# **Water Resources (Validation of Fees) Act 2008**

**A2008-11**

**Republication No 1**

**Effective: 15 April 2008 – 15 April 2008**

Republication date: 15 April 2008

Act not amended

Authorised by the ACT Parliamentary Counsel

## About this republication

### The republished law

This is a republication of the *Water Resources (Validation of Fees) Act 2008* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 15 April 2008. It also includes any amendment, repeal or expiry affecting the republished law.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

### Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at [www.legislation.act.gov.au](http://www.legislation.act.gov.au)):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

### Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication does not include amendments made under part 11.3 (see endnote 1).

### Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

### Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

### Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

# Water Resources (Validation of Fees) Act 2008

---

An Act to validate certain fees

---

**1 Name of Act**

This Act is the *Water Resources (Validation of Fees) Act 2008*.

**3 Notes**

A note included in this Act is explanatory and is not part of this Act.

*Note* See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

**4 Water Resources (Fees) Determination—effect**

(1) Despite the repeal of the *Water Resources (Fees) Determination 2006 (No 1)* (DI2006-138), the determination has effect, and is taken always to have had effect, for all purposes as if it had continued in force until the end of 31 July 2007.

(2) This section is a law to which the Legislation Act, section 88 (Repeal does not end effect of transitional laws etc) applies.

*Note* If a law validates something that is or may otherwise be invalid, the validating effect of the law does not end merely because of the repeal of the law (see Legislation Act, s 88 (1)).

**5 Expiry of Act**

This Act expires on the day after its notification day.

## Endnotes

### 1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

### 2 Abbreviation key

am = amended	ord = ordinance
amdt = amendment	orig = original
ch = chapter	par = paragraph/subparagraph
def = definition	pres = present
dict = dictionary	prev = previous
