

# Road Transport (General) Application of Road Transport Legislation - Securing Coles Refrigerated Delivery Vehicles Declaration 2018\*

## Disallowable instrument DI2018–79

made under the

**Road Transport (General) Act 1999, section 13 (Power to exclude vehicles, persons or animals from road transport legislation)**

---

### 1 Name of instrument

This instrument is the *Road Transport (General) Application of Road Transport Legislation - Securing Coles Refrigerated Delivery Vehicles Declaration 2018*.

### 2 Commencement

This instrument commences on 30 April 2018.

### 3 Declaration

I declare that sections 213 (3) and 213 (4) of the *Road Transport (Road Rules) Regulation 2017*, which require a motor vehicle to be made secure by switching off the engine and removing the ignition key, do not apply to a Coles Supermarkets Australia Pty Ltd refrigerated delivery vehicle.

This declaration only applies:

- a) to employees and subcontractors of Coles Supermarkets Australia Pty Ltd while driving refrigerated delivery vehicles owned and operated by Coles Supermarkets Australia Pty Ltd, while undertaking duties in the course of their employment in the ACT;
- b) while the vehicle is stopped for the purposes of delivering groceries;
- c) when the driver is complying with the policies set out for refrigerated delivery drivers by Coles Supermarkets Australia Pty Ltd; and
- d) when the vehicle is secured using the secure idle procedure, and all vehicle parking brake systems are engaged.

\*Name amended under Legislation Act, s 60

#### **4 Definition**

In this instrument:

*secure idle* means a system that immobilises a vehicle even though the original key is in the ignition and the engine is running.

#### **5 Revocation**

This instrument revokes *Road Transport (General) Application of Road Transport Legislation Declaration 2015 (No 8)* DI2015-280.
