20 it is information about the person that is disclosed to, or obtained by,
21 an information holder because of the exercise of a function under
22 this Act by the information holder or someone else.

23 (2) Without limiting subsection (1), *protected information* includes

28 both.

- 1 (2) This section does not apply to the making of a record or the
2 divulging of information if the record is made or the information

4 (a) under this Act; or
5 (b) in the exercise of a function, as an information holder, under
6 this Act.
- 7 (3) This section does not apply to the making of a record or the

22 Coroner's Court (see s 43).
- 23 (6) In this section:
24 ***court*** includes a tribunal, authority or person with power to require
25 the production of documents or the answering of questions.

2 (1) The CEO of a health facility may give protected information about a
3 health service provided by a health service provider for the health
4 facility to—

- 5 (a) Medicare Australia; or
6 (b) the auditor-general.

7 *Note* Protected information includes sensitive information (see s 123).

8 (2) However, the CEO must not give the information unless—

- 9 (a) the CEO is satisfied that the giving of the information will help
10 the prevention or detection of fraud; and
11 (b) the Minister agrees, in writing, to the giving of the information.

12 (3) In this section:

13 *CEO*, of a health facility—see section 22.

14 *Medicare Australia*—see the *Medicare Australia Act 1973* (Cwlth).

15 **Part 9 Review of decisions**

16 **130 Review of decisions**

17 A doctor, or dentist, for a health facility may apply to the AAT for
18 review of a decision of the CEO of the health facility under
19 section 69—

- 20 (a) to amend or withdraw the clinical privileges of the doctor or
21 dentist; or
22 (b) to amend the terms of engagement of the doctor or dentist; or
23 (c) to suspend or end the engagement of the doctor or dentist.

1 **131 Pt 9 obligations—no contracting out**

2 To remove any doubt, this part applies in relation to a doctor, or
3 dentist, for a health facility despite anything to the contrary in a term
4 of the doctor's or dentist's engagement.

5 **8 New section 190**

6 *in part 7, insert*

7 **190 Disclosure of interests by committee members**

8 (1) If a member of a committee to which this section applies has a
9 material interest in an issue being considered, or about to be
10 considered, by the committee, the member must disclose the nature
11 of the interest at a committee meeting as soon as practicable after
12 the relevant facts come to the member's knowledge.

13 *Note 1* This section applies to a quality assurance committee (see s 32) and a
14 clinical privileges review committee (see s 61).

15 *Note 2* **Material interest** is defined in s (4). The definition of **indirect interest**
16 in s (4) applies to the definition of **material interest**.

17 (2) The disclosure must be recorded in the committee's minutes and,
18 unless the committee otherwise decides, the member must not—

19 (a) be present when the committee considers the issue; or

20 (b) take part in a decision of the committee on the issue.

21 **Example**

22 Adam, Ben and Charlotte are members of a quality assurance committee. They
23 have an interest in an issue being considered at a committee meeting and they
24 disclose the interest as soon as they become aware of it. Adam's and Ben's
25 interests are minor but Charlotte has a direct financial interest in the issue.

26 The committee considers the disclosures and decides that because of the nature of
27 the interests:

- 28 • Adam may be present when the committee considers the issue but not take
29 part in the decision
30 • Ben may be present for the consideration and take part in the decision.

1 The committee does not make a decision allowing Charlotte to be present or take
2 part in the committee's decision. Accordingly, since Charlotte has a material
3 interest she cannot be present for the consideration of the issue or take part in the
4 decision.

5 *Note* An example is part of the Act, is not exhaustive and may extend, but
6 does not limit, the meaning of the provision in which it appears (see
7 Legislation Act, s 126 and s 132).

8 (3) Any other committee member who also has a material interest in the
9 issue must not be present when the committee is considering its
10 decision under subsection (2).

11 (4) In this section:

12 *associate*, of a person, means—

13 (a) the person's business partner; or

14 (b) a close friend of the person; or

15 (c) a family member of the person.

16 *executive officer*, of a corporation, means a person (however
17 described) who is concerned with, or takes part in, the corporation's
18 management, whether or not the person is a director of the
19 corporation.

20 *indirect interest*—without limiting the kinds of indirect interests a
21 person may have, a person has an *indirect interest* in an issue if any
22 of the following has an interest in the issue:

23 (a) an associate of the person;

24 (b) a corporation if the corporation has not more than
25 100 members and the person, or an associate of the person, is a
26 member of the corporation;

27 (c) a subsidiary of a corporation mentioned in paragraph (b);

28 (d) a corporation if the person, or an associate of the person, is an
29 executive officer of the corporation;

- 1 (e) the trustee of a trust if the person, or an associate of the person,
2 is a beneficiary of the trust;
- 3 (f) a member of a firm or partnership if the person, or an associate
4 of the person, is a member of the firm or partnership;
- 5 (g) someone else carrying on a business if the person, or an
6 associate of the person, has a direct or indirect right to
7 participate in the profits of the business.
- 8 **material interest**—a committee member has a **material interest** in
9 an issue if the member has—
- 10 (a) a direct or indirect financial interest in the issue; or
- 11 (b) a direct or indirect interest of any other kind if the interest
12 could conflict with the proper exercise of the member's
13 functions in relation to the committee's consideration of the
14 issue.
