THE LEGISLATIVE ASSEMBLY
FOR THE AUSTRALIAN CAPITAL TERRITORY

(As presented)

(Treasurer)

Utilities (Network Facilities Tax) Bill 2006

A Bill for

An Act to impose a tax on owners of utility network facilities, and for other purposes

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **1 Name of Act**

2 This Act is the *Utilities (Network Facilities Tax) Act 2006*.

3 *Note* This Act is a tax law under the *Taxation Administration Act 1999*. As a
4 tax law, this Act is subject to provisions of the *Taxation Administration*
5 *Act 1999* about the administration and enforcement of tax laws
6 generally.

7 **2 Commencement**

8 This Act commences on the day after its notification day.

9 *Note* The naming and commencement provisions automatically commence on
10 the notification day (see Legislation Act, s 75 (1)).

11 **3 Dictionary**

12 The dictionary at the end of this Act is part of this Act.

13 *Note 1* The dictionary at the end of this Act defines certain terms used in this
14 Act, and includes references (*signpost definitions*) to other terms
15 defined elsewhere in this Act.

16 For example, the signpost definition '*network facility*—see section 6.'
17 means that the term '*network facility*' is defined in that section.

18 *Note 2* A definition in the dictionary (including a signpost definition) applies to
19 the entire Act unless the definition, or another provision of the Act,
20 provides otherwise or the contrary intention otherwise appears (see
21 Legislation Act, s 155 and s 156 (1)).

22 **4 Notes**

23 A note included in this Act is explanatory and is not part of this Act.

24 *Note* See the Legislation Act, s 127 (1), (4) and (5) for the legal status of
25 notes.

1 **5 Offences against Act—application of Criminal Code etc**

2 Other legislation applies in relation to offences against this Act.

3 *Note 1 Criminal Code*

4 The Criminal Code, ch 2 applies to all offences against this Act (see
5 Code, pt 2.1).

6 The chapter sets out the general principles of criminal responsibility
7 (including burdens of proof and general defences), and defines terms
8 used for offences to which the Code applies (eg *conduct*, *intention*,
9 *recklessness* and *strict liability*).

10 *Note 2 Penalty units*

11 The Legislation Act, s 133 deals with the meaning of offence penalties
12 that are expressed in penalty units.

13 **6 What is a *network facility*?**

14 (1) A *network facility* means any part of the infrastructure of a utility
15 network.

16 (2) However, a network facility does not include any facility, or part of
17 a facility, that is affixed to land for which any of the following is in
18 force in relation to the use of the land for the utility network:

19 (a) a lease;

20 (b) a licence granted by the Territory;

21 (c) any right prescribed by regulation.

22 **Examples of a network facility**

23 1 powerlines or pipes over or under land

24 2 telecommunications cabling

25 *Note* An example is part of the Act, is not exhaustive and may extend, but
26 does not limit, the meaning of the provision in which it appears (see
27 Legislation Act, s 126 and s 132).

1 **7** **What is a *utility network*?**

2 A utility network is—

- 3 (a) any of the following under the *Utilities Act 2000*:
- 4 (i) an electricity transmission network;
- 5 (ii) an electricity network (for the distribution of electricity);
- 6 (iii) a gas transmission network;
- 7 (iv) a gas distribution network;
- 8 (v) a sewerage network;
- 9 (vi) a water network; or
- 10 (b) a telecommunications network under the *Telecommunications*
- 11 *Act 1997* (Cwlth) for communication between members of the
- 12 public; or
- 13 (c) any other network prescribed by regulation.

14 **8** **Network facility tax**

- 15 (1) The owner of a network facility on land in the ACT is liable to pay
- 16 tax in relation to the facility at the rate worked out as follows:

17 determined rate × route length

- 18 (2) In this section:

19 ***determined rate*** means the rate determined under the *Taxation*

20 *Administration Act 1999*, section 139.

21 *Note* The *Taxation Administration Act 1999* provides for the Minister to

22 determine the rate at which, or the method by which, an amount of tax

23 payable under a tax law is to be calculated (see s 139 (1) (b)).

1 **9 Registration of owners of network facilities**

2 The commissioner must register a person as the owner of a network
3 facility if—

- 4 (a) the person owns a network facility; and
5 (b) all or any part of the facility is on land in the ACT; and
6 (c) the person has applied to the commissioner for registration as
7 the owner of the facility.

8 **10 Offence—failure to register**

9 (1) A person commits an offence if—

- 10 (a) the person becomes the owner of a network facility; and
11 (b) the network facility is on land in the ACT; and
12 (c) the person does not apply to the commissioner to be registered
13 under this Act within 90 days after the day the person becomes
14 the owner of the network facility.

15 Maximum penalty: 250 penalty units.

16 (2) Strict liability applies to subsection (1) (a) and (b).

17 (3) A person commits an offence if—

- 18 (a) on the commencement of this Act, the person owns a network
19 facility; and
20 (b) the network facility is on land in the ACT; and
21 (c) the person does not apply to the commissioner to be registered
22 under this Act within 90 days after the day this Act
23 commences.

24 Maximum penalty: 250 penalty units.

25 (4) Strict liability applies to subsection (3) (a) and (b).

1 (5) Subsections (3) and (4) are laws to which the Legislation Act,
2 section 88 (Repeal does not end effect of transitional laws etc)
3 applies.

4 (6) Subsections (2), (3), (4) and (5) and this subsection expire 1 year
5 after the day this section commences.

6 **11 Ownership of network facility—fixtures to land**

7 For this Act, the owner or occupier of land to which a network
8 facility is affixed has no proprietary interest in the facility only
9 because it is affixed to the land.

10 **12 Returns**

11 (1) The owner of a network facility must lodge a return for a year if, at
12 any time during the year, the owner was the owner of a network
13 facility on land in the ACT.

14 (2) The return for a year must—

15 (a) be in writing; and

16 (b) be lodged with the commissioner not later than 60 days after
17 the end of the year; and

18 (c) state—

19 (i) the route length of each network facility to which the
20 return relates; and

21 (ii) the way the owner calculated the route length for the
22 facility.

23 *Note* If a form is approved under the *Taxation Administration Act 1999*,
24 s 139C (Approved forms) for this provision, the form must be used.

1 **13 Assessment**

2 If the route length used in the commissioner’s assessment of the tax
3 payable in relation to a network facility for a year is different from
4 that stated in the owner’s return for the facility for the year, the
5 assessment must also include a statement about—

- 6 (a) the information the commissioner used in the assessment; and
7 (b) the way the commissioner estimated the route length.

8 *Note* Assessments are made under the *Taxation Administration Act 1999* and
9 objections may be made under that Act, s 100 (1) (a).

10 **14 Regulation-making power**

11 The Executive may make regulations for this Act.

12 *Note* A regulation must be notified, and presented to the Legislative
13 Assembly, under the Legislation Act.
