THE LEGISLATIVE ASSEMBLY
FOR THE AUSTRALIAN CAPITAL TERRITORY

(As presented)

(Treasurer)

Rates Bill 2003

A Bill for

An Act about rates, and for other purposes

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Rates Act 2003*.

4 *Note* This Act is a **tax law** under the Taxation Administration Act. As a tax
5 law, this Act is subject to provisions of the Taxation Administration Act
6 about the administration and enforcement of tax laws generally.

7 **2 Commencement**

8 This Act commences on 1 July 2004.

9 *Note* The naming and commencement provisions automatically commence on
10 the notification day (see Legislation Act, s 75 (1)).

11 **3 Dictionary**

12 The dictionary at the end of this Act is part of this Act.

13 *Note 1* The dictionary at the end of this Act defines certain terms used in this
14 Act, and includes references (**signpost definitions**) to other words and
15 expressions defined elsewhere.

16 For example, the signpost definition '**unit owner**—see Unit Titles Act,
17 dictionary' means that the term 'unit owner' is defined in that dictionary
18 and the definition applies to this Act.

19 *Note 2* A definition in the dictionary (including a signpost definition) applies to
20 the entire Act unless the definition, or another provision of the Act,
21 provides otherwise or the contrary intention otherwise appears (see
22 Legislation Act, s 155 and s 156 (1)).

23 **4 Notes**

24 A note included in this Act is explanatory and is not part of this Act.

25 *Note* See Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

1 **5 Offences against Act—application of Criminal Code etc**

2 Other legislation applies in relation to offences against this Act.

3 *Note 1 Criminal Code*

4 The Criminal Code, ch 2 applies to all offences against this Act (see
5 Code, pt 2.1).

6 The chapter sets out the general principles of criminal responsibility
7 (including burdens of proof and general defences), and defines terms
8 used for offences to which the Code applies (eg *conduct*, *intention*,
9 *recklessness* and *strict liability*).

10 *Note 2 Penalty units*

11 The Legislation Act, s 133 deals with the meaning of offence penalties
12 that are expressed in penalty units.

1 **Part 2** **Unimproved value of rateable**
2 **land**

3 **6** **Meaning of *unimproved value***

4 (1) The *unimproved value* of a parcel of land held under a lease from
5 the Commonwealth is the capital amount that might be expected to
6 have been offered on the relevant date for the lease of the parcel,
7 assuming that—

8 (a) the only improvements on or to the parcel were the
9 improvements (if any) by way of clearing, filling, grading,
10 draining, levelling or excavating—

11 (i) if the Territory or Commonwealth had, before the parcel
12 became rateable as a separate parcel, granted a
13 development lease of land that included the parcel—
14 made by the lessee under that lease or by the Territory or
15 Commonwealth, or the cost of which was met by that
16 lessee or by the Territory or Commonwealth; or

17 (ii) in any other case—made by the Territory or
18 Commonwealth or the cost of which was met by the
19 Territory or Commonwealth; and

20 (b) the circumstances that existed on the prescribed date also
21 existed on the relevant date; and

22 (c) on the relevant date, the lease had an unexpired term of
23 99 years; and

24 (d) a nominal rent was payable under the lease for the 99 year
25 term.

26 *Note* **Relevant date** is defined in the dictionary.

-
- 1 (2) The *unimproved value* of a parcel of land held in fee simple is the
2 capital amount that might be expected to have been offered for the
3 parcel at a genuine sale on the relevant date on the reasonable terms
4 and conditions that a genuine seller would require, assuming that no
5 improvements had been made on or to the parcel.
- 6 (3) In this section:
- 7 *prescribed date*, for a parcel of land, means—
- 8 (a) for a determination of the unimproved value of the parcel—the
9 date the parcel became rateable; or
- 10 (b) for an annual redetermination of the unimproved value of the
11 parcel—the date the redetermination applies; or
- 12 (c) for a redetermination of the unimproved value of the parcel
13 under section 11 (Redetermination—error or changed
14 circumstances)—the date for the redetermination mentioned in
15 the notice under section 11 (2) .
- 16 **7 Unimproved value of land developed under development**
17 **lease**
- 18 (1) This section applies to a parcel of land on or to which an
19 improvement mentioned in section 6 (1) (a) is made by a lessee
20 under a development lease mentioned in section 6 (1) (a) (i).
- 21 (2) For the determination of the unimproved value of the parcel, the
22 improvement is taken to have been made only to the extent that the
23 Territory or Commonwealth normally makes improvements of the
24 same kind on or to a comparable parcel of land.

- 1 **8 Meaning of *rateable land***
- 2 (1) All land in the ACT, including Commonwealth land, is *rateable*
- 3 *land*, except—
- 4 (a) commons, public parks and public reserves not held under
- 5 lease or licence; and
- 6 (b) sites of cemeteries, public hospitals, benevolent institutions
- 7 and buildings used exclusively for public charitable purposes;
- 8 and
- 9 (c) sites of churches and other buildings used exclusively for
- 10 public worship; and
- 11 (d) sites of buildings used for free public libraries; and
- 12 (e) land leased from the Commonwealth that is occupied by, or
- 13 used in connection with, a school; and
- 14 (f) Commonwealth land that is not leased and is unoccupied (other
- 15 than land that, immediately before becoming unoccupied, was
- 16 occupied by a lessee of the Territory or Commonwealth on a
- 17 weekly or fortnightly tenancy).
- 18 (2) For this section:
- 19 *school* means a school that is registered or provisionally registered
- 20 under the *Education Act 2003*, and includes a playground belonging
- 21 to, or used in connection with, the school.
- 22 **9 First determination of unimproved value**
- 23 (1) This section applies if a parcel of land becomes rateable on or after a
- 24 relevant date (the *1st relevant date*).
- 25 (2) The commissioner must—
- 26 (a) determine the unimproved value of the parcel of land as at the
- 27 1st relevant date; and

- 1 (b) if necessary, redetermine the unimproved value of the parcel as
2 at each relevant date after the first relevant date when it was
3 not determined.
- 4 (3) A determination under subsection (2) (a) applies to rates for the
5 period—
- 6 (a) beginning on 1 July in the calendar year in which the relevant
7 date falls; and
- 8 (b) ending on 30 June in the next calendar year.
- 9 (4) A redetermination under subsection (2) (b) for a parcel of land
10 applies to rates for the period—
- 11 (a) beginning on 1 July in the calendar year in which the relevant
12 date as at which the redetermination is made falls; and
- 13 (b) ending on 30 June in the next calendar year.

14 **10 Annual redeterminations**

- 15 (1) As soon as practicable after each 1 January, the commissioner must
16 redetermine the unimproved value, as at that date, of each parcel of
17 land rateable on that date.
- 18 (2) An annual redetermination of the unimproved value of a parcel of
19 land applies to rates for the period—
- 20 (a) beginning on 1 July in the calendar year in which the relevant
21 date when the redetermination is made falls; and
- 22 (b) ending on 30 June in the next calendar year.

- 1 **11 Redetermination—error or changed circumstances**
- 2 (1) This section applies if, in relation to a parcel of land—
- 3 (a) an error was made when the unimproved value of the parcel
- 4 was determined by any of the last 3 determinations of the
- 5 parcel (the *relevant determination*); or
- 6 (b) there has been a change of circumstances since the date of any
- 7 of the last 3 determinations of the unimproved value of the
- 8 parcel and the change was not taken into account in the most
- 9 recent determination of the unimproved value of the parcel.
- 10 (2) The commissioner may give written notice to the owner of the
- 11 parcel of the commissioner’s intention to redetermine the
- 12 unimproved value of the parcel as at the date of the relevant
- 13 determination.
- 14 (3) If the commissioner gives notice, the commissioner must make the
- 15 redetermination as soon as practicable.
- 16 (4) A redetermination under this section for a parcel of land applies to
- 17 rates for the period—
- 18 (a) beginning—
- 19 (i) if subsection (1) (a) applies—on the day when the
- 20 relevant determination applies to rates for the parcel; or
- 21 (ii) if subsection (1) (b) applies—on the day the change of
- 22 circumstance happened; and
- 23 (b) and ending on the day before the 1 July when the next
- 24 redetermination applies to rates for the parcel.

1 (5) For this section:

2 *error*, in relation to a determination, includes—

3 (a) an error in making a valuation on which the determination is
4 based; and

5 (b) the duplication of an error in relation to an earlier
6 determination.

7 **12 Recording and notification of determinations**

8 (1) The commissioner must record particulars of each determination of
9 the unimproved value of a parcel of land.

10 (2) The commissioner must give written notice of the amount
11 determined as the unimproved value of a parcel to the owner.

1 **Part 3 Imposition and payment of**
2 **rates**

3 **13 Pt 3 subject to pt 5**

4 This part is subject to part 5 (Unit subdivisions).

5 **14 Imposition of rates**

6 (1) Rates of the fixed charge are imposed for a parcel of residential or
7 commercial land that has an average unimproved value of the
8 threshold amount or less.

9 (2) Rates are imposed for a parcel of residential or commercial land that
10 has an average unimproved value of more than the threshold amount
11 in accordance with the following formula:

$$12 \quad FC + ((AUV - TA) \times P)$$

13 (3) Rates are imposed for a parcel of rural land that has an average
14 unimproved value of more than the threshold amount in accordance
15 with the following formula:

$$16 \quad (AUV - TA) \times P$$

17 (4) In this section:

18 *AUV* means the average unimproved value of the parcel.

19 *FC* or *fixed charge* means the fixed charge determined under the
20 Taxation Administration Act, section 139 for the parcel.

21 *P* means the percentage rate determined under the Taxation
22 Administration Act, section 139 for the parcel.

23 *TA* or *threshold amount* means the threshold amount determined
24 under the Taxation Administration Act, section 139 for the parcel.

25 *Note* Different percentages may be determined for residential, commercial or
26 rural land (see Legislation Act, s 48).

1 **15 Rates for part of year**

2 (1) This section applies to a parcel of land if the parcel starts or stops
3 being rateable in a year.

4 (2) In working out the rates payable for the parcel under section 14
5 (Imposition of rates) for the year, the amount of rates payable is the
6 amount worked out in accordance with the following formula:

7 rates otherwise payable for year $\times \frac{\text{rateable days}}{\text{days in year}}$

8 (3) However, if a parcel of rateable land is held under a lease from the
9 Commonwealth for only part of the year, the amount of rates
10 payable for the year is the amount worked out in accordance with
11 the following formula:

12 rates otherwise payable for year $\times \frac{\text{days lease in force}}{\text{days in year}}$

13 (4) In this section:

14 *days lease in force* means the number of days in the year when the
15 lease is in force, and includes any days when an owner continues to
16 occupy the parcel of land after the ending of the lease.

17 *rateable days* means the number of days in the year that the parcel
18 of land was a rateable parcel.

19 **16 Owner to pay rates**

20 (1) Rates imposed for a parcel of land are payable to the commissioner
21 by the owner of the parcel.

22 (2) The person who is the owner of a parcel of land is liable to pay to
23 the commissioner the whole or any part of rates payable for the
24 parcel that have not been paid whether the amount became payable
25 before or after the person became the owner.

1 **17 When are rates payable?**

- 2 (1) The assessment notice for the rates payable for a year for a parcel of
3 land must state a date for payment of the rates (the *payment date*).
- 4 (2) The payment date must not be a date earlier than 4 weeks after the
5 date of the notice.
- 6 (3) The rates are payable on the payment date.

7 **18 How may rates be paid?**

- 8 (1) Rates payable for a year for a parcel of land must be paid by the
9 owner—
- 10 (a) if the amount payable is for a year and any arrears of rates in
11 relation to previous years have been paid in full—by paying,
12 on or before the payment date, the amount of the rates less the
13 discount rate; or
- 14 (b) if the amount payable is for part of a year—by paying the
15 amount of the rates on or before the payment date; or
- 16 (c) by paying the rates in instalments in accordance with
17 section 19; or
- 18 (d) by paying amounts so that the total amount paid by the person
19 on or before a date in the year is not less than the total amount
20 that the person would have paid on that date if the person were
21 paying the rates in instalments in accordance with section 19.
- 22 (2) If the amount payable under a notice of assessment is for a period of
23 longer than a year, subsection (1) (a) applies only to the payment of
24 that part of the amount payable that is for a year.
- 25 (3) In this section:
- 26 *discount rate* means the discount rate determined under the
27 Taxation Administration Act, section 139.

1 **19 Payment of rates by instalments**

2 (1) For payment of rates in instalments—

3 (a) the amount of each instalment must be a whole dollar amount
4 worked out by dividing the total amount of the rates payable by
5 4 and adding the amount of any remainder to the amount
6 worked out for the 1st instalment; and

7 (b) the date when an instalment is due for payment is not less than
8 3 months after the date when any previous instalment is due for
9 payment.

10 (2) The Taxation Administration Act, section 52 (4) (which deals with
11 failure to pay an instalment when due) does not apply to the
12 payment of rates in instalments.

1 **Part 4 Enforcement**

2 **20 Non-application of provisions of Taxation Administration**
3 **Act**

4 The Taxation Administration Act, section 25 (Interest in relation to
5 tax defaults), division 5.2 (Penalty tax) and section 110 (Interest
6 payable on amounts to be paid by taxpayer) do not apply to unpaid
7 overdue rates.

8 **21 Interest payable on overdue rates**

- 9 (1) Interest on an amount of unpaid overdue rates is worked out—
10 (a) for each calendar month when the amount remains unpaid; and
11 (b) on the 1st day of that month; and
12 (c) at the interest rate applying to that day; and
13 (d) on the total amount of overdue rates that are unpaid on a day
14 when the interest is worked out.

15 *Note* The Minister may determine an interest rate for this section under the
16 Taxation Administration Act, s 139.

- 17 (2) For subsection (1) (a), if an amount remains unpaid for part of a
18 calendar month, interest is payable for the whole month.

19 **Example**

20 Fred's rates are due on 15 August. He doesn't pay it until 5 October. Fred has to
21 pay interest worked out for the overdue period from 16 August to 5 October.
22 Because of the operation of s (2), Fred has to pay interest for the period from
23 16 August to 15 October. Interest for the month from 16 August to 15 September
24 is at the rate applying on 16 August, which is the 1st day of the 1st month that the
25 amount remains unpaid (see s (1)). Interest for the month from 16 September to
26 15 October is at the rate applying on 16 September, which is the 1st day of the
27 2nd month that the amount remains unpaid (see s (1)).

1 *Note* An example is part of the Act, is not exhaustive and may extend, but
2 does not limit, the meaning of the provision in which it appears (see
3 Legislation Act, s 126 and s 132).

4 **22 Charge of rates on land**

5 (1) Rates payable in relation to a parcel of land are a charge on the
6 interest held by the owner of the parcel.

7 (2) The charge takes priority over a sale, conveyance, transfer,
8 mortgage, charge, lien or encumbrance in relation to the parcel.

9 (3) The charge does not have effect against an honest purchaser of the
10 parcel of land for value if—

11 (a) the purchaser had obtained a certificate under section 76
12 (Certificate of rates and other charges) in relation to the parcel
13 before the purchase; and

14 (b) at the time of purchase, the purchaser did not have notice of
15 liability under the charge.

16 **23 Notice of rates in arrears**

17 (1) If rates payable for a parcel of land have been in arrears for at least
18 1 year, the commissioner may give the owner of the parcel written
19 notice that the rates are in arrears.

20 (2) At any time after giving notice, the commissioner may declare, in
21 writing, that the rates for the parcel of land are in arrears.

22 (3) A declaration is a notifiable instrument.

23 *Note* A notifiable instrument must be notified under the Legislation Act.

- 1 **24 Unoccupied land—letting for unpaid rates**
- 2 (1) This section applies if—
- 3 (a) a declaration is made under section 22 in relation to an
- 4 unoccupied parcel of land; and
- 5 (b) the rates payable for the parcel are not paid within 30 days
- 6 after the day the declaration is notified.
- 7 (2) The commissioner may—
- 8 (a) take possession of the parcel; and
- 9 (b) hold the parcel against anyone; and
- 10 (c) lease the parcel for not longer than 7 years.
- 11 (3) If the commissioner takes possession of the parcel, the
- 12 commissioner must keep accounts of—
- 13 (a) rent and other amounts received by the commissioner in
- 14 relation to the parcel; and
- 15 (b) the expenses of the lease; and
- 16 (c) the rates and land tax payable for the land.
- 17 (4) If rent and other amounts are received by the commissioner under
- 18 this section—
- 19 (a) the rent and other amounts must be applied against—
- 20 (i) the expenses of the lease necessarily incurred by the
- 21 commissioner; and
- 22 (ii) the rates payable for the land; and
- 23 (iii) the land tax payable for the land; and
- 24 (iv) any other expenses incurred by the commissioner in
- 25 relation to the parcel; and

1 (b) any remaining rent and other amounts received belongs to
2 anyone who, at the time it is received, would have been
3 entitled to receive it if the parcel had not been in the
4 commissioner's possession.

5 (5) In this section:

6 *expenses*, of a lease, includes expenses incidental to the lease and
7 the collection of rent under the lease.

8 **25 Entitlement to possession of land held by commissioner**

9 (1) This section does not apply to a parcel of land sold under section 26.

10 (2) A person who, apart from section 24, would be entitled to the parcel
11 may, within 16 years after the day the commissioner takes
12 possession of the parcel—

13 (a) inspect the accounts kept under section 24; and

14 (b) ask the commissioner to put the person in possession of the
15 parcel.

16 (3) On request under subsection (2), the commissioner must put the
17 person in possession of the parcel—

18 (a) if rates, land tax or both are payable for the parcel—on
19 payment by the person of the amount payable; and

20 (b) if the parcel is subject to a lease made by the commissioner
21 under section 24—subject to the lease.

22 (4) If no-one is put in possession of the parcel under this section within
23 16 years after the day the commissioner takes possession of the
24 parcel—

25 (a) the parcel vests absolutely in the Commonwealth; and

26 (b) rent and any other amounts received by the commissioner in
27 relation to the land vest in the Territory.

1 **26 Sale of land for nonpayment of rates**

- 2 (1) This section applies if—
- 3 (a) a parcel of land is held by the owner under a lease from the
4 Commonwealth for a term of years; and
- 5 (b) the commissioner has complied with section 22; and
- 6 (c) rates payable for the parcel are in arrears for at least 1 year
7 after the day of notification of a declaration under section 22 in
8 relation to the parcel.
- 9 (2) The commissioner may apply to a court of competent jurisdiction
10 for an order for the sale of all or part of the parcel.

11 **Example**

12 The commissioner has given notice and made a declaration under section 22 in
13 relation to a parcel of land held under lease from the Commonwealth. If the parcel
14 is unoccupied, the commissioner may take action under section 24 to lease the
15 parcel or, if the rates are in arrears for at least 1 year after the day of notification
16 of the declaration, make an application under this section for an order for sale.
17 The option to lease would not be available if the property were occupied.

18 *Note 1* A single application form may be approved for this section and the
19 *Land Tax Act 2003*, s 24 (see Legislation Act, s 255 (7)).

20 *Note 2* An example is part of the Act, is not exhaustive and may extend, but
21 does not limit, the meaning of the provision in which it appears (see
22 Legislation Act, s 126 and s 132).

- 23 (3) If the court is satisfied that this section applies to the parcel, the
24 court must—
- 25 (a) order the sale by public auction of the parcel, or as much of the
26 parcel as will be sufficient to pay the total of the following—
- 27 (i) the total amount of rates in arrears at the time of hearing
28 of the application;
- 29 (ii) the total amount of any land tax in arrears at the time of
30 hearing of the application;

- 1 (iii) costs and expenses in relation to the declaration,
2 application and sale; and
- 3 (b) order that the proceeds be paid into court; and
- 4 (c) order that the title to the parcel be transferred to the purchaser
5 free from mortgages and other encumbrances.
- 6 (4) The commissioner is entitled to be paid the total mentioned in
7 subsection (3) (a) out of the proceeds of sale without a court order.
- 8 (5) On application by an interested person, the court may order payment
9 out of court of any remaining proceeds.
- 10 (6) However, if a person who was the owner or mortgagee of the parcel
11 of land before the sale hands over to the court the certificate or other
12 title to the parcel sold, the person is entitled to be paid out of court,
13 without any court order—
- 14 (a) if the person was the owner—any remaining proceeds; and
- 15 (b) if the person was the mortgagee—the amount owing to the
16 mortgagee under the mortgage or, if that amount is more than
17 the amount of any remaining proceeds, the remaining proceeds.
- 18 (7) Any sale of a parcel or part of a parcel under this section must be
19 abandoned if the owner of the parcel pays, in relation to the parcel
20 or the part of the parcel—
- 21 (a) the total rates in arrears; and
- 22 (b) the total of any land tax in arrears; and
- 23 (c) the costs and expenses incurred, in relation to the declaration,
24 application and sale, up to the time of payment.

- 1 **27 Application may relate to more than 1 parcel**
- 2 (1) The commissioner may make a single application under section 26
- 3 in relation to more than 1 parcel of land even if—
- 4 (a) the parcels belong to different owners; or
- 5 (b) the notices under section 22 (Notice of rates in arrears) for the
- 6 parcels were given at different times.
- 7 (2) If the commissioner makes an application in relation to more than 1
- 8 parcel, the court may make the orders about apportionment of rates
- 9 and land tax, and any other amounts payable, that the court
- 10 considers just.
- 11 *Note* The application may include an application under the *Land Tax Act*
- 12 *2003*, s 25 in relation to the parcel (see *Legislation Act*, s 49).

1 **Part 5** **Unit subdivisions**

2 **Division 5.1** **Application of Act to unit**
3 **subdivisions**

4 **28** **Unit subdivisions**

5 (1) For this Act, if a parcel of land is a unit subdivision, the land
6 making up the parcel is taken to continue to be a single parcel of
7 land.

8 **Example**

9 A determination of the unimproved value of a parcel of land that is a unit
10 subdivision is a determination of the unimproved value of the parcel.

11 *Note* An example is part of the Act, is not exhaustive and may extend, but
12 does not limit, the meaning of the provision in which it appears (see
13 Legislation Act, s 126 and s 132).

14 (2) However, in the application of this Act to a unit subdivision—

15 (a) a reference to a parcel of land in relation to the assessment or
16 payment of rates is a reference to a unit; and

17 (b) a reference to the owner is—

18 (i) in relation to the assessment or payment of rates—a
19 reference to the unit owner; and

20 (ii) in relation to a notice of transfer—a reference to the unit
21 owner; and

22 (iii) in relation to any other notice—a reference to the owners
23 corporation.

1 **29 Unit subdivisions—rates**

- 2 (1) This section applies to a parcel of land that is a unit subdivision.
- 3 (2) If rates imposed for the parcel for the year when the units plan is
4 registered are not paid before registration of the units plan, they are
5 payable by the person who was the owner of the parcel on the day
6 before the day when the units plan was registered.
- 7 (3) On and after 1 July after the day when the units plan is registered or,
8 if it is registered on 1 July, on and after that 1 July—
- 9 (a) the rates imposed for the parcel are payable by the unit owners;
10 and
- 11 (b) the amount payable by each unit owner is the amount worked
12 out under subsection (5); and
- 13 (c) no rates for the parcel are payable by the owners corporation.
- 14 (4) Section 14 (Imposition of rates) applies to impose rates on a unit
15 that is part of a unit subdivision as if a reference to a parcel of land
16 were a reference to the unit.
- 17 (5) In working out the rates payable for the unit under section 14, the
18 average unimproved value of the unit is the amount worked out in
19 accordance with the following formula:

20
$$\frac{UE}{TUE} \times AUV$$

- 21 (6) In subsection (5):

22 *AUV* means the average unimproved value of the parcel.

23 *TUE* means the unit entitlement of all the units in the units plan.

20 (a) to develop the land partly for residential purposes and partly
21 for commercial purposes; and

22 (b) to apply for subdivision of the developed land under the Unit
23 Titles Act.

4 in the application as parts intended to be used for commercial
5 purposes; or
- 6 (b) the percentage of the intended development that the
7 commissioner considers can be developed for commercial
8 purposes in accordance with the lease, if the commissioner
9 believes, on reasonable grounds—

11 identified from the application would contravene the
12 lease of the parcel; or
- 13 (ii) that the percentage was not identified honestly.
- 14 (4) The commissioner must determine the percentage of the intended
15 development that is to be used for residential purposes to be 100%
16 less the percentage determined to be used for commercial purposes.

- 6 (b) the applicant’s intention changes about—
- 7 (i) the parts of the intended development to be used for
8 residential purposes; and
- 9 (ii) the parts of the intended development to be used for
10 commercial purposes.
- 11 (2) Within 2 weeks after the day the variation or change of intention
12 happens, the applicant must give written notice of the variation or

9 (3) Rates are imposed for a parcel of land to which section 34 applies in
10 accordance with the following formula:

8 **36 End of application of div 5.2**

9 (1) This division stops applying to a parcel of land on the happening of
10 any of the following days:

- 11 (a) if the parcel is subdivided under the Unit Titles Act—the day
12 after the end of the financial year when the subdivision
13 happens;
14 (b) if the owner of the land does not apply under the Unit Titles
15 Act, part 3 within 30 days beginning on the day when a

23 (d) for an application made by a pensioner who is a joint owner—
24 that no other owner of the parcel can reasonably contribute to
25 the payment of rates for the parcel.

- 1 (2) The determination may—
- 2 (a) defer the obligation of the owner or an owner to pay all or part
3 of the total amount of rates payable for the parcel as at the date
4 of the determination; or
- 5 (b) defer the obligation of an owner to pay all or part of each
6 amount of rates to become payable for the parcel while the
7 determination is in force.
- 8 (3) If the commissioner makes a determination, the commissioner must
9 give a copy of the determination to the person to whom it relates.
- 10 (4) However, the commissioner may make a determination only if—
- 11 (a) for a parcel held under a lease—
- 12 (i) the lease permits the parcel to be used only for residential
13 purposes; and
- 14 (ii) each applicant is ordinarily resident on the parcel; and
- 15 (b) for a parcel held in fee simple—
- 16 (i) the parcel is used for residential purposes only; and
17 (ii) each applicant is ordinarily resident on the parcel.
- 18 (5) Despite subsection (4), the commissioner may make a determination
19 in relation to 1 or more joint owners of a parcel (but not by all the
20 joint owners) even if each owner is not ordinarily resident of the
21 land, if—
- 22 (a) the applicant is an owner who is ordinarily resident on the
23 land; and
- 24 (b) the commissioner is satisfied that it is appropriate to make the
25 determination.

1 **48 Effect of deferral determination**

2 (1) If a deferral determination defers a person's obligation to pay all or
3 part of the total amount of rates payable for a parcel of land as at the
4 date of the determination—

5 (a) the person's obligation to pay the rates is reduced in
6 accordance with the determination; and

7 (b) the person becomes indebted to the Territory for the amount by
8 which the obligation is reduced.

9 (2) If a deferral determination defers a person's obligation to pay all or
10 part of each amount of rates to become payable while the
11 determination is in force—

12 (a) immediately after each amount of rates becomes payable, the
13 person's obligation to pay the amount of rates is reduced in
14 accordance with the determination; and

15 (b) the person becomes indebted to the Territory for the amount by
16 which the obligation is reduced.

17 (3) A person who becomes indebted to the Territory for an amount
18 under this section must pay interest on the amount at the market rate
19 component determined under the Taxation Administration Act,
20 section 26.

21 (4) Interest is payable on the amount from the date of deferral of the
22 obligation to pay the amount until the earlier of—

23 (a) the day the amount is paid; and

24 (b) the day the deferral determination is revoked.

25 (5) For subsection (4), the date of deferral of the obligation to pay an
26 amount is—

27 (a) for an amount payable at the date of the deferral
28 determination—that date; or

- 1 (b) for an amount deferred after the date of the determination—the
2 date when, if the determination had not been made, interest
3 would begin to be payable on the amount under section 21
4 (Interest payable on overdue rates).

5 **49 Deferred amount not recoverable if determination in force**

6 If a person is indebted to the Territory for an amount because of a
7 deferral determination, the amount is not recoverable by the
8 Territory while the determination is in force.

9 **50 Amendment of deferral determination**

10 (1) The commissioner may, at any time, amend a deferral determination.

11 (2) The commissioner may increase an amount deferred if the
12 commissioner is satisfied that the amendment is necessary to avoid
13 substantial hardship to the person whose obligation is deferred under
14 the determination.

15 (3) The commissioner may reduce an amount deferred if the
16 commissioner is satisfied that the amendment is not likely to cause
17 substantial hardship to the person whose obligation is deferred under
18 the determination.

19 **51 Revocation of deferral determination—payment of debt
20 and on request**

21 The commissioner must revoke a deferral determination in relation
22 to a person if—

23 (a) the amount for which the person is indebted to the Territory
24 because of the determination is paid to the commissioner to
25 discharge the debt; or

26 (b) the person asks the commissioner in writing to revoke the
27 determination.

1 **52 Additional grounds for revocation of deferral**
2 **determination**

3 Any of the following circumstances is a ground for revocation of a
4 deferral determination in relation to a parcel of land:

5 (a) if each person to whom the determination relates was a
6 pensioner when the determination was made—each person
7 stops being a pensioner;

8 (b) if the determination relates to 2 or more people, each of whom
9 was a pensioner when the determination was made—

10 (i) 1 or more, but not all of them, stops being a pensioner;
11 and

12 (ii) the revocation of the determination is not likely to cause
13 substantial hardship to them;

14 (c) if each person to whom the determination relates was not a
15 pensioner when the determination was made—the revocation
16 of the determination is not likely to cause substantial hardship
17 to a person to whom the determination relates;

18 (d) a person to whom the determination relates fails to comply
19 with a request under section 58 (Information about deferral
20 determination);

21 (e) each person to whom the determination relates who was
22 ordinarily resident on the parcel when the application for the
23 determination was made has stopped being ordinarily resident
24 on the parcel;

25 (f) each person to whom the determination relates has stopped
26 being an owner of the parcel.

1 **53 Notice of proposed revocation on additional grounds**

2 (1) If the commissioner considers that a ground mentioned in section 52
3 exists for revocation of a deferral determination, the commissioner
4 may give written notice to the person to whom the determination
5 relates of his or her intention to revoke the determination.

6 *Note* For how documents may be served, see Legislation Act, pt 19.5.

7 (2) The notice must state the ground for revocation.

8 (3) However, if a deferral determination relates to 2 or more people as
9 owners (whether jointly or as tenants in common) of a parcel of land
10 and 1 of them dies, the commissioner must not give notice only on
11 the ground mentioned in section 52 (1) (e) or (f).

12 **54 Revocation of deferral determination on grounds**

13 (1) The commissioner may revoke a deferral determination on a ground
14 mentioned in section 52 if notice has been given under section 53 in
15 relation to the ground.

16 (2) However, the commissioner must not revoke the determination—

17 (a) within the time when a person may object to the decision that
18 the ground exists; or

19 (b) if the person has objected to the decision, until—

20 (i) the objection is decided; and

21 (ii) either—

22 (A) the prescribed time under the *Administrative*
23 *Appeals Tribunal Act 1989*, section 27 for applying
24 for review of the decision on the objection has
25 ended and no application has been lodged; or

26 (B) an application has been made and the AAT has
27 completed the review.

1 **55 Recovery of deferred amounts**

2 (1) This section applies if the commissioner revokes a deferral
3 determination.

4 (2) The amount to which a person is indebted to the Territory because
5 of the determination is payable by the person to the Territory on the
6 day immediately after the day the determination is revoked.

7 *Note* An amount owing under a law is recoverable as a debt in a court of
8 competent jurisdiction (see Legislation Act, s 177).

9 (3) However, if the commissioner declares that the amount may be paid
10 in stated instalments, the amount of each instalment is payable to the
11 Territory on the day stated in the declaration.

12 *Note* A declaration may be included in the revocation (see Legislation Act,
13 s 49 (Single instrument may exercise several powers or satisfy several
14 requirements)).

15 (4) Despite subsection (3), if the person to whom the determination
16 relates stops being an owner of the parcel of land to which the
17 determination relates (other than because of the person's death) any
18 balance of an amount to be paid in instalments is payable on the day
19 immediately after the day the person stops being an owner.

20 **56 Interest payable after revocation of deferral determination**

21 (1) Interest is payable on an unpaid amount payable under section 55.

22 (2) Interest on the unpaid amount is worked out in the same way as
23 interest on overdue rates is worked out under section 21.

24 (3) The Taxation Administration Act, section 25 (Interest in relation to
25 tax defaults) does not apply to the unpaid amount.

1 **57 Memorandum of discharge**

- 2 (1) This section applies if a deferral determination is registered under
3 the *Land Titles Act 1925*.
- 4 (2) The commissioner must give the registrar-general a memorandum of
5 discharge if—
- 6 (a) all amounts to which a person is indebted to the Territory
7 because of the determination are paid to the Territory; or
- 8 (b) the commissioner is satisfied that it is justified in the
9 circumstances.
- 10 (3) If the registrar-general is given a memorandum of discharge, the
11 registrar-general must register the memorandum.

12 **58 Information about deferral determination**

- 13 (1) If a deferral determination is in force in relation to a person for a
14 parcel of land, the commissioner may ask the person for information
15 about the parcel or the means and income of the person.
- 16 (2) The person must give the commissioner the information asked for.

17 **59 Notice of revocation**

18 If the commissioner revokes a deferral determination, the
19 commissioner must give the person to whom the determination
20 relates a copy of the revocation.

21 *Note* For how documents may be served, see Legislation Act, pt 19.5.

1 **Division 7.3 Rebate of rates**

2 **60 Meaning of *liability for rates* for div 7.3**

- 3 (1) A reference in this division to an eligible person's *liability for rates*
4 for a parcel of land for a year is—
- 5 (a) for a person who is the sole owner of the parcel—a reference to
6 the amount of rates payable by the person for the parcel for the
7 year; and
- 8 (b) for a person who is a joint owner of the parcel—a reference to
9 the part of the rates payable by the owners for the parcel for the
10 year—
- 11 (i) if the parcel is held by the owners as tenants in
12 common—that is proportional to the person's interest in
13 the land; and
- 14 (ii) if the parcel is held by the owners as joint tenants—that
15 would be proportional to the person's interest in the land
16 if the joint tenants were tenants in common in equal
17 shares.
- 18 (2) However, if an eligible person is a joint owner of a parcel of land
19 and 1 or more of the other joint owners cannot reasonably contribute
20 to the payment of rates for the parcel for the year, a reference in this
21 division to the person's *liability for rates* for the parcel for the year
22 is taken to be—
- 23 (a) if no other joint owner can reasonably contribute to the
24 payment of the rates—a reference to the rates payable for the
25 land; or
- 26 (b) if the rates are to be paid by 2 or more of the joint owners—a
27 reference to so much of the rates payable by the person for the
28 parcel as would be payable if the joint owners paying the
29 rates—

- 1 (i) were the sole owners of the land as tenants in common in
2 equal shares; and
- 3 (ii) the value of their interests in the land were increased
4 proportionately.
- 5 (3) A reference in subsection (2) to *rates payable* is a reference to rates
6 payable apart from this division.

7 **61 Application for rebate**

- 8 (1) A person may apply to the commissioner for a rebate under this
9 division.
- 10 (2) The application must—
- 11 (a) be in writing signed by the applicant; and
- 12 (b) include a statement of particulars in support; and
- 13 (c) include a statement signed by the applicant authorising any
14 entity chosen by the commissioner to disclose relevant
15 information about the applicant to the commissioner for the
16 purpose of deciding the application.
- 17 *Note* If a form is approved under the Taxation Administration Act, s 139C for
18 the application, the form must be used.
- 19 (3) The commissioner may ask the applicant for additional information
20 or documents that the commissioner reasonably needs to decide the
21 application.
- 22 (4) The applicant must give the commissioner the information or
23 documents asked for.

24 **62 No entitlement for past years**

25 A person is not entitled to a rebate under this division for rates for
26 any year before the year when the person applies for the rebate.

1 (6) In this section:

2 *D* means the number of days in the year when the parcel is the
3 person's principal place of residence.

4 *rates*, for the year, includes any rates deferred under a deferral
5 determination.

6 *RL* means the amount of the person's liability for rates for the parcel
7 for the year.

8 **64 Rebate of rates—capped**

9 (1) This section applies to a person if—

- 10 (a) the person is an eligible person; but
11 (b) section 63 does not apply to the person.

12 (2) The person is entitled, on application to the commissioner under
13 section 61, to a rebate of the person's liability for rates for a parcel
14 of land for a year if—

- 15 (a) this section applies to the person in the year; and
16 (b) the parcel is the person's principal place of residence for all or
17 part of the year.

18 (3) The amount of rebate is the lesser of—

- 19 (a) the rebate cap; and
20 (b) the amount worked out using the formula:

21
$$\frac{RL}{2} \times \frac{D}{\text{days in year}}$$

- 1 (4) If the person is a joint owner of the parcel, the reference to the
2 *rebate cap* in subsection (3) (a) is a reference to the part of the
3 rebate cap—
- 4 (a) if the parcel is held by the owners as tenants in common—that
5 is proportional to the person’s interest in the land; and
- 6 (b) if the parcel is held by the owners as joint tenants—that would
7 be proportional to the person’s interest in the land if the joint
8 tenants were tenants in common in equal shares.
- 9 (5) In this section:
- 10 *D* means the number of days in the year when the parcel is the
11 person’s principal place of residence.
- 12 *rates*, for the year, includes any rates deferred under a deferral
13 determination.
- 14 *rebate cap* means the rebate cap determined under the Taxation
15 Administration Act, section 139.
- 16 *RL* means the amount of the person’s liability for rates for the parcel
17 for the year.

18 **65 Rebates and deferred liability**

- 19 (1) This section applies if—
- 20 (a) a person’s liability for part of the person’s rates for a parcel of
21 land for a year has been deferred under a deferral
22 determination; and
- 23 (b) the person has applied for, and is entitled to, a rebate for the
24 parcel for the year.
- 25 (2) The rebate applies to reduce the amount of the person’s liability for
26 rates for the year, other than the person’s deferred liability.
- 27 (3) Any remaining rebate applies to reduce the person’s deferred
28 liability.

1 **66 Joint and several liability for rates**

2 This division does not affect the operation of the Taxation
3 Administration Act, section 50 (Joint and several liability).

4 **67 Change in circumstances**

5 (1) This section applies to a person who has applied for a rebate if any
6 of the following circumstances happens:

7 (a) the person stops being an eligible person;

8 (b) the person stops being the owner or a joint owner of the
9 person's principal place of residence;

10 (c) for a tenant in common—there is a change in the extent of the
11 person's interest in the person's principal place of residence;

12 (d) the person changes his or her principal place of residence.

13 (2) Within 30 days after the day the circumstance happens, the person
14 must give written notice of it to the commissioner.

15 (3) The person commits an offence if the person contravenes
16 subsection (2).

17 Maximum penalty: 5 penalty units.

18 (4) An offence against this section is a strict liability offence.

19 (5) Subsection (1) (b) or (c) does not apply to the person in relation to
20 the transfer of an interest in land if notice of the transfer has been
21 given to the commissioner under section 75 by the person.

1 **68 Adjustment of liability for rates**

2 (1) This section applies if the commissioner believes on reasonable
3 grounds that a person's entitlement to a rebate has changed or
4 ended, or will change or end.

5 (2) The commissioner must—

6 (a) decide an amount for the person's adjusted liability for rates;
7 and

8 (b) give the person written notice of the decision, setting out—

9 (i) the amount of the person's adjusted liability; and

10 (ii) the date or dates when any unpaid rates (including
11 instalments of rates) are payable.

12 *Note* For how documents may be served, see Legislation Act, pt 19.5.

13 (3) A person may request a decision under this section.

14 (4) If on request by a person for a decision, the commissioner decides
15 that the person's entitlement has not changed or ended, the
16 commissioner must give the person written notice of the decision.

17 **69 Break in entitlement**

18 (1) If a person—

19 (a) stops being an eligible person; and

20 (b) more than 14 days later, becomes an eligible person again;

21 the person is entitled to a rebate for rates for which the person
22 became liable after the day when the person again becomes an
23 eligible person only if the person applies for the rebate under
24 section 61.

25 (2) If a person—

26 (a) stops being the owner or a joint owner of the person's principal
27 place of residence; and

1 (b) more than 14 days later, again becomes the owner or a joint
2 owner of a parcel of land that is the person's principal place of
3 residence;

4 the person is entitled to a rebate for rates for the parcel mentioned in
5 paragraph (b) for which the person became liable after the day when
6 the person becomes the owner or a joint owner of that parcel only if
7 the person applies for the rebate under section 61.

1 **Part 8** **Miscellaneous**

2 **70** **Objections**

3 The following decisions are prescribed for the Taxation
4 Administration Act, section 100 (Objection):

5 (a) a decision under section 44 to refuse to pay interest on an
6 overpayment or to pay interest other than from the date when
7 the overpayment was made;

8 (b) a decision under section 47—

9 (i) refusing to make a deferral determination; or

10 (ii) determining a period of deferral other than that applied
11 for; or

12 (iii) making a determination for the deferral of an amount
13 other than that applied for;

14 (c) a decision under section 50 amending a deferral determination;

15 (d) a decision under section 53 that a ground for revocation exists.

16 *Note* Assessments are made under the Taxation Administration Act and
17 objections may be made under that Act, s 100 (1) (a). For example, if a
18 person is given an assessment for rates for a parcel of land and the
19 person is dissatisfied with the assessment because rates were not
20 payable for the parcel, the person may object under that paragraph.

21 **71** **Objections relating to valuations—general**

22 (1) This section applies to an objection to an assessment if the objection
23 relates to the valuation on which the assessment is based.

24 (2) The objection must be made within 60 days after the day the
25 commissioner gives notice under section 12. (2) of the amount
26 determined as the unimproved value of the parcel.

- 1 (3) The Taxation Administration Act, section 103 (Objections lodged
2 out of time) does not apply to the objection.

3 **72 Objections relating to valuations—unit owners**

4 For a unit subdivision, if an objection to an assessment relates to the
5 valuation on which the assessment is based, the Taxation
6 Administration Act, section 100 (1) (Objection)—

- 7 (a) applies to the owners corporation as if the assessment were
8 served on the owners corporation; and
9 (b) does not apply to a unit owner.

10 **73 Review by AAT**

- 11 (1) This section applies to a determination by the commissioner of an
12 objection to a decision mentioned in section 70.
13 (2) The determination is prescribed for the Taxation Administration
14 Act, section 107.

15 *Note* Applications for review by the AAT may also be made in relation to
16 determination by the commissioner of a decision on an objection to an
17 assessment.

18 **74 Working out amounts with fractions for Act**

- 19 (1) If an amount worked out under this Act contains a fraction of a cent,
20 the amount must be rounded to the nearest cent, with $\frac{1}{2}$ a cent being
21 disregarded.
22 (2) However, if the amount is a part of the average unimproved value of
23 a parcel of land, any fraction of a dollar in the amount worked out
24 must be disregarded.
25 (3) The Taxation Administration Act, section 123 (Adjustments of
26 amounts) does not apply in working out an amount under this Act.

- 1 **75 Notice of transfer**
- 2 (1) If the owner or lessee of rateable land transfers his or her interest in
3 the land, the transferor and transferee must each give the
4 commissioner written notice of the transfer that complies with
5 subsection (2) within 30 days after the day of transfer.
- 6 (2) The notice must state the following:
- 7 (a) the name, residential address, and address for service of
8 documents, of the person giving the notice;
- 9 (b) the distinguishing number or name given to the division, block
10 or section to describe the land under the *Districts Act 2002*;
- 11 (c) if the land or lease is registered under the *Land Titles Act*
12 *1925*—particulars of the entry in the register;
- 13 (d) the value of the consideration for the transfer;
- 14 (e) the date of any agreement to make the transfer and the date
15 when the instruments to effect the transfer were executed;
- 16 (f) any other particulars prescribed under the regulations.
- 17 *Note* If a form is approved under the Taxation Administration Act, s 139C for
18 the notice, the form must be used.
- 19 (3) A person commits an offence if the person contravenes
20 subsection (1).
- 21 Maximum penalty: 5 penalty units.
- 22 (4) An offence against this section is a strict liability offence.

1 **76 Certificate of rates and other charges**

- 2 (1) A person may apply to the commissioner for a certificate of—
- 3 (a) the rates assessed to be payable under this Act for a parcel of
- 4 land for the current year; and
- 5 (b) the rates and other amounts immediately payable to the
- 6 commissioner under this Act in relation to the parcel.

7 *Note 1* A fee may be determined under s 78 for this provision.

8 *Note 2* If a form is approved under the Taxation Administration Act, s 139C for

9 an application, the form must be used.

10 *Note 3* A single application form may be approved for this section and the

11 *Land Tax Act 2003*, s 41 (see Legislation Act, s 255 (7)).

- 12 (2) The commissioner must give the applicant the certificate.
- 13 (3) The certificate is conclusive proof for an honest buyer for value of
- 14 the matters certified.

15 *Note* The certificate may include a certificate of amounts payable under the

16 *Land Tax Act 2003* in relation to the parcel (see Legislation Act, s 49).

- 17 (4) For this section, rates and other amounts are taken to be payable
- 18 immediately even though any necessary time after service of a
- 19 notice has not ended.

20 **77 Statement of amounts payable and payments made**

- 21 (1) A person may apply to the commissioner for a statement of—
- 22 (a) the amounts that became payable to the commissioner under
- 23 this Act in relation to a parcel of land in a stated year; and

Section 78

1 (b) the payments received by the commissioner in the year for
2 amounts that became payable under this Act in relation to the
3 parcel.

4 *Note 1* A fee may be determined under s 78 for this provision.

5 *Note 2* If a form is approved under the Taxation Administration Act, s 139C for
6 an application, the form must be used.

7 *Note 3* A single application form may be approved for this section and the
8 *Land Tax Act 2003*, s 42 (see Legislation Act, s 255 (7)).

9 (2) The commissioner must give the applicant the statement.

10 *Note* The statement may include a statement of land tax payable and received
11 under the *Land Tax Act 2003* in relation to the parcel (see Legislation
12 Act, s 49).

13 **78 Determination of fees**

14 (1) The Minister may, in writing, determine fees for this Act.

15 *Note* The Legislation Act contains provisions about the making of
16 determinations and regulations relating to fees (see pt 6.3)

17 (2) A determination is a disallowable instrument.

18 *Note* A disallowable instrument must be notified, and presented to the
19 Legislative Assembly, under the Legislation Act.

20 **79 Regulation-making power**

21 The Executive may make regulations for this Act.

22 *Note* Regulations must be notified, and presented to the Legislative
23 Assembly, under the Legislation Act.

1 **Part 9** **Transitional**

2 **80** **Definitions for pt 9**

10 commissioner had not redetermined the unimproved value of a
