THE LEGISLATIVE ASSEMBLY
FOR THE AUSTRALIAN CAPITAL TERRITORY

(As presented)

(Minister for Health)

Radiation Protection Amendment Bill 2022

A Bill for

An Act to amend the *Radiation Protection Act 2006* and the *Radiation Protection Regulation 2007*, and for other purposes

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Radiation Protection Amendment Act 2022*.

4 **2 Commencement**

5 This Act commences 2 months after its notification day.

6 *Note* The naming and commencement provisions automatically commence on
7 the notification day (see [Legislation Act](#), s 75 (1)).

8 **3 Legislation amended**

9 This Act amends the *Radiation Protection Act 2006* and the *Radiation*
10 *Protection Regulation 2007*.

11 *Note* This Act also amends the *Public Health Act 1997* (see sch 1).

12 **4 Legislation repealed**

13 The *Radiation Protection Regulation 2007—Form—Consent form*
14 *for clients of solarium* (AF2010-94) is repealed.

1 **Part 2** **Radiation Protection Act 2006**

2 **5** **Radiation protection principle**
3 **Section 4 (2)**

4 *omit*

5 The council

6 *substitute*

7 The advisory committee

8 **6** **Meaning of *deal* with radiation source**
9 **New section 11 (1) (ea)**

10 *insert*

11 (ea) inspects and assesses the safety of the radiation source to ensure
12 compliance with this Act; or

13 **7** **Sections 13 (3) and 14**

14 *omit*

15 doctor

16 *substitute*

17 health practitioner

18 **8** **Section 14, new note**

19 *insert*

20 *Note 2* **Health practitioner** includes a doctor registered under the *Health*
21 *Practitioner Regulation National Law (ACT)*.

9 Divisions 3.2 and 3.3*substitute***Division 3.2 Licenses****16 Application for licence**

(1) A person may apply to the chief health officer for a licence to deal with a regulated radiation source.

(2) The application must—

(a) be in writing; and

(b) include any information prescribed by regulation.

Note Giving false or misleading information is an offence against the [Criminal Code](#), s 338.

(3) The chief health officer may, by written notice, require an applicant for a licence to give the chief health officer more information—

(a) that the chief health officer reasonably needs to decide the application; and

(b) within a stated time.

Examples—more information

1 information about the proposed dealings under the licence

2 information about the applicant's skills and qualifications

(4) If the applicant does not comply with a requirement in the notice, the chief health officer may refuse to issue the licence.

1 **17 Decision about licence application**

- 2 (1) If a person applies for a licence, the chief health officer must—
3 (a) issue the licence; or
4 (b) refuse to issue the licence.

5 *Note* A licence may be issued with a condition (see s 19).

- 6 (2) The chief health officer may issue the licence to the applicant, only if
7 satisfied that the applicant is a suitable person to hold the licence in
8 accordance with section 17A.
9 (3) The chief health officer must refuse to issue the licence if satisfied it
10 is not in the public interest to issue the licence.
11 (4) In considering the public interest under subsection (3), the chief
12 health officer must consider the risk of a dose limit being exceeded.
13 (5) Subsection (4) does not limit the matters the chief health officer may
14 consider relevant to the public interest.

15 **17A Suitable person to hold licence**

- 16 (1) In deciding whether an applicant is a suitable person to hold a licence,
17 the chief health officer must consider the following:
18 (a) whether the applicant has the knowledge, skills and experience
19 to safely deal with the regulated radiation source the subject of
20 the application;
21 (b) for an applicant who is, or was, a licensee under this Act, or a
22 corresponding law—
23 (i) whether any conditions were imposed on the licence; and
24 (ii) if a condition was imposed on the licence—whether the
25 applicant failed to comply with the condition; and
26 (iii) whether the applicant was given an improvement notice or
27 prohibition notice; and

- 1 (iv) whether any disciplinary action was taken against the
2 applicant; and
- 3 (v) whether the licence was amended or cancelled;
- 4 (c) whether the applicant has been convicted or found guilty of an
5 offence against a law that relates to the applicant's ability to
6 safely deal with a radiation source, including this Act or a
7 corresponding law;
- 8 **Examples—law that relates to applicant's ability to safely deal with**
9 **radiation source**
- 10 1 the *Dangerous Substances Act 2004*
11 2 the *Health Practitioner Regulation National Law (ACT)*
12 3 the *Veterinary Practice Act 2018*
- 13 (d) any other information prescribed by regulation.
- 14 (2) If the applicant is a corporation, the chief health officer must also
15 consider the matters mentioned in subsection (1) for each influential
16 person for the corporation.
- 17 (3) The chief health officer may consider anything else the chief health
18 officer considers relevant.

19 **18 Form of licence**

- 20 (1) A licence must—
- 21 (a) be in writing; and
- 22 (b) include the following information:
- 23 (i) the full name and address of the licensee;
- 24 (ii) a unique identifying number;
- 25 (iii) the term of the licence;
- 26 (iv) any conditions on the licence;
- 27 (v) any other information prescribed by regulation; and

- 1 (c) identify or describe—
- 2 (i) each regulated radiation source to which the licence
- 3 applies (the *relevant source*); and
- 4 (ii) each kind of dealing authorised by the licence in relation
- 5 to each relevant source.
- 6 (2) The licence may include any other information the chief health officer
- 7 considers relevant.

8 **19 Licence conditions**

- 9 A licence is subject to—
- 10 (a) any condition the chief health officer imposes when issuing the
- 11 licence; and
- 12 (b) any other condition prescribed by regulation.

13 **Examples—par (a)**

- 14 1 compliance with an approved code of practice or standard
- 15 2 compliance with a national incident reporting framework
- 16 3 compliance with particular requirements of inspection and reporting
- 17 4 compliance with particular security procedures

18 **20 Term of licence**

19 The chief health officer may issue a licence for not longer than

20 3 years.

21 **21 Offence—fail to update name or address**

- 22 (1) A person commits an offence if the person—
- 23 (a) is a licensee; and
- 24 (b) changes their name or address from the name or address
- 25 mentioned in the licence; and

1 (c) does not tell the chief health officer, in writing, about the change
2 within 14 days after the day the change happens.

3 Maximum penalty: 20 penalty units.

4 (2) An offence against this section is a strict liability offence.

5 **22 Amendment of licence by chief health officer**

6 (1) The chief health officer may amend a licence at any time and on the
7 chief health officer's own initiative.

8 **Examples**

9 1 changing a dealing with a radiation source authorised under a licence

10 2 imposing a condition on a licence

11 3 amending an existing condition of the licence

12 (2) However, the chief health officer may take action under this section
13 (a *proposed action*) only if—

14 (a) the chief health officer has given the licensee written notice of
15 the proposed action; and

16 (b) the notice states that written comments on the proposed action
17 may be made to the chief health officer before the end of a stated
18 period of at least 14 days after the day the notice is issued to the
19 person; and

20 (c) the chief health officer has considered any comments made
21 before the end of the stated period.

22 (3) Subsection (2) does not apply if the licensee applied for, or agreed in
23 writing to, the action.

1 **23 Amendment of licence on application**

- 2 (1) A licensee may apply to the chief health officer to amend the
3 licensee's licence.

4 **Examples**

- 5 1 changing a dealing with a radiation source authorised under the licence
6 2 amending a licence condition
7 3 removing a licence condition

- 8 (2) The chief health officer may, by written notice, require the licensee
9 to give the chief health officer more information the chief health
10 officer reasonably needs to decide the application.

- 11 (3) If the licensee does not comply with a requirement under
12 subsection (2), the chief health officer may refuse to consider the
13 application.

- 14 (4) In deciding whether to amend the licence, the chief health officer may
15 consider anything the chief health officer may consider under
16 section 17 in relation to an application for a licence.

- 17 (5) On an application by a licensee to amend a licence, the chief health
18 officer must—

- 19 (a) amend the licence in the way applied for; or
20 (b) refuse to amend the licence.

21 **24 Automatic cancellation of licence**

- 22 (1) This section applies if—

- 23 (a) a licence is in force in relation to a regulated radiation source;
24 and

- 25 (b) the radiation source becomes a prohibited radiation source.

- 26 (2) The licence is automatically cancelled.

- 27 (3) The chief health officer must give written notice to the person who
28 was the licensee within 7 days after the day the licence is cancelled.

1 **Division 3.3 Registration of radiation sources**

2 **25 Application for registration of radiation source**

3 (1) The owner of a regulated radiation source may apply to the chief
4 health officer to register the radiation source.

5 (2) The application must—

6 (a) be in writing; and

7 (b) include a radiation management plan, for the radiation source,
8 in accordance with section 33C; and

9 (c) include any other information prescribed by regulation.

10 *Note* Giving false or misleading information is an offence against the [Criminal](#)
11 [Code](#), s 338.

12 (3) The chief health officer may, by written notice, require the applicant
13 to give the chief health officer more information—

14 (a) that the chief health officer reasonably needs to decide the
15 application; and

16 (b) within a stated time.

17 **Example—more information**

18 how people, property and the environment will be protected from unnecessary
19 exposure to radiation from a radiation source

20 (4) The chief health officer may, by written notice, require that an
21 applicant amend a radiation management plan included in an
22 application if the chief health officer is satisfied that the plan does not
23 adequately address the requirements under section 33C.

24 (5) If an applicant does not comply with a requirement under
25 subsection (3) or (4), the chief health officer may refuse to register
26 the radiation source.

- 1 **26** **Decision about radiation source registration application**
- 2 (1) If a person applies for registration of a regulated radiation source, the
3 chief health officer must—
- 4 (a) register the radiation source; or
- 5 (b) refuse to register the radiation source.
- 6 (2) In deciding whether to register the regulated radiation source, the
7 chief health officer must consider—
- 8 (a) whether the person is a suitable person to own a regulated
9 radiation source in accordance with section 26A; and
- 10 (b) whether it is in the public interest that the regulated radiation
11 source be registered; and
- 12 (c) anything the chief health officer considers relevant in relation to
13 the person’s ability to comply with this Act; and
- 14 (d) any criteria prescribed by regulation.
- 15 (3) The chief health officer must refuse to register the regulated radiation
16 source if the chief health officer is not satisfied of either matter
17 mentioned in subsection (2) (a) or (b).
- 18 (4) If the chief health officer refuses to register the regulated radiation
19 source, the chief health officer must tell the person about the decision
20 as soon as practicable, but not later than 7 days, after the day the chief
21 health officer makes the decision.
- 22 **26A** **Suitable person to own registered regulated radiation**
23 **source**
- 24 (1) In deciding whether an applicant is a suitable person to own a
25 registered regulated radiation source, the chief health officer must
26 consider the following:
- 27 (a) whether the applicant can satisfy any relevant requirements set
28 out in the national directory;

- 1 (b) for an applicant who is, or was, a registered owner under this
2 Act or a corresponding law—
- 3 (i) whether any conditions were imposed on the registration;
4 and
- 5 (ii) if a condition was imposed on the registration—whether
6 the applicant failed to comply with the condition; and
- 7 (iii) whether the applicant was given an improvement notice or
8 prohibition notice or the equivalent of such a notice; and
- 9 (iv) whether any disciplinary action was taken against the
10 applicant; and
- 11 (v) whether the registration was amended or cancelled;
- 12 (c) whether the applicant has been convicted or found guilty of an
13 offence against a law that relates to the applicant’s ability to
14 safely deal with a radiation source, including this Act or a
15 corresponding law;
- 16 **Examples—law that relates to applicant’s ability to safely deal with**
17 **radiation source**
- 18 1 the *Dangerous Substances Act 2004*
19 2 the *Health Practitioner Regulation National Law (ACT)*
20 3 the *Veterinary Practice Act 2018*
- 21 (d) any other information prescribed by regulation.
- 22 (2) If the applicant is a corporation, the chief health officer must also
23 consider the matters mentioned in subsection (1) for each influential
24 person for the corporation.
- 25 (3) The chief health officer may consider anything else the chief health
26 officer considers relevant.

27 **27 Form of registration**

- 28 (1) The registration of a regulated radiation source must—
29 (a) be in writing; and

- 1 (b) include the following information:
- 2 (i) the full name and address of the person to whom the
- 3 registration is granted;
- 4 (ii) a description or identification of the radiation source;
- 5 (iii) each place where the radiation source may be kept;
- 6 (iv) the term of the registration;
- 7 (v) any conditions on the registration.
- 8 (2) The person mentioned in subsection (1) (b) (i) is the *registered owner*
- 9 of the registered regulated radiation source.

10 **28 Registration conditions**

- 11 (1) The registration of a regulated radiation source is subject to—
- 12 (a) any condition the chief health officer imposes when registering
- 13 a regulated radiation source; and
- 14 (b) any other condition prescribed by regulation.

15 **Examples—conditions imposed on registration**

- 16 1 compliance with an approved code of practice or standard
- 17 2 compliance with a national incident reporting framework
- 18 3 compliance with particular requirements of inspection and reporting
- 19 4 compliance with particular security procedures
- 20 5 requirement to tell chief health officer if radiation source is transported
- 21 (2) Also, registration of a regulated radiation source is subject to a
- 22 condition that the registered owner of the regulated radiation
- 23 source—
- 24 (a) has in place, a radiation management plan in accordance with
- 25 the registration for the radiation source; and
- 26 (b) employs or retains at least 1 radiation safety officer in
- 27 accordance with the radiation management plan for the radiation
- 28 source; and

- 1 (c) ensures the radiation source operates in accordance with an
2 approved code of practice for the radiation source.

3 **29 Term of registration**

4 The chief health officer may register a regulated radiation source for
5 not longer than 3 years.

6 **30 Registered owner must update details**

- 7 (1) A person commits an offence if the person—
8 (a) is a registered owner of a regulated radiation source; and
9 (b) changes their name or address from the name or address
10 mentioned in the registration; and
11 (c) does not tell the chief health officer, in writing, about the change
12 within 14 days after the day the change happens.

13 Maximum penalty: 20 penalty units.

- 14 (2) An offence against this section is a strict liability offence.

15 **31 Amendment of registration by chief health officer**

- 16 (1) The chief health officer may amend a registration at any time and on
17 the chief health officer's own initiative.

18 **Examples**

- 19 1 changing a requirement about how the radiation source is to be kept
20 2 imposing a condition on a registration
21 3 amending an existing condition of a registration

- 22 (2) However, the chief health officer may only amend a registration
23 under this section if—

- 24 (a) the chief health officer has given the registered owner of the
25 regulated radiation source written notice of the proposed
26 amendment; and

- 1 (b) the notice states that written comments on the proposed
2 amendment may be made to the chief health officer before the
3 end of a stated period of at least 14 days after the day the notice
4 is issued to the person; and
- 5 (c) the chief health officer has considered any comments made
6 before the end of the stated period.
- 7 (3) Subsection (2) does not apply if the registered owner applied for, or
8 agrees in writing to, the proposed amendment.

9 **32 Amendment of registration on application**

- 10 (1) A registered owner of a radiation source may apply to the chief health
11 officer to amend a registration.

12 **Examples**

- 13 1 changing a dealing with a radiation source authorised under the licence
14 2 amending a registration condition
15 3 removing a registration condition
- 16 (2) The chief health officer may, by written notice, require the registered
17 owner to give the chief health officer additional information the chief
18 health officer considers reasonably necessary to decide the
19 application.
- 20 (3) If the registered owner does not comply with a requirement under
21 subsection (2), the chief health officer may refuse to amend the
22 registration.
- 23 (4) In deciding whether to amend the registration, the chief health officer
24 may consider anything the chief health officer may consider under
25 section 25 in relation to an application for a registration of a regulated
26 radiation source.

- 1 (5) On application by a registered owner of a regulated radiation source
2 to amend a registration, the chief health officer must—
3 (a) amend the registration; or
4 (b) refuse to amend the registration.

5 **33 Automatic cancellation of registration**

- 6 (1) This section applies if—
7 (a) a registration is in force in relation to a radiation source that is a
8 regulated radiation source; and
9 (b) the radiation source becomes a prohibited radiation source.
10 (2) The registration of the radiation source is automatically cancelled.
11 (3) The chief health officer must give written notice to the person who
12 was the registered owner within 7 days after the day the registration
13 is cancelled.

14 **Division 3.3A Radiation register**

15 **33A Radiation register**

- 16 (1) The chief health officer must keep a register of the following:
17 (a) a licence issued under section 17;
18 (b) a radiation source registered under section 26;
19 (c) anything else prescribed by regulation.
20 (2) The register must include the following information:
21 (a) for a licence—
22 (i) the full name of the licensee; and
23 (ii) the unique identifying number for the licence; and
24 (iii) the dealings authorised by the licence; and

- 1 (iv) the term of the licence; and
2 (v) any conditions on the licence; and
3 (vi) any disciplinary action taken against the licensee; and
4 (vii) any other information prescribed by regulation;
5 (b) for registration of a regulated radiation source—
6 (i) the serial number or other unique identifying number for
7 the radiation source; and
8 (ii) the kind of radiation source; and
9 (iii) the term of the registration; and
10 (iv) any conditions on the registration; and
11 (v) any disciplinary action taken against the registered owner;
12 and
13 (vi) any other information prescribed by regulation.
14 (3) The register may include any other information that the chief health
15 officer considers appropriate.
16 (4) The chief health officer may make the information mentioned in
17 subsection (2) (a) and (b) available for public inspection if satisfied it
18 is in the public interest for the information to be publicly available.
19 (5) The chief health officer may correct a mistake, error or omission in
20 the register.

21 **Division 3.3B Radiation management plan**

22 **33B Meaning of *radiation management plan***

23 In this Act:

24 ***radiation management plan***, for a regulated radiation source, means
25 a plan about how to safely deal with a radiation source.

- 1 **33C Radiation management plan**
- 2 A radiation management plan for a regulated radiation source must—
- 3 (a) include the following information:
- 4 (i) the proposed dealings with the radiation source;
- 5 (ii) the proposed location of the radiation source, including
- 6 how and where it will be stored;
- 7 (iii) the potential hazards associated with the radiation source;
- 8 (iv) security measures that will be in place to prevent
- 9 unauthorised dealings with, or access to, the radiation
- 10 source;
- 11 (v) the proposed safety measures for dealing with the radiation
- 12 source, including how the radiation source will be
- 13 transported or disposed of;
- 14 (vi) details of each radiation safety officer for the plan,
- 15 including each radiation safety officer's qualifications in
- 16 accordance with section 33E;
- 17 (vii) any other information prescribed by regulation; and
- 18 (b) provide details about how the plan will ensure that dealings with
- 19 the radiation source—
- 20 (i) will protect the health and safety of people, property and
- 21 the environment; and
- 22 (ii) comply with the safety duties under division 3.1.

1 **33D Meaning of *radiation safety officer***

2 In this Act:

3 ***radiation safety officer***, for a radiation management plan, means a
4 person who, in giving effect to the plan, does the following in relation
5 to a radiation source mentioned in the plan:

- 6 (a) identifies ways of minimising the potential associated hazards;
7 (b) provides or arranges training for radiation safety and handling;
8 (c) monitors safety and security measures;
9 (d) anything else prescribed by regulation.

10 **33E Qualifications of radiation safety officer**

- 11 (1) The chief health officer may determine a qualification required for a
12 radiation safety officer under this Act.
13 (2) A determination may apply, adopt or incorporate a law of another
14 jurisdiction or an instrument as in force from time to time.
15 (3) A determination is a notifiable instrument.

16 **Division 3.3C Improvement notices and prohibition**
17 **notices**

18 **33F Improvement notices**

- 19 (1) This section applies if an authorised person believes on reasonable
20 grounds that—
21 (a) a licensee or a registered owner of a regulated radiation source—
22 (i) is contravening a provision of this Act; or
23 (ii) has contravened a provision of this Act; and
24 (b) the contravention relates to a dealing with a regulated radiation
25 source.

- 1 (2) The authorised person may, by written notice (an *improvement*
2 *notice*), require the licensee or registered owner to—
- 3 (a) remedy the contravention; or
- 4 (b) prevent a likely contravention from occurring; or
- 5 (c) remedy the cause of the contravention or likely contravention.
- 6 (3) The chief health officer may, by written notice, require the registered
7 owner to amend the registered owner’s radiation management plan if
8 the chief health officer is satisfied—
- 9 (a) the subject of the improvement notice relates to a matter under
10 the radiation management plan; and
- 11 (b) the plan does not adequately address the matter.

12 **33G Contents of improvement notices**

- 13 (1) An improvement notice—
- 14 (a) must state—
- 15 (i) that it is an improvement notice under this Act; and
- 16 (ii) the provision of this Act to which it relates; and
- 17 (iii) details of the contravention; and
- 18 (iv) the period for compliance with the notice (the *compliance*
19 *period*); and
- 20 (b) may state particular action to be taken by the licensee or
21 registered owner to ensure compliance with the provision of this
22 Act to which the notice relates.
- 23 (2) An authorised person may extend the compliance period—
- 24 (a) on the authorised person’s own initiative; or
- 25 (b) if the licensee or registered owner asks the authorised person, in
26 writing, for more time to comply with the notice.

1 **33H Prohibition notices**

- 2 (1) This section applies if—
- 3 (a) a licensee or registered owner of a regulated radiation source has
- 4 failed to comply with an improvement notice within the
- 5 compliance period in relation to the notice; or
- 6 (b) an authorised person believes on reasonable grounds that—
- 7 (i) a licensee or a registered owner of a regulated radiation
- 8 source—
- 9 (A) is contravening a safety duty; or
- 10 (B) has contravened a safety duty, and the contravention
- 11 is likely to continue or repeat; and
- 12 (ii) the contravention poses a serious or immediate risk to—
- 13 (A) the health or safety of people; or
- 14 (B) property; or
- 15 (C) the environment.
- 16 (2) The authorised person may prohibit, by oral or written notice
- 17 (a *prohibition notice*), the licensee or registered owner doing any of
- 18 the following:
- 19 (a) dealing with a stated regulated radiation source or stated kind of
- 20 regulated radiation source;
- 21 (b) for a registered owner of a regulated radiation source—allowing
- 22 another person to deal with the regulated radiation source;
- 23 (c) anything else in relation to a regulated radiation source.

- 1 (3) If the prohibition notice is given orally, the authorised person must—
2 (a) make a written record of the notice as soon as practicable, but
3 not later than 1 business day after the day the notice is given;
4 and
5 (b) give a copy of the written record to the licensee or registered
6 owner as soon as practicable.

7 **331 Contents of prohibition notices**

8 A prohibition notice—

- 9 (a) must state—
10 (i) that it is a prohibition notice under this Act; and
11 (ii) if the prohibition notice is in relation to a failure to comply
12 with an improvement notice—details of the failure to
13 comply; and
14 (iii) if the prohibition notice is in relation to a failure to comply
15 with a safety duty—the safety duty and details of the
16 failure to comply; and
17 (iv) the thing that the licensee or registered owner is prohibited
18 from doing; and
19 (b) may state—
20 (i) particular action to be taken by the licensee or registered
21 owner to ensure compliance with the improvement notice
22 or safety duty to which the notice relates; and
23 (ii) that the notice remains in effect until the licensee or
24 registered owner is given a clearance notice.

- 1 **33J Clearance notices**
- 2 (1) This section applies if an authorised person—
- 3 (a) gave a prohibition notice to a licensee or registered owner of a
- 4 regulated radiation source; and
- 5 (b) is satisfied on reasonable grounds that—
- 6 (i) if the prohibition notice was in relation to a failure to
- 7 comply with an improvement notice—the licensee or
- 8 registered owner has complied with the improvement
- 9 notice; or
- 10 (ii) if the prohibition notice was in relation to a failure to
- 11 comply with a safety duty—the licensee or registered
- 12 owner has complied with the safety duty.
- 13 (2) The authorised person must give the licensee or registered owner
- 14 written notice (a *clearance notice*) that the prohibition notice has
- 15 ended and when the notice ends.
- 16 **33K Contravention of improvement notice and prohibition**
- 17 **notice**
- 18 (1) A person commits an offence if the person—
- 19 (a) is a licensee or a registered owner of a regulated radiation
- 20 source; and
- 21 (b) is given an improvement notice; and
- 22 (c) fails to comply with the improvement notice.
- 23 Maximum penalty: 100 penalty units.
- 24 (2) A person commits an offence if the person—
- 25 (a) is a licensee or a registered owner of a regulated radiation
- 26 source; and

- 1 (b) is given a prohibition notice; and
2 (c) fails to comply with the prohibition notice.
3 Maximum penalty: 400 penalty units.

4 **10 Return of amended, suspended or cancelled licences**
5 **Section 40 (1) (a)**

6 *substitute*

- 7 (a) the licensee's license is—
8 (i) amended under section 22 (Amendment of licence by chief
9 health officer); or
10 (ii) amended under section 23 (Amendment of licence on
11 application); or
12 (iii) cancelled under section 24 (Automatic cancellation of
13 licence); or
14 (iv) amended, suspended or cancelled under this division; and

3 **46A Emergency exemption**

4 (1) The Minister may exempt a person orally or in writing from a
5 requirement under this Act for a continuous period not longer than 12
6 months.

7 (2) An exemption under this section may only be made if the Minister is
8 satisfied on reasonable grounds that the exemption is necessary to
9 minimise a serious or immediate risk to—

10 (a) the health or safety of people; or

11 (b) property; or

12 (c) the environment.

13 (3) If an exemption is made orally, the Minister must, as soon as
14 practicable—

15 (a) make a written record of the exemption not later than 1 business
16 day after the day the Minister makes the exemption; and

17 (b) give a copy of the exemption to the person.

18 **13 New section 60A**

19 *insert*

20 **60A Dealing with unregistered radiation source**

21 (1) A person commits an offence if—

22 (a) the person owns a regulated radiation source; and

23 (b) the regulated radiation source is not registered under section 26;
24 and

25 (c) another person deals with the unregistered radiation source; and

1 (d) the dealing by the other person is not authorised under the other
2 person's licence in relation to the unregistered radiation source.

3 Maximum penalty: 100 penalty units.

4 (2) It is a defence to a prosecution for an offence against this section if
5 the defendant proves that the defendant took reasonable steps to
6 prevent the unregistered radiation source from being dealt with by a
7 person not authorised under a licence to deal with the radiation
8 source.

9 *Note* The defendant has a legal burden in relation to the matters mentioned in
10 s (2) (see [Criminal Code](#), s 59).

11 **14 New section 62A**

12 *insert*

13 **62A Failure to notify chief health officer of disposal of** 14 **radiation source**

15 (1) A person commits an offence if—
16 (a) the person owns a regulated radiation source; and
17 (b) the regulated radiation source is disposed of; and
18 (c) the person does not tell the chief health officer, in writing, about
19 the disposal within 14 days after the day the radiation source is
20 disposed of.

21 Maximum penalty: 50 penalty units.

22 (2) Strict liability applies to subsection (1) (c).

- 1 (3) In this section:
2 *dispose*, of a regulated radiation source, includes—
3 (a) sell the radiation source; or
4 (b) transfer the radiation source; or
5 (c) make the radiation source permanently inoperable.

6 **15 Failure to notify council of dangerous event**

17 **Part 5 Radiation advisory committee**

18 **65 Establishment of advisory committee**

- 19 The Radiation Advisory Committee is established.

20 **66 Advisory committee—functions**

- 21 The advisory committee has the following functions:

- 22 (a) advising the chief health officer on radiation safety and matters
23 relating to radiation;

- 1 (b) developing codes of practice or standards in consultation with
2 the chief health officer regarding the safe use and handling of
3 radiation and radiation sources;
- 4 (c) if required by the Minister, director-general or chief health
5 officer—investigating and reporting on any matter relevant to
6 the administration of this Act;
- 7 (d) reviewing applications for a licence to deal with a regulated
8 radiation source referred to the committee by the chief health
9 officer;
- 10 (e) any other function—
- 11 (i) given to it under this Act or another territory law; or
- 12 (ii) prescribed by regulation.

13 **67 Advisory committee—membership**

- 14 (1) The advisory committee is made up of at least 4 members appointed
15 by the director-general.

16 *Note* For laws about appointments, see the [Legislation Act](#), pt 19.3.

- 17 (2) The advisory committee must include—
- 18 (a) a member of the public; and
- 19 (b) a person who is a doctor registered under the *Health Practitioner*
20 *Regulation National Law (ACT)* in the specialist area of
21 radiology; and
- 22 (c) a person with expert knowledge of the physical properties or
23 biological effects of radiation; and
- 24 (d) a person who, in the director-general’s opinion, has
25 qualifications or experience relevant to assisting the committee
26 to carry out its functions.

- 1 (3) An appointment must be for a term not longer than 3 years.
2 (4) The committee's functions under this Act are not affected only
3 because of a vacancy in the committee's membership.

4 **68 Advisory committee—ending members' appointments**

5 The director-general may end the appointment of an advisory
6 committee member—

- 7 (a) for misbehaviour; or
8 (b) for physical or mental incapacity, if the incapacity affects the
9 exercise of the member's functions; or
10 (c) if the member—
11 (i) becomes bankrupt or personally insolvent; or
12 (ii) is absent, other than on leave approved by the
13 director-general, from 3 consecutive meetings of the
14 advisory committee; or
15 (iii) contravenes section 71 (Advisory committee—disclosure
16 of members' interests) without reasonable excuse; or
17 (iv) contravenes section 115 (Communication or use of
18 protected information); or
19 (v) commits, in Australia or elsewhere, an offence punishable
20 by imprisonment for at least 1 year; or
21 (vi) contravenes any other territory law that, in the
22 director-general's opinion, affects the member's
23 suitability to be a member; or
24 (d) if the director-general is satisfied that the member's ability to
25 function as a member is affected by an interest disclosed under
26 section 71.

- 1 **69 Advisory committee—procedures**
- 2 (1) The director-general may, on the director-general’s own initiative or
3 in consultation with the advisory committee, determine the
4 procedures for the committee.
- 5 (2) A determination under subsection (1) is a notifiable instrument.
- 6 (3) If the director-general has not made a determination about the
7 committee’s procedures, the committee may decide its own
8 procedures in relation to anything for which a procedure is not
9 provided under this Act.
- 10 **70 Advisory committee—quorum at meetings**
- 11 Business may be carried on at a meeting of the advisory committee
12 only if at least 2 appointed members are present.
- 13 **71 Advisory committee—disclosure of member interests**
- 14 (1) An advisory committee member who has a relevant interest in an
15 issue being considered, or about to be considered, by the committee
16 must, as soon as practicable after the relevant facts have come to the
17 member’s knowledge, disclose the nature of the interest at a meeting
18 of the committee.
- 19 (2) The disclosure must be recorded in the advisory committee’s minutes
20 and, unless the committee otherwise decides, the member must not—
- 21 (a) be present when the committee considers the issue; or
22 (b) take part in a decision of the committee on the issue.
- 23 (3) If, because of subsection (2), only 1 member may be present and
24 consider the issue, the committee must not make a decision on the
25 issue.

- 1 (4) In this section:
2 *relevant interest*, in an issue, means—
3 (a) a direct or indirect financial interest in the issue; or
4 (b) a direct or indirect interest of any other kind if the interest could
5 conflict with the proper exercise of the advisory committee
6 member's functions in relation to the committee's consideration
7 of the issue.

8 **72 Advisory committee—reporting of disclosed interests to**
9 **Minister**

- 10 (1) Within 3 months after the disclosure of a relevant interest under
11 section 71 (1), a member nominated by the committee must report to
12 the Minister in writing about—
13 (a) the disclosure; and
14 (b) the nature of the interest disclosed; and
15 (c) any decision by the committee under section 71 (2).
16 (2) The nominated committee member must give the Minister, by 31 July
17 each year, a statement that sets out the information given to the
18 Minister in any report under subsection (1) that relates to disclosures
19 made during the previous financial year.
20 (3) The Minister must give a copy of the statement to the relevant
21 Assembly committee within 31 days after the day the Minister
22 receives the statement.
23 (4) In this section:
24 *relevant Assembly committee* means a standing committee of the
25 Legislative Assembly nominated, in writing, by the Speaker for
26 subsection (3).

- 1 **73** **Advisory committee—radiation protection reports**
- 2 (1) This section applies if any of the following ask the advisory
3 committee, in writing, for advice on a radiation protection issue:
- 4 (a) the Minister;
- 5 (b) the director-general;
- 6 (c) the chief health officer.
- 7 (2) The committee must investigate and provide a written report on the
8 issue, including a recommendation if appropriate, within—
- 9 (a) a period, stated in the request, that is not less than 7 days; or
- 10 (b) if a longer period is stated in the request—the longer period.
- 11 (3) However, if the committee reasonably needs more time to provide the
12 report—
- 13 (a) the committee may make a written request to the person who
14 asked for the advice for more time to provide the report; and
- 15 (b) the person may extend the period for the committee to provide
16 the report.

17 **18** **Section 115**

18 *substitute*

19 **115** **Communication or use of protected information**

- 20 (1) A person commits an offence if—
- 21 (a) the person uses protected information; and
- 22 (b) the use of the information is not a protected use; and
- 23 (c) the person is reckless about whether the use is protected use.
- 24 Maximum penalty: 50 penalty units, imprisonment for 6 months or
25 both.

- 1 (2) A person commits an offence if—
- 2 (a) the person uses protected information; and
- 3 (b) the use of the information is not a protected use; and
- 4 (c) the person intends to use the protected information to—
- 5 (i) endanger the health or safety of another person; or
- 6 (ii) damage property or the environment.
- 7 Maximum penalty: 1 000 penalty units, imprisonment for 3 years or
- 8 both.
- 9 (3) In this section, use of protected information is a *protected use* if the
- 10 information is used—
- 11 (a) in accordance with this Act or another territory law; or
- 12 (b) in relation to the exercise of a function under this Act or another
- 13 territory law; or
- 14 (c) with the consent of the person to whom the information relates,
- 15 or from whom the information was obtained; or
- 16 (d) for the purposes of legal proceedings arising out of the
- 17 administration or enforcement of this Act; or
- 18 (e) by disclosing the information to an entity under a territory law
- 19 or the law of another jurisdiction that has functions relating to
- 20 radiation health or safety.
- 21 **Examples—entity having functions relating to radiation health or safety**
- 22 1 a national board under the *Health Practitioner Regulation National*
- 23 *Law (ACT)*
- 24 2 the veterinary practitioners board
- 25 3 the Chief Executive Medicare
- 26 4 the environment protection authority
- 27 5 the work health and safety commissioner

Section 19

- 1 (4) In this section:
2 *protected information* means information disclosed to, or obtained
3 by, a person because of the exercise of a function under this Act.

4 **19 Evidentiary certificates**
5 **Section 119**

- 6 *omit*
7 chair of the council

17 *substitute*
18 20 penalty units

22 **New part 11***insert***Part 11** **Transitional—Radiation
Protection Amendment Act 2022****133** **Definitions—pt 11**

In this part:

commencement day means the day the *Radiation Protection Amendment Act 2022*, section 3 commences.

pre-amendment Act means this Act, as in force immediately before the commencement day.

radiation council means the Radiation Council established under the pre-amendment Act, section 65.

134 **Radiation council members**

- (1) The appointment of a person as a member of the radiation council under the pre-amendment Act, section 68 (Council members), that is in force immediately before the commencement day is, on the commencement day, taken to be an appointment of the person as a member of the advisory committee under section 67 (Advisory committee—membership) and continues in force until the end of the term of the appointment under the pre-amendment Act unless ended earlier.
- (2) The appointment of a person as chair or deputy chair of the radiation council under the pre-amendment Act, section 70, that is in force immediately before the commencement day is, on the commencement day, taken to be an appointment of the person as chairperson or deputy chairperson of the advisory committee under the terms of reference (if any) and continues in force until the end of the term of the appointment under the pre-amendment Act unless ended earlier.

1 **135 Radiation council—functions**

- 2 (1) This section applies if, immediately before the commencement day—
- 3 (a) the radiation council did not carry out or complete a function
- 4 required under a provision of the pre-amendment Act or any
- 5 other territory law; or
- 6 (b) a person did not carry out or complete a function, in relation to
- 7 the radiation council, required under a provision of the
- 8 pre-amendment Act or any other territory law.
- 9 (2) The provision of the pre-amendment Act or other territory law, as in
- 10 force immediately before the commencement day, continues to apply
- 11 to the carrying out or completion of the function, and the following is
- 12 taken to be the radiation council for the provision and any matter
- 13 relating to the performance of the function:
- 14 (a) for a function under the pre-amendment Act, divisions 5.3
- 15 and 5.4—the advisory committee;
- 16 (b) for any other function—the chief health officer.

17 **136 Radiation council disclosures and reporting of interests**

- 18 (1) A disclosure of an interest to the radiation council under the
- 19 pre-amendment Act, section 77 (Disclosure of interests by council
- 20 members) is, on the commencement day, taken to be a disclosure of
- 21 an interest to the advisory committee under section 71.
- 22 (2) A requirement to report information or give a statement under the
- 23 pre-amendment Act, section 78 (Reporting of disclosed interests to
- 24 Minister) that has not been done before the commencement day is, on
- 25 the commencement day, taken to be a requirement to report the
- 26 information or give the statement under section 72.

1 **137 Transitional regulations**

2 A regulation may prescribe transitional matters necessary or
3 convenient to be prescribed because of the enactment of the *Radiation*
4 *Protection Amendment Act 2022*.

5 **138 Expiry—pt 11**

6 This part expires 12 months after the commencement day.

7 *Note* A transitional provision is repealed on its expiry but continues to have
8 effect after its repeal (see [Legislation Act](#), s 88).

9 **23 Schedule 1**

10 *substitute*

11 **Schedule 1 Reviewable decisions**

12 (see pt 7)

| column 1 item | column 2 section | column 3 decision | column 4 entity |
|------------------|---------------------|--|----------------------------|
| 1 | 17 (1) (b) | refuse to issue licence | applicant for licence |
| 2 | 19 (a) | impose condition on licence | licensee |
