Occupational Health and Safety (Fees) Determination 2006

Disallowable Instrument DI2006– 147

made under the

Occupational Health and Safety Act 1989, Part 8, Section 96A – Determination of fees

Explanatory Statement

The *Occupational Health and Safety Act 1989* (the Act) regulates workplace health and safety in the ACT.

Section 96A of the Act provides the Minister for Industrial Relations with the power to determine fees for the purposes of the Act. Section 58(1) of the *Legislation Act 2001* provides that where an Act authorises fees to be determined for the Act and the Act authorises the making of regulations by the Executive, then the Minister for Industrial Relations also has the power to determine fees for the purposes of the Regulations. Section 97(1) of the Act provides that the Executive may make regulations for the Act.

The instrument determines fees under the *Occupational Health and Safety (Certification of Plant Users and Operators) Regulations 2000*.

This instrument revokes the previous determination of fees instrument DI2005-144, that set fees for the 2005-2006 financial year and determines the new fees for the 2006-2007 financial year. The fees have been adjusted based on the Wage Price Index (WPI) of 3.7%. The WPI was derived by the Department of Treasury.

The fees take effect from 1 July 2006.

The determination under section 96A is a disallowable instrument.
