Development Applications For Development Undertaken Without Approval – S.205 - P & D Act 2007

Is this application for development undertaken without approval?

- NO
 YES

If YES – Plans of the development signed by a registered surveyor confirming the location and dimensions of the development **must** be submitted with this application.

Survey Requirements - S139 (2)(I)

If this application is for approval of a development that requires construction work to be carried out on land that has previously been developed and is not leased for rural purposes a survey certificate for the land where the development is to be carried out prepared and signed by a registered surveyor must accompany this application (unless exempt by *Regulation 25 of Planning and Development Regulations 2008*).

Have you provided a survey certificate with this application?

- Not relevant
 Exempt
 Yes

Exclusion from Public Inspection

In accordance with the requirements of Sections 28 and 30 of the *Planning and Development Act 2007* the Planning and Land Authority must make the details and associated documents relevant to a development application available for public inspection.

If you wish to apply to have all or part of this development application excluded from public inspection you must meet the requirements of Section 411(5) or 412(1) of the Planning and Development Act 2007.

Exclusion from Public Inspection Requested

If Yes – please indicate under which section of Planning & Development Act 2007

- YES
 NO
 S.411(5) Restriction on Public Availability
 *S.412(1) Restriction on Public Availability SECURITY

Please specify the information to be excluded from public inspection and provide reasons for exclusion:

* if exclusion is requested under Section 412(1) a letter, signed by a justice Minister, certifying this request satisfies the requirements Planning and Development Act 2007 **must** accompany this application.

Conflict of Interest Declaration

Does the applicant or lessee have any association with EPD staff?

- NO
 YES

If YES - please provide details:

NOTE: There are penalties for deliberately giving false and misleading information. The Planning and Land Authority or Minister may revoke an approval if satisfied that the approval was obtained by fraud or misrepresentation.

Other Development Application Requirements

LODGEMENT & PAYMENT

A valid development application comprises of a completed development application form accompanied by all of the required information or documents that address the relevant rules and/or relevant criteria for it to be considered for approval.

Proposals in the **Merit track** have the option to comply with the rules or criteria, unless the rule is mandatory. Where it is proposed to meet the criteria, the onus is on the applicant to demonstrate, by supporting plans and written documentation, that the proposed development satisfies the criteria and therefore the intent of the element.

Proposals in the **Impact track** also have the option to justify any non-compliance with the rules and the criteria, unless the rule is mandatory. Where it is proposed to not meet the rules and the criteria, the onus is on the applicant to justify the non-compliance by demonstrating that the proposed development is consistent with the relevant principles of the Statement of Strategic Directions. Supporting plans and written documentation, providing consideration of the relevant Intents of the Code and the Zone objectives, are to accompany the development application.

Once a development application is received, the documentation will be checked to ensure it meets the standard for lodgement. If the documentation provided is acceptable, you will receive written confirmation the application is ready for lodgement and a request for the payment of the application fees. A development application is not lodged until full payment of fees is made.

If the DA documentation is not acceptable for lodgement, you will receive written advice detailing the additional information required and/or any other issues with your application. Once these things are provided the Authority will recommence the documentation check and fee payment process outlined above.

DOCUMENTATION AND PLANS

All required documentation must be provided in an electronic format on and meet the following requirements:

- Each document must be saved as a PDF and named in accordance with the naming convention as detailed on the EPD website.
- All plans must be to scale.
- All plans must be rotated to the correct orientation i.e. they are the right way up when opened
- All plans are to be clear and concise and generally consistent with Australian Standard 1100.301 - 1985 and Australian Standard 1100.301 supplementary - as updated from time to time.

HARDCOPY DOCUMENTATION REQUIREMENTS

A hard copy must also be provided for the following:

- **Any** report required as part of an application over 20 pages in length
- **ALL** development applications that will be assessed in the **IMPACT** assessment track
- Development applications for:
 - a residential building intended to be higher than 3 storeys and consisting of more than 50 units
 - a building where the total floor space of which is intended to be more than 7000m²
 - a building or structure intended to be higher than 25m
 - an application to change a concessional lease into a market value lease

Changes to a Unit Development

Your building work may have an effect on the Unit Entitlements of the Units Plan. You may require a statement from a certified valuer as to this effect. For further information please contact the Authority.

Applicant and Lessee Declaration

Does the Commonwealth Environment Protection and Biodiversity Conservation Act 1999 (EPBC) affect your proposal?

The EPBC came into operation on 16 July 2000. It establishes an environmental assessment and approval system that is separate and distinct from the ACT system. It does not affect the validity of ACT development assessment and approval processes, but may affect the assessment track. The ACT cannot provide preliminary advice on whether a proposal falls within the definition of a controlled action, or requires referral to the Commonwealth. You should consult with the Commonwealth to determine if your proposal is a controlled action before seeking any approvals under the *Planning and Development Act 2007*. For information about the EPBC, including the referral process and when a referral should be made, contact the Commonwealth Department of the Environment www.environment.gov.au

Privacy Notice

The personal information on this form is being collected to enable processing of your application. Collection of personal information is authorised by Chapters 7, 8 and 9 of the *Planning and Development Act 2007*. The information that you provide may be disclosed to the ACT Revenue Office, the Australian Valuation Office and the Registrar-General's Office. The information may be accessed by other government agencies, ACTEWAGL, ACTEW Corporation and other commercial organisations interested in development and building information.
