About this republication

The republished law

This is a republication of the *Public Interest Disclosure Act 2012* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 1 December 2019. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 1 December 2019.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$160 for an individual and \$810 for a corporation (see *Legislation Act 2001*, s 133).

Australian Capital Territory

Public Interest Disclosure Act 2012

An Act to facilitate public interest disclosures and protect people making those disclosures, and for other purposes

Part 1 Preliminary

1 Name of Act

This Act is the *Public Interest Disclosure Act 2012*.

3 Dictionary

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*head of service*—see the *Public Sector Management Act 1994*, dictionary.’ means that the term ‘head of service’ is defined in that dictionary and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see *Legislation Act*, s 155 and s 156 (1)).

4 Notes

A note included in this Act is explanatory and is not part of this Act.

Note See the *Legislation Act*, s 127 (1), (4) and (5) for the legal status of notes.

5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

Note 1 Criminal Code

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

Note 2 Penalty units

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

6 Object of Act

The object of this Act is to promote the public interest by—

- (a) providing a way for people to make public interest disclosures; and
- (b) ensuring people who make public interest disclosures are protected and treated respectfully; and
- (c) ensuring public interest disclosures are properly investigated and dealt with; and
- (d) ensuring that appropriate consideration is given to the interests of people who make public interest disclosures and the people who are the subject of the disclosures.

Part 2 Important concepts

Part 3 Making a public interest disclosure

14 Who may make a public interest disclosure?

Any person may make a public interest disclosure.

15 To whom may a public interest disclosure be made?

- (1) A public interest disclosure may be made to—
- (a) a disclosure officer; or
 - (b) a Minister; or
 - (c) if the discloser is a public official for a public sector entity—
 - (i) a person who, directly or indirectly, supervises or manages the discloser; or
 - (ii) for a public sector entity that has a governing board—a member of the board; or
 - (iii) a public official of the entity who has the function of receiving information of the kind being disclosed or taking action in relation to that kind of information.

- 2 a workplace bullying and harassment contact officer for a public sector entity in relation to a disclosure about an employee of the entity threatening physical violence against another employee
- 3 a public official on a clinical standards committee for a public hospital in relation to a disclosure about medical malpractice at the hospital that was causing or likely to cause a substantial danger to public health

Note If s 27 applies, a public interest disclosure may be made to a member of the Legislative Assembly or a journalist.

- (2) If a person mentioned in subsection (1) (b) or (c) receives a public interest disclosure, the person must give a copy of the disclosure to a disclosure officer.

Note A person must comply with s (2) as soon as possible after receiving a public interest disclosure (see [Legislation Act](#), s 151B).

16 How may a public interest disclosure be made?

- (1) A public interest disclosure may be made—
- (a) orally or in writing; and
 - (b) anonymously; and
 - (c) without the discloser asserting that the disclosure is made under this Act.

- 2 Cheryl is a senior human resources manager and is attending a training course with Beverly, who is an employee in another directorate. Beverly tells Cheryl about employment practices of a manager in Beverly's directorate that Cheryl believes involve substantial noncompliance with territory law. Beverly is unaware that those practices are noncompliant.

Note An investigating entity may decide to not investigate an anonymous public interest disclosure if the entity is reasonably satisfied that not knowing the discloser's name and contact details makes it impracticable for the disclosure to be investigated (see s 20 (b)).

- (2) If a public interest disclosure is made orally to a person mentioned in section 15 (1), the person must make a written record of the disclosure.

Note If a form is approved under s 46 for this provision, the form must be used.

17 Disclosure officer must tell public sector entity about public interest disclosure

After receiving a public interest disclosure, the disclosure officer must give a copy, or if the disclosure is made orally a written record, of the disclosure to—

- (b) the commissioner; and
- (c) for a disclosure that relates to the head of service—the ombudsman; and
- (d) for a disclosure that relates to the public service—the head of service.

Note 1 A disclosure officer need not give a copy or record of a disclosure to a person mentioned in this section if the disclosure is likely to adversely affect a person's safety or an investigation relating to the disclosure (see s 26 (1)).

Note 2 A disclosure officer must comply with this section as soon as possible after receiving a public interest disclosure (see [Legislation Act](#), s 151B).

Note 3 For when a public interest disclosure *relates* to an entity—see s 12.

Part 4 Investigating a public interest disclosure

18 Investigation of public interest disclosure

- (1) If a disclosure officer receives a public interest disclosure, the head of the public sector entity to which the disclosure relates must investigate the disclosure.

Note For when a public interest disclosure *relates* to an entity—see s 12.

- (2) However, if a public interest disclosure relates to the disclosable conduct of—
- (a) a head of a public sector entity other than the head of service—the head of service must investigate the disclosure; or
 - (b) the commissioner—the head of service must investigate the disclosure; or
 - (c) the head of service—the ombudsman may—
 - (i) investigate the disclosure; or
 - (ii) refer the disclosure to the head of a public sector entity other than the head of service.
- (3) A head of a public sector entity to whom a public interest disclosure has been referred under subsection (2) (c) (ii), must investigate the disclosure.

Note The person responsible for investigating the public interest disclosure must investigate the disclosure as soon as possible after the person receives the disclosure (see [Legislation Act](#), s 151B).

19 Referral to another public sector entity

- (1) This section applies if—
- (a) the head of a public sector entity is told about a public interest disclosure that relates to the public sector entity; and
 - (b) the head of the public sector entity reasonably believes that the disclosure is more appropriately investigated by another public sector entity that has a function or power to investigate.

Examples—par (b)—appropriate grounds for referring disclosure

- 1 the public interest disclosure relates to systemic or whole-of-government issues
- 2 there is a significant risk of a person taking detrimental action against a discloser if the public interest disclosure is investigated by the public sector entity to which the disclosure relates

Note For when a public interest disclosure *relates* to an entity—see s 12.

- (2) The head of the public sector entity may refer the disclosure to the head of the other public sector entity.
- (3) The head of the other public sector entity must investigate the public interest disclosure.

Note The head of the other public sector entity must investigate the public interest disclosure as soon as possible after the disclosure is referred (see [Legislation Act](#), s 151B).

20 Investigating entity may decide not to investigate etc

An investigating entity may decide not to investigate a public interest disclosure, or may end the investigation of the disclosure, if—

- (a) the discloser has withdrawn the public interest disclosure and the investigating entity is reasonably satisfied that there are no further matters in the disclosure that warrant investigation; or

- (b) the discloser has not disclosed his or her name and contact details and the investigating entity is reasonably satisfied that this lack of information makes it impracticable for the disclosure to be investigated; or
- (c) the following applies:
 - (i) the investigating entity asks the discloser for assistance to investigate the disclosure;
 - (ii) the discloser fails, without reasonable excuse, to give the assistance;
 - (iii) the investigating entity is reasonably satisfied that this lack of assistance makes it impracticable for the disclosure to be investigated; or
- (d) the investigating entity is reasonably satisfied that the disclosed information is wrong in a material way and investigation of the disclosure is not warranted; or
- (e) the investigating entity is reasonably satisfied that the age of the disclosed information makes it impracticable for the disclosure to be investigated; or
- (f) the investigating entity is reasonably satisfied that the substance of the disclosure has already been investigated under this Act or another law in force in the ACT; or
- (g) there is a more appropriate way reasonably available to deal with the disclosable conduct in the disclosure.

Note 1 The investigating entity's decision may be reviewed by the commissioner under s 29.

Note 2 An investigating entity must tell a referring entity about its decision to not investigate a disclosure, or to end an investigation of the disclosure (see s 22).

21 Referral to chief police officer

The investigating entity for a public interest disclosure must refer the disclosure to the chief police officer if satisfied on reasonable grounds that the disclosable conduct the subject of the disclosure involves, or could involve, an offence.

22 Investigating entity must keep referring entity informed

- (1) This section applies if a public interest disclosure is referred by a head of a public sector entity (the *referring entity*) to the head of another entity under section 19.
- (2) The investigating entity must tell the referring entity about—
 - (a) if the investigating entity decides not to investigate the disclosure, or to end the investigation of the disclosure—
 - (i) the decision; and
 - (ii) the ground mentioned in section 20 for the decision; and
 - (iii) the reasons for making the decision on that ground; or
 - (b) if the disclosure is investigated by the investigating entity—the progress and outcome of the investigation.

23 Discloser must be kept informed

- (1) The investigating entity for a public interest disclosure must tell the discloser about—
 - (a) the referral of a public interest disclosure to another head of a public sector entity or to the chief police officer; and
 - (b) the decision not to investigate a disclosure, or to end the investigation of the disclosure, including—
 - (i) the ground mentioned in section 20 for the decision; and
 - (ii) the reasons for making the decision on that ground; and

- (c) if a disclosure is investigated—
 - (i) the progress of the investigation at least once every 3 months; and
 - (ii) the outcome of the investigation.

Note An investigating entity must comply with this section as soon as possible after a referral etc is made (see [Legislation Act](#), s 151B).

- (2) This section does not apply if—
 - (a) the public interest disclosure was made anonymously; or
 - (b) the discloser has asked in writing not to be kept informed about the public interest disclosure.

Note Certain information need not be given to the discloser (see s 26).

- (3) If the disclosure has been referred to the chief police officer, the investigating entity is only required to comply with subsection (1) (b) and (c) to the extent that relevant information has been given to the entity by the chief police officer.

24 Public sector entity must take action

- (1) If a head of a public sector entity believes on reasonable grounds that disclosable conduct has occurred, is likely to have occurred or is likely to occur, the entity must take action necessary and reasonable to—
 - (a) prevent the disclosable conduct continuing or occurring in the future; and
 - (b) if the investigation of the public interest disclosure has been completed—discipline any person responsible for the disclosable conduct.

Note **Disclosable conduct** includes taking detrimental action (see s 8 and s 40).

- (2) The head of the public sector entity must tell the discloser about any action taken or proposed to be taken.

- (3) Subsection (2) does not apply if—
- (a) the public interest disclosure was made anonymously; or
 - (b) the discloser has asked in writing not to be kept informed about the public interest disclosure.

Note Certain information need not be given to the discloser (see s 26).

25 Commissioner must be kept informed

- (1) An investigating entity for a public interest disclosure must tell the commissioner about the following:
- (a) the progress and outcome of an investigation of the disclosure;
 - (b) the referral of the public interest disclosure to the head of another public sector entity or to the chief police officer;
 - (c) any action taken, or proposed to be taken, in relation to disclosable conduct the subject of the disclosure;
 - (d) a decision not to investigate the disclosure, or to end the investigation of the disclosure and—
 - (i) the ground mentioned in section 20 for the decision; and
 - (ii) the reasons for making the decision on that ground; and
 - (iii) if the ground mentioned in section 20 (g) was a reason for the decision—how the disclosure was otherwise dealt with and the result (if any) of dealing with the disclosure in that way.

Note An investigating entity must comply with this section as soon as possible after an investigation etc is completed (see [Legislation Act](#), s 151B).

- (2) If the disclosure has been referred to the chief police officer, the investigating entity is only required to comply with subsection (1) (a), (c) and (d) to the extent that relevant information has been given to the entity by the chief police officer.

26 Limitations on obligations to keep people informed etc

- (1) A person, including a discloser, need not be told about information in relation to a public interest disclosure if telling the person would be likely to adversely affect—
- (a) a person's safety; or
 - (b) an investigation relating to the disclosure.

Examples

- 1 a disclosure officer need not comply with the requirement under s 17 (a) to give the head of the public sector entity to which the public interest disclosure relates a copy or record of the disclosure if the disclosure officer believes it is likely that detrimental action will be taken against the discloser if the head of the entity is given the disclosure
 - 2 an investigating entity need not comply with the requirement under s 25 (1) to give the commissioner information about a public interest disclosure if the disclosure relates to the commissioner and the disclosure officer believes it is likely that the investigation of the disclosure will be adversely affected if the commissioner is given the information
- (2) However, subsection (1) does not apply to section 21 (Referral to chief police officer).
- (3) A discloser need not be told about information in relation to a public interest disclosure if telling the discloser—
- (a) would identify a person that has given information in relation to the disclosure; or
 - (b) could allow the identity of the person to be worked out.
- (4) A discloser must not be told about information in relation to a public interest disclosure if telling the discloser is contrary to a law in force in the ACT.

Part 5 Public interest disclosure to third parties

27 When disclosure may be made to Legislative Assembly or journalist

- (1) This section applies if a discloser has made a public interest disclosure to a person mentioned in section 15 and—
- (a) an investigating entity has refused or failed to investigate the disclosure; or
- Example—failure to investigate**
an investigating entity has not investigated a disclosure because the discloser's supervisor failed to give a copy of the disclosure to a disclosure officer
- (b) the discloser has not been told within 3 months after the day the disclosure is made whether or not the disclosure will be investigated or dealt with; or
 - (c) the discloser has been told the disclosure will be investigated but has not been told about the progress of the investigation for a period of more than 3 months; or
 - (d) the following applies:
 - (i) the disclosure has been investigated;
 - (ii) there is clear evidence that 1 or more instances of disclosable conduct mentioned in the disclosure has occurred, or was likely to have occurred;
 - (iii) the discloser has been told by the investigating entity that no action will be taken in relation to the disclosable conduct.

- (2) This section also applies if a person honestly believes on reasonable grounds that—
- (a) the person has information that tends to show disclosable conduct; and
 - (b) there is a significant risk of detrimental action to the person or someone else if a disclosure is made to a person mentioned in section 15; and
 - (c) it would be unreasonable in all the circumstances for the person to make a disclosure to a person mentioned in section 15.
- (3) The person may make a disclosure of information about the disclosable conduct to—
- (a) a member of the Legislative Assembly; or
 - (b) a journalist.
- (4) In making a disclosure under this section, the person—

 - (b) if a public interest disclosure was made to a person mentioned in section 15—may inform the member of the Legislative Assembly or journalist about the progress and outcome of any investigation.
