About this republication

The republished law

This is a republication of the *Road Transport (Third-Party Insurance) Act 2008* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 17 December 2008. It also includes any amendment, repeal or expiry affecting the republished law to 17 December 2008.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Note 1 This Act is part of the road transport legislation. See the *Road Transport (General) Act 1999* for various provisions about the administration and enforcement of the road transport legislation generally.

Note 2 Other road transport legislation includes the following:

- *Road Transport (Alcohol and Drugs) Act 1977*
- *Road Transport (Dimensions and Mass) Act 1990*
- *Road Transport (Driver Licensing) Act 1999*

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition '*road transport legislation*—see the *Road Transport (General) Act 1999*, section 6.' means that the term 'road transport legislation' is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 *Criminal Code*

The Criminal Code, ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

 - (b) liability that may be incurred under an agreement unless the liability would have arisen without the agreement;
 - (c) liability that is attributable to an act that, having regard to the nature of the act and the context in which the act was done, it is reasonable to characterise as an act of terrorism;
Note See s (3) in relation to when it is reasonable to characterise an act as an act of terrorism.
 - (d) liability for personal injury, damage or loss—
 - (i) that arises independently of a wrongful act or omission; or

- (f) liability to pay damages for a personal injury that arises gradually from a series of incidents;
 - (g) any other liability prescribed by regulation.

- (2) The CTP insurer for a CTP policy is, despite any other law, liable to indemnify each CTP insured person for the CTP policy for the liability that the policy purports to cover.
- (3) To remove any doubt, the reference to any other law in subsection (1) does not include a reference to—
 - (a) section 22 (What risks are not covered by a CTP policy?); or
 - (b) a declaration made under the *Road Transport (General) Act 1999*—
 - (i) section 12 (Power to include or exclude areas in road transport legislation); or
 - (ii) section 13 (Power to exclude vehicles, people or animals from road transport legislation).

26 CTP policy not affected by change of vehicle ownership

- (1) A CTP policy for a motor vehicle is not affected by—
 - (a) a change in ownership of the vehicle; or
 - (b) the transfer of the registration of the vehicle.
- (2) If the road transport authority becomes aware of a change in the ownership or registration details of an insured motor vehicle, the road transport authority must tell the CTP insurer for the motor vehicle about the change.

27 CTP policy not affected by errors

The validity of a CTP policy is not affected by an error of the road transport authority, or an error of a licensed insurer, in relation to the policy.

Part 2.3 Selecting a CTP insurer

28 Selecting at first registration

If a person applies to the road transport authority for registration of a motor vehicle, the person must also—

- (a) select, in a way approved by the road transport authority, a licensed insurer to be the CTP insurer under a CTP policy for the motor vehicle for the period of registration; and

- (a) the *Road Transport (Vehicle Registration) Act 1999*; or
- (b) the *Interstate Road Transport Act 1985* (Cwlth).

Part 2.4 Length of CTP policy

31 CTP policy takes effect on registration or renewal

If the road transport authority registers, or renews the registration of, a motor vehicle, a CTP policy comes into force for the motor vehicle when the registration, or renewal of registration, takes effect.

32 CTP policy in effect while insurer on risk

A CTP policy for a motor vehicle is in force for the period for which the CTP insurer is on risk under—

- (a) section 33 (Insurer on risk—period of registration); or
- (b) section 34 (Insurer on risk—period of grace).

33 Insurer on risk—period of registration

- (1) The CTP insurer of a motor vehicle is on risk for the period of registration of the motor vehicle.
- (2) However, if registration is renewed before the previous period of registration ends—
 - (a) the old insurer is on risk until the previous period of registration expires; and
 - (b) the new insurer comes on risk immediately after the previous period of registration expires.
- (3) A CTP insurer ceases to be on risk if the CTP policy is cancelled.
- (4) In this section:

new insurer means the CTP insurer whose insurance is later in time.

Note The old insurer and the new insurer may be the same insurer or different insurers.

old insurer, in relation to a motor vehicle the registration of which is renewed during the period of grace or later, means the last CTP insurer of the vehicle before renewal.

period of registration means—

- (a) the period, not longer than 1 year, for which the registration, or renewed registration, of a motor vehicle is to be in force; or
- (b) if the registration, or renewed registration is cancelled or surrendered before the end of that period—the period for which the registration, or renewed registration, is actually in force.

renewal of registration of a motor vehicle includes registration of the vehicle after the previous registration has expired.

34 Insurer on risk—period of grace

- (1) If registration of a motor vehicle is renewed during the period of grace—
 - (a) the old insurer is on risk until midnight on the day registration is renewed; and
 - (b) the new insurer comes on risk immediately after midnight and is on risk for the period of renewed registration.

Note **Period of grace** is defined in s (4).

- (2) If registration is renewed after the period of grace expires—
 - (a) the new insurer comes on risk at the time the renewal of registration is effected; and
 - (b) the motor vehicle is not an insured motor vehicle from the expiry of the previous period of registration until the renewal of registration takes effect.
- (3) A CTP insurer ceases to be on risk if the CTP policy is cancelled.

(4) In this section:

new insurer means the CTP insurer whose insurance is later in time.

period of grace means the 14 days after the registration, or renewal of registration, of a motor vehicle expires.

Note There is no period of grace following the cancellation or surrender of registration or a renewal of registration of a motor vehicle.

Part 2.5 Cancellation of CTP policies

35 CTP insurer cannot cancel CTP policy

A CTP insurer has no power to cancel a CTP policy.

36 CTP policy cancelled if registration cancelled

A CTP policy is cancelled if the registration of the motor vehicle to which the policy relates is cancelled.

Part 2.6 CTP premiums

Division 2.6.1 Approval of CTP premiums

37 What is a *CTP premium*?

In this Act:

CTP premium, for a CTP policy, means the insurance premium approved under this part for the CTP policy.

38 Licensed insurer to charge approved premium

A licensed insurer may charge a premium for a CTP policy only if the premium is approved under this part.

Note It is a condition of a CTP insurer licence that the licensed insurer must comply with this section (see s 185).

39 CTP regulator may make CTP premium guidelines

- (1) The CTP regulator may make guidelines for premiums for CTP policies (the *CTP premium guidelines*).
- (2) The CTP premium guidelines may—
 - (a) state how CTP premiums are to be worked out and the factors to be taken into account in working out CTP premiums; and
 - (b) require licensed insurers to state how they have worked out CTP premiums; and
 - (c) state the additional information the CTP regulator may require licensed insurers to give to the CTP regulator—
 - (i) with an application for approval of a premium; or

- (ii) to justify CTP premiums they have already given to the CTP regulator for approval.

Example—additional information

for estimated investment earnings—the verification of assumptions, estimated profit, capital allocation to CTP insurance business

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (3) The CTP premium guidelines are a notifiable instrument.

Note 1 A notifiable instrument must be notified under the Legislation Act.

Note 2 It is a condition of a CTP insurer licence that the licensed insurer must comply with CTP premium guidelines (see s 185).

40 Licensed insurer to apply for approval of premiums

- (1) A licensed insurer must apply to the CTP regulator for approval of premiums the licensed insurer proposes to charge for CTP policies the licensed insurer intends to issue—
- (a) after the defined period after the licensed insurer's premiums were last approved by the CTP regulator; or
- (b) if the CTP regulator, by written notice (an **approval notice**), requires the licensed insurer to apply for the approval.
- (2) If a licensed insurer receives an approval notice, the licensed insurer must make the application not later than 4 weeks after the day the licensed insurer receives the approval notice.

Note 1 The CTP premium guidelines may state the additional information the CTP regulator may require licensed insurers to give to the CTP regulator with the application (see s 39).

Note 2 It is a condition of a CTP insurer licence that the licensed insurer must comply with this section (see s 185).

Note 3 If a form is approved under s 276 for this section, the form must be used.

Note 4 A fee may be determined under the *Road Transport (General) Act 1999*, s 96, for this section.

(3) In this section:

defined period means—

- (a) 1 year; or
- (b) if the CTP regulator allows a longer period of time—the longer period allowed by the CTP regulator.

41 CTP regulator to approve or reject premiums

(1) If a licensed insurer applies to the CTP regulator for approval of a premium for a CTP policy, the CTP regulator must—

- (a) approve the premium; or
- (b) reject the premium.

Note Criteria for rejecting the premium are in s 42. The licensed insurer may ask the CTP regulator to reconsider a rejected premium (see s 44).

(2) The CTP regulator must, not later than 6 weeks after the day the CTP regulator receives the application from the licensed insurer—

- (a) decide whether to approve or reject the premium; and
- (b) tell the licensed insurer—
 - (i) about the decision; and
 - (ii) the reasons for the decision.

42 Criteria to reject premium

The CTP regulator may reject a premium for a CTP policy only if the CTP regulator considers that—

- (a) the premium will not fully fund the present and likely future liability under this Act of the licensed insurer; or

Note Criteria for deciding whether a premium will fully fund the present and likely future liability under this Act of a licensed insurer are in s 43.

- (b) having regard to actuarial advice and to other relevant financial information available to the CTP regulator, the premium is excessive; or
- (c) the premium does not comply with the CTP premium guidelines.

Note The CTP premium guidelines are made under s 39.

43 Criteria to decide if premium will fund liabilities

A CTP premium will fully fund the present and likely future liability under this Act of a licensed insurer if the CTP premium is sufficient—

- (a) to pay all acquisition and policy administration expenses of the licensed insurer; and
- (b) to provide an amount of money that together with anticipated investment income is equal to the best estimate of the cost of motor accident claims plus motor accident claim settlement expenses (in inflated dollars) at the assumed date of settlement; and
- (c) to provide a profit margin in excess of all motor accident claims, costs and expenses that represents an adequate return on capital invested and compensation for the risk taken; and

- (d) to provide for other matters that a prudent insurer should, in all the circumstances, make provision for.

44 CTP regulator may reconsider rejected premiums

- (1) If the CTP regulator rejects a premium for a CTP policy (the *original decision*), the licensed insurer may ask the CTP regulator to reconsider the rejected premium.
- (2) Until the rejected premium is reconsidered, the CTP regulator may ask an actuary to decide a provisional premium for the CTP policy.
- (3) A provisional premium has effect, until the CTP regulator makes a decision under subsection (4) in relation to the original decision, as if the provisional premium were a CTP premium.
- (4) The CTP regulator must, not later than 4 weeks after the day the CTP regulator receives the request for reconsideration of the original decision from the licensed insurer—
 - (a) reconsider the original decision; and
 - (b) decide whether to approve or reject the premium; and

Note Criteria for rejecting the premium are in s 42.

 - (c) tell the licensed insurer—
 - (i) about the decision; and
 - (ii) the reasons for the decision.

45 Arbitration of unresolved premiums

- (1) If, under section 44, the CTP regulator again rejects a premium for a CTP policy, the matter must be arbitrated under this section.
- (2) The *Commercial Arbitration Act 1986* applies to the arbitration, subject to this Act.

- (3) The arbitrator for the matter is—
 - (a) if the CTP regulator and the licensed insurer agree on an arbitrator—the agreed arbitrator; or
 - (b) if the CTP regulator and the licensed insurer do not agree on an arbitrator—the CTP premium board.
- (4) However, if the matter has been arbitrated by an agreed arbitrator for 7 days and the parties cannot reach agreement, the CTP premium board must arbitrate the matter.
- (5) The arbitrator may approve a premium for a CTP policy only if the premium is, in the arbitrator’s opinion, sufficient to fully fund the present and likely future liability of the licensed insurer under this Act.

Note 1 Criteria for deciding whether a CTP premium will fully fund the present and likely future liability under this Act of a licensed insurer are in s 43.

Note 2 A decision under this section by an arbitrator is a reviewable decision (see the *Road Transport (General) Act 1999*, pt 7 and the *Road Transport (General) Regulation 2000*).
- (6) The regulations may make provision for the arbitration of matters.

46 CTP regulator to report on licensed insurer’s profit margins

- (1) A licensed insurer must tell the CTP regulator the profit margin on which each CTP premium charged by the licensed insurer is based and the actuarial basis for working out that profit margin.
- (2) The CTP regulator must assess—
 - (a) the profit margin; and
 - (b) the actuarial basis on which the profit margin is worked out.
- (3) The CTP regulator must present a report about the assessments annually to the Legislative Assembly.

Division 2.6.2 CTP premium board

47 CTP premium board

The CTP premium board (the *CTP premium board*) is established.

48 Functions of board

The CTP premium board has the following functions:

- (a) to arbitrate matters about premiums for CTP policies;
- (b) any other function prescribed by regulation.

49 Board members

- (1) The CTP premium board has the following members:
 - (a) a chair;
 - (b) a government representative;
 - (c) 3 motorist representatives;
 - (d) 2 CTP insurer representatives.
- (2) A person must not hold 2 or more positions mentioned in subsection (1).

50 Appointment of board members

- (1) The Minister may appoint the members of the CTP premium board.

Note 1 For the making of appointments (including acting appointments), see the Legislation Act, pt 19.3.

Note 2 In particular, a person may be appointed for a particular provision of a law (see Legislation Act, s 7 (3)) and an appointment may be made by naming a person or nominating the occupant of a position (see Legislation Act, s 207).

Note 3 Certain Ministerial appointments require consultation with an Assembly committee and are disallowable (see Legislation Act, div 19.3.3).

- (2) The only criteria for deciding whether to appoint a person as a member are—
- (a) that the person has the experience or expertise necessary to exercise the functions of a member; and
 - (b) for the chair—that the person is also a senior lawyer; and
 - (c) for the government representative, that the person also—
 - (i) is a public servant; and
 - (ii) represents the interests of the Territory; and
 - (d) for a motorist representative—that the person also represents the interests of motorists; and
 - (e) for a CTP insurer representative—that the person also represents the interests of CTP insurers.
- (3) The appointment of a member must be for a term of not longer than 3 years.
- (4) The conditions of appointment of a member are the conditions stated in the appointment.
- (5) In this section:
- Australian legal practitioner*—see the *Legal Profession Act 2006*, section 8.
- senior lawyer* means a lawyer who—
- (a) is an Australian legal practitioner; and
 - (b) has been an Australian legal practitioner for at least 10 years; and
 - (c) has practised law in the area of personal injury matters for at least 5 years.

51 Appointment of deputy chair

The CTP premium board may appoint a member, other than the chair, as deputy chair for the CTP premium board.

52 Ending board member appointments

The Minister may end a CTP premium board member's appointment—

- (a) if the member contravenes a territory law; or
- (b) for misbehaviour; or
- (c) if the member becomes bankrupt or executes a personal insolvency agreement; or
- (d) if the member is convicted, or found guilty, in Australia of an offence punishable by imprisonment for at least 1 year; or
- (e) if the member is convicted, or found guilty, outside Australia of an offence that, if it had been committed in the ACT, would be punishable by imprisonment for at least 1 year; or
- (f) if the member exercises the member's functions other than in accordance with section 53; or
- (g) if the member fails to take all reasonable steps to avoid being placed in a position where a conflict of interest arises during the exercise of the member's functions; or
- (h) if the member contravenes section 56 (Disclosure of interests by board members); or
- (i) if the member is absent from 3 consecutive meetings of the board, otherwise than on approved leave; or
- (j) for physical or mental incapacity, if the incapacity substantially affects the exercise of the member's functions.

Note A person's appointment also ends if the person resigns (see Legislation Act, s 210).

53 Honesty, care and diligence of board members

In exercising the functions of a CTP premium board member, a member must exercise the degree of honesty, care and diligence required to be exercised by a director of a corporation in relation to the affairs of the corporation.

54 Conflicts of interest by board members

A CTP premium board member must take all reasonable steps to avoid being placed in a position where a conflict of interest arises during the exercise of the member's functions.

55 Board agenda to require disclosure of interest item

The agenda for each meeting of the CTP premium board must include an item requiring any material interest in an issue to be considered at the meeting to be disclosed to the meeting.

56 Disclosure of interests by board members

- (1) If a CTP premium board member has a material interest in an issue being considered, or about to be considered, by the CTP premium board, the member must disclose the nature of the interest at a board meeting as soon as practicable after the relevant facts come to the member's knowledge.

Note **Material interest** is defined in s (4). The definition of *indirect interest* in s (4) applies to the definition of *material interest*.

- (2) The disclosure must be recorded in the CTP premium board's minutes and, unless the board otherwise decides, the member must not—
 - (a) be present when the board considers the issue; or

(b) take part in a decision of the board on the issue.

Example

Albert, Boris and Chloe are members of a CTP premium board. They have an interest in an issue being considered at a CTP premium board meeting and they disclose the interest as soon as they become aware of it. Albert's and Boris's interests are minor but Chloe has a direct financial interest in the issue.

The CTP premium board considers the disclosures and decides that because of the nature of the interests:

- Albert may be present when the board considers the issue but not take part in the decision
- Boris may be present for the consideration and take part in the decision.

The board does not make a decision allowing Chloe to be present or take part in the board's decision. Accordingly, since Chloe has a material interest she cannot be present for the consideration of the issue or take part in the decision.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

(3) Any other CTP premium board member who also has a material interest in the issue must not be present when the board is considering its decision under subsection (2).

(4) In this section:

associate, of a person, means—

- (a) the person's business partner; or
- (b) a close friend of the person; or
- (c) a family member of the person.

executive officer, of a corporation, means a person (however described) who is concerned with, or takes part in, the corporation's management, whether or not the person is a director of the corporation.

indirect interest—without limiting the kinds of indirect interests a person may have, a person has an ***indirect interest*** in an issue if any of the following has an interest in the issue:

- (a) an associate of the person;
- (b) a corporation if the corporation has not more than 100 members and the person, or an associate of the person, is a member of the corporation;
- (c) a subsidiary of a corporation mentioned in paragraph (b);
- (d) a corporation if the person, or an associate of the person, is an executive officer of the corporation;
- (e) the trustee of a trust if the person, or an associate of the person, is a beneficiary of the trust;
- (f) a member of a firm or partnership if the person, or an associate of the person, is a member of the firm or partnership;
- (g) someone else carrying on a business if the person, or an associate of the person, has a direct or indirect right to participate in the profits of the business.

material interest—a CTP premium board member has a ***material interest*** in an issue if the member has—

- (a) a direct or indirect financial interest in the issue; or
- (b) a direct or indirect interest of any other kind if the interest could conflict with the proper exercise of the member's functions in relation to the board's consideration of the issue.

57 Reporting of disclosed CTP premium board interests to Minister

- (1) Within 3 months after the day a material interest is disclosed under section 56 (1), the chair of the CTP premium board must report to the Minister in writing about—
 - (a) the disclosure; and
 - (b) the nature of the interest disclosed; and
 - (c) any decision by the board under section 56 (2).
- (2) The chair must also give the Minister, not later than 31 days after the end of each financial year, a statement that sets out the information given to the Minister in reports under subsection (1) that relate to disclosures made during the previous financial year.
- (3) The Minister must give a copy of the statement to the relevant committee of the Legislative Assembly within 31 days after the day the Minister receives the statement.
- (4) In this section:
relevant committee means—
 - (a) a standing committee of the Legislative Assembly nominated by the Speaker for subsection (3); or
 - (b) if no nomination under paragraph (a) is in effect—the standing committee of the Legislative Assembly responsible for public accounts.

58 Protection of CTP premium board members from liability

- (1) A CTP premium board member is not civilly liable for anything done or omitted to be done honestly and without recklessness—
 - (a) in the exercise of a function under a territory law; or
 - (b) in the reasonable belief that the act or omission was in the exercise of a function under a territory law.

- (2) Any liability that would, apart from this section, attach to a CTP premium board member attaches instead to the Territory.

Part 2.7 Nominal defendant liable for uninsured or unidentified motor vehicles

59 Nominal defendant

- (1) For this Act, ACTIA is the *nominal defendant*.
- (2) Any action or proceeding by or against the nominal defendant must be taken in the name of the 'nominal defendant'.
- (3) In this section:

ACTIA means the Australian Capital Territory Insurance Authority established under the *Insurance Authority Act 2005*.

60 What is an *uninsured motor vehicle*?

- (1) For this Act:
uninsured motor vehicle—
 - (a) means a motor vehicle for which there is no CTP policy in force; and
 - (b) includes a trailer that—
 - (i) is attached to an uninsured motor vehicle; or
 - (ii) runs out of control after becoming accidentally detached from an uninsured motor vehicle; and
 - (c) includes anything else prescribed by regulation.
- (2) To avoid any doubt, it does not matter whether a trailer mentioned in subsection (1) (b) is registered.

61 Nominal defendant liable—uninsured motor vehicle

- (1) This section applies if—
- (a) a personal injury is caused by a motor accident; and
 - (b) at the time of the motor accident, the motor vehicle involved in the motor accident—
 - (i) had a sufficient connection with the ACT; and
 - (ii) was an uninsured motor vehicle; and
 - (c) the motor accident happened anywhere in Australia.

Note 1 **Motor accident** is defined in s 7.
Personal injury is defined in s 6.

Note 2 The circumstances in which a motor vehicle has a sufficient connection with the ACT may be prescribed by regulation (see s (5)).

- (2) The nominal defendant is liable in relation to the personal injury as if—
- (a) a CTP policy were in force for the motor vehicle; and
 - (b) the nominal defendant were the CTP insurer for the CTP policy.

Note **CTP policy** is defined in s 18.

- (3) However, the nominal defendant is not liable in relation to the personal injury—
- (a) if—
 - (i) the motor accident happened on an area that is not a road and is open to or used by the public for driving, riding or parking vehicles; and
 - (ii) at the time the motor accident happened, the person injured was a trespasser on the land; or

Note The area described in subpar (i) is a road related area (see dict, def **road related area** par (a) (iv)).

- (b) the uninsured motor vehicle is owned by—
 - (i) the Commonwealth, or an entity representing the Commonwealth; or
 - (ii) the Territory, or an entity representing the Territory; or
- (c) at the time the motor accident happened—
 - (i) the uninsured motor vehicle was registered under either the law of a place other than the ACT or under a law of the Commonwealth; and
 - (ii) the uninsured motor vehicle was—
 - (A) covered under a policy of compulsory third-party insurance; or
 - (B) subject to coverage under a compulsory motor vehicle or trailer accident compensation scheme of that place or of the Commonwealth; or
- (d) a regulation prescribes that, in the circumstances, the nominal defendant is not liable in relation to the personal injury.

Note The nominal defendant is also not liable for the risks mentioned in s 22.

- (4) In this section:

motor vehicle means a motor vehicle that—

- (a) is exempt from registration; or
- (b) if not exempt from registration—must be registered to allow its lawful use or operation on a road or road related area in the ACT and—
 - (i) was at the time of manufacture capable of registration; or
 - (ii) was at the time of manufacture, with minor adjustments, capable of registration; or

- (iii) was previously capable of registration but is no longer capable of registration because the motor vehicle is in disrepair.
- (5) A regulation may prescribe the circumstances in which a motor vehicle has a sufficient connection with the ACT.

62 What is an *unidentified motor vehicle*?

- (1) In this Act:
 - unidentified motor vehicle*—
 - (a) means a motor vehicle that cannot be identified after reasonable inquiry and search; and
 - (b) includes a trailer that—
 - (i) is attached to an unidentified motor vehicle; or
 - (ii) runs out of control after becoming accidentally detached from an unidentified motor vehicle; and
 - (c) includes anything else prescribed by regulation.
 - (2) To avoid any doubt, it does not matter whether a trailer mentioned in subsection (1) (b) is registered.
 - (3) The inquiry or search may be proved orally or by affidavit of the person who made the inquiry or search.

Note 1 The claimant must prove that reasonable inquiry or search has been carried out before the nominal defendant may be added as a later respondent (see s 91).

Note 2 The respondent must prove that reasonable inquiry or search has been carried out before the nominal defendant may be added as a contributor (see s 93).

63 Nominal defendant liable—unidentified motor vehicle

- (1) This section applies if—
- (a) a personal injury is caused by a motor accident; and
 - (b) the motor vehicle involved in the motor accident is an unidentified motor vehicle; and
 - (c) the motor accident happened in the ACT.

Note **Motor accident** is defined in s 7.
Personal injury is defined in s 6.

- (2) The nominal defendant is liable in relation to the personal injury as if—
- (a) a CTP policy were in force for the motor vehicle; and
 - (b) the nominal defendant were the CTP insurer for the CTP policy.

Note **CTP policy** is defined in s 18.

- (3) However, the nominal defendant is not liable in relation to the personal injury if—
- (a) the motor accident happened on an area that is not a road and is open to or used by the public for driving, riding or parking vehicles; and
 - (b) at the time the motor accident happened, the person injured was a trespasser on the land.

Note 1 The area described in par (a) is a road related area (see dict, def **road related area** par (a) (iv)).

Note 2 The nominal defendant is also not liable for the risks mentioned in s 22.

64 Nominal defendant may deal with motor accident claim

- (1) If a motor accident claim is made against the nominal defendant, the nominal defendant may deal with the motor accident claim, and any proceeding relating to the motor accident claim, in the way the nominal defendant considers appropriate including—

- (a) settling or compromising the motor accident claim; and

65 Nominal defendant to pay motor accident claims from nominal defendant fund

- (1) The nominal defendant is not personally liable to pay—
- (a) an amount payable in satisfaction of a motor accident claim made, or judgment obtained, under—

 - (b) in any other way approved by the Minister and the Treasurer.

67 Collections for nominal defendant fund

- (1) The CTP regulator must, each financial year, collect an amount for the nominal defendant fund—
 - (a) from the people and funds prescribed by regulation; and
 - (b) in accordance with the arrangements prescribed by regulation.
- (2) The CTP regulator may decide the amount to be collected for a financial year.
- (3) The CTP regulator must not decide an amount for a financial year if the CTP regulator considers that satisfactory arrangements have been made for that year (under the insurance industry deed or otherwise) by licensed insurers to meet motor accident claims made against the nominal defendant.

Note The insurance industry deed is dealt with in s 9.

Chapter 3 Early payment for treatment of motor accident injuries

Part 3.1 Important concepts

68 **Who is a person's *insurer*?**

In this chapter:

insurer, of a person, for payment of expenses under this chapter means—

- (a) if the person is a CTP insured person—the CTP insurer for the person; or
- (b) if the person is not a CTP insured person—the nominal defendant.

69 **What is a *motor accident notification form*?**

In this Act:

motor accident notification form, for a motor accident, means a form about the motor accident completed by or for the injured person.

Note If a form is approved under s 276 for a motor accident notification form, the form must be used.

70 **What is a *motor accident medical report*?**

In this Act:

motor accident medical report, for a motor accident, means a medical report prepared by a doctor about the personal injuries caused to the injured person by the motor accident.

Note If a form is approved under s 276 for a motor accident medical report, the form must be used.

In this Act:

medical expenses includes hospital and pharmaceutical expenses.

Part 3.2 Early payment

72 Entitlement to early payment—injured person to give forms to insurer within 28 days

- (1) A person is entitled to payment for medical expenses under this chapter in relation to a motor accident if—
 - (a) the person is an injured person for the accident; and
 - (b) the following documents are given to the injured person's insurer not later than 28 days after the motor accident:
 - (i) a motor accident notification form for the accident that includes a declaration by or for the person that the motor accident was not caused wholly or mainly by the fault of the person;
 - (ii) a motor accident medical report for the accident.
- (2) However, an injured person is entitled to payment for medical expenses under this chapter in relation to a motor accident only if—
 - (a) a police officer attended the motor accident; or
 - (b) the motor accident was reported to a police officer by or for the injured person.

73 What kinds of expenses must be paid by insurer?

- (1) If a person is entitled to payment for medical expenses under this chapter in relation to a motor accident, the person's insurer is required to pay only for medical expenses that are—
 - (a) incurred within 6 months after the day the motor accident happened; and
 - (b) reasonably incurred because of the personal injury caused by the motor accident.

- (2) The insurer must make a payment for expenses under this section on presentation of an account, or receipt, for the expenses made up, and verified, as prescribed by regulation.

Note 1 Payments under this section may be recoverable under pt 4.11.

Note 2 It is a condition of a CTP insurer licence that the licensed insurer must comply with this section (see s 185).

74 Maximum amount insurer is required to pay

- (1) If a person is entitled to payment for medical expenses under this chapter in relation to a motor accident, the person's insurer must make payments for the person's medical expenses under section 73 up to—
- (a) \$5 000; or
 - (b) if a higher amount is determined by the CTP regulator—the determined amount.
- (2) The CTP regulator may determine an amount for this section.
- (3) A determination is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

- (4) To remove any doubt, a person's insurer may make payments for the person's medical expenses under section 73 in addition to the amount payable under subsection (1).

75 Early payment—no effect on liability

- (1) A payment made by an insurer to a person in relation to a motor accident under this chapter—
- (a) is not an admission of liability in relation to the motor accident; and
 - (b) does not in any way prejudice or affect a claim or proceeding arising out of the motor accident.

- (2) To remove any doubt, an insurer may make a payment under this chapter in relation to a motor accident—
- (a) whether or not the insurer has accepted liability in relation to a motor accident claim arising from the accident; and
 - (b) whether or not a motor accident claim has been made against an insured person in relation to the motor accident.

- (3) If the claimant is a child, the claimant's parent or legal guardian may give the notice of claim for the claimant.

- (2) The notice of claim must be given under section 84 not later than the earlier of the following days:
- (a) the day that is 9 months after—
- (i) the day the motor accident for the motor accident claim happened; or
- (ii) if symptoms of the personal injury caused by the motor accident are not immediately apparent—the day symptoms of the personal injury first appear;
- (b) the day that is 1 month after the later of the following days:
- (i) the day the claimant first instructs a lawyer to provide advice about seeking damages for the personal injury;

- (ii) the day the respondent is identified.

Note However, the time for giving a notice of claim for a claimant with a legal disability begins on the day after the day the claimant's legal disability ends (see s 98).

- (3) If the claimant does not give the notice of claim as required in subsection (2), a reasonable excuse for the delay must be given in the notice or by separate written notice to the respondent.
- (4) Without limiting subsection (3), an excuse is reasonable if the excuse is prescribed by regulation.

Note For waiver of compliance see s 95.

86 Time for giving notice of claim—nominal defendant

- (1) This section applies if the insurer for the motor accident claim is the nominal defendant.
- (2) The notice of claim must be given under section 84 not later than 3 months after the day the motor accident for the motor accident claim happened.

Note However, the time for giving a notice of claim for a claimant with a legal disability begins on the day after the day the claimant's legal disability ends (see s 98).

- (3) If the claimant does not give the notice of claim as required in subsection (2), a reasonable excuse for the delay must be given in the notice or by separate written notice to the nominal defendant.
- (4) Without limiting subsection (3), an excuse is reasonable if the excuse is prescribed by regulation.

Note For waiver of compliance see s 95.

87 Respondent to identify and notify others

- (1) If a respondent knows of anyone else (a *relevant person*) against whom the claimant may be able to begin a proceeding based on the

motor accident claim, the respondent must, not later than 7 days after the day the respondent receives the notice of claim—

- (a) give a copy of the notice of claim to the relevant person; and
 - (b) tell the claimant in writing about the relevant person, including a short written explanation of why the respondent believes that the person may be a relevant person.
- (2) If the respondent is a child, the respondent's parent or legal guardian may comply with subsection (1) for the respondent.

88 Preliminary response to claimant

- (1) A respondent must, in writing not later than 1 month after the day the respondent receives a notice of claim under section 84—
- (a) respond to the claimant under section 90; or
 - (b) if the respondent cannot decide, on the information in the notice, whether the respondent is properly a respondent for the claim—give the claimant a written notice about the further information the respondent reasonably needs to make that decision; or
 - (c) if the respondent believes that he or she is not properly a respondent for the claim—give the claimant a written notice to that effect, indicating—
 - (i) the reasons for the belief; and
 - (ii) any information the respondent has that may help the claimant identify someone who may be a respondent for the claim.
- (2) A claimant given a written notice under subsection (1) (b) must, not later than 1 month after the day the claimant is given the notice—
- (a) give the respondent the further information indicated in the notice; or

- (b) tell the respondent, in writing, that the claimant—
 - (i) considers the respondent to be properly a respondent for the claim; and
 - (ii) requires the respondent to respond to the claimant under section 90.
- (3) Not later than 1 month after the day the respondent is given the information under subsection (2) (a), the respondent must, having regard to the information—
 - (a) respond to the claimant under section 90; or
 - (b) if the respondent believes that he or she is not properly a respondent for the claim, give the claimant a written notice to that effect, indicating—
 - (i) the reasons for the belief; and
 - (ii) any information the respondent has that may help the claimant identify someone who may be a respondent for the claim.
- (4) If the claimant is given notice under subsection (1) (c) or subsection (3) (b) that the respondent is not properly a respondent for the motor accident claim, the claimant must, not later than 1 month after the day the claimant is given the notice, tell the respondent, in writing, that the claimant—
 - (a) accepts that the respondent is not properly a respondent for the claim; or
 - (b) considers the respondent to be properly a respondent for the claim and requires the respondent to respond to the claimant under section 90.
- (5) Acknowledgement given to the respondent under subsection (4) (a) does not prevent the claimant from later giving the respondent another notice of claim under section 84.

89 Acknowledgment that proper respondent not admission of liability

- (1) This section applies if a respondent acknowledges that he or she is properly a respondent for a motor accident claim.
- (2) The respondent is not taken to have admitted liability only because of making the acknowledgment.

90 Response to notice of claim

- (1) This section applies if a respondent—
 - (a) considers the respondent to be properly a respondent for a motor accident claim; or
 - (b) is told under section 88 (2) (b) or section 88 (4) (b) (Preliminary response to claimant) that the claimant considers the respondent is properly a respondent for a motor accident claim.
- (2) The respondent must, not later than the required day, give the claimant a written notice (a *response*)—

Note **Required day**—see s (5).

- (a) stating whether the respondent is satisfied that the notice of claim is a complying notice of claim; and

Note **Complying notice of claim** is defined in s 76.

- (b) if the respondent is not satisfied that the notice of claim is a complying notice of claim—identifying the noncompliance and stating whether the respondent waives compliance; and
- (c) if the respondent does not waive compliance—allowing the claimant a reasonable period, of at least 1 month, stated in the response to—
 - (i) satisfy the respondent that the notice of claim is a complying notice of claim; or

- (ii) take reasonable action stated in the response to remedy the noncompliance; and
- (d) stating whether the insurer for the motor accident claim is prepared (without admitting liability) to meet the reasonable and appropriate costs of the claimant's rehabilitation.

Note Further provisions about rehabilitation are in pt 4.6.

- (3) If the respondent does not give a response by the required day, the respondent is conclusively presumed to be satisfied that the notice of claim is a complying notice of claim.
- (4) If subsection (2) (c) applies, the respondent must, not later than 1 month after the day the period stated in the response ends, give the claimant a written notice stating that the respondent—
 - (a) is satisfied the notice of claim is a complying notice of claim requirements, is satisfied with the action taken by the claimant to remedy the noncompliance, or waives the noncompliance; or
 - (b) is not satisfied that the claimant has taken reasonable action to remedy the noncompliance, and giving full particulars of the noncompliance and the claimant's failure to remedy it.
- (5) In this section:
required day means—
 - (a) if the respondent responds directly to the claimant under this section as mentioned in section 88 (1) (a)—the day applying under section 88 (1); and
 - (b) in any other case—the later of the following:
 - (i) if the respondent gives notice to the claimant under section 88 (3) (a)—1 month after the day the respondent is given the further information under section 88 (2) (a);

- (ii) if the claimant tells the respondent under section 88 (2) (b) or section 88 (4) (b) that the claimant considers the respondent is properly a respondent for the motor accident claim—1 month after the day the claimant tells the respondent under that paragraph.

91 Claimant may add later respondents

- (1) After a claimant has given a notice of claim to a respondent, the claimant may add someone else as a respondent for the motor accident claim (a *later respondent*) by giving the later respondent—
 - (a) the notice of claim; and
 - (b) copies of other documents given to, or received from, other respondents under this part.
- (2) However, the claimant may only add a later respondent—
 - (a) not later than the day prescribed by regulation; or
 - (b) later than the day prescribed for paragraph (a) if—
 - (i) the later respondent and all parties for the motor accident claim agree; or
 - (ii) the court gives leave.
- (3) Also, the claimant may add the nominal defendant as a later respondent in relation to a motor accident claim for a motor accident involving an unidentified motor vehicle only if the claimant has made reasonable inquiry and search for the identity of the motor vehicle.
- (4) The inquiry or search may be proved orally or by affidavit by the person who made the inquiry or search.
- (5) If the claimant adds a later respondent under this section—
 - (a) the later respondent must respond to the notice of claim as if the notice were given under section 84; and

- (b) the claimant must, in writing, tell each other respondent of the addition not later than the day prescribed by regulation.

92 Multiple respondents

- (1) If there are 2 or more respondents for a motor accident claim, 1 of the respondents (the *respondents' claim manager*) must act for all of the respondents under this chapter.
- (2) The respondents' claim manager must be decided—
 - (a) by agreement between the respondents; or
 - (b) if the respondents cannot agree within 2 months after the day the claimant first gave, or is taken to have given, a respondent for the motor accident claim a complying notice of claim—under the industry deed.

Note The circumstances in which a claimant is taken to have given a respondent a complying notice of claim are in s 95.

- (3) Until the respondents' claim manager is decided under subsection (2), the respondent to which the notice of claim is first given under section 84 is the respondents' claim manager.
- (4) The respondents' claim manager—
 - (a) may exercise the functions given under this part in relation to the motor accident claim and the claimant for all the respondents; and
 - (b) must act, as far as practicable, with the agreement of all the respondents.
- (5) Action taken, or an agreement made, by the respondents' claim manager in relation to the motor accident claim is binding on each respondent as far as it affects the claimant.
- (6) However, if the respondents' claim manager acts beyond the scope of the manager's authority, the manager is liable to each other respondent for any loss suffered by the other respondent.

93 Respondent may add contributor

- (1) A respondent who receives a complying notice of claim may, not later than the day prescribed by regulation, add someone else as a contributor (the *contributor*) for the motor accident claim by giving the person a written notice (a *contribution notice*)—
 - (a) claiming an indemnity from, or contribution towards, the respondent's liability; and
 - (b) stating the grounds on which the respondent holds the person liable; and
 - (c) stating any other information prescribed by regulation; and
 - (d) accompanied by copies of documents about the motor accident claim given to, or received from, other parties under this chapter.
- (2) However, the respondent may add a contributor after the day prescribed under subsection (1) only if—
 - (a) the contributor and all parties for the motor accident claim agree; or
 - (b) the court gives leave.
- (3) Also, if the respondent proposes to add the nominal defendant as a contributor because the motor accident for the motor accident claim involved an unidentified motor vehicle, the respondent may add the nominal defendant only if the respondent has made reasonable inquiry and search for the identity of the motor vehicle.
- (4) The inquiry or search may be proved orally or by affidavit of the person who made the inquiry or search.
- (5) If the respondent adds a contributor under this section, the respondent must give a copy of the contribution notice to each other party not later than the day prescribed by regulation.

94 Contributor's response

- (1) A contributor must, not later than 1 month after the day the contributor receives a contribution notice, give the respondent who gave the contribution notice a written response (the *contributor's response*)—
 - (a) containing a statement of the information prescribed by regulation; and
 - (b) accompanied by the documents (if any) prescribed by regulation.
- (2) The contributor's response must also state—
 - (a) whether the claim for the contribution or indemnity claimed in the contribution notice is admitted, denied or admitted in part; and
 - (b) if the claim for the contribution or indemnity is admitted in part—the extent to which the claim is admitted.
- (3) An admission of liability in the contributor's response is not binding on the contributor—
 - (a) for another claim; or
 - (b) at all if it later appears the admission was induced by fraud.
- (4) If the respondent requires information provided by a contributor under this section to be verified by statutory declaration, the contributor must verify the information by statutory declaration.

95 Noncomplying notice of claim may be complying notice of claim

- (1) This section applies if the claimant for a motor accident claim gives a respondent for the claim a notice of claim that is not a complying notice of claim.

Note *Complying notice of claim* is defined in s 76.

- (2) The claimant is taken to have given the respondent a complying notice of claim if—
- (a) the respondent has told the claimant, in writing—
 - (i) under section 90 (2) (a) or section 90 (4) (a) (Response to notice of claim), that the respondent is satisfied that the notice of claim is a complying notice of claim; or
 - (ii) under section 90 (2) (b) or section 90 (4) (a) that the respondent waives any noncompliance; or
 - (iii) under section 90 (4) (a), that the respondent is satisfied with the action the claimant has taken to remedy the noncompliance; or
 - (b) the respondent has not responded to the claimant as required and is conclusively presumed, under section 90 (3), to be satisfied the notice is a complying notice of claim; or
 - (c) the court, by order, on application by the claimant—
 - (i) declares that the claimant has remedied the noncompliance; or
 - (ii) authorises the claimant to proceed further with the motor accident claim despite the noncompliance.
- (3) However, if the noncompliance is failure to give the notice of claim in accordance with section 85 (Time for giving notice of claim—CTP insurer) or section 86 (Time for giving notice of claim—nominal defendant), the court may authorise the claimant to proceed under subsection (2) (c) (ii) only if it is in the interests of justice for the matter to proceed further.
- (4) An order of the court under subsection (2) (c) may be made on the conditions that the court considers necessary or appropriate to minimise prejudice to a respondent because of the claimant's noncompliance.

- (5) The claimant is taken to have given, and the respondent is taken to have received, the complying notice of claim, on the day—
- (a) for subsection (2) (a)—the respondent tells the claimant, in writing; or

- (2) If the cost of rehabilitation services is to be taken into account in the assessment of damages, the cost is taken into account as follows:
 - (a) the claimant's damages are first assessed (without reduction for contributory negligence) on the assumption that the claimant has incurred the cost of the rehabilitation services as a result of the personal injury caused by the motor accident;
 - (b) any reduction to be made on account of contributory negligence is then made;
 - (c) the total cost of rehabilitation services is then set-off against the amount assessed.

- (3) On application by a party, the court may decide the time and place for the compulsory conference and make any other orders the court considers appropriate in the circumstances.
- (4) The parties may, by agreement, change the time or place for holding a compulsory conference or adjourn a compulsory conference from time to time and from place to place.
- (5) The compulsory conference may be conducted, if the parties agree, by telephone, closed-circuit television or another form of communication allowing contemporaneous and continuous communication between the parties.

137 Compulsory conference may be dispensed with

- (1) On application by 1 or more of the parties for the motor accident claim, the court may dispense with the compulsory conference for good reason and make any other orders the court considers appropriate in the circumstances.
- (2) In considering whether to dispense with the compulsory conference, the court must take into account the extent of compliance by the parties with their respective obligations for the motor accident claim.

138 Compulsory conference mediator

- (1) A compulsory conference may be held with a mediator if—
 - (a) each party for the motor accident claim agrees; and
 - (b) each party for the motor accident claim agrees, in writing, about how costs of the mediation are to be apportioned between the parties.
- (2) The mediator must be a person who is independent of the parties.
- (3) The mediator must be decided by agreement by each party for the motor accident claim.
- (4) However, if the parties are unable to agree on a mediator not later than 30 days after the date for the compulsory conference is decided, any party for the motor accident claim may apply to the registrar of the court for the registrar to decide the mediator.

139 Procedures before compulsory conference

- (1) At least 7 days before the compulsory conference is to be held, each party for the motor accident claim must give each other party for the motor accident claim the following:
 - (a) a copy of each document that is relevant to the motor accident claim that has not yet been given to the other party;

- (b) a statement verifying that all relevant documents in the possession of the party or the party's lawyer have been given as required;
 - (c) details of the party's legal representation;
 - (d) if the party has legal representation—a certificate of readiness signed by the party's lawyer.
- (2) However, on application by a party, the court may exempt the party from an obligation to give material to another party before trial if satisfied that—
- (a) giving the material would alert a person reasonably suspected of fraud to the suspicion; or
 - (b) there is some other good reason why the material should not be given.
- (3) In this section:
- certificate of readiness***, by a party to a motor accident claim, means a certificate stating that—
- (a) the party is in all respects ready for—
 - (i) the compulsory conference; and
 - (ii) the trial; and
 - (b) the party has obtained all investigative material required for the trial including witness statements from each person (other than expert witnesses) the party intends to call as a witness at the trial; and
 - (c) the party has obtained medical or other expert reports from each person the party proposes to call as an expert witness at the trial; and
 - (d) the party has fully complied with the party's obligations to give the other parties material relevant to the motor accident claim; and

(e) the party's lawyer has given the party a costs statement.

costs statement, by a party's lawyer, means a statement containing—

- (a) details of the legal costs (clearly identifying costs that are legal fees and costs that are disbursements) payable by the party to the party's lawyer up to the completion of the conference; and
- (b) an estimate of the party's likely legal costs (clearly identifying costs that are legal fees and costs that are disbursements) if the motor accident claim proceeds to trial and is decided by the court; and
- (c) a statement of the consequences to the party, in terms of costs, in each of the following cases:
 - (i) if the amount of the damages awarded by the court is equal to, or more than, the claimant's mandatory final offer;
 - (ii) if the amount of the damages awarded by the court is less than the claimant's mandatory final offer but equal to, or more than, the respondent's mandatory final offer;
 - (iii) if the amount of the damages awarded by the court is equal to, or less than, the respondent's mandatory final offer.

Note **Mandatory final offers** are dealt with in pt 4.8.

140 Attendance and participation at compulsory conference

- (1) Each conference participant must, unless the conference participant has a reasonable excuse—
 - (a) attend the compulsory conference; and
 - (b) actively take part in an attempt to settle the motor accident claim.

(2) In this section:

conference participant means—

- (a) the claimant or the claimant's guardian; and
- (b) a person authorised by a respondent or contributor to settle the motor accident claim on the respondent's or contributor's behalf.

Part 4.8 Mandatory final offers

141 Mandatory final offers

- (1) This section applies if, for a motor accident claim—
 - (a) the compulsory conference has been dispensed with under section 137 (Compulsory conference may be dispensed with); or
 - (b) the motor accident claim is not settled at the compulsory conference.
- (2) The claimant and the respondent for the motor accident claim must exchange written final offers (each of which is a *mandatory final offers*).
- (3) However, if a respondent denies liability altogether, the respondent must give the claimant a written notice of denial (a *mandatory final notice*).
- (4) If the respondent gives the claimant a mandatory final notice, for this Act, the respondent is taken to have given the claimant a mandatory final offer of \$0.
- (5) A mandatory final offer must identify how much of the offer is for pain and suffering.

Note If a form is approved under s 276 for a mandatory final offer or a mandatory final notice, the form must be used.

142 Mandatory final offers may be dispensed with

The court may, on application by the claimant or the respondent for the motor accident claim, dispense with the obligation to exchange mandatory final offers.

143 Timing of mandatory final offers

- (1) If the court has not dispensed with the obligation to exchange mandatory final offers, mandatory final offers for a motor accident claim must be exchanged—
 - (a) if the compulsory conference has been dispensed with—not later than 14 days after the day the conference was dispensed with; or

Note A compulsory conference may be dispensed with by agreement or by court order (see s 137).

 - (b) if the claim is not settled at the compulsory conference—at the end of the conference.
- (2) A mandatory final offer remains open for 14 days.

144 Working out costs for mandatory final offers

- (1) A mandatory final offer for \$50 000 or less must be exclusive of costs.
- (2) If a mandatory final offer is for more than \$30 000 but not more than \$50 000, and is accepted, costs must be worked out and paid in the way prescribed by regulation.

145 Court proceedings not to begin if mandatory final offer open

- (1) A claimant for a motor accident claim must not begin a court proceeding based on the claim if a mandatory final offer for the claim remains open.

Note A mandatory final offer remains open for 14 days (see s 143).
- (2) If a claimant brings a court proceeding based on a motor accident claim, the claimant must, at the beginning of the proceeding, file in the court a sealed envelope containing a copy of the claimant's mandatory final offer.

- (3) The respondent must, before or at the time of filing a defence, file in the court a sealed envelope containing a copy of the respondent's mandatory final offer.
- (4) The court must not read the mandatory final offers until the court has decided the claim.
- (5) However, the court must have regard to the mandatory final offers if making a decision about costs.

Part 4.9 Court proceedings

146 Time limit for beginning proceeding

- (1) This section applies if a claimant for a motor accident claim does not begin a court proceeding based on the motor accident claim in accordance with the time limits in the following sections:
 - (a) section 147 (Time limit—compulsory conference);
 - (b) section 148 (Time limit—no compulsory conference);
 - (c) section 149 (Time limit—no mandatory final offers).
- (2) The claimant may still begin the proceeding but the court may order the claimant to pay the respondent's costs caused by the delay.
- (3) The respondent may apply to the court for an order deciding a time by which the claimant must begin the proceeding.
- (4) If the claimant does not begin a proceeding in accordance with a court order made on application under subsection (3), the motor accident claim is barred.

147 Time limit—compulsory conference

- (1) This section applies if—
 - (a) the parties to a motor accident claim have had a compulsory conference; and
 - (b) the obligation to exchange mandatory final offers has not been dispensed with.

Note A court may dispense with the obligation to exchange mandatory final offers under s 142.

- (2) The claimant may only begin a court proceeding based on the motor accident claim not later than—
 - (a) 60 days after the end of the compulsory conference; or

- (b) a later day—
 - (i) agreed by the parties not later than 60 days after the end of the compulsory conference; or
 - (ii) decided by the court on application by the claimant not later than 60 days after the end of the compulsory conference.

Note The claimant may still be able to begin a court proceeding based on the motor accident claim under s 146.

148 Time limit—no compulsory conference

- (1) This section applies if—
 - (a) the compulsory conference for the parties to a motor accident claim has been dispensed with; but
 - (b) the obligation to exchange mandatory final offers has not been dispensed with.

Note 1 A compulsory conference may be dispensed with by agreement or by court order (see s 137).

Note 2 A court may dispense with the obligation to exchange mandatory final offers (see s 142).

- (2) The claimant may only begin a court proceeding based on the motor accident claim not later than—
 - (a) the due date; or
 - (b) a later day—
 - (i) agreed by the parties not later than the due date; or
 - (ii) decided by the court on application by the claimant not later than the due date.

Note The claimant may still be able to begin a court proceeding based on the motor accident claim under s 146.

- (3) In this section:

due date means the day 60 days after the later of the following:

- (a) 6 months after the respondent received, or is taken to have received, the claimant's complying notice of claim;

Note The circumstances in which a claimant is taken to have given a respondent a complying notice of claim are in s 95.

- (b) the day the compulsory conference was dispensed with.

Note A compulsory conference may be dispensed with by agreement or by court order (see s 137).

149 Time limit—no mandatory final offers

- (1) This section applies if a court dispenses with the obligation to exchange mandatory final offers.

Note A court may dispense with the obligation under s 142.

- (2) A claimant may only begin a court proceeding based on the motor accident claim not later than the day decided by the court when, or after, the court dispenses with the obligation.

Note The claimant may still be able to begin a court proceeding based on the motor accident claim under s 146.

150 Need for urgent proceeding

- (1) The court, on application by a claimant, may give leave to the claimant to begin a proceeding in the court based on a motor accident claim despite noncompliance with this part if satisfied there is an urgent need to begin the proceeding.
- (2) The order giving leave may be made on conditions the court considers appropriate having regard to the circumstances of the case.
- (3) If leave is given, the proceeding started by leave is stayed until the claimant complies with this part or the proceeding is discontinued or otherwise ends.

- (4) However, the proceeding is not stayed if—
 - (a) the court is satisfied that—
 - (i) the claimant is suffering from a terminal condition; and
 - (ii) the trial of the proceeding should be expedited; and
 - (b) the court orders the proceeding be given priority in the allocation of a trial date.
- (5) If, under subsection (4), the proceeding is not stayed, this part (other than this section) does not apply to the personal injury.

151 Insurer to be joint or sole defendant

- (1) This section applies if—
 - (a) a claimant brings a court proceeding based on a motor accident claim; and
 - (b) the respondent is an insured person or an insurer for the motor accident claim.
- (2) The claimant must bring the proceeding against the insured person and the insurer as joint defendants.
- (3) However, the claimant may bring a proceeding against the insurer alone if—
 - (a) the insured person cannot be identified; or
 - (b) the insured person is dead; or
 - (c) it is impracticable to give the insured person a legal document.
- (4) If judgment is given in favour of the claimant on the motor accident claim for the personal injury, the judgment must be given against the insurer and not the insured person, and, if the proceeding involves other claims (unrelated to the personal injury), a separate judgment must be given on the other claims.

- (5) It is not a defence to a proceeding under this section if the insurer proves that—
- (a) a CTP policy was obtained by fraud, or a material misstatement or nondisclosure; or
 - (b) the insured person is in breach of a contractual or statutory obligation.

152 Procedure if respondent is insurer

- (1) This section applies if—
- (a) a claimant brings a court proceeding based on a motor accident claim; and
 - (b) the respondent is an insured person or an insurer.
- (2) If the motor accident claim lies against 2 or more insurers, all insurers become defendants to the proceeding, but the respondents' claim manager continues to represent all insurers in the proceeding unless the court gives leave allowing 1 or more of the insurers to be separately represented.
- (3) If a motor accident claim lies against 2 or more insurers, and a legal document related to a proceeding based on the motor accident claim is given to the respondents' claim manager, all insurers are taken to have been given the legal document.
- (4) If a legal document related to a proceeding based on a motor accident claim is given to the insurer, the insured person is also taken to have been given the legal document.

153 Exclusion of summary judgment on the basis of admissions

- (1) In a court proceeding based on a motor accident claim, summary judgment is not to be given on the basis of the defendant's admissions.

- (2) However, this section does not prevent a court from giving a judgment by consent.

154 Insurer's right to call and cross-examine insured person

- (1) This section applies if—
- (a) a claimant brings a court proceeding based on a motor accident claim; and
 - (b) the defendant is, or includes, an insurer.

Note In most cases, the claimant must bring the proceeding against the insured person and the insurer as joint defendants (see s 151).

- (2) The insurer may
- (a) call the insured person as a witness; and
 - (b) with the court's leave, cross-examine the insured person.

155 Costs—small awards of damages—generally

- (1) This section applies if a court awards \$50 000 or less in damages in a proceeding (other than an appellate proceeding) based on a motor accident claim.

Note **Damages** does not include damages for pain and suffering (see s (5)).

- (2) If the court awards \$30 000 or less in damages, the court must apply the following principles:
- (a) if the amount awarded is less than the claimant's mandatory final offer but more than the respondent's mandatory final offer, no costs are to be awarded;
 - (b) if the amount awarded is equal to, or more than, the claimant's mandatory final offer, costs must be awarded to the claimant in the way prescribed by regulation as from the date on which the proceeding began (but no award is to be made for costs up to that date);

- (c) if the amount awarded is equal to, or less than, the respondent's mandatory final offer, costs must be awarded to the respondent as prescribed by regulation.
- (3) If the court awards more than \$30 000 but not more than \$50 000 in damages, the court must apply the following principles:
- (a) if the amount awarded is less than the claimant's mandatory final offer but more than the respondent's mandatory final offer, costs must be awarded to the claimant in accordance with the *Civil Law (Wrongs) Act 2002*, chapter 14, up to the maximum amount prescribed by regulation or, if no amount is prescribed, \$2 500;
 - (b) if the amount awarded is equal to, or more than, the claimant's mandatory final offer, costs must be awarded to the claimant as follows:
 - (i) costs up to the date on which the proceeding began must be awarded in accordance with the *Civil Law (Wrongs) Act 2002*, chapter 14, up to the maximum amount prescribed by regulation or, if no amount is prescribed, \$2 500;
 - (ii) costs on or after the date on which the proceeding began must be awarded on an indemnity basis;
 - (c) if the amount awarded is equal to, or less than, the respondent's mandatory final offer, costs must be awarded as follows:
 - (i) costs up to the date on which the proceeding began must be awarded to the claimant in accordance with the *Civil Law (Wrongs) Act 2002*, chapter 14, up to the maximum amount prescribed by regulation or, if no amount is prescribed, \$2 500;

- (ii) costs on or after the date on which the proceeding began must be awarded to the respondent in accordance with the *Civil Law (Wrongs) Act 2002*, chapter 14.
- (4) This section is subject to section 156.
- (5) In this section:
damages does not include damages for pain and suffering.

156 Costs—small awards of damages—exceptions

- (1) This section applies if a court awards \$50 000 or less in damages in a proceeding (other than an appellate proceeding) based on a motor accident claim.

Note *Damages* does not include damages for pain and suffering (see s (7)).

- (2) This section applies in addition to section 155.
- (3) The court may make an award of costs to compensate a party for costs resulting from a failure by another party to comply with a procedural obligation under this part.
- (4) The court must not award costs to a party related to the introduction of evidence by the party that is unnecessarily repetitive.

Example

If a claimant calls 2 or more expert witnesses from the same area of expertise to give evidence to substantially the same effect, and the claimant is entitled to costs under s 155, the court must only allow costs related to 1 of the expert witnesses.

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (5) Unless an award of damages is affected by factors that were not reasonably foreseeable at the time of the exchange of mandatory final offers, the court must not award costs to a party related to investigations or gathering of evidence by the party after—
 - (a) the end of the compulsory conference; or

- (b) if the parties or the court dispenses with a compulsory conference—the date when the parties completed the exchange of mandatory final offers.

Note A compulsory conference may be dispensed with by agreement or by court order (see s 137).

- (6) If an award of damages is affected by factors that were not reasonably foreseeable by a party at the time of making the party's mandatory final offer, the court may, if satisfied that it is just to do so, make an order for costs under section 155 (2) or (3) as if the reference to a mandatory final offer in the relevant subsection were a reference to a later offer made in the light of the factors that became apparent after the parties completed the exchange of mandatory final offers.

Example

If a claimant's medical condition suddenly and unexpectedly deteriorates after the date of the mandatory final offers and the court makes a much higher award of damages than would have been reasonably expected at that date, the court may ignore the mandatory final offers and award costs on the basis of later offers of settlement.

- (7) In this section:

damages does not include damages for pain and suffering.

- (2) The enforcing party may, not later than 14 days after the day the 7-day period ends, apply to the court for an order—

 - (b) giving judgment in the proceeding in favour of the respondent against the claimant.

161 Thing not done within 7-day period—court may make orders

- (1) On application for judgment under section 159 or section 160, the court may make the orders sought.
- (2) In considering the application, the court must not make an order against the late party if the party establishes that the party had a reasonable excuse for failing to do the required thing within the 7-day period.

162 Court orders in favour of claimant

- (1) This section applies if the court makes an order giving judgment in favour of the claimant against the respondent.
- (2) The court must order—
 - (a) if the claimant and respondent have each made a written offer to the other party—damages worked out by adding the claimant’s last written offer to the respondent’s last written offer and dividing the total by 2; or
 - (b) if 1 of the parties has not made a written offer—damages to be assessed by the court.

- (3) The court must order the respondent to pay the claimant's costs on an indemnity basis from the day the complying claim was received by the respondent's insurer.

163 Court orders in favour of respondent

- (1) This section applies if the court makes an order in favour of the respondent against the claimant.
- (2) Unless the court otherwise orders, the claimant must pay the respondent's costs of the proceeding including the costs of the application.

- (2) The CTP insurer may recover as a debt from the CTP insured person—
- (a) if the costs reasonably incurred by the CTP insurer for a motor accident claim for the motor accident are not more than \$2 000—the total of the amount paid and costs incurred; or
 - (b) if the costs reasonably incurred by the CTP insurer for a motor accident claim for the motor accident are more than \$2 000—\$2 000.

Note A CTP policy insures against the risk of liability for personal injury caused by a motor accident (see s 21).

Division 4.11.3 CTP insurer and nominal defendant

172 Insurer may recover costs if motor vehicle defective

- (1) This section applies if—

 - (b) the motor accident is attributable wholly or partly to a defect in a motor vehicle; and

- (3) However, it is a defence for the manufacturer or repairer to prove that the insured person of the motor vehicle drove the motor vehicle with knowledge of the defect and its likely effect.

Note 1 A CTP policy insures against the risk of liability for personal injury caused by a motor accident (see s 21).

Note 2 An amount recovered under this section by the nominal defendant must be paid into the nominal defendant fund (see s 66).

 - (a) the driver had the owner's consent to drive the motor vehicle; and
 - (b) the motor vehicle was insured.
- (5) The nominal defendant may bring a proceeding for recovery of costs under this section before the costs have been actually paid in full and, in that case, a judgment for recovery of costs may provide that, as far as the costs have not been actually paid, the right to recover the costs is contingent on payment.
- (6) This section does not affect a right of recovery that the nominal defendant may have, apart from this section, against the insured person.

Note An amount recovered under this section must be paid into the nominal defendant fund (see s 66).

175 Nominal defendant—access to territory information etc

The nominal defendant is entitled to have access to information and materials in the possession of the Territory that may be relevant to the recovery of costs that the nominal defendant is entitled to recover under this part.

Part 4.12 Other matters

176 Insurer to deter fraudulent motor accident claims

An insurer must take all reasonable steps to deter and prevent the making of fraudulent motor accident claims.

177 Extraterritorial operation

- (1) It is the intention of the Legislative Assembly that any provision of a Territory law that provides for limits on liability for damages for personal injury arising out of motor vehicle accidents that happen in the ACT—
 - (a) is to apply to the full extent of the Legislative Assembly's capacity to legislate extraterritorially, even if damages are assessed outside the ACT; and
 - (b) is to be regarded by courts as a substantive rather than a procedural provision.
- (2) If a claimant, in a proceeding brought in another jurisdiction, recovers damages in excess of the maximum amount that could have been recovered if the proceeding had been brought in the ACT, the respondent may recover from the claimant the amount (the *excess amount*) by which the damages exceed the maximum amount of damages that could have been awarded had the proceeding been brought in the ACT.
- (3) The excess amount may be recovered as a debt to the claimant.
- (4) In this section:
another jurisdiction means a jurisdiction other than the ACT and includes a jurisdiction outside Australia.

Chapter 5 Licensing of insurers

Part 5.1 Important concepts

178 What is a *CTP insurer licence*?

In this Act:

CTP insurer licence, for a corporation, means a licence issued under section 184 (Decision on application) to carry on business as a CTP insurer.

179 Meaning of *former licensed insurer and licensed insurer*

In this Act:

former licensed insurer means an entity that was, at any time, a licensed insurer but is no longer a licensed insurer.

licensed insurer means a corporation that holds a CTP insurer licence.

180 Offence—unlicensed insurer issues CTP policy

- (1) A person commits an offence if the person—
- (a) issues a CTP policy; and
 - (b) is not a licensed insurer.

Maximum penalty: 100 penalty units.

Note Penalties imposed under this Act must be paid into the nominal defendant fund (see s 66).

- (2) A person commits an offence if the person—
- (a) purports to issue a CTP policy; and

(b) is not a licensed insurer.

Maximum penalty: 100 penalty units.

181 Unlicensed insurer liable for CTP policy

If a person who is not a licensed insurer issues a CTP policy, the CTP policy is not annulled or affected only because the person is not a licensed insurer.

Part 5.2 Application for CTP insurer licence

182 Licence—application

- (1) A corporation may apply to the CTP regulator for a CTP insurer licence.
- (2) The application must comply with the requirements prescribed by regulation.
- (3) The CTP regulator may, in writing, ask the applicant to give the CTP regulator more information that the CTP regulator reasonably needs to decide the application, including the following:
 - (a) details of the shareholders, directors and other managers of the applicant;
 - (b) any previous returns and accounts under—
 - (i) the Corporations Act; and
 - (ii) the *Insurance Act 1973* (Cwlth);
 - (c) details of reinsurance arrangements to which the applicant is a party;

Note Reinsurance arrangements are further dealt with in s 218.
 - (d) a draft business plan.

Note Business plans are dealt with in s 211.
- (4) The CTP regulator need not decide whether the corporation is eligible for a CTP insurer licence if—
 - (a) the corporation's application does not comply with any requirement prescribed by regulation; or

- (b) the corporation does not give the CTP regulator information asked for under subsection (3).

Note 1 If a form is approved under s 276 for an application, the form must be used.

Note 2 A fee may be determined under the *Road Transport (General) Act 1999*, s 96, for this section.

Note 3 Giving false or misleading information is an offence against the Criminal Code, s 338.

183 Licence—eligibility

A corporation is eligible for a CTP insurer licence only if the corporation is—

- (a) authorised under the *Insurance Act 1973* (Cwlth) to carry on insurance business; and
- (b) a party to the insurance industry deed.

184 Decision on licence application

- (1) On an application by a corporation for a licence, the CTP regulator must—
- (a) issue the licence; or
- (b) refuse to issue the licence if the CTP regulator—
- (i) is not satisfied that the applicant would properly exercise the functions of a licensed insurer if issued with a licence; or
- (ii) must not issue the licence under subsection (4).

Note A decision to refuse to issue a licence is a reviewable decision (see *Road Transport (General) Act 1999*, pt 7 and *Road Transport (General) Regulation 2000*).

- (2) In deciding whether the applicant would not, or would not be able to, properly exercise the functions of a licensed insurer if issued with a licence, the CTP regulator must consider the following:
 - (a) the paid-up share capital and reserves of the applicant;
 - (b) the constitution of the applicant (if any);
 - (c) the reinsurance arrangements of the applicant;
 - (d) whether issuing the licence will contribute to the efficiency of the motor accidents scheme under this Act generally;
 - (e) anything else prescribed by regulation.
- (3) The CTP regulator may consider anything else the CTP regulator considers appropriate for this Act.
- (4) The CTP regulator must refuse to issue a licence if the applicant does not comply with a requirement prescribed by regulation.
- (5) If the CTP regulator proposes to issue a licence to a corporation, the CTP regulator must, at least 14 days before the licence is issued, tell all licensed insurers the name of the corporation.
- (6) Failure by the CTP regulator to comply with subsection (5) does not affect the validity of a corporation's licence.

Note Power given by a law to make a decision includes power to reverse or change the decision. The power to reverse or change the decision is exercisable in the same way, and subject to the same conditions, as the power to make the decision (see Legislation Act, s 180).

185 Licence conditions

- (1) It is a condition of a CTP insurer licence that the licensed insurer must comply with the following:
 - (a) section 38 (Licensed insurer to charge approved premium);
 - (b) the CTP premium guidelines;

Note The CTP premium guidelines are made under s 39.

Section What kinds of expenses must be paid by insurer?

- (c) section 40 (Licensed insurer to apply for approval of premiums);
 - (d) section 73 (What kinds of expenses must be paid by insurer?);
 - (e) section 122 (Respondent to pay injured person's medical expenses);
 - (f) section 127 (Respondent to make rehabilitation services available);
 - (g) section 132 (Respondent to pay for rehabilitation services);
 - (h) the medical and rehabilitation guidelines;
Note The medical and rehabilitation guidelines are made under s 135.
 - (i) section 212 (Licensed insurer to have business plan);
 - (j) section 213 (Licensed insurer to comply with business plan);
 - (k) section 214 (Licensed insurer to revise business plan);
 - (l) the CTP guidelines;
Note The CTP guidelines are made under s 215.
 - (m) the business plan guidelines;
Note The business plan guidelines are made under s 215.
 - (n) section 218 (1) (Reinsurance arrangements of licensed insurers);
 - (o) section 220 (Licensed insurer to provide investment details).
- (2) A CTP insurer licence is also subject to any condition—
- (a) prescribed by regulation; or

(b) decided by the CTP regulator.

Note 1 Power given by a law to make a decision includes power to reverse or change the decision. The power to reverse or change the decision is exercisable in the same way, and subject to the same conditions, as the power to make the decision (see Legislation Act, s 180).

Note 2 If the CTP regulator is unable, under s 204 or s 205, to cancel a licence because the CTP regulator is not satisfied the insurer's liabilities have been appropriately dealt with, the CTP regulator may, instead, impose a condition on the licence that prohibits the insurer from issuing any further CTP policies (see s 206).

(3) A condition under subsection (2) (b) must not be inconsistent with any condition prescribed by regulation that applies to the CTP insurer licence.

(4) The CTP regulator may amend a CTP insurer licence by—

(a) including a condition on the licence; or

(b) amending or revoking a condition included by the CTP regulator on the licence.

(5) If the CTP regulator amends a licensed insurer's licence under subsection (4), the CTP regulator must tell the insurer about the amendment as soon as practicable, but not later than 30 days after the day the CTP regulator decides the amendment.

Note A decision by the CTP regulator under s (2) (b) or (4) is a reviewable decision (see *Road Transport (General) Act 1999*, pt 7 and *Road Transport (General) Regulation 2000*).

(6) This section is subject to section 187 (Prohibited licence conditions).

186 Matters that may be regulated by licence conditions

(1) Without limiting section 185, the conditions to which a CTP insurer licence may be subject include the following conditions:

(a) a condition for ensuring compliance with the obligations of the licensed insurer;

- (b) a condition for ensuring that insurance CTP premiums for CTP policies are sufficient to meet motor accident claims;
 - (c) a condition for requiring the licensed insurer to achieve early resolution of motor accident claims, and early payment for treatment of injured people, at particular levels;
 - (d) a condition for ensuring general efficiency in relation to motor accident claims and payments;
 - (e) a condition relating to the provision of information about motor accident claims and profits.
- (2) A licensed insurer is taken not to have contravened a condition mentioned in subsection (1) (c) if the insurer establishes that—
- (a) the insurer gave a report to the CTP regulator within a reasonable period after the condition is contravened; and
 - (b) the report sets out reasonable grounds for justifying the contravention.
- (3) This section is subject to section 187.

187 Prohibited licence conditions

- (1) A CTP insurer licence must not be subject to any of the following conditions:
- (a) a condition that gives, or is likely to give, a competitive advantage to a licensed insurer over another licensed insurer;
 - (b) a condition that requires a licensed insurer to obtain a share of the insurance market.
- (2) A condition mentioned in subsection (1) has no effect on a CTP licence.

188 Offence—contravening licence condition

- (1) A person commits an offence if the person—
- (a) is a licensed insurer; and
 - (b) contravenes a condition of the person's CTP insurer licence.

Maximum penalty: 100 penalty units.

- (2) This section does not apply to a condition mentioned in section 187.

Note 1 Penalties imposed under this Act must be paid into the nominal defendant fund (see s 66).

Note 2 Contravention of a licence condition is also grounds for—

- suspension of the CTP insurer licence (see s 194)
- the CTP regulator to apply to the consumer and trader tribunal for the tribunal to take disciplinary action against the licensed insurer under the *Consumer and Trader Tribunal Act 2003* (see this Act, pt 5.4).

However, if a licensed insurer is convicted of an offence under this section, the consumer and trader tribunal must not order the licensed insurer to pay an amount to the Territory or someone else in relation to the same act or omission (see s 202 (3)).

189 Contravention of licence condition does not affect CTP policy

If a person issues a CTP policy in contravention of a licence condition, the CTP policy is not annulled or affected only because the person is in contravention of the condition.

190 Offence—unlicensed insurer contravening licence condition

A person commits an offence if—

- (a) the person is not a licensed insurer; and

- (b) the person engages in conduct that would, if the person was a licensed insurer, contravene a condition of a CTP insurer licence; and
- (c) the condition relates to a motor accident.

Maximum penalty: 100 penalty units.

Note Penalties imposed under this Act must be paid into the nominal defendant fund (see s 66).

191 Licence—length

A CTP insurer licence—

- (a) takes effect on the day stated in the licence; and
- (b) continues in force until it is cancelled.

192 Transfer of licences

- (1) A licensed insurer (the *old insurer*) may, with the approval of the CTP regulator, transfer the insurer's licence to—
 - (a) another licensed insurer (the *new insurer*); or
 - (b) a corporation to whom the CTP regulator proposes to issue a licence (the *new insurer*).
- (2) The CTP regulator must not approve the transfer of a licence unless satisfied that the new insurer is able to meet the past, present and future liabilities of the old insurer—
 - (a) under any CTP policy for which the old insurer is the insurer; and
 - (b) to the nominal defendant fund; and
 - (c) to any other licensed insurer.

Part 5.3 Suspension of CTP insurer licence

193 Licence suspension notices

The CTP regulator may suspend a CTP insurer licence under section 194 or section 195 by giving the licensed insurer a written suspension notice stating—

- (a) that the licence is suspended on and from the day stated in the notice; and
- (b) the reasons for the suspension.

Note Power given by a law to make a decision includes power to reverse or change the decision. The power to reverse or change the decision is exercisable in the same way, and subject to the same conditions, as the power to make the decision (see Legislation Act, s 180).

194 Grounds for licence suspension—contraventions

- (1) The CTP regulator may suspend a CTP insurer licence if the CTP regulator believes on reasonable grounds that the insurer has contravened—
 - (a) this Act; or
 - (b) the insurer's CTP insurer licence; or
 - (c) the insurance industry deed.

Note A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation (see Legislation Act, s 104).

- (2) However, if the CTP regulator is satisfied that the contravention could be remedied not later than 21 days after the day the contravention happened, the CTP regulator must not suspend the licence under this section until at least 21 days after the day the contravention happened.

Note 1 A decision to suspend a CTP insurer licence is a reviewable decision (see the *Road Transport (General) Act 1999*, pt 7 and the *Road Transport (General) Regulation 2000*).

Note 2 The grounds in s (1) are also grounds for the CTP regulator to apply to the consumer and trader tribunal for the tribunal to take disciplinary action against the licensed insurer under the *Consumer and Trader Tribunal Act 2003* (see this Act, pt 5.4).

195 Grounds for licence suspension—grounds other than contraventions

The CTP regulator may suspend a licensed insurer's CTP insurer licence if—

- (a) the insurer is not authorised under the *Insurance Act 1973* (Cwlth) to carry on insurance business; or
- (b) any of the following is appointed over all or part of the assets, or undertaking, of the insurer:
 - (i) a provisional liquidator, liquidator or official liquidator;
 - (ii) a receiver, receiver and manager or official manager;
 - (iii) a trustee; or
- (c) the insurer is given a direction under the *Insurance Act 1973* (Cwlth), section 51 (Inquiry by APRA and directions relating to certain assets) or section 62 (Directions); or
- (d) an inspector is appointed to investigate the affairs of the insurer under the *Insurance Act 1973* (Cwlth), part V (Investigations); or

- (e) the CTP regulator receives a report under section 224 (Audit of accounting records and compliance with guidelines) and believes on reasonable grounds that the insurer is, or is likely to become, unable to meet its liabilities under this Act or under CTP policies issued by the insurer; or
- (f) the insurer defaults in the payment of principal or interest of more than \$100 000 under any debenture, or series of debentures, issued by the insurer, unless the default occurs because the insurer genuinely disputes its liability to make the payment; or
- (g) the insurer enters into, or resolves to enter into any of the following, other than for a reconstruction or amalgamation on terms that have been approved by the CTP regulator:
 - (i) an arrangement, composition or compromise with its creditors;
 - (ii) a transfer for the benefit of its creditors; or
- (h) a proceeding is commenced to sanction an arrangement, composition, compromise or transfer mentioned in paragraph (g), other than for a reconstruction or amalgamation on terms that have been approved by the CTP regulator; or
- (i) an application (other than a frivolous or vexatious application) or order is made for the winding up or dissolution of the insurer, other than for a reconstruction or amalgamation on terms that have been approved by the CTP regulator; or
- (j) a resolution is passed for the winding up or dissolution of the insurer, other than for a reconstruction or amalgamation on terms that have been approved by the CTP regulator; or
- (k) there is a change in the effective control of the insurer; or
- (l) the insurer becomes a subsidiary of a corporation of which it was not a subsidiary when the licence was issued; or

- (m) the CTP regulator believes on reasonable grounds that the insurer has failed to comply with a condition imposed on the insurer's authority to carry on insurance business under the *Insurance Act 1973* (Cwlth); or
- (n) a person claiming to be a creditor of the insurer gives the insurer a demand requiring the insurer to pay an amount of more than \$100 000, and the insurer fails to pay the amount, or secure or compound for it to the satisfaction of the person, within 3 weeks after the day the demand is given; or
- (o) an execution or other process issued on a judgment, decree or order of a court in favour of a creditor of the insurer is returned unsatisfied, completely or partly, and the amount unsatisfied is more than \$100,000; or
- (p) the insurer agrees to the suspension.

Note 1 A decision to suspend a CTP insurer licence is a reviewable decision (see *Road Transport (General) Act 1999*, pt 7 and *Road Transport (General) Regulation 2000*).

Note 2 A licensed insurer, or former licensed insurer, commits an offence if any of the events or things mentioned in this section, other than paragraph (e), paragraph (m) or paragraph (p), happens and the person does not tell the CTP regulator about it (see s 234).

196 Ending licence suspension

- (1) The CTP regulator may, by written notice given to a licensed insurer, end the suspension of the insurer's CTP insurer's licence.
- (2) The CTP regulator may end the suspension of a CTP insurer's licence only if the regulator believes on reasonable grounds that the licensed insurer is able to comply with the requirements that would be imposed on the insurer if it were issued with a licence for the first time.

197 Offence—issuing CTP policy if licence suspended

A person commits an offence if—

- (a) the person is a licensed insurer; and
- (b) the person's CTP insurer licence is suspended; and
- (c) the person issues a CTP policy.

Maximum penalty: 100 penalty units

Note Penalties imposed under this Act must be paid into the nominal defendant fund (see s 66).

Part 5.4 Disciplinary action

198 Meaning of *licensed insurer*—pt 5.4

In this part:

licensed insurer includes a former licensed insurer.

199 CTP regulator may choose disciplinary action instead of prosecution

In regulating the operation of licensed insurers, the CTP regulator may, but need not, choose to apply to the consumer and trader tribunal for the tribunal to take disciplinary action against licensed insurers rather than pursuing a prosecution under this Act if the CTP insurer believes on reasonable grounds it would be in the public interest to do so.

Note The CTP regulator may apply to the consumer and trader tribunal under s 201.

200 What are the *grounds for disciplinary action*?

- (1) Each of the following is a *ground for disciplinary action* in relation to a licensed insurer:
 - (a) the licensed insurer has contravened this Act;
 - (b) the licensed insurer has contravened a condition of the insurer's CTP insurer licence;
 - (c) the licensed insurer has contravened the insurance industry deed;
 - (d) the licensed insurer has contravened, or is contravening, an order of the consumer and trader tribunal;
 - (e) the licensed insurer's licence was obtained by fraud or mistake;

(f) another ground prescribed by regulation.

Note A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation (see Legislation Act, s 104).

(2) However, subsection (1) (a), (b) and (c) apply to a former licensed insurer only in relation to anything that happened while the person was licensed.

Note The grounds in s (1) (a), (b) and (c) are also the grounds for licence suspension under s 194.

201 CTP regulator may refer matter to tribunal

(1) This section applies if the CTP regulator believes on reasonable grounds that a ground for disciplinary action exists in relation to a licensed insurer.

(2) The CTP regulator may apply to the consumer and trader tribunal for the tribunal to take disciplinary action against the licensed insurer.

Note An Act may provide for an application to be made to the consumer and trader tribunal for disciplinary action to be taken against a person (see *Consumer and Trader Tribunal Act 2003*, s 15).

202 Disciplinary action tribunal may take

(1) On application by the CTP regulator, the consumer and trader tribunal may take disciplinary action against the licensed insurer that the consumer and trader tribunal may take under the *Consumer and Trader Tribunal Act 2003*.

Examples—disciplinary action consumer and trader tribunal may take under *Consumer and Trader Tribunal Act 2003*

1 reprimand the person (see s 46 (1) (b))

2 order the person to give a written undertaking (see s 46 (1) (c))

- 3 direct the CTP regulator to place a condition on the person's licence, or to remove or amend a condition on the person's licence (see s 46 (1) (d))
- 4 give the person a direction (see s 46 (1) (e))

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

- (2) However, in taking disciplinary action against a licensed insurer under the *Consumer and Trader Tribunal Act 2003*—
 - (a) a reference to the commissioner is taken to be a reference to the CTP regulator; and
 - (b) the reference in section 46 (1) (a) (Other disciplinary action) to—
 - (i) \$1 000 is taken to be a reference to \$10 000; and
 - (ii) \$5 000 is taken to be a reference to \$50 000.
- (3) Also, if a licensed insurer is convicted of an offence under section 188 (Offence—contravening licence condition) in relation to an act or omission, the consumer and trader tribunal must not order the licensed insurer to pay an amount to the Territory or someone else under the *Consumer and Trader Tribunal Act 2003*, section 46 (1) (a) in relation to the same act or omission.
- (4) If the consumer and trader tribunal orders a licensed insurer to pay a penalty, the penalty must be paid into the nominal defendant fund.

Part 5.5 Cancellation of CTP insurer licences

203 Licence cancellation notices

- (1) The CTP regulator may cancel a licensed insurer's CTP insurer licence under section 204 or section 205 by giving a written notice to the insurer stating—
 - (a) that the licence is cancelled on the day stated in the notice; and
 - (b) the reasons for the cancellation.
- (2) The day stated in the notice must not be a day earlier than the day the licensed insurer receives the notice.

Note 1 Power given by a law to make a decision includes power to reverse or change the decision. The power to reverse or change the decision is exercisable in the same way, and subject to the same conditions, as the power to make the decision (see Legislation Act, s 180).

Note 2 A decision to cancel a CTP insurer licence is a reviewable decision (see *Road Transport (General) Act 1999*, pt 7 and *Road Transport (General) Regulation 2000*).

204 Grounds for licence cancellation

- (1) The CTP regulator may cancel a licensed insurer's CTP insurer licence for any reason the CTP regulator considers appropriate.
- (2) Without limiting subsection (1), the CTP regulator may cancel a licence for reasons relating to the motor accidents scheme under this Act generally, whether or not the reasons relate to the efficiency and conduct of the licensed insurer.
- (3) Before cancelling a licensed insurer's CTP insurer licence, the CTP regulator must give the licensed insurer an opportunity to make written submissions about the reasons for the cancellation.

- (4) This section is subject to section 206 (Insurer's liabilities to be met before licence cancelled).

205 Licence cancellation after surrender

- (1) If a licensed insurer surrenders the insurer's CTP insurer licence to the CTP regulator, the CTP regulator may cancel the licence only if the CTP regulator approves the surrender.
- (2) This section is subject to section 206 (Insurer's liabilities to be met before licence cancelled).

206 Insurer's liabilities to be met before licence cancelled

- (1) The CTP regulator may cancel a CTP insurer licence under section 204 or section 205 only if satisfied that the licensed insurer has—
- (a) discharged all of its past, present and future liabilities—
 - (i) under any CTP policy for which it is the insurer; and
 - (ii) to the nominal defendant fund; and
 - (iii) to any other licensed insurer; or
 - (b) provided security, or entered into other arrangements satisfactory to the CTP regulator, for the liabilities.
- (2) If the CTP regulator is unable, under subsection (1), to cancel a licensed insurer's CTP insurer licence, the CTP regulator may, instead, impose a condition on the licence that prohibits the insurer from issuing any further CTP policies.

Note It is an offence to contravene a licence condition (see s 188).

Part 5.6 Transfer of CTP policies to other insurers

207 Policy transfer notices

The CTP regulator may transfer an insurer's CTP policies to another insurer under section 208 by giving a written transfer notice to both insurers stating—

- (a) the CTP policies that are to be transferred; and
- (b) the day when the transfer happens.

Note 1 Power given by a law to make a decision includes power to reverse or change the decision. The power to reverse or change the decision is exercisable in the same way, and subject to the same conditions, as the power to make the decision (see Legislation Act, s 180).

Note 2 A decision to transfer a CTP insurer licence is a reviewable decision (see *Road Transport (General) Act 1999*, pt 7 and *Road Transport (General) Regulation 2000*).

208 Transfer of policies to other insurers

- (1) The CTP regulator may transfer an insurer's CTP policies to a licensed insurer if—
 - (a) the insurer's CTP insurer licence is cancelled or otherwise ceases to be in force; or
 - (b) the CTP regulator is satisfied that it is necessary to do so to ensure compliance with a condition of the licence.
- (2) In this section:

insurer means a licensed insurer, and includes a person whose CTP insurer licence has been cancelled or has otherwise ceased to be in force.

209 Effect of transfer of policies

- (1) If a CTP policy (the *original policy*) is transferred from an insurer (the *old insurer*) to a licensed insurer (the *new insurer*) under section 208—
 - (a) the original policy is cancelled; and
 - (b) the new insurer is taken to have issued a CTP policy—
 - (i) on the day of the transfer; and
 - (ii) on the same terms as the original policy; and
 - (iii) for the balance of the period of the original policy; and
 - (c) the old insurer must pay to the new insurer—
 - (i) the same proportion of the CTP premium paid, or to be paid, for the original policy as the balance of the indemnity period of the policy bears to the whole indemnity period of the policy; and
 - (ii) an additional amount decided by the CTP regulator for the income from investment and the management fee for the CTP premium.
- (2) The new insurer may recover an amount payable under subsection (1) (c) as a debt from the old insurer.
- (3) Cancellation of a CTP policy under this section ends the indemnity period of the policy but, subject to this section, does not affect any right, obligation or liability acquired, accrued or incurred under the policy during the indemnity period.

210 CTP insurer licence register

- (1) The CTP regulator must keep a register of—
 - (a) the name of each corporation that is—
 - (i) issued with a CTP insurer licence; or

- (ii) refused a CTP insurer licence; and
 - (b) for each CTP insurer licence issued by the CTP regulator, the following details:
 - (i) any condition imposed on the licence;
 - (ii) any suspension of the licence;
 - (iii) any cancellation of the licence;
 - (iv) any transfer of the licence;
 - (c) anything else prescribed by regulation.
- (2) The CTP regulator may keep any other details in the register that the CTP regulator considers appropriate.

Part 5.7 Supervision of licensed insurers

211 What is a *business plan*?

In this Act:

business plan, for a licensed insurer—

- (a) means a plan describing how the licensed insurer's CTP insurance business must be carried out; and

Note *CTP insurance business*, for a licensed insurer, means any business associated with CTP policies (see s 11).

- (b) must include a description of how the following things must be carried out:

- (i) motor accident claims handling;
- (ii) management;
- (iii) expenses;
- (iv) systems for processing and transmitting information.

212 Licensed insurer to have business plan

- (1) A licensed insurer must have a business plan for the insurer's CTP insurance business.

Note *CTP insurance business*, for a licensed insurer, means any business associated with CTP policies (see s 11).

- (2) The business plan must comply with the business plan guidelines.

Note The CTP regulator may make business plan guidelines under s 215.

- (3) If the CTP regulator asks a licensed insurer for the business plan, the licensed insurer must give the CTP regulator a copy of the business plan as soon as practicable.

Note A CTP insurer licence is subject to the condition that the licensed insurer must comply with this section (see s 185).

213 Licensed insurer to comply with business plan

- (1) A licensed insurer must carry out the insurer's CTP insurance business in accordance with the insurer's business plan.
- (2) If a licensed insurer carries out the insurer's CTP insurance business in a way that departs significantly from the business plan, the insurer must tell the CTP regulator.

Note A CTP insurer licence is subject to the condition that the licensed insurer must comply with this section (see s 185).

214 Licensed insurer to revise business plan

A licensed insurer must revise the insurer's business plan—

- (a) at least once each year; and
- (b) if the licensed insurer's CTP insurance business departs significantly from the business plan; and
- (c) if the CTP regulator directs the insurer to revise the business plan.

Note A CTP insurer licence is subject to the condition that the licensed insurer must comply with this section (see s 185).

215 CTP guidelines

- (1) The CTP regulator may make CTP guidelines.
