The ACT Heritage Register contains details of places and objects of significance to the ACT protected under ACT law.

This application form is for access to and/or publishing of Restricted Information under the *Heritage Act 2004*. In some instances the Heritage Council can declare particular information to be restricted (*Heritage Act 2004* s 54) to prevent substantial adverse effect on the heritage significance of a place or object. It is an offence to knowingly publish this information without formal approval (*Heritage Act 2004* s 55).

Applications must be made under s 56 to access this information or for approval to publish except in some limited exceptions. The exceptions are stated under s 55 or s57 of the *Heritage Act 2004*.

The Heritage Council is under no obligation to approve the access or publishing of restricted information and may not do so if it considers it possible that by doing so there may be a substantial adverse effect on the heritage significance of the place or object.

For each Approval of Restricted Information a fee is payable on receipt of this form. Additional charges may apply for large requests, see Fee Schedule. For people with traditional affiliations who meet the requirements of s 55 of the Act, this form is optional and no charges apply. If you need help completing this form, contact (02) 6207 2166.
