About this republication

The republished law

This is a republication of the *Heritage Act 2004* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 4 October 2014. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 4 October 2014.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

Heritage Act 2004

An Act to provide for the recognition, registration and conservation of places and objects of natural and cultural significance, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Heritage Act 2004*.

3 Objects of Act

The main objects of this Act are as follows:

- (a) to establish a system for the recognition, registration and conservation of the following:
 - (i) places and objects that have natural heritage significance;
 - (ii) places and objects that have cultural heritage significance;
 - (iii) Aboriginal places and objects;
- (b) to establish the heritage council;
- (c) to provide for heritage agreements to encourage the conservation of heritage places and objects;
- (d) to establish enforcement and offence provisions to provide greater protection for heritage places and objects;
- (e) to provide a system integrated with land planning and development to consider development applications having regard to the heritage significance of places and heritage guidelines.

3A Exercise of functions under Act

- (1) A function under this Act must be exercised in a way that, as far as practicable, achieves the following:
 - (a) the conservation of—
 - (i) places and objects with heritage significance; and
 - (ii) Aboriginal places and objects;
 - (b) the maximisation of the community's ability to benefit from the places and objects, without adversely affecting—
 - (i) the ongoing conservation of the places and objects; and
 - (ii) any thing that forms an important part of the heritage significance of the place or thing.
- (2) However, if the exercise of a function would result in harm to a place or object with heritage significance, or an Aboriginal place or object, the function may be exercised only if the entity or person exercising the function—
 - (a) is satisfied that it is not reasonably practicable to exercise the function in a way that avoids the harm; and
 - (b) identifies all reasonable steps that must be taken to minimise the extent of the harm.

3B Registration of urban tree

- (1) This section applies if—
 - (a) an urban tree forms part of a place; and
 - (b) the council decides to register the place.
- (2) The council may also register the tree.
- (3) To remove any doubt, an urban tree must not be registered under this Act unless the tree forms part of a place that is registered.

(4) In this section:

built-up urban area—see the *Tree Protection Act 2005*, section 7 (2) (Application of Act—built-up urban areas).

Note The *Tree Protection Act 2005* includes provision for the protection of trees of heritage significance in built-up urban areas.

urban tree means a tree in a built-up urban area.

Note Words in the singular number include the plural (see *Legislation Act*, s 145 (b)).

4 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition '*Aboriginal place*—see section 9.' means that the term 'Aboriginal place' is defined in that section.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act*, s 155 and s 156 (1)).

5 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See *Legislation Act*, s 127 (1), (4) and (5) for the legal status of notes.

6 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

7 Relationship with Emergencies Act 2004

Part 10 Land development applications

58 Meaning of *development*—pt 10

In this part:

development means a proposed development to which a development application under the *Planning and Development Act 2007*, chapter 7 applies.

59 Simplified outline

The following notes provide a simplified outline of this part and the *Planning and Development Act 2007*, chapter 7:

Note 1 Council to be given copy of certain development applications

The planning and land authority may be required to give the council a copy of each development application for a development proposal in the merit or impact track (see *Planning and Development Act 2007*, s 148). This requirement would not apply to a development application for a development proposal in the code track (see *Planning and Development Act 2007*, s 117 (c)).

Note 2 Council to give advice on application

The council gives advice to the planning and land authority about the effect of a development on the heritage significance of a place or object if the development application is referred to the council (see *Planning and Development Act 2007*, s 149, s 150 and s 151).

Note 3 Council's advice to be considered

The council's advice must be considered by the planning and land authority in approving or refusing to approve a development application referred to the council (see *Planning and Development Act 2007*, s 119 (2), s 120 (d), s 128 (2) and s 129 (e)).

Note 4 Council may apply for review of decision to approve application

The council may apply to the ACAT for review of the planning and land authority's decision to approve a development application if the council—

- (a) made a representation about the proposal under the *Planning and Development Act 2007*, s 156; and
- (b) is an eligible entity under that Act, ch 13 (Review of decisions) (see *Planning and Development Act 2007*, s 408 and s 419, and sch 1, item 4 and item 6).

60 Advice about effect of development on heritage significance

- (1) This section applies if the council is satisfied on reasonable grounds that a development would affect—
 - (a) the heritage significance of a registered place or object; or

Note A registered place or object includes a provisionally registered place or object (see s 11).

 - (b) a nominated place or object that, in the opinion of the council, is likely to have heritage significance.
- (2) The council may give the planning and land authority written advice in accordance with section 61 about its decision.

Note 1 If the planning and land authority refers a development application to the council under the *Planning and Development Act 2007*, s 148, the council must, not later than 15 working days after being given the application, give the planning and land authority its advice in relation to the development application (see *Planning and Development Act 2007*, s 149).

Note 2 The council may apply to the ACAT for review of the planning and land authority's decision to approve a development application if the council—

- (a) made a representation about the proposal under the *Planning and Development Act 2007*, s 156; and
- (b) is an eligible entity under that Act, ch 13 (Review of decisions) (see *Planning and Development Act 2007*, s 408 and s 419, and sch 1, item 4 and item 6).

61 Requirements for council's advice about development

- (1) This section applies if the council gives advice—
 - (a) under section 60 about the effect of a development on a place or object that has, or is likely to have, heritage significance; or
 - (b) under the *Planning and Development Act 2007*, section 149 in relation to a development application.
- (2) The council's advice must include the following:
 - (a) an outline of the effect of the development on the heritage significance of the place or object;
 - (b) advice about ways of avoiding or minimising the impact of the development on the heritage significance of the place or object.
- (3) Without limiting subsection (2), the advice may set out proposed conditions on any approval of the development, including conditions requiring compliance with 1 or more of the following:
 - (a) if it is not reasonably practicable for the development to avoid harming the place or object—the reasonable steps that must be taken to minimise the extent of the harm;
 - (b) conservation requirements under applicable heritage guidelines;
 - (c) a conservation management plan approved by the council.

61B Advice about effect of tree damaging activity or tree management plan

- (1) This section applies if, after receiving a tree protection notice—
 - (a) the council is satisfied on reasonable grounds that a proposed tree damaging activity would harm a tree, or a tree management plan proposal or application does not adequately protect a tree, that—
 - (i) has heritage significance; or
 - (ii) forms an important part of a place with heritage significance; or
 - (b) a representative Aboriginal organisation is satisfied on reasonable grounds that a proposed tree damaging activity would harm a tree, or a tree management plan proposal or application does not adequately protect a tree, that—
 - (i) is an Aboriginal heritage tree; or
 - (ii) forms an important part of an Aboriginal place.

- (2) However, this section does not apply if the notice is about proposed tree damaging activity, or a tree management plan, required for reasons of public safety.
- (3) The council or representative Aboriginal organisation, as the case requires—
 - (a) may give the conservator written advice about the proposed tree damaging activity, or tree management plan proposal or application, set out in the notice; and
 - (b) if the council or representative Aboriginal organisation decides to give written advice—must give the conservator advice—
 - (i) in accordance with section 61C; and
 - (ii) within the time allowed under the *Tree Protection Act 2005*.

Note The *Tree Protection Act 2005*, s 24B and s 34B state the time in which the council and representative Aboriginal organisation are allowed to provide written advice in relation to applications for tree damaging activity and proposed tree management plans.

- (4) In this section:

tree protection notice means a notice given to the council, or representative Aboriginal organisation, by the conservator under the *Tree Protection Act 2005*, section 24A or section 34A.

61C Requirements for advice about tree damaging activity or tree management plan

- (1) Advice given by the council to the conservator under section 61B (3) must include the following:

- (2) The entity that provided the advice must act consistently with the advice given to the conservator in any activity undertaken, further advice given or decision made, by the entity in relation to a tree that is the subject of the proposed tree damaging activity or tree management plan proposal or application, unless—
 - (a) further information comes to the entity's attention which was not available to the entity when it gave the advice; and
 - (b) the further information is relevant to the advice; and
 - (c) the entity would have given different advice if the entity had the further information before giving the advice.
- (3) However, for subsection (2), a reference to further information does not include information that—
 - (a) was not required to be provided under the *Tree Protection Act 2005* for the conservator to make a decision about a tree damaging activity or tree management plan under that Act; and
 - (b) is substantially the same as information available to the entity at the time the entity gave the advice.
