Regulation No. 26 of 1998

The Vocational Educational and Training Act 1995 provides legislation covering vocational educational and training generally, including the functions of the Accreditation and Registration Council (ARC).

Section 68 of the Act authorises the Executive to make regulations for the purposes of the Act.

Section 51 covers the delegation, by a relevant body under the Act, of the performance or exercise of a function or power of the relevant body, including at sub section(1)(d), to a prescribed person or body. The Act does not define a prescribed person or body.

For the purposes of paragraph 51(1)(d) of the Act, this regulation designates the Canberra Institute of Technology Advisory Council as a prescribed body.

Retrospective gazettal to 1 January 1996 is required to cover the arrangements of ARC since that date with the Canberra Institute of Technology Advisory Council.
