14 incurred by another public authority as a result of the incident
15 occurring.
- 16 (6) This section does not affect a right to recover an amount in relation to
17 costs or expenses that exists apart from this section, however a public

164B When regulatory action may be taken

The regulator may take regulatory action against a licensee only if satisfied on reasonable grounds that the licensee—

- (a) used false or misleading information to obtain the licence; or
- (b) contravened a condition of the licence; or
- (c) failed to give the Minister information requested under section 164 (2); or
- (d) failed to comply with a provision of this Act; or

- 1 (e) no longer meets the criteria under section 145D (Issue of insurer
2 licence) or section 145O (Issue of self-insurer licence) to hold
3 the licence; or
- 4 (f) has contravened—
- 5 (i) a workers compensation law; or
- 6 (ii) a law prescribed by regulation.

7 **164C Notification of proposed regulatory action**

- 8 (1) Before the regulator takes regulatory action against a licensee, the
9 regulator must give the licensee a written notice (a *show cause*
10 *notice*) stating—
- 11 (a) the grounds on which, under section 164B, the regulator
12 considers regulatory action may be taken; and
- 13 (b) details of the proposed regulatory action; and
- 14 (c) that the licensee may, not later than 14 days after the day the
15 licensee is given the notice, give a written submission to the
16 regulator about the proposed regulatory action.
- 17 (2) The regulator must consider any written submission received by the
18 regulator in response to the show cause notice when making a
19 decision to take regulatory action against the licensee.

20 **164D Taking regulatory action**

- 21 (1) This section applies if the regulator, after complying with
22 section 164C, is satisfied on reasonable grounds that it is appropriate
23 to take the regulatory action.
- 24 (2) The regulator may—
- 25 (a) if the proposed regulatory action is including, amending or
26 revoking a condition on a licence—include, amend or revoke the
27 condition; or

- 1 (b) if the proposed regulatory action is suspending a licence—take
2 any of the following action:
- 3 (i) the action mentioned in paragraph (a);
4 (ii) suspend the licence for a period; or
- 5 (c) if the proposed regulatory action is disqualifying a licensee from
6 applying for a further licence—take any of the following action:
- 7 (i) the action mentioned in paragraph (b);
8 (ii) disqualify the licensee from applying for a further licence
9 for a period; or
- 10 (d) if the proposed regulatory action is cancelling a licence—take
11 any of the following action:
- 12 (i) the action mentioned in paragraph (c);
13 (ii) cancel the licence.
- 14 *Note* A decision under s (2) is a reviewable decision (see ch 12 and *Workers*
15 *Compensation Regulation 2002*, sch 3, pt 3.1).
- 16 (3) Before taking regulatory action against a licensee under this section,
17 the regulator must tell the licensee, by written notice (a ***notice of***
18 ***regulatory action***)—
- 19 (a) the regulatory action that will be taken; and
20 (b) the day on which the regulatory action takes effect.
- 21 (4) Regulatory action against the licensee takes effect on the day stated
22 in the notice of regulatory action.
- 23 (5) In this section:
- 24 ***proposed regulatory action***, in relation to a licensee, means
25 regulatory action mentioned in a show cause notice given to the
26 person under section 164C (1).

1 **164E Not taking regulatory action**

- 2 (1) This section applies if, after considering a submission under
3 section 164C (2) received from a licensee, the regulator is satisfied
4 on reasonable grounds that regulatory action against the licensee—
- 5 (a) may not be taken; or
- 6 (b) may be taken, but it is not appropriate to take the action.
- 7 (2) The regulator must give the licensee written notice telling the licensee
8 that regulatory action will not be taken against the licensee in relation
9 to the matters stated in the show cause notice.

10 **164F Regulatory action in another jurisdiction**

- 11 (1) This section applies if—
- 12 (a) a licensee holds a licence under another workers compensation
13 law; and
- 14 (b) regulatory action is taken, or is proposed to be taken, against the
15 licensee in relation to that licence.
- 16 (2) The licensee must, as soon as possible after the licensee becomes
17 aware of the regulatory action, tell the regulator—
- 18 (a) the proposed regulatory action or regulatory action taken; and
- 19 (b) the day on which the regulatory action takes effect.

20 *Note* It is also a condition of a licence under s 145E and s 145P that the licensee
21 notify the regulator of any regulatory action taken against the licensee
22 under a workers compensation law.

23 **164G Effect of suspension**

24 If the regulator suspends a licence, the licensee is taken not to hold
25 the licence during the period of suspension.
