to occupy the parcel of land after the ending of the lease.

*rateable days* means the number of days in the year that the parcel of land was a rateable parcel.

## **16 Owner to pay rates**

- (1) Rates imposed for a parcel of land are payable to the commissioner by the owner of the parcel.
- (2) The person who is the owner of a parcel of land is liable to pay to the commissioner the whole or any part of rates payable for the parcel that have not been paid whether the amount became payable before or after the person became the owner.

## **17 When are rates payable?**

- (1) The assessment notice for the rates payable for a year for a parcel of land must state a date for payment of the rates (the *payment date*).
- (2) The payment date must not be a date earlier than 4 weeks after the date of the notice.
- (3) The rates are payable on the payment date.

## **18 How may rates be paid?**

- (1) Rates payable for a year for a parcel of land must be paid by the owner—
  - (a) if the amount payable is for a year and any arrears of rates in relation to previous years have been paid in full—by paying, on or before the payment date, the amount of the rates less the discount rate; or

- (b) if the amount payable is for part of a year—by paying the amount of the rates on or before the payment date; or
  - (c) by paying the rates in instalments in accordance with section 19; or
  - (d) by paying amounts so that the total amount paid by the person on or before a date in the year is not less than the total amount that the person would have paid on that date if the person were paying the rates in instalments in accordance with section 19.
- (2) If the amount payable under a notice of assessment is for a period of longer than a year, subsection (1) (a) applies only to the payment of that part of the amount payable that is for a year.

- (3) In this section:

*discount rate* means the discount rate determined under the [Taxation Administration Act](#), section 139.

## **19 Payment of rates by instalments**

- (1) For payment of rates in instalments—
- (a) the amount of each instalment must be a whole dollar amount worked out by dividing the total amount of the rates payable by 4 and adding the amount of any remainder to the amount worked out for the 1st instalment; and
  - (b) the date when an instalment is due for payment is not less than 3 months after the date when any previous instalment is due for payment.
- (2) The [Taxation Administration Act](#), section 52 (4) (which deals with failure to pay an instalment when due) does not apply to the payment of rates in instalments.

## Part 4 Enforcement

### 20 Disapplication of provisions of Taxation Administration Act

The [Taxation Administration Act](#), section 25 (Interest in relation to tax defaults) and section 110 (Interest payable on amounts to be paid by taxpayer) do not apply to unpaid overdue rates.

### 20A Penalty tax

- (1) The [Taxation Administration Act](#), division 5.2 (Penalty tax) does not apply to unpaid overdue rates.
- (2) However, the commissioner may impose penalty tax for unpaid overdue rates payable by a corporation or trust.
- (3) If the commissioner imposes penalty tax on a corporation or trust, the [Taxation Administration Act](#), division 5.2 applies to the corporation or trust as if—
  - (a) the unpaid overdue rates were a tax default; and
  - (b) a reference to interest under that [Act](#), division 5.1 were a reference to interest under this Act, section 21; and
  - (c) a reference to a taxpayer were a reference to the corporation or trust; and
  - (d) a reference to the amount of tax unpaid were a reference to the amount of the unpaid overdue rates.
- (4) Subsection (2) applies in relation to rates that are unpaid and overdue on or after 1 August 2021.
- (5) In this section:  
***trust*** does not include a special disability trust.

**21 Interest payable on overdue rates**

- (1) Interest on an amount of unpaid overdue rates is worked out—
- (a) for each month when the amount remains unpaid; and
  - (b) on the 1st day of that month; and
  - (c) at the interest rate applying to that day; and
  - (d) on the total amount of overdue rates that are unpaid on a day when the interest is worked out.

*Note* The Minister may determine an interest rate for this section under the [Taxation Administration Act](#), s 139.

- (2) For subsection (1) (a), if an amount remains unpaid for part of a month, interest is payable for the whole month.

**Example**

Fred's rates are due on 15 August. He doesn't pay it until 5 October. Fred has to pay interest worked out for the overdue period from 16 August to 5 October. Because of the operation of s (2), Fred has to pay interest for the period from 16 August to 15 October. Interest for the month from 16 August to 15 September is at the rate applying on 16 August, which is the 1st day of the 1st month that the amount remains unpaid (see s (1)).   - (c) if the owner, or each owner, is not a pensioner—that payment of the total amount of rates payable or to become payable is likely to cause substantial hardship to the owner or each owner; or
  - (d) that the owners are a pensioner and his or her partner who is not a pensioner; or
  - (e) for an application made by a pensioner who is a joint owner—that no other owner of the parcel can reasonably contribute to the payment of rates for the parcel; or
  - (f) if the owner, or each owner, is not a pensioner—that—
    - (i) at least 1 owner is 65 years old or older; and
    - (ii) the owner's or owners' equity in the parcel is not less than a percentage determined by the Minister (the ***determined percentage***).
- (3) The determination may do either or both of the following:
  - (a) defer the obligation of the owner or an owner to pay all or part of the total amount of rates payable for the parcel as at the date of the determination;

*Note*            Power to make a statutory instrument includes power to make different provision in relation to different matters or different classes of matters (see [Legislation Act](#), s 48).

- (b) defer the obligation of the owner or an owner to pay all or part of each amount of rates to become payable for the parcel while the determination is in force.
- (4) If the commissioner makes a determination, the commissioner must give a copy of the determination to the person to whom it relates.
- Note* For how documents may be served, see the [Legislation Act](#), pt 19.5.
- (5) However, the commissioner may make a determination only if—
  - (a) the lease under which the parcel is held permits the parcel to be used only for residential purposes; and
  - (b) each applicant ordinarily lives on the parcel.
- (6) Despite subsection (5), the commissioner may make a determination in relation to 1 or more joint owners of a parcel (but not by all the joint owners) even if each owner does not ordinarily live on the parcel, if—
  - (a) the applicant is an owner who ordinarily lives on the parcel; and
  - (b) the commissioner is satisfied that it is appropriate to make the determination.
- (7) To remove any doubt, the owner of a parcel of land who has received a rebate for rates under division 7.3 may make an application under this section.
- (8) In subsection (5), the reference to an applicant is, if the applicant is a special disability trust, a reference to the trust beneficiary.
- (9) A determination under subsection (2) (f), or subsection (10), definition of **income**, is a disallowable instrument.

*Note* A disallowable instrument must be notified, and presented to the Legislative Assembly, under the [Legislation Act](#).

- (10) In this section:

**income**, of an owner, means the income of the owner worked out in the way determined by the Minister.

## **47 Determination for deferral of rates without application**

- (1) The commissioner may, at any time on the commissioner's own initiative, make a determination deferring payment of rates payable by the owner or an owner for a parcel of land if the commissioner is satisfied that there are exceptional circumstances justifying the deferral.
- (2) The determination may do either or both of the following:
  - (a) defer the obligation of the owner or an owner to pay all or part of the total amount of rates payable for the parcel as at the date of the determination;
  - (b) defer the obligation of the owner or an owner to pay all or part of each amount of rates to become payable for the parcel while the determination is in force.
- (3) If the commissioner makes a determination, the commissioner must give a copy of the determination to the person to whom it relates.

*Note* For how documents may be served, see the [Legislation Act](#), pt 19.5.
- (4) However, the commissioner may make the determination only if—
  - (a) the lease under which the parcel is held permits the parcel to be used only for residential purposes; and
  - (b) if the owner does not ordinarily live on the parcel—
    - (i) the owner is living elsewhere because of the exceptional circumstances; and
    - (ii) the owner has not entered into a tenancy agreement in relation to the parcel.
- (5) If the owner of the parcel of land is a special disability trust—
  - (a) a reference to the owner (first and second occurring) in subsection (4) (b) is taken to be a reference to the trust beneficiary; and

- (b) a reference to the owner in subsection (4) (b) (ii) is taken to be a reference to the trust.
- (6) In this section:
  - tenancy agreement*, in relation to a parcel of land—
    - (a) means an agreement under which a person grants to someone else for value a right of occupation of the parcel of land, or any part of it (including any building on it), for use as a residence—
      - (i) whether or not the right of occupation is exclusive; and
      - (ii) whether the agreement is express or implied; and
      - (iii) whether the agreement is in writing, is oral, or is partly in writing and partly oral; but
    - (b) does not include an agreement giving a right of occupation only as a boarder or lodger.
- (7) To remove any doubt, the commissioner may make a determination under this section in relation to a parcel of land even though the owner of the parcel has received a rebate for rates under division 7.3.

#### **48 Effect of deferral determination**

- (1) If a deferral determination defers a person's obligation to pay all or part of the total amount of rates payable for a parcel of land as at the date of the determination—
  - (a) the person's obligation to pay the rates is reduced in accordance with the determination; and
  - (b) the person becomes indebted to the Territory for the amount by which the obligation is reduced.

- (2) If a deferral determination defers a person's obligation to pay all or part of each amount of rates to become payable while the determination is in force—
  - (a) immediately after each amount of rates becomes payable, the person's obligation to pay the amount of rates is reduced in accordance with the determination; and
  - (b) the person becomes indebted to the Territory for the amount by which the obligation is reduced.
- (3) A person who becomes indebted to the Territory for an amount under this section must pay interest on the amount at the market rate component determined under the [Taxation Administration Act](#), section 26.
- (4) Interest is payable on the amount from the date of deferral of the obligation to pay the amount until the earlier of—
  - (a) the day the amount is paid; and
  - (b) the day the deferral determination is revoked.
- (5) For subsection (4), the date of deferral of the obligation to pay an amount is—
  - (a) for an amount payable at the date of the deferral determination—that date; or
  - (b) for an amount deferred after the date of the determination—the date when, if the determination had not been made, interest would begin to be payable on the amount under section 21 (Interest payable on overdue rates).

#### **49      Deferred amount not recoverable if determination in force**

If a person is indebted to the Territory for an amount because of a deferral determination, the amount is not recoverable by the Territory while the determination is in force.

**50 Amendment of deferral determination**

- (1) The commissioner may, at any time, amend a deferral determination.
- (2) The commissioner may increase an amount deferred if the commissioner is satisfied that the amendment is necessary to avoid substantial hardship to the person whose obligation is deferred under the determination.
- (3) The commissioner may reduce an amount deferred if the commissioner is satisfied that the amendment is not likely to cause substantial hardship to the person whose obligation is deferred under the determination.

**51 Revocation of deferral determination—payment of debt and on request**

The commissioner must revoke a deferral determination in relation to a person if—

- (a) the amount for which the person is indebted to the Territory because of the determination is paid to the commissioner to discharge the debt; or
- (b) if the determination was made under section 46 (Determination for deferral of rates on application)—the person asks the commissioner in writing to revoke the determination.

**52 Additional grounds for revocation of deferral determination**

- (1) Each of the following circumstances is a ground for revocation of a deferral determination made under section 46 (Determination for deferral of rates on application) in relation to a parcel of land:
  - (a) if each person to whom the determination relates was a pensioner when the determination was made—each person stops being a pensioner;

- (b) if the determination relates to 2 or more people, each of whom was a pensioner when the determination was made—
    - (i) 1 or more, but not all of them, stops being a pensioner; and
    - (ii) the revocation of the determination is not likely to cause substantial hardship to them;
  - (c) if each person to whom the determination relates was not a pensioner when the determination was made—the revocation of the determination is not likely to cause substantial hardship to a person to whom the determination relates;
  - (d) a person to whom the determination relates fails to comply with a request under section 58 (Information about deferral determination);
  - (e) each person to whom the determination relates who ordinarily lived on the parcel when the application for the determination was made has stopped ordinarily living on the parcel;
  - (f) each person to whom the determination relates has stopped being an owner of the parcel;
  - (g) if the determination relates to the person or people mentioned in section 46 (2) (f)—the owner's or owners' equity in the parcel is less than the determined percentage.
- (2) Each of the following circumstances is a ground for revocation of a deferral determination made under section 47 (Determination for deferral of rates without application) in relation to a parcel of land:
- (a) each person to whom the determination relates has stopped being an owner of the parcel;
  - (b) the owner has entered into a tenancy agreement in relation to the parcel;
  - (c) the circumstances in relation to which the determination was made no longer exist or have changed.

- (3) In this section:

*determined percentage*—see section 46 (2) (f) (ii).

*income*, of an owner—see section 46 (10).

*tenancy agreement*, in relation to a parcel of land—see section 47 (6).

### **53 Notice of proposed revocation on additional grounds**

- (1) If the commissioner considers that a ground mentioned in section 52 exists for revocation of a deferral determination, the commissioner may give written notice to the person to whom the determination relates of his or her intention to revoke the determination.

*Note* For how documents may be served, see [Legislation Act](#), pt 19.5.

- (2) The notice must state the ground for revocation.
- (3) However, if a deferral determination relates to 2 or more people as owners (whether jointly or as tenants in common) of a parcel of land and 1 of them dies, the commissioner must not give notice only on the ground mentioned in section 52 (1) (e) or (f) or (2) (a).

### **54 Revocation of deferral determination on grounds**

- (1) The commissioner may revoke a deferral determination on a ground mentioned in section 52 if notice has been given under section 53 in relation to the ground.
- (2) However, the commissioner must not revoke a determination made under section 46—
- (a) within the time when a person may object to the decision that the ground exists; or
  - (b) if the person has objected to the decision, until—
    - (i) the objection is decided; and

(ii) either—

- (A) the period for applying under the *ACT Civil and Administrative Tribunal Act 2008* for review of the decision has ended and no application has been made; or
- (B) an application has been made and the ACAT has completed the review.

## **55 Recovery of deferred amounts**

- (1) This section applies if the commissioner revokes a deferral determination.
- (2) The amount to which a person is indebted to the Territory because of the determination is payable by the person to the Territory on the day immediately after the day the determination is revoked.

*Note* An amount owing under a law may be recovered as a debt in a court of competent jurisdiction or the ACAT (see [Legislation Act](#), s 177).

- (3) However, if the commissioner declares that the amount may be paid in stated instalments, the amount of each instalment is payable to the Territory on the day stated in the declaration.

*Note* A declaration may be included in the revocation (see [Legislation Act](#), s 49 (Single instrument may exercise several powers or satisfy several requirements)).

- (4) Despite subsection (3), if the person to whom the determination relates stops being an owner of the parcel of land to which the determination relates (other than because of the person's death) any balance of an amount to be paid in instalments is payable on the day immediately after the day the person stops being an owner.

**56 Interest payable after revocation of deferral determination**

- (1) Interest is payable on an unpaid amount payable under section 55.
- (2) Interest on the unpaid amount is worked out in the same way as interest on overdue rates is worked out under section 21.
- (3) The [Taxation Administration Act](#), section 25 (Interest in relation to tax defaults) does not apply to the unpaid amount.

**57 Memorandum of discharge**

- (1) This section applies if a deferral determination is registered under the [Land Titles Act 1925](#).
- (2) The commissioner must give the registrar-general a memorandum of discharge if—
  - (a) all amounts to which a person is indebted to the Territory because of the determination are paid to the Territory; or
  - (b) the commissioner is satisfied that it is justified in the circumstances.
- (3) If the registrar-general is given a memorandum of discharge, the registrar-general must register the memorandum.

**58 Information about deferral determination**

- (1) If a deferral determination is in force in relation to a person for a parcel of land, the commissioner may ask the person for information about the parcel or the means and income of the person.
- (2) The person must give the commissioner the information asked for.

**59 Notice of revocation**

If the commissioner revokes a deferral determination, the commissioner must give the person to whom the determination relates a copy of the revocation.

*Note* For how documents may be served, see [Legislation Act](#), pt 19.5.

## **Division 7.3                      Rebate of rates**

### **60                      Meaning of *liability for rates* for div 7.3**

- (1) A reference in this division to an eligible person's *liability for rates* for a parcel of land for a year is—
  - (a) for a person who is the sole owner of the parcel—a reference to the amount of rates payable by the person for the parcel for the year; and
  - (b) for a person who is a joint owner of the parcel—a reference to the part of the rates payable by the owners for the parcel for the year—
    - (i) if the parcel is held by the owners as tenants in common—that is proportional to the person's interest in the land; and
    - (ii) if the parcel is held by the owners as joint tenants—that would be proportional to the person's interest in the land if the joint tenants were tenants in common in equal shares.
- (2) However, if an eligible person is a joint owner of a parcel of land and 1 or more of the other joint owners cannot reasonably contribute to the payment of rates for the parcel for the year, a reference in this division to the person's *liability for rates* for the parcel for the year is taken to be—
  - (a) if no other joint owner can reasonably contribute to the payment of the rates—a reference to the rates payable for the land; or
  - (b) if the rates are to be paid by 2 or more of the joint owners—a reference to so much of the rates payable by the person for the parcel as would be payable if the joint owners paying the rates—
    - (i) were the sole owners of the land as tenants in common in equal shares; and
    - (ii) the value of their interests in the land were increased proportionately.

- (3) A reference in subsection (2) to *rates payable* is a reference to rates payable apart from this division.
