Court Procedures Act 2004**PROCEEDINGS IN A TRIBUNAL**

175	On lodging an application for the review of a decision with the Administrative Appeals Tribunal under:	
	(i) section 26 of the <i>Housing Assistance Act 2007</i> ;	Nil
	(ii) the <i>Rates Act 2004</i> ;	Nil
	(iii) section 60 of the <i>Freedom of Information Act 1989</i> , being a decision made in relation to a document that relates to a decision specified in (i) or (ii);	Nil

	(v) any other enactment other than the review of a decision	\$ 247.00
	On making an application in accordance with subsection 28 (2), (3) or (4) of the <i>Administrative Appeals Tribunal Act 1989</i> . <i>Explanatory Note: Last Financial Year the fees were Nil, Nil, Nil, \$165.00 and \$237.00 respectively.</i>	The same fee payable on application for the review of the decision.

SCHEDULE 2 - FEES AND CHARGES TO BE PAID

Item	Matter in respect of which fee or charge is payable	Amount Payable
	(ii) for a termination and possession order pursuant to Part IV of the <i>Residential Tenancies Act 1997</i> where a bond has not been deposited with the Territory in relation to the tenancy;	\$ 214.00
	(iii) for endorsement of a tenancy agreement by the Tribunal under section 10 of the <i>Residential Tenancies Act 1997</i> ;	Nil
	(iv) where the amount in dispute is \$1000 or less or in any other case.	\$ 56.00
	Where the application involves more than one of the above matters, the fee payable is the higher of the fees.	
	<i>Explanatory Note: The determination sets out the amount of various fees in the Residential Tenancy Tribunal. The application fee for a termination and possession order is higher in respect of a property where no bond has been provided. As the scheme is funded by interest from bond revenue and the retention of fees, the imposition of a higher fee in respect of such a class partially addresses a funding inequity that might otherwise exist. Note that a fee was not previously set in relation to application for endorsement by the Tribunal under section 10 of the Residential Tenancies Act 1997 (see item (iii) above) because the former fee setting power did not extend to applications which did not involve a dispute for the purposes of section 73 of that Act. Note that no fee is set by this determination but that if a fee is set in a future year, only one fee would be payable in relation to a series of applications made at the same time and raising the same issue, say, by the lessor and all the tenants in a co-operative for an endorsement. Last Financial Year the fees were \$108.00, \$206.00, Nil and \$54.00 respectively.</i>	
178	On making an application under section 17 of the <i>Consumer and Trader Tribunal Act 2003</i> .	The amount payable is A/2 where A is equal to the fee that would be payable for the license or registration (the subject of the application to the Tribunal) at the time of the application to the Tribunal. <i>Example: A person applies unsuccessfully for a Security Master Licence. At the time of applying to the Tribunal for a review of the decision the licence fee is \$576, accordingly, the application fee to the Tribunal is \$576/2 or \$288.00.</i>
	<i>Explanatory Note: This fee structure has applied since the commencement of the Consumer and Trader Tribunal on 9 October 2003.</i>	
178.1	On lodging of an appeal under s416 of the <i>Legal Profession Act 2006</i>	\$ 247.00
