

Insurance Authority Appointment 2004 (No 1)

Notifiable instrument NI2004—170

made under the

Insurance Authority Act 2000, s 19(1): Appointment of appointed directors and s 20(1): Term of appointment of appointed directors

EXPLANATORY STATEMENT

Section 19 of the *Insurance Authority Act 2000* provides that the Treasurer will appoint five persons to the Board of the Insurance Authority. Under the Act, one of these persons is to be the Government Member. This Instrument is to re-appoint Mr Roger John Broughton as the Government member of the Board from 30 March 2004, as his term expired on 29 March 2004.

Because this person is an ACT Public Servant, Section 228 of the *Legislation Act 2001*, which requires the Minister to consult a standing committee of the Legislative Assembly before making the appointment, does not apply.
