## About this republication

### The republished law

This is a republication of the *Litter Act 2004* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 17 August 2009. It also includes any amendment, repeal or expiry affecting the republished law to 17 August 2009.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

### Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

# Litter Act 2004

---

An Act relating to litter, and for other purposes

---

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Litter Act 2004*.

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*road related area*—see the *Road Transport (General) Act 1999*, dictionary.' means that the term 'road related area' is defined in that dictionary and the definition applies to this Act.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

## 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1 Criminal Code*

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## Part 2 Objects and key concepts

The objects of this Act are—

- (a) to enhance the natural and built environment by regulating the depositing of litter, or other material that may become litter; and

In this Act:

- (b) any material, substance or thing deposited at a place if its size, shape, nature or volume makes the place untidy or adversely affects the proper use of the place.

- (4) The notice must contain a statement to the effect that if the litter is not removed or disposed of, or the public place not restored, in accordance with the requirement—
  - (a) an authorised person may authorise someone else to remove or dispose of the litter or restore the public place; and

- (b) the reasonable cost of the removal, disposal or restoration is a debt due to the Territory by the person who is required to comply with the requirement.

### **24 ACAT review of notice under s 21**

A person to whom a notice is given under section 21 (Notice to remove etc litter) may apply to the ACAT for review of the decision of the authorised person or police officer to give the notice.

## **Subdivision 4.3.2 Dealing with litter—removal etc by Territory**

### **24A Removal etc of litter—by Territory**

- (1) This section applies if an authorised person or police officer believes on reasonable grounds that—

- (a) litter in a public place has been deposited by anyone (the *litterer*) in contravention of this Act; and
- (b) either or both of the following applies:
  - (i) prompt removal or disposal of the litter is necessary because it could cause injury to a person or animal or damage to property;
  - (ii) the size, shape, nature or volume of the litter means that prompt removal or disposal is in the public interest.

**Examples**

- 1 A large volume of litter is dumped next to a main road. Prompt removal is in the public interest because the litter smells and is unsightly.
- 2 Access to a walking trail in a nature reserve is blocked by an old spa bath that has been dumped in the reserve. Prompt removal is in the public interest to restore access to the trail.
- 3 A large public building is being extensively renovated. The Territory gives permission for the builder to establish a temporary depot on adjacent public land for rubbish from the building site to be deposited. The depot is fenced. When the renovations are finished, the rubbish is removed and the fence taken down. However, someone dumps rubbish at the site, and soon others also dump rubbish there. Prompt removal is in the public interest because it discourages the dumping of rubbish at the site.

*Note* An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) The chief executive may arrange for a person to do either or both of the following:
  - (a) remove or dispose of the litter from the public place;
  - (b) restore the public place affected by the litter to a state as close as practicable to the state it was in immediately before the litter was deposited.

- (3) To remove any doubt, if this section applies, notice need not be given to the litterer under section 21 (Notice to remove etc litter).

**24B        Recovery of costs associated with removal etc of litter**

- (1) If the chief executive arranges for a person to do a thing mentioned in section 24A (2), the litterer must pay to the Territory the reasonable cost of doing the thing.

*Note*        An amount owing under a law may be recovered as a debt in a court of competent jurisdiction (see Legislation Act, s 177).

- (2) In this section:

*litterer*—see section 24A (1).

## Part 5                      Miscellaneous

### 25                      Determination of fees

- (1) The Minister may, in writing, determine fees for this Act.

*Note*     The Legislation Act contains provisions about the making of determinations and regulations relating to fees (see pt 6.3).

### 26                      Approved forms

- (1) The chief executive may approve forms for this Act.

- (2) If the chief executive approves a form for a particular purpose, the approved form must be used for that purpose.

- (3) An approved form is a notifiable instrument.

*Note*     A notifiable instrument must be notified under the Legislation Act.

### 27                      Regulation-making power

- (1) The Executive may make regulations for this Act.

*Note*     Regulations must be notified, and presented to the Legislative Assembly, under the Legislation Act.

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the Legislation Act, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.
