Disallowable Instrument DI2008–219

made under the

Taxation Administration Act 1999, s 139 (Determination of amounts payable under tax laws)

1 Name of instrument

This instrument is the *Taxation Administration (Amounts Payable—Motor Vehicle Duty) Determination 2008 (No 1)*.

2 Commencement

This instrument commences on 3 September 2008.

3 Definitions

In this instrument:

air pollution rating, for a motor vehicle, means the air pollution rating out of 10 given to the vehicle in the *Green Vehicle Guide*.

A-rated vehicle means a *new motor vehicle* that has an *environmental performance score* of 16 or more.

B-rated vehicle means a *new motor vehicle* that has an *environmental performance score* of not less than 14 and less than 16.

C-rated vehicle means a *new motor vehicle* that has an *environmental performance score* of not less than 9.5 and less than 14.

D-rated vehicle means a *new motor vehicle* that has an *environmental performance score* of less than 9.5.

environmental performance score, for a motor vehicle, means the total of the *air pollution rating* and *greenhouse rating* for the vehicle.

Example of environmental performance score

In the *Green Vehicle Guide*, a motor vehicle has an air pollution rating of 8.5 and a greenhouse rating of 8.5. The environmental performance score for the motor vehicle is 17.

Note An example is part of the instrument, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see *Legislation Act*, s 126 and s 132).

greenhouse rating, for a motor vehicle, means the greenhouse rating out of 10 given to the vehicle in the *Green Vehicle Guide*.

Green Vehicle Guide means the Green Vehicle Guide published by the Commonwealth as in force from time to time.

Note The Green Vehicle Guide is available at <http://www.greenvehicleguide.gov.au>

Green Vehicle Rating for a *new motor vehicle* means a rating of A, B, C, or D that corresponds to a vehicle's *environmental performance score* as set out in Table 1:

Table 1 Green Vehicle Rating

<i>Green Vehicle Rating</i>	<i>Environmental performance score</i>
A	16 or more.
B	14 or more but less than 16
C	9.5 or more but less than 14
D	Less than 9.5

new motor vehicle means a motor vehicle that has not previously been registered under—

- (a) the *Road Transport (Vehicle Registration) Act 1999* or another territory law; or
- (b) a law of the Commonwealth, a State, another Territory or a foreign country.

non-rated vehicle means a motor vehicle that does not appear in the *Green Vehicle Guide* or is not a *new motor vehicle*.

relevant amount, for a motor vehicle to which the *Duties Act 1999* section 208 (Rate of duty) applies, means the dutiable value of the vehicle.

4 Determination of amounts payable—Duties Act, section 208

For the purposes of s 208 of the *Duties Act 1999*, the duty chargeable or payable on the **relevant amount** in relation to a motor vehicle listed in column 1 of Tables 2 and 3 is the rate of duty listed in column 2 opposite that vehicle.
