

Medicines, Poisons and Therapeutic Goods (Fees) Determination 2025 (No 1)

Disallowable instrument DI2025-298

made under the

Medicines, Poisons and Therapeutic Goods Act 2008, s 197 (Determination of Fees)

1 Name of instrument

This instrument is the *Medicines, Poisons and Therapeutic Goods (Fees) Determination 2025 (No 1)*.

2 Commencement

This instrument commences on 1 January 2026.

3 Determination of fees

The fee payable in respect of each matter listed in column 3 of Schedule 1 is the amount listed for that item in column 4.

4 Payment of fees

A fee listed in Schedule 1 is payable to the Territory by the person identified in column 6.

The fees are exempt from Goods and Services Tax under Division 81 of *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth).

5 Refunding of fees

Column 5 of Schedule 1 specifies what amount, if any, of a fee paid is non-refundable.

A non-refundable amount is included to cover the costs associated with the processing and administration of an application. As such, the non-refundable amount paid for a licence does not vary, regardless of the term of the licence.

6 Licence terms

The amounts listed in column 4 are based on a one-year licence.

Subject to some limitations, licences can also be issued for longer terms, up to a maximum duration of three years. Where a longer term is granted, the applicable fee in column 4 is multiplied to correspond with the term of the licence.

For example, the fee payable for a two-year licence is twice the fee specified in column 4.

7 Revocation

This instrument revokes DI2024-307.

The fees determined are based on a one-year licence. Subject to some limitations, licences can also be issued for longer terms, up to a maximum duration of three years. Where a longer term is granted, the determined fee is multiplied to correspond with the term of the licence. For example, the fee payable for a two-year licence is twice the fee specified in column 4.

For every licence for which a fee is payable, there is a non-refundable amount that has been included to cover the costs associated with the processing and administration of the application. Such costs are incurred by the regulator irrespective of whether a licence is granted or refused. The non-refundable portion of the fee is not affected by the term of the licence. Accordingly, the fee to be paid for a three-year licence will have the same non-refundable amount as a one-year licence.
