THE LEGISLATIVE ASSEMBLY
FOR THE AUSTRALIAN CAPITAL TERRITORY

(As presented)

(Attorney-General)

Powers of Attorney Bill 2006

A Bill for

An Act about powers of attorney, and for other purposes

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Chapter 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Powers of Attorney Act 2006*.

4 **2 Commencement**

5 This Act commences on a day fixed by the Minister by written
6 notice.

7 *Note 1* The naming and commencement provisions automatically commence on
8 the notification day (see Legislation Act, s 75 (1)).

9 *Note 2* A single day or time may be fixed, or different days or times may be
10 fixed, for the commencement of different provisions (see Legislation
11 Act, s 77 (1)).

12 *Note 3* If a provision has not commenced within 6 months beginning on the
13 notification day, it automatically commences on the first day after that
14 period (see Legislation Act, s 79).

15 **3 Dictionary**

16 The dictionary at the end of this Act is part of this Act.

17 *Note 1* The dictionary at the end of this Act defines certain terms used in this
18 Act, and includes references (*signpost definitions*) to other terms
19 defined elsewhere in this Act.

20 For example, the signpost definition '*decision-making capacity*—see
21 section 9 (1).' means that the term 'decision-making capacity' is defined
22 in that subsection.

23 *Note 2* A definition in the dictionary (including a signpost definition) applies to
24 the entire Act unless the definition, or another provision of the Act,
25 provides otherwise or the contrary intention otherwise appears (see
26 Legislation Act, s 155 and s 156 (1)).

1 **4 Notes**

2 A note included in this Act is explanatory and is not part of this Act.

3 *Note* See the Legislation Act, s 127 (1), (4) and (5) for the legal status of
4 notes.

5 **5 Offences against Act—application of Criminal Code etc**

6 Other legislation applies in relation to offences against this Act.

7 *Note 1 Criminal Code*

8 The Criminal Code, ch 2 applies to all offences against this Act (see
9 Code, pt 2.1).

10 The chapter sets out the general principles of criminal responsibility
11 (including burdens of proof and general defences), and defines terms
12 used for offences to which the Code applies (eg *conduct*, *intention*,
13 *recklessness* and *strict liability*).

14 *Note 2 Penalty units*

15 The Legislation Act, s 133 deals with the meaning of offence penalties
16 that are expressed in penalty units.

1 **Chapter 2** **General overview and**
2 **important concepts**

3 **6** **Principal and attorney**

4 An *attorney* is a person who is authorised under a power of attorney
5 to make decisions and do particular other things for the person (the
6 *principal*) who made the power of attorney.

7 **7** **What is a *general power of attorney*?**

8 A *general power of attorney* is a power of attorney under this Act
9 that operates only while the principal has decision-making capacity.

10 **8** **What is an *enduring power of attorney*?**

11 An *enduring power of attorney* is a power of attorney under this
12 Act that is not revoked by the principal becoming a person with
13 impaired decision-making capacity.

14 *Note* An enduring power of attorney operates as a general power of attorney
15 while the principal has decision-making capacity (see s 31).

16 **9** **What are *decision-making capacity* and *impaired***
17 ***decision-making capacity*?**

18 (1) For this Act, a person has *decision-making capacity* if the person
19 can make decisions in relation to the person's affairs and
20 understands the nature and effect of the decisions.

1 (2) For this Act, a person has *impaired decision-making capacity* if the
2 person cannot make decisions in relation to the person's affairs or
3 does not understand the nature or effect of the decisions the person
4 makes in relation to the person's affairs.

5 *Note 1* A person is not taken to have impaired decision-making capacity only
6 because of certain attributes or behaviours (see s 91).

7 *Note 2* For the criteria to work out if a person understands the nature and effect
8 of making an enduring power of attorney, see s 17.

9 **10 Meaning of *property matter***

10 In this Act:

11 *property matter*, for a principal, means a matter relating to the
12 principal's property.

13 **Examples of property matters a power of attorney may deal with**

15 principal's dependants

29 property as security for the benefit of the principal
- 30 13 undertaking a real estate transaction for the principal

- 1 15 withdrawing amounts from, or depositing amounts into, an account of the
2 principal held with an authorised deposit-taking institution
3 16 legal matters in relation to the principal's finances and property
4 *Note* An example is part of the Act, is not exhaustive and may extend, but
5 does not limit, the meaning of the provision in which it appears (see
6 Legislation Act, s 126 and s 132).

7 **11 Meaning of *personal care matter***

8 In this Act:

9 *personal care matter*, for a principal, means a matter, other than a
10 health care matter, special personal matter or special health care
11 matter relating to the principal's personal care, including the
12 principal's welfare.

13 **Examples of personal care matters a power of attorney may deal with**

- 14 1 where the principal lives
15 2 who the principal lives with
16 3 whether the principal works and, if the principal works, where and how the
17 principal works
18 4 what education or training the principal gets
19 5 whether the principal applies for a licence or permit
20 6 the principal's daily dress and diet
21 7 whether to consent to a forensic examination of the principal
22 8 whether the principal will go on holiday and where
23 9 legal matters relating to the principal's personal care

24 *Note 1* *Special personal matter*—see s 36. *Special health care matter*—
25 see s 37.

26 *Note 2* An example is part of the Act, is not exhaustive and may extend, but
27 does not limit, the meaning of the provision in which it appears (see
28 Legislation Act, s 126 and s 132).

1 **12 Meaning of *health care matter***

2 In this Act:

3 ***health care matter***, for a principal, means a matter, other than a
4 special health care matter, relating to the principal's health care.

5 **Examples of health care matters a power of attorney may deal with**

- 6 1 consenting to lawful medical treatment necessary for the principal's
7 wellbeing
- 8 2 donations under the *Transplantation and Anatomy Act 1978* by the principal
9 or someone else
- 10 3 withholding or withdrawal of medical treatment for the principal
- 11 4 legal matters relating to the principal's health care

12 *Note 1 Special health care matter*—see s 37.

13 *Note 2* An example is part of the Act, is not exhaustive and may extend, but
14 does not limit, the meaning of the provision in which it appears (see
15 Legislation Act, s 126 and s 132).

1 **Chapter 3 How to appoint an attorney**
2 **Part 3.1 What the principal needs to do**

3 **13 Authorisation of attorneys**

4 (1) An adult (the *principal*) may, by a power of attorney, authorise 1 or
5 more people to do anything for the principal that the principal can
6 lawfully do by an attorney.

7 *Note 1* If a form is approved under s 92 for this provision, the form must be
8 used.

9 *Note 2* The principal must understand the nature and effect of making the
10 power of attorney (see s 17 and s 18).

11 *Note 3* Section 14 contains limits on this general power of appointment in
12 relation to enduring powers of attorney.

13 *Note 4* A power to authorise a person to do something includes a power to
14 authorise a corporation to do the thing (see Legislation Act, s 160 (1)).

15 (2) By an enduring power of attorney, an adult (the *principal*) may also
16 authorise 1 or more people to do anything in relation to 1 or more
17 property matters, personal care matters or health care matters for the
18 principal that the principal could lawfully do by an attorney if the
19 principal had decision-making capacity for the matter when the
20 power to do the thing is exercised.

21 *Note* Section 14 contains limits on this general power of appointment.

22 (3) However, the adult must not, by a power of attorney, authorise a
23 child as an attorney.

- 1 **14 Limit on s 13 power to appoint attorneys—enduring**
2 **powers of attorney**
- 3 (1) Under section 13, a principal must not, in an enduring power of
4 attorney, appoint as an attorney for a property matter—
- 5 (a) a corporation other than—
- 6 (i) the public trustee; or
- 7 (ii) a trustee company under the *Trustee Companies*
8 *Act 1947*; or
- 9 (b) a person who is bankrupt or has executed a personal insolvency
10 agreement.
- 11 *Note* For the extended meaning of *bankrupt* and *personal insolvency*
12 *agreement*, see the dictionary.
- 13 (2) Under section 13, a principal must not, in an enduring power of
14 attorney, appoint a corporation as an attorney for a personal care or
15 health care matter.
- 16 (3) Under section 13, a principal must not, in an enduring power of
17 attorney, appoint the public advocate as an attorney for a matter
18 other than a personal care or health care matter.
- 19 (4) A person for whom a guardian or manager is appointed under the
20 *Guardianship and Management of Property Act 1991* cannot make
21 an enduring power of attorney unless the guardianship tribunal
22 approves the provisions of the power.
- 23 **15 Authorisation of attorneys by name or position**
- 24 A principal may authorise an attorney to act under a power of
25 attorney by—
- 26 (a) naming the person authorised; or

- 1 (b) nominating the occupant of a position (however described), at
2 a particular time or from time to time.

3 *Note* The principal may revoke a power of attorney if the principal has
4 decision-making capacity.

5 **16 When and how power under power of attorney**
6 **exercisable**

- 7 (1) A principal may state in a power of attorney when, and how, power
8 under the power of attorney is exercisable.

9 **Examples of when power may be exercisable**

- 10 1 if I am outside Australia for more than 1 month
11 2 if the property at 13 Mae West Drive is sold
12 3 starting on 14 February 2007

13 *Note* An example is part of the Act, is not exhaustive and may extend, but
14 does not limit, the meaning of the provision in which it appears (see
15 Legislation Act, s 126 and s 132).

- 16 (2) However, if the power of attorney does not state when the power is
17 exercisable, the power can be exercised once the power of attorney
18 is made.

19 **17 Understanding nature and effect of making powers of**
20 **attorney**

21 Understanding the nature and effect of making a power of attorney
22 includes understanding each of the following:

- 23 (a) that the principal may, in the power of attorney, state or limit
24 the power to be given to an attorney;
- 25 (b) that the principal may, in the power of attorney, instruct the
26 attorney about the exercise of the power;
- 27 (c) when the power under the power of attorney can be exercised;

- 1 (d) that, if the power under a power of attorney can be exercised
2 for a matter, the attorney has the power to make decisions in
3 relation to, and will have full control over, the matter subject to
4 terms or information about exercising the power that are
5 included in the power of attorney;
- 6 (e) that the principal may revoke the power of attorney at any time
7 the principal is capable of making the power of attorney;
- 8 (f) for enduring powers of attorney only—
- 9 (i) that the power given by the principal continues even if the
10 principal becomes a person with impaired
11 decision-making capacity; and
- 12 (ii) that, at any time the principal is not capable of revoking
13 the power of attorney, the principal cannot effectively
14 oversee the use of the power.
- 15 *Note* A person has decision-making capacity if the person can make decisions
16 in relation to the person's affairs and understands the nature and effect
17 of the decisions (see s 9 (1)).

18 **18 Presumption that principal understands nature and effect**
19 **of making power of attorney**

20 In the absence of evidence to the contrary, a principal who makes a
21 power of attorney is taken, for this Act, to understand the nature and
22 effect of making the power of attorney.

1 **Part 3.2** **Technical requirements**

2 **19** **Formal requirements for powers of attorney**

- 3 (1) A power of attorney must be signed—
- 4 (a) by the principal; or
- 5 (b) by the direction, and in the presence, of the principal, by
- 6 someone eligible to sign for the principal.

7 *Note* See s 20 for who is eligible to sign for the principal.

- 8 (2) The power of attorney must—
- 9 (a) be signed and dated by 2 adult witnesses in the presence of the
- 10 principal and each other; and
- 11 (b) contain a certificate signed by each witness in accordance with
- 12 section 22.

13 *Note* Section 21 sets out who can be a witness to a power of attorney.

14 **20** **Who can sign for the principal?**

15 A person is eligible to sign a power of attorney for the principal if

16 the person—

- 17 (a) is an adult; and
- 18 (b) is not a witness for the power of attorney; and
- 19 (c) is not an attorney for the principal.

20 **21** **Who can be a witness?**

- 21 (1) A person cannot be a witness to a power of attorney if the person
- 22 is—

- 23 (a) a person signing the power of attorney for the principal; or

- 1 (b) a person authorised as attorney under the power of attorney; or
2 (c) a child.
- 3 (2) Only 1 of the witnesses to the power of attorney can be a relative
4 of—
- 5 (a) the principal; or
6 (b) a person authorised as attorney under the power of attorney.
- 7 (3) For an enduring power of attorney, 1 witness must be a person
8 authorised to witness the signing of a statutory declaration.

9 **22 Certificates by witnesses to powers of attorney**

- 10 (1) If a power of attorney is signed by the principal, the power of
11 attorney must include a certificate signed by each witness stating
12 that—
- 13 (a) the principal signed the power of attorney voluntarily in the
14 presence of the witness; and
- 15 (b) at the time the principal signed the power of attorney, the
16 principal appeared to the witness to understand the nature and
17 effect of making the power of attorney.
- 18 *Note* A principal must understand the matters in s 17 to understand the nature
19 and effect of making a power of attorney. However, in the absence of
20 evidence to the contrary, the principal is taken to understand the nature
21 and effect of making the power of attorney (see s 18).
- 22 (2) If a power of attorney is signed by a person for the principal, the
23 power of attorney must include a certificate signed by each witness
24 stating that—
- 25 (a) the principal directed the person to sign the power of attorney
26 for the principal; and
- 27 (b) the principal gave the direction voluntarily in the presence of
28 the witness; and

- 1 (c) the person signed the power of attorney in the presence of the
2 principal and the witness; and
- 3 (d) at the time the principal signed the power of attorney, the
4 principal appeared to the witness to understand the nature and
5 effect of making the power of attorney.

6 **23 Enduring power of attorney ineffective for attorney**
7 **unless accepted**

8 An enduring power of attorney is effective in relation to an attorney
9 only if the attorney has accepted the appointment by signing the
10 enduring power of attorney.

11 *Note* For what happens if 1 of multiple attorneys does not accept
12 appointment, see section 28.

13 **24 Powers of attorney may be made outside ACT**

14 For this Act, it does not matter whether a power of attorney made
15 under this Act is made in or outside the ACT.

1 **Part 3.3** **Appointment of 2 or more**
2 **attorneys**

3 *Note to pt 3.3*

4 For provisions about multiple attorneys and revocation, see s 65 to s 68.

5 **25** **Appointment of 2 or more attorneys under power of**
6 **attorney**

7 A principal may, under a power of attorney, authorise 2 or more
8 attorneys in either or both of the following ways:

- 9 (a) by authorising the attorneys to act together or separately, or in
10 any combination;
- 11 (b) by authorising different attorneys to act in different
12 circumstances, on the happening of different events or in
13 relation to different matters.

14 **Examples**

- 15 1 A power of attorney authorises Jo to act for the principal only if Wilhelm
16 (another attorney) becomes a person with impaired decision-making
17 capacity.
- 18 2 A power of attorney authorises Frank to act for the principal until Melissa
19 turns 18 and becomes the attorney.
- 20 3 A power of attorney authorises Violet and Ian as attorneys act separately for
21 the principal, except in relation to health care matters when they must make
22 decisions together.

23 *Note* An example is part of the Act, is not exhaustive and may extend, but
24 does not limit, the meaning of the provision in which it appears (see
25 Legislation Act, s 126 and s 132).

1 **26 Multiple attorneys usually joint**

- 2 (1) This section applies if—
- 3 (a) 2 or more attorneys are authorised under a power of attorney in
- 4 relation to a matter; and
- 5 (b) the power of attorney does not state how they are to share a
- 6 power given to them.
- 7 (2) The attorneys are authorised to exercise the power together but not
- 8 separately.

9 **27 If multiple attorneys cannot exercise power unanimously**

- 10 (1) This section applies if—
- 11 (a) 2 or more attorneys are authorised under an enduring power of
- 12 attorney by a principal in relation to a matter; and
- 13 (b) the power of attorney does not state how they are to share a
- 14 power given to them; and
- 15 (c) the principal has impaired decision-making capacity; and
- 16 (d) it is impracticable or impossible for the attorneys to exercise
- 17 the power unanimously.
- 18 (2) One or more of the attorneys, or another interested person in relation
- 19 to the power of attorney, may apply to the guardianship tribunal for
- 20 directions or an order.
- 21 (3) In this section:
- 22 *interested person*—see section 74.

- 1 **28** **Effect of joint attorney not accepting enduring power of**
2 **attorney**
- 3 (1) This section applies if—
- 4 (a) an enduring power of attorney authorises 3 or more attorneys
5 to exercise a power together but not separately; and
- 6 (b) the power of attorney does not require a stated number of
7 attorneys to accept the power of attorney before the attorneys
8 may exercise the power; and
- 9 (c) not all, but at least 2, of the attorneys have accepted the power
10 of attorney.
- 11 (2) The attorneys who have accepted the power under the enduring
12 power of attorney may exercise the power.
- 13 **Example**
- 14 Alex authorises Beryl, Claude and David to act together as attorneys under an
15 enduring power of attorney. Beryl and David accept the power of attorney,
16 Claude does not. Beryl and David may exercise a power under the power of
17 attorney together. Claude accepts the enduring power of attorney later. After
18 Claude accepts, Beryl and David cannot exercise the power without Claude.
- 19 *Note* An example is part of the Act, is not exhaustive and may extend, but
20 does not limit, the meaning of the provision in which it appears (see
21 Legislation Act, s 126 and s 132).
- 22 (3) However, if the enduring power of attorney requires a stated number
23 of attorneys to exercise a power together, the power must not be
24 exercised unless that number of attorneys accepts the power of
25 attorney.

1 **Chapter 4** **Operation of powers of**
2 **attorney**

3 **Part 4.1** **Operation of powers of attorney**
4 **generally**

5 **29** **Powers of attorney are deeds**

- 6 (1) A power of attorney that complies with this Act is, for all purposes,
7 taken to be a deed, even though it is not expressed to be a deed or to
8 be sealed.

9 *Note* A deed may be registered (see *Registration of Deeds Act 1957*) and
10 must be registered for a dealing with land by the attorney to be
11 registered (see *Land Titles Act 1925*, s 130).

- 12 (2) In this section:

13 *power of attorney* includes—

- 14 (a) an amendment of a power of attorney; and
15 (b) a revocation of a power of attorney.

16 **30** **Principal may act despite giving power of attorney**

17 To remove any doubt, the giving of a power of attorney does not
18 affect the principal's power to do anything that the principal is
19 otherwise legally capable of doing.

20 **31** **How does enduring power of attorney operate while**
21 **principal has capacity?**

- 22 (1) This section applies to an enduring power of attorney that operates
23 while the principal has decision-making capacity.

- 1 (2) While the principal has decision-making capacity, the power of
2 attorney operates as a general power of attorney.

1 **Part 4.2** **Operation of enduring powers of**
2 **attorney**

3 **32** **Enduring power of attorney—principal’s impaired**
4 **decision-making capacity**

5 (1) An enduring power of attorney giving power in relation to a matter
6 is not revoked by the principal becoming a person with impaired
7 decision-making capacity, either generally or in relation to the
8 matter.

9 (2) Also—

10 (a) a power under an enduring power of attorney can be exercised
11 while the principal has impaired decision-making capacity; and

12 (b) it does not matter whether a condition that must be satisfied
13 before the power can be exercised has not been satisfied.

14 *Note* A medical certificate can be evidence that the principal had, or did not
15 have, impaired decision-making capacity (see s 87).

1 **Part 4.3** **Things attorneys can and cannot**
2 **do**

3 **Division 4.3.1** **Things attorneys can and cannot do**
4 **generally**

5 **33** **Others acting for attorney**

- 6 (1) An attorney under a general power of attorney may authorise
7 someone else to exercise all or any of the attorney's powers,
8 whether or not there is express power for the authorisation.

9 **Examples of authorisations**

- 10 1 substitute decision-maker
11 2 delegate
12 3 sub-attorney

13 *Note 1* An example is part of the Act, is not exhaustive and may extend, but
14 does not limit, the meaning of the provision in which it appears (see
15 Legislation Act, s 126 and s 132).

16 *Note 2* If a form is approved under s 92 for this provision, the form must be
17 used.

- 18 (2) An enduring power of attorney does not authorise an attorney to
19 authorise anyone else to exercise the powers of the attorney while
20 the principal has impaired decision-making ability.

- 21 (3) However, if an enduring power of attorney expressly authorises an
22 attorney to authorise someone else to exercise all or any of the
23 attorney's powers, the attorney may, in accordance with the express
24 authorisation, authorise someone else to exercise the attorney's
25 powers if—

- 26 (a) the person could be appointed as an attorney under an enduring
27 power of attorney; and

1 (b) the person authorised is known to the principal, or was known
2 to the principal when the principal had decision-making
3 capacity.

4 (4) To remove any doubt, a person authorised under this section to
5 exercise an attorney's powers is taken to be the attorney for this Act.

6 **34 Powers of attorney do not generally give authority to**
7 **benefit attorneys**

8 A power of attorney does not authorise an attorney to execute an
9 assurance or other document, or do anything else, that would result
10 in a benefit being given to the attorney unless the power of attorney
11 expressly authorises the giving of a benefit of that kind to the
12 attorney.

13 **35 Things that cannot be lawfully done by attorneys**

14 A principal cannot do the following by an attorney under a power of
15 attorney:

16 (a) authorise the attorney to exercise power in relation to special
17 personal matters;

18 (b) authorise the attorney to exercise power in relation to special
19 health care matters.

20 *Note* *Special personal matter*—see s 36. *Special health care matter*—
21 see s 37.

22 **36 Special personal matters**

23 For this Act, each of the following is a *special personal matter* for a
24 principal:

25 (a) making or revoking the principal's will;

26 (b) making or revoking a power of attorney or enduring power of
27 attorney for the principal;

- 1 (c) exercising the principal's right to vote in a Commonwealth,
2 Territory, State or local government election or referendum;
3 (d) consenting to the adoption of a child of the principal who is
4 under 18 years;
5 (e) consenting to the marriage of the principal.

6 **37 Special health care matters**

- 7 (1) For this Act, each of the following is a *special health care matter*
8 for a principal:
9 (a) removal of non-regenerative tissue from the principal while
10 alive for donation to someone else;
11 (b) sterilisation of the principal if the principal is, or is reasonably
12 likely to be, fertile;
13 (c) termination of the principal's pregnancy;
14 (d) participation in medical research or experimental health care;
15 (e) treatment for mental illness;
16 (f) electroconvulsive therapy or psychiatric surgery;
17 (g) health care prescribed by regulation.

18 *Note* **Health care**—see the dictionary.

- 19 (2) In this section:
20 **electroconvulsive therapy**—see the *Mental Health (Treatment and*
21 *Care) Act 1994*, section 55.

1 ***health care primarily to treat organic malfunction or disease***, of a
2 principal, means health care without which an organic malfunction
3 or disease of the principal is likely to cause serious or irreversible
4 damage to the principal's physical health.

5 **Examples of health care covered by par (a)**

6 1 Health care involving sterilisation may be primarily to treat organic
7 malfunction or disease if the principal has cancer affecting the reproductive
8 system or cryptorchidism.

9 2 A procedure involving termination of a principal's pregnancy may be
10 primarily to treat organic malfunction if the principal requires abdominal
11 surgery for injuries sustained in an accident.

12 *Note 1* ***Health care primarily to treat organic malfunction or disease*** is used
13 in the definitions of *sterilisation* and *termination*.

14 *Note 2* An example is part of the Act, is not exhaustive and may extend, but
15 does not limit, the meaning of the provision in which it appears (see
16 Legislation Act, s 126 and s 132).

17 ***mental illness***—see the *Mental Health (Treatment and Care)*
18 *Act 1994*, dictionary.

19 ***non-regenerative tissue***—see the *Transplantation and Anatomy*
20 *Act 1978*, section 4 (1) (Interpretation).

21 ***psychiatric surgery***—see the *Mental Health (Treatment and Care)*
22 *Act 1994*, dictionary.

23 ***sterilisation***, of a principal—

24 (a) means health care of the principal that is intended, or
25 reasonably likely, to make the principal, or ensure the principal
26 is, permanently infertile; but

1 (b) does not include health care primarily to treat organic
2 malfunction or disease of the principal.

3 **Examples of sterilisation if not primarily to treat organic malfunction or**
4 **disease**

- 5 1 endometrial ablation
6 2 hysterectomy
7 3 tubal ligation
8 4 vasectomy

9 *termination*, of a principal's pregnancy, does not include health care
10 primarily to treat organic malfunction or disease of the principal.

11 **Division 4.3.2 Things attorneys can and cannot do**
12 **under enduring powers of attorney**

13 **38 Enduring powers of attorney do not generally give**
14 **authority to make gifts**

15 An enduring power of attorney does not authorise the attorney to
16 make a gift of all or any of the principal's property to anyone else
17 unless the power of attorney expressly authorises the making of the
18 gift.

19 **39 Express general authority to make gifts in enduring**
20 **powers of attorney**

21 (1) This section applies if an enduring power of attorney contains a
22 general authorisation to make gifts.

23 (2) A general authorisation to make gifts (however described) in an
24 enduring power of attorney authorises the following gifts:

- 25 (a) a gift made to a relative or close friend of the principal for a
26 celebration or special event;

- 1 (b) a gift that is a donation of a kind that—
- 2 (i) the principal made when the principal had
- 3 decision-making capacity; or
- 4 (ii) the principal might reasonably be expected to make.
- 5 **Examples of celebrations for par (a)**
- 6 1 birthday
- 7 2 Easter
- 8 3 Hanukah
- 9 **Examples of special events for par (a)**
- 10 1 birth
- 11 2 marriage
- 12 3 graduation
- 13 *Note* An example is part of the Act, is not exhaustive and may extend,
- 14 but does not limit, the meaning of the provision in which it
- 15 appears (see Legislation Act, s 126 and s 132).
- 16 (3) However, the general authorisation to make gifts in an enduring
- 17 power of attorney does not authorise making a gift mentioned in
- 18 subsection (2) if the value of the gift is more than is reasonable to
- 19 make.
- 20 (4) In working out what is reasonable for subsection (3), and without
- 21 limiting what must be considered, the principal's financial
- 22 circumstances and the size of the principal's estate must be
- 23 considered.
- 24 (5) Subsection (2) does not prevent the attorney, or a charity with which
- 25 the attorney has a connection, from receiving a gift under the
- 26 general authorisation to make gifts.

-
- 1 **40** **Express general authority to provide for reasonable living**
2 **expenses in enduring powers of attorney**
- 3 (1) This section applies if an enduring power of attorney expressly
4 authorises the payment of reasonable living expenses (however
5 described) for a named person.
- 6 (2) Unless the power of attorney expressly provides otherwise, the
7 power of attorney only authorises the payment of reasonable costs
8 of the following in relation to the named person:
- 9 (a) housing;
- 10 (b) food;
- 11 (c) education;
- 12 (d) transportation;
- 13 (e) medical care and medication.
- 14 (3) In working out what are reasonable costs for subsection (2), and
15 without limiting what must be considered, the principal's financial
16 circumstances and the size of the principal's estate must be
17 considered.
- 18 **41** **Powers to maintain principal's dependants—enduring**
19 **powers of attorney**
- 20 (1) An attorney for a property matter under an enduring power of
21 attorney may provide from the principal's estate for the needs of a
22 dependant of the principal.
- 23 (2) However, unless there is a contrary intention expressed in the
24 enduring power of attorney, what is provided must not be more than
25 what is reasonable considering all the circumstances and, in
26 particular, the principal's financial circumstances.

1 **43** **Obligation of attorneys to keep interested people**
2 **informed**

- 3 (1) This section applies if any of the following events happen:
- 4 (a) a person (the *relevant person*) resigns the person's
5 authorisation as attorney under a power of attorney;
- 6 (b) the authorisation of a person (the *relevant person*) as an
7 attorney under a power of attorney is revoked;
- 8 (c) a court or the guardianship tribunal makes an order in relation
9 to a power of attorney that affects the authorisation of a person
10 (the *relevant person*) under the power of attorney.
- 11 (2) The relevant person must give notice of the event to—
- 12 (a) any other attorney or person authorised under the power of
13 attorney to exercise the relevant person's powers as attorney;
14 and
- 15 (b) if the event is the making of a court order or guardianship
16 tribunal order in relation to the power of attorney that affects
17 the relevant person's authorisation under the power of
18 attorney—each person dealing with the relevant person as an
19 attorney.
- 20 *Note* An attorney under a general power of attorney may authorise someone
21 to exercise the attorney's powers (see s 33).
- 22 (3) However, the relevant person need not give notice under
23 subsection (2) to a person (the *informed person*) about an event if
24 the relevant person believes, on reasonable grounds, that the
25 informed person already knows about the event.

- 1 (2) An attorney under the enduring power of attorney must not ask for
2 medical treatment to be withheld or withdrawn from the principal
3 unless—
4 (a) the attorney has consulted a doctor about—
5 (i) the nature of the principal's illness; and
6 (ii) any alternative forms of treatment available to the
7 principal; and
8 (iii) the consequences to the principal of remaining untreated;
9 and
10 (b) the attorney believes, on reasonable grounds, that the principal
11 would ask for the medical treatment to be withheld or
12 withdrawn if the principal—
13 (i) could make a rational judgment; and
14 (ii) were to give serious consideration to the principal's own
15 health and wellbeing.

16 **47 Keeping records—enduring powers of attorney**

17 An attorney for a property matter under an enduring power of
18 attorney must, while the principal has impaired decision-making
19 capacity, keep accurate records and accounts of all dealings and
20 transactions made under the power.

21 **48 Keeping property separate—enduring powers of attorney**

- 22 (1) An attorney for a property matter under an enduring power of
23 attorney must, while the principal has impaired decision-making
24 capacity, keep the attorney's property separate from the principal's
25 property.

26 *Note* **Property** includes money and financial assets (see dict).

- 1 (2) This section does not—
- 2 (a) apply to property owned jointly by the principal and attorney;
- 3 or
- 4 (b) affect any other obligation imposed under territory law.

5 **Division 4.4.3 Obligations in relation to health care**

6 **49 Obligations on health care facilities in relation to powers**

7 **of attorney**

- 8 The person in charge of a health care facility must take all
- 9 reasonable steps to ensure that—
- 10 (a) each person receiving care at the facility is asked whether the
- 11 person has an enduring power of attorney for personal care
- 12 matters or health care matters; and
- 13 (b) if a person has a power of attorney of that kind—a copy of the
- 14 power of attorney is kept with the person’s records; and
- 15 (c) a process is in place to periodically check the currency of
- 16 powers of attorney kept.

1 **Part 4.5** **If attorneys do not comply with**
2 **Act**

3 **50 Compensation for failure to comply with Act**

- 4 (1) An attorney under a power of attorney may be ordered by the
5 Supreme Court to compensate the principal (or, if the principal has
6 died, the principal's estate) for a loss caused by the attorney's
7 failure to comply with this Act in the exercise of a power.

8 *Note* Under s 52, the attorney may be relieved from liability.

- 9 (2) Subsection (1) applies whether or not the attorney is convicted of an
10 offence in relation to the attorney's failure.

- 11 (3) If the principal or attorney has died, the application for
12 compensation must be made to a court within 6 months after the day
13 of the death.

- 14 (4) If the principal and the attorney have died, the application for
15 compensation must be made to a court within 6 months after the day
16 of the first death.

- 17 (5) The Supreme Court may extend the application time under
18 subsection (3) or (4).

19 *Note* An application for an extension may be made before or after the end of
20 the period to be extended (see Legislation Act, s 151C).

21 **51 Compensation under s 50 and later civil proceeding**

- 22 (1) This section applies if—
23 (a) compensation for an attorney's failure to comply with this Act
24 is paid in accordance with an order under section 50; and

- 1 (b) a later civil proceeding is brought in relation to the same
2 failure.
- 3 (2) The payment of compensation must be taken into account in
4 assessing damages in the civil proceeding.
- 5 **52 Relief from personal liability by court**
- 6 (1) This section applies if a court considers that—
- 7 (a) an attorney is, or may be, personally liable for a contravention
8 of this Act; and
- 9 (b) the attorney has acted honestly and reasonably and ought fairly
10 to be excused for the contravention.
- 11 (2) The court may relieve the attorney from all or part of the attorney's
12 personal liability for the contravention.
- 13 (3) If the attorney is an attorney under an enduring power of attorney, in
14 deciding whether the attorney should be relieved of liability, the
15 court must consider the extent to which the attorney has acted
16 consistently with the general principles.

Chapter 5 Ending powers of attorney

Note to ch 5

An enduring power of attorney, or part of the power, may also be revoked by the guardianship tribunal.

53 Resignation of attorney's authorisation under power of attorney

- (1) An attorney may resign the attorney's authorisation under a power of attorney by written notice of resignation given to the principal.
- (2) However, if a principal has impaired decision-making capacity for a matter, an attorney under an enduring power of attorney may only resign as attorney for the matter with the leave of the guardianship tribunal.

Note The guardianship tribunal may appoint a guardian for the principal (see *Guardianship and Management of Property Act 1991*, s 7).

- (3) To remove any doubt, a power of attorney is revoked in relation to an attorney if the attorney resigns the attorney's authorisation in accordance with this section.

54 No irrevocable powers of attorney

A power of attorney may be revoked under this Act, whether or not the power states otherwise.

55 Advice of revocation of power of attorney

If a principal revokes a power of attorney, the principal must take reasonable steps to tell all attorneys affected by the revocation.

1 **56 Revocation of power of attorney according to its terms**

2 If a power of attorney ceases to have effect according to its terms,
3 the power of attorney is revoked.

4 **Examples**

5 1 If a general power of attorney is expressed to operate from 1 January 2006 to
6 25 January 2006, it is revoked at the end of that period.

7 2 If a general power of attorney is expressed to operate for the sale of a house,
8 it is revoked once the sale is complete.

9 *Note* An example is part of the Act, is not exhaustive and may extend, but
10 does not limit, the meaning of the provision in which it appears (see
11 Legislation Act, s 126 and s 132).

12 **57 Principal's impaired decision-making capacity—general**
13 **power of attorney**

14 If the principal for a general power of attorney becomes a person
15 with impaired decision-making capacity, the power of attorney is
16 revoked.

17 *Note* A person must not be taken to have impaired decision-making capacity
18 only because of certain attributes or behaviours (see s 91).

19 **58 Enduring power of attorney sometimes revoked by**
20 **marriage**

- 21 (1) This section applies to an enduring power of attorney if—
22 (a) a person is appointed as attorney under the power of attorney;
23 and
24 (b) the principal gets married; and
25 (c) the attorney is not the person the principal marries.
26 (2) The enduring power of attorney is revoked in relation to the attorney
27 unless the power of attorney expressly states that it is not revoked in
28 the circumstances.

-
- 1 **59** **Enduring power of attorney sometimes revoked by**
2 **divorce**
- 3 (1) This section applies to an enduring power of attorney if—
- 4 (a) a person is appointed as attorney under the power of attorney;
5 and
- 6 (b) the principal marries, or is married to, the attorney; and
- 7 (c) the principal and the attorney divorce.
- 8 (2) The enduring power of attorney is revoked in relation to the
9 attorney.
- 10 **60** **Death of principal for power of attorney**
- 11 If the principal for a power of attorney dies, the power of attorney is
12 revoked.
- 13 **61** **Death of attorney under power of attorney**
- 14 If an attorney under a power of attorney dies, the power of attorney
15 is revoked to the extent that it gives power to the attorney.
- 16 **62** **Effect of bankruptcy of individual attorney**
- 17 (1) This section applies if—
- 18 (a) an attorney under an enduring power of attorney is an
19 individual; and
- 20 (b) the attorney becomes bankrupt or executes a personal
21 insolvency agreement.
- 22 (2) The power of attorney is revoked to the extent that it gives power to
23 the attorney in relation to property matters.
- 24 *Note* For the extended meaning of *bankrupt* and *personal insolvency*
25 *agreement*, see the dictionary.

1 **63 Attorney's impaired decision-making capacity for power**
2 **of attorney**

3 If an attorney under a power of attorney becomes a person with
4 impaired decision-making capacity, the power of attorney is revoked
5 in relation to the attorney.

6 *Note* A person must not be taken to have impaired decision-making capacity
7 only because of certain attributes or behaviours (see s 91).

8 **64 Effect of winding up etc of corporate attorney**

9 (1) This section applies if—

10 (a) an attorney under a power of attorney is a corporation; and

11 (b) either—

12 (i) the attorney has been, or is being, wound up; or

13 (ii) a liquidator is appointed for the attorney.

14 *Note* **Liquidator**—see the dictionary.

15 (2) The power of attorney is revoked to the extent that it gives power to
16 the attorney.

17 **65 Multiple attorneys with separate powers—effect of**
18 **revocation of powers of some attorneys**

19 If a power of attorney authorises 2 or more people as attorneys to act
20 separately (whether or not in relation to a matter), the revocation of
21 the power of attorney in relation to 1 or more attorneys does not
22 revoke the power of attorney in relation to the other attorneys.

-
- 1 **66** **Joint general power of attorney—effect of revocation of**
2 **powers of some attorneys**
- 3 If a general power of attorney authorises 2 or more people to
4 exercise power as attorneys together but not separately (whether or
5 not in relation to a matter), the power of attorney is revoked if the
6 power is revoked in relation to 1 or more of the attorneys.
- 7 **67** **Joint enduring power of attorney—effect of revocation of**
8 **powers of attorneys**
- 9 (1) This section applies if—
- 10 (a) an attorney’s power under an enduring power of attorney for a
11 matter is revoked; and
- 12 (b) the attorney was authorised to exercise power for the matter
13 under the power of attorney together with 1 or more other
14 attorneys, but not separately; and
- 15 (c) the principal has impaired decision-making capacity.
- 16 (2) If there is only 1 remaining attorney in relation to the matter, the
17 remaining attorney may exercise power for the matter.
- 18 (3) If there are 2 or more remaining attorneys in relation to the matter,
19 the remaining attorneys may exercise power in relation to the matter
20 and, if exercising power, must exercise power together.
- 21 **68** **Power of attorney revoked in relation to each attorney**
- 22 A power of attorney is revoked when—
- 23 (a) if there is only 1 attorney appointed—the power of attorney is
24 revoked in relation to the attorney; or
- 25 (b) if there are 2 or more attorneys appointed—the power of
26 attorney is revoked in relation to each or the last of them.
- 27 *Note* If an attorney resigns, the power of attorney is revoked in relation to the
28 attorney (see s 53 (3)).
-

1 **69 Revocation by later power of attorney**

2 A principal's power of attorney is revoked, to the extent of an
3 inconsistency, by a later power of attorney of the principal.

Chapter 6 Protection and relief from liability

70 Definitions—ch 6

In this chapter:

invalidity, of a power of attorney—

(a) means *invalidity* because—

(i) the power of attorney purports to have been made under the law of a State or Territory and does not comply with the requirements of that law; or

(ii) the person making the power of attorney could not make the power of attorney at the time the person purported to make it; or

(iii) the power of attorney has been revoked, either completely or in relation to the person purporting to exercise power under the power of attorney; and

(b) includes *invalidity* of the power of attorney for any other reason.

Example for par (a) (ii)

A person purports to make a power of attorney but a guardian has been appointed for the person and the guardianship tribunal has not approved the provisions of the power (see s 14 (4)).

Note An example is part of the Act, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

invalidity, of a power under a power of attorney—

(a) means *invalidity* because the power is not exercisable at the time it is purportedly exercised; and

- 1 (b) includes *invalidity* of the power for any other reason.
2 *know*, of the invalidity of a power of attorney or a power under a
3 power of attorney, includes—
4 (a) know of the happening of an event that invalidates the power
5 of attorney or power; or
6 (b) have reason to believe the power of attorney or power is
7 invalid.
8 *power of attorney* includes a document purporting to be a power of
9 attorney.

10 **71 Protection if tribunal or court orders etc**

- 11 (1) This section applies if a court, or the guardianship tribunal, gives an
12 order or direction in relation to the exercise of power under a power
13 of attorney.
14 (2) An attorney who acts in accordance with the order or direction is
15 taken to have complied with this Act.
16 (3) However, subsection (2) does not apply in relation to the order or
17 direction if the attorney knowingly gave the court or tribunal false or
18 misleading information relevant to the order or direction.

19 **72 Protection for attorney if unaware of invalidity**

- 20 (1) This section applies if—
21 (a) a power of attorney is invalid; and
22 (b) the attorney purports to exercise a power under the power of
23 attorney without knowing the power of attorney is invalid.
24 (2) This section also applies if—
25 (a) a power exercised under a power of attorney is invalid; and

- 1 (b) the attorney purports to exercise the power without knowing
2 the power is invalid.
- 3 (3) The attorney does not incur any liability, either to the principal or
4 anyone else, because of the invalidity.
- 5 (4) Anything done by the attorney in the exercise of the power under
6 the invalid power of attorney or of an invalid power is, for all
7 purposes, taken to have been done as if the power of attorney or
8 power were not invalid.

Chapter 20 Transitional provisions**150 Definitions—ch 20**

In this chapter:

commencement day means the day this Act commences.

previous Act means the *Powers of Attorney Act 1956*.

151 Repeal of Powers of Attorney Act 1956

The *Powers of Attorney Act 1956* A1956-17 is repealed.

152 Transitional—application of Act

- (1) This Act applies to a general power of attorney or enduring power of attorney whenever entered into (whether before or after the commencement day).
- (2) However, if a general power of attorney or enduring power of attorney made before commencement day complied with the previous Act when made, the power of attorney is not taken to be invalid only because it does not comply with a provision of this Act about the making of powers of attorney.
- (3) This section is a law to which the Legislation Act, section 88 (Repeal does not end effect of transitional laws etc) applies.

153 Transitional—powers of attorney under previous Act, s 6 and s 7

- (1) This section applies to a power of attorney made before commencement day if—
 - (a) the power of attorney was in force immediately before commencement day; and

- 1 (b) the previous Act, section 6 or section 7 applied to the power of
2 attorney immediately before commencement day.

3 *Note* The *Powers of Attorney Act 1956*, s 6 dealt with irrevocable powers of
4 attorney for value and s 7 dealt with powers of attorney that were
5 irrevocable for a fixed period.

- 6 (2) The previous Act continues to apply in relation to the power of
7 attorney despite its repeal.

- 8 (3) This section is a law to which the Legislation Act, section 88
9 (Repeal does not end effect of transitional laws etc) applies.

10 **154 Transitional—powers of attorney made under Medical**
11 **Treatment Act 1994**

- 12 (1) This section applies to a power of attorney made under the *Medical*
13 *Treatment Act 1994* that was in force immediately before
14 commencement day.

- 15 (2) The power of attorney is taken to be an enduring power of attorney
16 made under this Act for a health care matter.

- 17 (3) However, if the power of attorney complied with the *Medical*
18 *Treatment Act 1994* when made, the power of attorney is not taken
19 to be invalid only because it does not comply with a provision of
20 this Act about the making of powers of attorney.

- 21 (4) This section is a law to which the Legislation Act, section 88
22 (Repeal does not end effect of transitional laws etc) applies.

23 **155 Legislation amended—sch 2**

24 This Act amends the legislation mentioned in schedule 2.

25 **156 Transitional regulations**

- 26 (1) A regulation may prescribe transitional matters necessary or
27 convenient to be prescribed because of the enactment of the *Medical*
28 *Treatment (Health Directions) Act 2006* or this Act.

1 (2) A regulation may modify this chapter to make provision in relation
2 to anything that, in the Executive's opinion, is not, or is not
3 adequately or appropriately, dealt with in this chapter.

4 (3) A regulation under subsection (2) has effect despite anything
5 elsewhere in this Act.

6 **157 Expiry—ch 20**

7 This chapter expires 2 years after commencement day.

1 **Schedule 1 General principles for enduring**
2 **powers of attorney**

3 (see s 44)

4 **1.1 Access to family members and relatives**

5 (1) An individual's wish and need to have access to family members
6 and relatives, and for them to have access to the individual, must be
7 recognised and taken into account.

8 (2) An individual's wish to involve family members and relatives in
9 decisions affecting the individual's life, property, health and finance
10 must be recognised and taken into account.

11 **1.2 Human worth and dignity**

12 An individual with impaired decision-making capacity has an
13 inherent right to respect for the individual's human worth and
14 dignity as an individual.

15 **1.3 Role as a member of society**

16 (1) An individual has a right to be a valued member of society.

17 (2) Because of this right, it is important to encourage and support the
18 individual to perform social roles valued in society.

19 **1.4 Participation in community life**

- 9 **Examples of preserving individual's right to make own decisions**
- 10 1 The individual must be given any necessary support, and access to any
- 11 necessary information, to allow the individual to take part in decisions
- 12 affecting the individual's life to the greatest extent practicable.
- 13 2 To the greatest extent practicable, the individual's views and wishes must be
- 14 sought and taken into account before exercising power in relation to the
- 15 individual.
- 16 3 Power in relation to the individual must be exercised in the way that is least
- 17 restrictive of the individual's rights.
- 18 *Note* An example is part of the Act, is not exhaustive and may extend, but
- 19 does not limit, the meaning of the provision in which it appears (see
- 20 Legislation Act, s 126 and s 132).
- 21 (4) If an individual's wishes or needs cannot be expressed by the
- 22 individual, the person exercising power in relation to the individual
- 23 must try to work out, as far as possible, from the individual's past
- 24 actions, what the individual's wishes and needs would be if the
- 25 individual could express them and take those wishes and needs into
- 26 account.
- 27 (5) However, a person exercising a function in relation to an individual
- 28 must do so in a way consistent with the individual's proper care and
- 29 protection.
- 30 (6) An individual's views and wishes may be expressed orally, in
- 31 writing or in another way, including, for example, by conduct.

- 1 **1.7 Individual taken to be able to make decisions**
- 2 An individual must not be treated as unable to take part in making a
- 3 decision only because the individual makes unwise decisions.
- 4 **1.8 Maintenance of existing supportive relationships**
- 5 The importance of maintaining an individual’s existing supportive
- 6 relationships must be taken into account.
- 7 **1.9 Maintenance of environment and values**
- 8 (1) The importance of maintaining an individual’s cultural and
- 9 linguistic environment, and set of values (including any religious
- 10 beliefs) must be taken into account.
- 11 (2) For an individual who is a member of an Aboriginal community or a
- 12 Torres Strait Islander, this means the importance of maintaining the
- 13 individual’s Aboriginal or Torres Strait Islander cultural and
- 14 linguistic environment, and set of values (including Aboriginal
- 15 tradition or Island custom) must be taken into account.
- 16 (3) In this section:
- 17 *Aboriginal tradition*—
- 18 (a) means the body of traditions, observances, customs and beliefs
- 19 of Aboriginal people generally, or of a particular community or
- 20 group of Aboriginal people; and
- 21 (b) includes any traditions, observances, customs and beliefs
- 22 mentioned in paragraph (a) that relate to particular people,
- 23 areas, objects or relationships.
- 24 *Island custom*, known in the Torres Strait as Ailan Kastom—

9 made by an attorney—

10 (a) in the way least restrictive of the individual's rights and
11 freedom of action; and

12 (b) only if the exercise of power—

13 (i) is, in the attorney's opinion, necessary and appropriate to
14 maintain or promote the individual's health and
15 wellbeing; or

16 (ii) is, in all the circumstances, in the individual's best
17 interests.

18 (2) An individual's wishes in relation to health care matters, and any
19 information provided by the individual's health care provider, must
20 be taken into account when an attorney decides what is appropriate
21 in the exercise of power for a health care matter.
