THE LEGISLATIVE ASSEMBLY
FOR THE AUSTRALIAN CAPITAL TERRITORY

(As presented)

(Minister for City Services)

Cemeteries and Crematoria Bill 2019

A Bill for

An Act about cemeteries and crematoria, and for other purposes

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Cemeteries and Crematoria Act 2019*.

4 **2 Commencement**

5 This Act commences on a day fixed by the Minister by written notice.

6 *Note 1* The naming and commencement provisions automatically commence on
7 the notification day (see [Legislation Act](#), s 75 (1)).

8 *Note 2* A single day or time may be fixed, or different days or times may be
9 fixed, for the commencement of different provisions (see [Legislation Act](#),
10 s 77 (1)).

11 *Note 3* If a provision has not commenced within 6 months beginning on the
12 notification day, it automatically commences on the first day after that
13 period (see [Legislation Act](#), s 79).

14 **3 Dictionary**

15 The dictionary at the end of this Act is part of this Act.

16 *Note 1* The dictionary at the end of this Act defines certain terms used in this
17 Act, and includes references (*signpost definitions*) to other terms defined
18 elsewhere.

19 For example, the signpost definition ‘*stillborn child*—see the [Births,](#)
20 [Deaths and Marriages Registration Act 1997](#), dictionary.’ means that the
21 term ‘stillborn child’ is defined in that dictionary and the definition
22 applies to this Act.

23 *Note 2* A definition in the dictionary (including a signpost definition) applies to
24 the entire Act unless the definition, or another provision of the Act,
25 provides otherwise or the contrary intention otherwise appears (see
26 [Legislation Act](#), s 155 and s 156 (1)).

27 **4 Notes**

28 A note included in this Act is explanatory and is not part of this Act.

29 *Note* See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

1 **5 Offences against Act—application of Criminal Code etc**

2 Other legislation applies in relation to offences against this Act.

3 *Note 1 Criminal Code*

4 The [Criminal Code](#), ch 2 applies to all offences against this Act (see
5 Code, pt 2.1).

6 The chapter sets out the general principles of criminal responsibility
7 (including burdens of proof and general defences), and defines terms used
8 for offences to which the Code applies (eg *conduct*, *intention*,
9 *recklessness* and *strict liability*).

10 *Note 2 Penalty units*

11 The [Legislation Act](#), s 133 deals with the meaning of offence penalties
12 that are expressed in penalty units.

13 **6 Object of Act**

14 (1) The main object of this Act is to provide a financially sustainable
15 model for the management of cemeteries and crematoria that
16 recognises, and provides for, the diverse needs of the community.
