

AUSTRALIAN CAPITAL TERRITORY

REAL PROPERTY ACT 1925

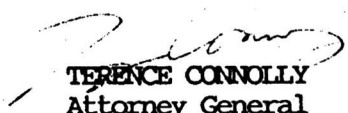

DETERMINATION OF FEES

DETERMINATION NO. 168 OF 1992

EXPLANATORY STATEMENT

Fees and charges for services identified in the 18th Schedule to the Real Property Act 1925 were last increased on 22 July 1992 pursuant to Section 139(1) of the Act. Since then, TARDIS (Titles Automated Register and Document Information System) has progressed to the stage where searches may be provided on a self-serve basis. The fee determined for Item 6 has been increased to recover the cost of providing such searches "up-front", thus avoiding the need to collect a further fee for later self-serve searches. The outcome is revenue neutral to the government. The opportunity is also taken to remove Item 17 which was incorrectly included in the last determination.
