

Attorney General (Fees) Amendment Determination 2009 (No 6)

Disallowable instrument DI2009-269

made under the

Scaffolding and Lifts Act 1912, s 21 (Determination of fees)

1 Name of instrument

This instrument is the Attorney General (Fees) Amendment Determination 2009 (No 6).

2 Commencement

This instrument is taken to have commenced on 1 July 2009.

3 Amendments

This instrument amends the Attorney General (Fees) Determination 2009 (DI2009-116) by amending schedule 2, by omitting item 342 and inserting:

- | | | |
|-----|--|----------|
| 342 | Notification of Intention to commence building, excavation or compressed air work a) work in relation to a single private dwelling house – for every \$1,000 or part thereof by which the cost of the work exceeds \$375,000 | \$ 11.30 |
|-----|--|----------|

Explanatory Note: The threshold has been increased from \$265,000 to \$375,000, consistent with increased construction costs since the threshold was last increased in 1996.

4 Republication

The Parliamentary Counsel is authorised to reprint DI2009-116 together with this amendment.
