### ROAD TRANSPORT (GENERAL) ACT 1999

#### **DECLARATION THAT THE ROAD TRANSPORT LEGISLATION DOES NOT APPLY TO CERTAIN ROADS AND ROAD RELATED AREAS**

#### **INSTRUMENT NO. 323 OF 2000**

Pursuant to subsection 12(1) of the *Road Transport (General) Act 1999* ('the Act'), I declare that the road transport legislation does not apply to roads and road related areas specified below on 17 and 18 October 2000, during the conduct of the Ralliart Australia rally car testing session.

For the purposes of this declaration only, the road and road related areas specified below include an area of land radiating in all directions in a straight line fifty (50) metres from the centre of the roads.

#### Road and Road Related Areas:

The road commences at the start point identified by ACT standard grid coordinates (ACTSGC) E192230 and N590130 and continues in a generally east-northeasterly direction along the northern boundary of compartment 184 to ACTSGC E192380 and N590170.

The road continues in a southerly and easterly direction along the northeastern boundary of compartment 184 to ACTSGC E192615 and N590010, and then follows the northern boundary of compartment 183 in an easterly direction to ACTSGC E192760 and N590020.

The road then follows the northern and eastern boundaries of compartment 183 in a generally easterly and southerly direction to ACTSGC E192850 and N589710, and then continues along the southern boundary of compartment 183 in a generally easterly direction to ACTSGC E192405 and N589555.

The road then continues in a northwesterly direction along the southwestern boundary of compartment 183 to ACTSGC E192200 and N599710, and then continues in a generally northeasterly direction along the northwestern boundary of compartment 183 to ACTSGC E192615 and N590010.

Dated: 16 October 2000.
