About this republication

The republished law

This is a republication of the *Gaming Machine Act 2004* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 14 October 2015. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 14 October 2015.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

Gaming Machine Act 2004

An Act in relation to gaming machines, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Gaming Machine Act 2004*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*general licence*—see the [Liquor Act 2010](#), section 17.’ means that the term ‘general licence’ is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Part 2 Important concepts

6 Eligibility of individuals

- (1) For this Act, an individual is an *eligible person* if—
 - (a) the individual is an adult; and

 - (a) the individual has been convicted, or found guilty, in the last 5 years, whether in the ACT or elsewhere, of an offence—
 - (i) involving fraud or dishonesty; or
 - (ii) punishable by imprisonment for at least 1 year; or
 - (iii) against a law about gaming;
 - (b) the individual is, or at any time in the last 5 years has been, bankrupt or personally insolvent;

Note **Bankrupt or personally insolvent**—see the [Legislation Act](#), dictionary, pt 1.
 - (c) at any time in the last 5 years the individual was involved in the management of a corporation when—
 - (i) the corporation became the subject of a winding-up order; or
 - (ii) a controller or administrator was appointed for the corporation;

- (d) at any time in the last 12 months the individual had—

 - (iv) approval as a supplier cancelled under section 73A (Cancellation etc of supplier's approval); or
 - (v) an application for approval as a technician refused, on the basis that the person provided false or misleading information, under section 75 (Approval of technicians);
or
 - (vi) approval as a technician cancelled under section 79 (1) (a) or (c) (Cancellation etc of technician's approval).
- (3) Despite subsection (2), the commission may decide that the individual is an **eligible person** even though there is a disqualifying ground in relation to the individual if satisfied that—
- (a) if the individual is an applicant for a licence—the operation of gaming machines by the individual would not adversely affect the public; and

- (b) it is otherwise in the public interest that the individual be treated as an eligible person.

7 Eligibility of corporations

- (1) For this Act, a corporation is an *eligible person* if—
 - (a) each influential person of the corporation is an eligible person; and
 - (b) if the corporation is a club—it is an eligible club; and

- (2) Despite subsection (1), the commission may decide that the corporation is an eligible person even though a provision of that subsection does not apply in relation to the corporation if satisfied that—
 - (a) the operation of gaming machines by the corporation would not adversely affect the public; and
 - (b) it is otherwise in the public interest that the corporation be treated as an eligible person.

- (3) In this section:

Auditing Standard ASA 705 means Auditing Standard ASA 705 *Modifications to the Opinion in the Independent Auditor's Report* made by the AUASB on 27 October 2009 under the *Corporations Act*, section 336 (1) (Auditing standards).

Note 1 Under the [Legislation Act](#), s 255 (5), if a form requires any of the following, substantial compliance with the form is not sufficient and the form is properly completed only if the requirement is complied with:

- (a) the form to be signed;
- (b) the form to be prepared in a particular way (for example, on paper of a particular size or quality or in a particular electronic form);
- (c) the form to be completed in a particular way;

Note 2 It is an offence to make a false or misleading statement, give false or misleading information or produce a false or misleading document (see [Criminal Code](#), pt 3.4).

- (2) If an application under this Act is not properly completed—
- (a) the commission may refuse to consider the application; and
 - (b) if the commission refuses to consider the application—the application lapses.

Note A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation (see [Legislation Act](#), s 104).

- (3) The commission may, in writing, require an applicant to give the commission additional information, within the time stated by the commission, that the commission reasonably needs to decide the application.
- (4) If the applicant does not comply with a requirement under subsection (3) within the time stated by the commission—
- (a) the commission may refuse to consider the application; and

- (5) The commission may convert the in-principle authorisation certificate to an authorisation certificate for a lower number of authorisations for gaming machines than the number stated in the in-principle certificate if satisfied that the size and layout of the proposed gaming area are suitable for the installation of the lower number of gaming machines.

Note The commission may refuse to issue an authorisation certificate to a club if a ground for refusing to issue the certificate exists (see s 24).

- (6) If the commission converts an in-principle authorisation certificate to an authorisation certificate, the commission must issue an authorisation certificate to the applicant in the same terms, and subject to the same conditions, as the in-principle authorisation certificate.
