A2006-50

Republication No 3

Effective: 7 May 2008 – 18 May 2008

Republication date: 7 May 2008

Last amendment made by A2008-7

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Powers of Attorney Act 2006* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 7 May 2008. It also includes any amendment, repeal or expiry affecting the republished law to 7 May 2008.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Powers of Attorney Act 2006

An Act about powers of attorney, and for other purposes

Chapter 1 Preliminary

1 Name of Act

This Act is the *Powers of Attorney Act 2006*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition '*decision-making capacity*—see section 9 (1).' means that the term 'decision-making capacity' is defined in that subsection.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The Legislation Act, s 133 deals with the meaning of offence penalties that are expressed in penalty units.

Chapter 2 General overview and important concepts

6 ***Principal and attorney***

An *attorney* is a person who is authorised under a power of attorney to make decisions and do particular other things for the person (the *principal*) who made the power of attorney.

7 **What is a *general power of attorney*?**

A *general power of attorney* is a power of attorney under this Act that operates only while the principal has decision-making capacity.

8 **What is an *enduring power of attorney*?**

An *enduring power of attorney* is a power of attorney under this Act that is not revoked by the principal becoming a person with impaired decision-making capacity.

Note An enduring power of attorney operates as a general power of attorney while the principal has decision-making capacity (see s 31).

9 **What are *decision-making capacity* and *impaired decision-making capacity*?**

- (1) For this Act, a person has *decision-making capacity* if the person can make decisions in relation to the person's affairs and understands the nature and effect of the decisions.

- (2) For this Act, a person has *impaired decision-making capacity* if the person cannot make decisions in relation to the person's affairs or does not understand the nature or effect of the decisions the person makes in relation to the person's affairs.

Note 1 A person is not taken to have impaired decision-making capacity only because of certain attributes or behaviours (see s 91).

Note 2 For the criteria to work out if a person understands the nature and effect of making an enduring power of attorney, see s 17.

10 Meaning of *property matter*

In this Act:

property matter, for a principal, means a matter relating to the principal's property.

Examples of property matters a power of attorney may deal with

- 1 paying maintenance and accommodation expenses for the principal and the principal's dependants
- 2 paying the principal's debts and expenses
- 3 receiving and recovering amounts payable to the principal
- 4 carrying on the principal's trade or business
- 5 performing contracts entered into by the principal
- 6 discharging a mortgage over the principal's property
- 7 paying rates, taxes and other outgoings for the principal's property
- 8 insuring the principal or the principal's property
- 9 preserving or improving the principal's estate
- 10 investing in authorised investments for the principal
- 11 continuing investments of the principal, including taking up rights to share issues, or options for new shares, to which the principal becomes entitled because of the principal's shareholding
- 12 undertaking transactions for the principal involving the use of the principal's property as security for the benefit of the principal
- 13 undertaking a real estate transaction for the principal
- 14 dealing with land under the *Land Titles Act 1925* for the principal
- 15 withdrawing amounts from, or depositing amounts into, an account of the principal held with an authorised deposit-taking institution

16 legal matters in relation to the principal's finances and property

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

11 Meaning of *personal care matter*

In this Act:

personal care matter, for a principal, means a matter, other than a health care matter, special personal matter or special health care matter relating to the principal's personal care, including the principal's welfare.

Examples of personal care matters a power of attorney may deal with

- 1 where the principal lives
- 2 who the principal lives with
- 3 whether the principal works and, if the principal works, where and how the principal works
- 4 what education or training the principal gets
- 5 whether the principal applies for a licence or permit
- 6 the principal's daily dress and diet
- 7 whether to consent to a forensic examination of the principal
- 8 whether the principal will go on holiday and where
- 9 legal matters relating to the principal's personal care

Note 1 *Special personal matter*—see s 36. *Special health care matter*—see s 37.

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

12 Meaning of *health care matter*

In this Act:

health care matter, for a principal, means a matter, other than a special health care matter, relating to the principal's health care.

Examples of health care matters a power of attorney may deal with

- 1 consenting to lawful medical treatment necessary for the principal's wellbeing
- 2 donations (other than donations of non-regenerative tissue) under the *Transplantation and Anatomy Act 1978* by the principal to someone else
- 3 withholding or withdrawal of medical treatment for the principal
- 4 legal matters relating to the principal's health care

Note 1 *Special health care matter*—see s 37.

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Chapter 3 How to appoint an attorney

Part 3.1 What the principal needs to do

13 Appointment of attorneys

- (1) An adult (the *principal*) may, by a power of attorney, appoint 1 or more people to do anything for the principal that the principal can lawfully do by an attorney.

Note 1 If a form is approved under s 92 for this provision, the form must be used.

Note 2 The principal must understand the nature and effect of making the power of attorney (see s 17 and s 18).

Note 3 Section 14 contains limits on this general power of appointment in relation to enduring powers of attorney.

Note 4 A power to appoint a person to do something includes a power to appoint a corporation to do the thing (see Legislation Act, s 160 (1)).

- (2) By an enduring power of attorney, an adult (the *principal*) may also appoint 1 or more people to do anything in relation to 1 or more property matters, personal care matters or health care matters for the principal that the principal could lawfully do by an attorney if the principal had decision-making capacity for the matter when the power to do the thing is exercised.

Note Section 14 contains limits on this general power of appointment.

- (3) However, an adult must not, by a power of attorney, appoint a child as an attorney.

14 Limit on s 13 power to appoint attorneys—enduring powers of attorney

- (1) Under section 13, a principal must not, in an enduring power of attorney, appoint as an attorney for a property matter—
- (a) a corporation other than—
 - (i) the public trustee; or
 - (ii) a trustee company under the *Trustee Companies Act 1947*; or
 - (b) a person who is bankrupt or has executed a personal insolvency agreement.

Note For the extended meaning of **bankrupt** and **personal insolvency agreement**, see the dictionary.

- (2) Under section 13, a principal must not, in an enduring power of attorney, appoint a corporation as an attorney for a personal care or health care matter.
- (3) Under section 13, a principal must not, in an enduring power of attorney, appoint the public advocate as an attorney for a matter other than a personal care or health care matter.
- (4) A person for whom a guardian or manager is appointed under the *Guardianship and Management of Property Act 1991* cannot make an enduring power of attorney unless the guardianship tribunal approves the provisions of the power.

15 Appointment of attorneys by name or position

A principal may appoint a person to act under a power of attorney by—

- (a) naming the person; or

- (b) nominating the occupant of a position (however described), at a particular time or from time to time.

Note The principal may revoke a power of attorney if the principal has decision-making capacity.

16 When and how power under power of attorney exercisable

- (1) A principal may state in a power of attorney when, and how, power under the power of attorney is exercisable.

Examples of when power may be exercisable

- 1 if I am outside Australia for more than 1 month
- 2 if the property at 13 Mae West Drive is sold
- 3 starting on 14 February 2007

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) However, if the power of attorney does not state when the power is exercisable, the power can be exercised once the power of attorney is made.

17 Understanding nature and effect of making powers of attorney

Understanding the nature and effect of making a power of attorney includes understanding each of the following:

- (a) that the principal may, in the power of attorney, state or limit the power to be given to an attorney;
- (b) that the principal may, in the power of attorney, instruct the attorney about the exercise of the power;
- (c) when the power under the power of attorney can be exercised;

- (d) that, if the power under a power of attorney can be exercised for a matter, the attorney has the power to make decisions in relation to, and will have full control over, the matter subject to terms or information about exercising the power that are included in the power of attorney;
- (e) that the principal may revoke the power of attorney at any time the principal is capable of making the power of attorney;
- (f) for enduring powers of attorney only—
 - (i) that the power given by the principal continues even if the principal becomes a person with impaired decision-making capacity; and
 - (ii) that, at any time the principal is not capable of revoking the power of attorney, the principal cannot effectively oversee the use of the power.

Note A person has decision-making capacity if the person can make decisions in relation to the person's affairs and understands the nature and effect of the decisions (see s 9 (1)).

18 Presumption that principal understands nature and effect of making power of attorney

In the absence of evidence to the contrary, a principal who makes a power of attorney is taken, for this Act, to understand the nature and effect of making the power of attorney.

Part 3.2 Technical requirements

19 Formal requirements for powers of attorney

- (1) A power of attorney must be signed—
- (a) by the principal; or
 - (b) by the direction, and in the presence, of the principal, by someone eligible to sign for the principal.

Note See s 20 for who is eligible to sign for the principal.

- (2) The power of attorney must—
- (a) be signed and dated by 2 adult witnesses in the presence of the principal and each other; and
 - (b) contain a certificate signed by each witness in accordance with section 22.

Note Section 21 sets out who can be a witness to a power of attorney.

20 Who can sign for the principal?

A person is eligible to sign a power of attorney for the principal if the person—

- (a) is an adult; and
- (b) is not a witness for the power of attorney; and
- (c) is not an attorney for the principal.

21 Who can be a witness?

- (1) A person cannot be a witness to a power of attorney if the person is—
- (a) a person signing the power of attorney for the principal; or
 - (b) a person appointed as attorney under the power of attorney; or

- (c) a child.
- (2) Only 1 of the witnesses to the power of attorney can be a relative of—
 - (a) the principal; or
 - (b) a person appointed as attorney under the power of attorney.
- (3) For an enduring power of attorney, 1 witness must be a person authorised to witness the signing of a statutory declaration.

22 Certificates by witnesses to powers of attorney

- (1) If a power of attorney is signed by the principal, the power of attorney must include a certificate signed by each witness stating that—
 - (a) the principal signed the power of attorney voluntarily in the presence of the witness; and
 - (b) at the time the principal signed the power of attorney, the principal appeared to the witness to understand the nature and effect of making the power of attorney.

Note A principal must understand the matters in s 17 to understand the nature and effect of making a power of attorney. However, in the absence of evidence to the contrary, the principal is taken to understand the nature and effect of making the power of attorney (see s 18).

- (2) If a power of attorney is signed by a person for the principal, the power of attorney must include a certificate signed by each witness stating that—
 - (a) the principal directed the person to sign the power of attorney for the principal; and
 - (b) the principal gave the direction voluntarily in the presence of the witness; and
 - (c) the person signed the power of attorney in the presence of the principal and the witness; and

- (d) at the time the principal gave the direction to sign the power of attorney, the principal appeared to the witness to understand the nature and effect of making the power of attorney.

23 **Enduring power of attorney ineffective for attorney unless accepted**

An enduring power of attorney is effective in relation to an attorney only if the attorney has accepted the appointment by signing the enduring power of attorney.

Note For what happens if 1 of multiple attorneys does not accept appointment, see section 28.

24 **Powers of attorney may be made outside ACT**

For this Act, it does not matter whether a power of attorney made under this Act is made in or outside the ACT.

Part 3.3 Authorisation of 2 or more attorneys

Note to pt 3.3

For provisions about multiple attorneys and revocation, see s 65 to s 68.

25 Authorisation of 2 or more attorneys under power of attorney

A principal may, under a power of attorney, authorise 2 or more attorneys in either or both of the following ways:

- (a) by authorising the attorneys to act together or separately, or in any combination;
- (b) by authorising different attorneys to act in different circumstances, on the happening of different events or in relation to different matters.

Examples

- 1 A power of attorney authorises Jo to act for the principal only if Wilhelm (another attorney) becomes a person with impaired decision-making capacity.
- 2 A power of attorney authorises Frank to act for the principal until Melissa turns 18 and becomes the attorney.
- 3 A power of attorney authorises Violet and Ian as attorneys act separately for the principal, except in relation to health care matters when they must make decisions together.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

26 Multiple attorneys usually joint

- (1) This section applies if—
 - (a) 2 or more attorneys are authorised under a power of attorney in relation to a matter; and

- (b) the power of attorney does not state how they are to share a power given to them.
- (2) The attorneys are authorised to exercise the power together but not separately.

27 If multiple attorneys cannot exercise power unanimously

- (1) This section applies if—
 - (a) 2 or more attorneys are authorised under an enduring power of attorney by a principal in relation to a matter; and
 - (b) the power of attorney does not state how they are to share a power given to them; and
 - (c) the principal has impaired decision-making capacity; and
 - (d) it is impracticable or impossible for the attorneys to exercise the power unanimously.
- (2) One or more of the attorneys, or another interested person in relation to the power of attorney, may apply to the guardianship tribunal for directions or an order.
- (3) In this section:
interested person—see section 74.

28 Effect of joint attorney not accepting enduring power of attorney

- (1) This section applies if—
 - (a) an enduring power of attorney authorises 3 or more attorneys to exercise a power together but not separately; and
 - (b) the power of attorney does not require a stated number of attorneys to accept the power of attorney before the attorneys may exercise the power; and

- (c) not all, but at least 2, of the attorneys have accepted the power of attorney.
- (2) The attorneys who have accepted the power under the enduring power of attorney may exercise the power.

Example

Alex authorises Beryl, Claude and David to act together as attorneys under an enduring power of attorney. Beryl and David accept the power of attorney, Claude does not. Beryl and David may exercise a power under the power of attorney together. Claude accepts the enduring power of attorney later. After Claude accepts, Beryl and David cannot exercise the power without Claude.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) However, if the enduring power of attorney requires a stated number of attorneys to exercise a power together, the power must not be exercised unless that number of attorneys accepts the power of attorney.

Chapter 4 Operation of powers of attorney

Part 4.1 Operation of powers of attorney generally

29 Powers of attorney are deeds

- (1) A power of attorney that complies with this Act is, for all purposes, taken to be a deed, even though it is not expressed to be a deed or to be sealed.

Note A deed may be registered (see *Registration of Deeds Act 1957*) and must be registered for a dealing with land by the attorney to be registered (see *Land Titles Act 1925*, s 130).

- (2) In this section:

power of attorney includes—

- (a) an amendment of a power of attorney; and
- (b) a revocation of a power of attorney.

30 Principal may act despite giving power of attorney

To remove any doubt, the giving of a power of attorney does not affect the principal's power to do anything that the principal is otherwise legally capable of doing.

31 How does enduring power of attorney operate while principal has capacity?

- (1) This section applies to an enduring power of attorney that operates while the principal has decision-making capacity.

- (2) While the principal has decision-making capacity, the power of attorney operates as a general power of attorney in relation to property matters.

Part 4.2 Operation of enduring powers of attorney

32 Enduring power of attorney—principal's impaired decision-making capacity

- (1) An enduring power of attorney giving power in relation to a matter is not revoked by the principal becoming a person with impaired decision-making capacity, either generally or in relation to the matter.
- (2) Also, a power under an enduring power of attorney can be exercised—
 - (a) while the principal has impaired decision-making capacity; and
 - (b) whether or not a condition about when the power is to start to operate is satisfied.

Example

An enduring power of attorney appointing Jack is stated to take effect on 3 January 2007. However, the principal becomes a person with impaired decision-making capacity on 27 October 2006. Jack can exercise a power under the enduring power of attorney starting on 27 October 2006.

Note 1 A medical certificate can be evidence that the principal had, or did not have, impaired decision-making capacity (see s 87).

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Part 4.3 **Things attorneys can and cannot do**

Division 4.3.1 **Things attorneys can and cannot do generally**

33 **Others acting for attorney**

- (1) An attorney under a general power of attorney may authorise someone else to exercise all or any of the attorney's powers, whether or not there is express power for the authorisation.

Examples of authorisations

- 1 substitute decision-maker
- 2 delegate
- 3 sub-attorney

Note 1 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

Note 2 If a form is approved under s 92 for this provision, the form must be used.

- (2) An enduring power of attorney does not authorise an attorney to authorise anyone else to exercise the powers of the attorney while the principal has impaired decision-making ability.
- (3) However, if an enduring power of attorney expressly authorises an attorney to authorise someone else to exercise all or any of the attorney's powers, the attorney may, in accordance with the express authorisation, authorise someone else to exercise the attorney's powers if—
- (a) the person could be appointed as an attorney under an enduring power of attorney; and

- (b) the person authorised is known to the principal, or was known to the principal when the principal had decision-making capacity.
- (4) To remove any doubt, a person authorised under this section to exercise an attorney's powers is taken to be the attorney for this Act.

34 Powers of attorney do not generally give authority to benefit attorneys

A power of attorney does not authorise an attorney to execute an assurance or other document, or do anything else, that would result in a benefit being given to the attorney unless the power of attorney expressly authorises the giving of a benefit of that kind to the attorney.

35 Things that cannot be lawfully done by attorneys

A principal cannot do the following by an attorney under a power of attorney:

- (a) authorise the attorney to exercise power in relation to special personal matters;
- (b) authorise the attorney to exercise power in relation to special health care matters.

Note **Special personal matter**—see s 36. **Special health care matter**—see s 37.

36 Special personal matters

For this Act, each of the following is a *special personal matter* for a principal:

- (a) making or revoking the principal's will;
- (b) making or revoking a power of attorney for the principal;
- (c) exercising the principal's right to vote in a Commonwealth, Territory, State or local government election or referendum;

- (d) consenting to the adoption of a child of the principal who is under 18 years;
- (e) consenting to the marriage of the principal.

37 Special health care matters

- (1) For this Act, each of the following is a *special health care matter* for a principal:
 - (a) removal of non-regenerative tissue from the principal while alive for donation to someone else;
 - (b) sterilisation of the principal if the principal is, or is reasonably likely to be, fertile;
 - (c) termination of the principal's pregnancy;
 - (d) participation in medical research or experimental health care;
 - (e) treatment for mental illness;
 - (f) electroconvulsive therapy or psychiatric surgery;
 - (g) health care prescribed by regulation.

Note **Health care**—see the dictionary.

- (2) In this section:

electroconvulsive therapy—see the *Mental Health (Treatment and Care) Act 1994*, section 55.

health care primarily to treat organic malfunction or disease, of a principal, means health care without which an organic malfunction or disease of the principal is likely to cause serious or irreversible damage to the principal's physical health.

Examples of health care covered by par (a)

- 1 Health care involving sterilisation may be primarily to treat organic malfunction or disease if the principal has cancer affecting the reproductive system or cryptorchidism.

- 2 A procedure involving termination of a principal's pregnancy may be primarily to treat organic malfunction if the principal requires abdominal surgery for injuries sustained in an accident.

Note 1 **Health care primarily to treat organic malfunction or disease** is used in the definitions of *sterilisation* and *termination*.

Note 2 An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

mental illness—see the *Mental Health (Treatment and Care) Act 1994*, dictionary.

non-regenerative tissue—see the *Transplantation and Anatomy Act 1978*, dictionary.

psychiatric surgery—see the *Mental Health (Treatment and Care) Act 1994*, dictionary.

sterilisation, of a principal—

- (a) means health care of the principal that is intended, or reasonably likely, to make the principal, or ensure the principal is, permanently infertile; but
- (b) does not include health care primarily to treat organic malfunction or disease of the principal.

Examples of sterilisation if not primarily to treat organic malfunction or disease

- 1 endometrial ablation
- 2 hysterectomy
- 3 tubal ligation
- 4 vasectomy

termination, of a principal's pregnancy, does not include health care primarily to treat organic malfunction or disease of the principal.

Division 4.3.2 Things attorneys can and cannot do under enduring powers of attorney

38 Enduring powers of attorney do not generally give authority to make gifts

An enduring power of attorney does not authorise the attorney to make a gift of all or any of the principal's property to anyone else unless the power of attorney expressly authorises the making of the gift.

39 Express general authority to make gifts in enduring powers of attorney

- (1) This section applies if an enduring power of attorney contains a general authorisation to make gifts.
- (2) A general authorisation to make gifts (however described) in an enduring power of attorney authorises the following gifts:
 - (a) a gift made to a relative or close friend of the principal for a celebration or special event;
 - (b) a gift that is a donation of a kind that—
 - (i) the principal made when the principal had decision-making capacity; or
 - (ii) the principal might reasonably be expected to make.

Examples of celebrations for par (a)

- 1 birthday
- 2 Easter
- 3 Hanukah

Examples of special events for par (a)

- 1 birth
- 2 marriage
- 3 graduation

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) However, the general authorisation to make gifts in an enduring power of attorney does not authorise making a gift mentioned in subsection (2) if the value of the gift is more than is reasonable to make.
- (4) In working out what is reasonable for subsection (3), and without limiting what must be considered, the principal's financial circumstances and the size of the principal's estate must be considered.
- (5) Subsection (2) does not prevent the attorney, or a charity with which the attorney has a connection, from receiving a gift under the general authorisation to make gifts.

40 Express general authority to provide for reasonable living expenses in enduring powers of attorney

- (1) This section applies if an enduring power of attorney expressly authorises the payment of reasonable living expenses (however described) for a named person.
- (2) Unless the power of attorney expressly provides otherwise, the power of attorney only authorises the payment of reasonable costs of the following in relation to the named person:
 - (a) housing;
 - (b) food;
 - (c) education;
 - (d) transportation;

(e) medical care and medication.

- (3) In working out what are reasonable costs for subsection (2), and without limiting what must be considered, the principal's financial circumstances and the size of the principal's estate must be considered.

41 Powers to maintain principal's dependants—enduring powers of attorney

- (1) An attorney for a property matter under an enduring power of attorney may provide from the principal's estate for the needs of a dependant of the principal.
- (2) However, unless there is a contrary intention expressed in the enduring power of attorney, what is provided must not be more than what is reasonable considering all the circumstances and, in particular, the principal's financial circumstances.

Part 4.4 Obligations of attorneys and others

Division 4.4.1 Obligations of all attorneys

42 Conflict transactions

- (1) For this section, a *conflict transaction* is a transaction that results, or may result, in conflict between—
 - (a) the duty of an attorney towards the principal; and
 - (b) either—
 - (i) the interests of the attorney, or a relative, business associate or close friend of the attorney; or
 - (ii) another duty of the attorney.
- (2) However, a transaction is not a *conflict transaction* only because, by the transaction, the attorney in the attorney's own right and on behalf of the principal—
 - (a) deals with an interest in property jointly held; or
 - (b) acquires a joint interest in property; or
 - (c) obtains a loan or gives a guarantee or indemnity in relation to a transaction mentioned in paragraph (a) or (b).
- (3) An attorney may enter into a conflict transaction only if the principal authorises the transaction, conflict transactions of that kind or conflict transactions generally, in the power of attorney.
- (4) In this section:
joint interest includes an interest as a joint tenant or tenant in common.

43 Obligation of attorneys to keep interested people informed

- (1) This section applies if any of the following events happen:
- (a) a person (the *relevant person*) resigns the person's appointment as attorney under a power of attorney;
 - (b) the appointment of a person (the *relevant person*) as an attorney under a power of attorney is revoked;
 - (c) a court or the guardianship tribunal makes an order in relation to a power of attorney that affects the appointment of a person (the *relevant person*) under the power of attorney.
- (2) The relevant person must give notice of the event to—
- (a) any other attorney or person authorised under the power of attorney to exercise the relevant person's powers as attorney; and
 - (b) if the event is the making of a court order or guardianship tribunal order in relation to the power of attorney that affects the relevant person's authorisation under the power of attorney—each person dealing with the relevant person as an attorney.
- Note* An attorney under a general power of attorney may authorise someone to exercise the attorney's powers (see s 33).
- (3) However, the relevant person need not give notice under subsection (2) to a person (the *informed person*) about an event if the relevant person believes, on reasonable grounds, that the informed person already knows about the event.

Division 4.4.2 Obligations of attorneys under enduring power of attorney—principal with impaired decision-making capacity

44 Principles for attorneys under enduring powers of attorney

The principles (the *general principles*) set out in schedule 1 must be complied with to the maximum extent possible by a person who exercises the functions of an attorney under an enduring power of attorney in relation to a principal with impaired decision-making capacity.

45 Right of attorneys to information—enduring powers of attorney

- (1) This section applies in relation to an enduring power of attorney if the principal has impaired decision-making capacity.
- (2) An attorney under the enduring power of attorney has a right to all the information (the *available information*) that the principal would have been entitled to if the principal had decision-making capacity.
- (3) A person who has custody or control of the available information must disclose the information to the attorney if asked.
- (4) However, subsections (2) and (3) are subject to any contrary intention, or express limitation, in the enduring power of attorney.

46 Conditions on exercise of power in relation to medical treatment—enduring powers of attorney

- (1) This section applies in relation to an enduring power of attorney if the principal has impaired decision-making capacity.

- (2) An attorney under the enduring power of attorney must not ask for medical treatment to be withheld or withdrawn from the principal unless—
- (a) the attorney has consulted a doctor about—
 - (i) the nature of the principal’s illness; and
 - (ii) any alternative forms of treatment available to the principal; and
 - (iii) the consequences to the principal of remaining untreated; and
 - (b) the attorney believes, on reasonable grounds, that the principal would ask for the medical treatment to be withheld or withdrawn if the principal—
 - (i) could make a rational judgment; and
 - (ii) were to give serious consideration to the principal’s own health and wellbeing.

47 Keeping records—enduring powers of attorney

An attorney for a property matter under an enduring power of attorney must, while the principal has impaired decision-making capacity, keep accurate records and accounts of all dealings and transactions made under the power.

48 Keeping property separate—enduring powers of attorney

- (1) An attorney for a property matter under an enduring power of attorney must, while the principal has impaired decision-making capacity, keep the attorney’s property separate from the principal’s property.

Note **Property** includes money and financial assets (see dict).

- (2) This section does not—
- (a) apply to property owned jointly by the principal and attorney;
or
 - (b) affect any other obligation imposed under territory law.

Division 4.4.3 Obligations in relation to health care

49 Obligations on health care facilities in relation to powers of attorney

The person in charge of a health care facility must take all reasonable steps to ensure that—

- (a) each person receiving care at the facility is asked whether the person has an enduring power of attorney for personal care matters or health care matters; and
- (b) if a person has a power of attorney of that kind—a copy of the power of attorney is kept with the person's records; and
- (c) a process is in place to periodically check the currency of powers of attorney kept.

Part 4.5 If attorneys do not comply with Act

50 Compensation for failure to comply with Act

- (1) An attorney under a power of attorney may be ordered by the Supreme Court to compensate the principal (or, if the principal has died, the principal's estate) for a loss caused by the attorney's failure to comply with this Act in the exercise of a power.

Note Under s 52, the attorney may be relieved from liability.

- (2) Subsection (1) applies whether or not the attorney is convicted of an offence in relation to the attorney's failure.
- (3) If the principal or attorney has died, the application for compensation must be made to a court within 6 months after the day of the death.
- (4) If the principal and the attorney have died, the application for compensation must be made to a court within 6 months after the day of the first death.
- (5) The Supreme Court may extend the application time under subsection (3) or (4).

Note An application for an extension may be made before or after the end of the period to be extended (see Legislation Act, s 151C).

51 Compensation under s 50 and later civil proceeding

- (1) This section applies if—
- (a) compensation for an attorney's failure to comply with this Act is paid in accordance with an order under section 50; and
 - (b) a later civil proceeding is brought in relation to the same failure.

- (2) The payment of compensation must be taken into account in assessing damages in the civil proceeding.

52 Relief from personal liability by court

- (1) This section applies if a court considers that—
- (a) an attorney is, or may be, personally liable for a contravention of this Act; and
 - (b) the attorney has acted honestly and reasonably and ought fairly to be excused for the contravention.
- (2) The court may relieve the attorney from all or part of the attorney's personal liability for the contravention.
- (3) If the attorney is an attorney under an enduring power of attorney, in deciding whether the attorney should be relieved of liability, the court must consider the extent to which the attorney has acted consistently with the general principles.

Chapter 5 Ending powers of attorney

Note to ch 5

An enduring power of attorney, or part of the power, may also be revoked by the guardianship tribunal.

53 Resignation of attorney's appointment under power of attorney

- (1) An attorney may resign the attorney's appointment under a power of attorney by written notice of resignation given to the principal.
- (2) However, if a principal has impaired decision-making capacity for a matter, an attorney under an enduring power of attorney may only resign as attorney for the matter with the leave of the guardianship tribunal.

Note The guardianship tribunal may appoint a guardian for the principal (see *Guardianship and Management of Property Act 1991*, s 7).

- (3) To remove any doubt, a power of attorney is revoked in relation to an attorney if the attorney resigns the attorney's appointment in accordance with this section.

54 No irrevocable powers of attorney

A power of attorney may be revoked under this Act, whether or not the power states otherwise.

55 Advice of revocation of power of attorney

If a principal revokes a power of attorney, the principal must take reasonable steps to tell all attorneys affected by the revocation.

56 Revocation of power of attorney according to its terms

If a power of attorney ceases to have effect according to its terms, the power of attorney is revoked.

Examples

- 1 If a general power of attorney is expressed to operate from 1 January 2006 to 25 January 2006, it is revoked at the end of that period.
- 2 If a general power of attorney is expressed to operate for the sale of a house, it is revoked once the sale is complete.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

57 Principal's impaired decision-making capacity—general power of attorney

If the principal for a general power of attorney becomes a person with impaired decision-making capacity, the power of attorney is revoked.

Note A person must not be taken to have impaired decision-making capacity only because of certain attributes or behaviours (see s 91).

58 Enduring power of attorney sometimes revoked by marriage

- (1) This section applies to an enduring power of attorney if—
 - (a) a person is appointed as attorney under the power of attorney; and
 - (b) the principal gets married; and
 - (c) the attorney is not the person the principal marries.
- (2) The enduring power of attorney is revoked in relation to the attorney unless the power of attorney expressly states that it is not revoked in the circumstances.

59 Enduring power of attorney sometimes revoked by divorce

- (1) This section applies to an enduring power of attorney if—
 - (a) a person is appointed as attorney under the power of attorney; and
 - (b) the principal marries, or is married to, the attorney; and
 - (c) the principal and the attorney divorce.
- (2) The enduring power of attorney is revoked in relation to the attorney.

60 Death of principal for power of attorney

61 Death of attorney under power of attorney

If an attorney under a power of attorney dies, the power of attorney is revoked to the extent that it gives power to the attorney.

62 Effect of bankruptcy of individual attorney

- (1) This section applies if—
 - (a) an attorney under an enduring power of attorney is an individual; and
 - (b) the attorney becomes bankrupt or executes a personal insolvency agreement.
- (2) The power of attorney is revoked to the extent that it gives power to the attorney in relation to property matters.

Note For the extended meaning of *bankrupt* and *personal insolvency agreement*, see the dictionary.

63 Attorney's impaired decision-making capacity for power of attorney

If an attorney under a power of attorney becomes a person with impaired decision-making capacity, the power of attorney is revoked in relation to the attorney.

64 Effect of winding up etc of corporate attorney

- (1) This section applies if—
- (a) an attorney under a power of attorney is a corporation; and
 - (b) either—

 - (ii) a liquidator is appointed for the attorney.

Note **Liquidator**—see the dictionary.

- (2) The power of attorney is revoked to the extent that it gives power to the attorney.

65 Multiple attorneys with separate powers—effect of revocation of powers of some attorneys

If a power of attorney authorises 2 or more people as attorneys to act separately (whether or not in relation to a matter), the revocation of the power of attorney in relation to 1 or more attorneys does not revoke the power of attorney in relation to the other attorneys.

66 Joint general power of attorney—effect of revocation of powers of some attorneys

If a general power of attorney authorises 2 or more people to exercise power as attorneys together but not separately (whether or not in relation to a matter), the power of attorney is revoked if the power is revoked in relation to 1 or more of the attorneys.

67 Joint enduring power of attorney—effect of revocation of powers of attorneys

- (1) This section applies if—
 - (a) an attorney's power under an enduring power of attorney for a matter is revoked; and
 - (b) the attorney was authorised to exercise power for the matter under the power of attorney together with 1 or more other attorneys, but not separately; and
 - (c) the principal has impaired decision-making capacity.
- (2) If there is only 1 remaining attorney in relation to the matter, the remaining attorney may exercise power for the matter.
- (3) If there are 2 or more remaining attorneys in relation to the matter, the remaining attorneys may exercise power in relation to the matter and, if exercising power, must exercise power together.

68 Power of attorney revoked in relation to each attorney

A power of attorney is revoked when—

- (a) if there is only 1 attorney appointed—the power of attorney is revoked in relation to the attorney; or
- (b) if there are 2 or more attorneys appointed—the power of attorney is revoked in relation to each or the last of them.

Note If an attorney resigns, the power of attorney is revoked in relation to the attorney (see s 53 (3)).

69 Revocation by later power of attorney

A principal's power of attorney is revoked, to the extent of an inconsistency, by a later power of attorney of the principal.

Chapter 6 Protection and relief from liability

- (2) A presidential member of the guardianship tribunal may refer the matter, or part of the matter, to the Supreme Court.

- (4) If an individual's wishes or needs cannot be expressed by the individual, the person exercising power in relation to the individual must try to work out, as far as possible, from the individual's past actions, what the individual's wishes and needs would be if the individual could express them and take those wishes and needs into account.
- (5) However, a person exercising a function in relation to an individual must do so in a way consistent with the individual's proper care and protection.
- (6) An individual's views and wishes may be expressed orally, in writing or in another way, including, for example, by conduct.

 - (a) in the way least restrictive of the individual's rights and freedom of action; and
 - (b) only if the exercise of power—
 - (i) is, in the attorney's opinion, necessary and appropriate to maintain or promote the individual's health and wellbeing; or
 - (ii) is, in all the circumstances, in the individual's best interests.
- (2) An individual's wishes in relation to health care matters, and any information provided by the individual's health care provider, must be taken into account when an attorney decides what is appropriate in the exercise of power for a health care matter.
