Attorney General (Fees) Amendment Determination 2007

Disallowable Instrument DI2007-51

EXPLANATORY STATEMENT

This instrument amends instrument DI2006-141 to correct a minor error. Item 219 of that instrument determines fees for the issue of a subpoena in a civil proceeding. The fee for the issue of a subpoena for production and to give evidence was determined as \$5700, rather than \$57.00.

This instrument determines the fee under item 219 as \$57.00. This instrument is retrospective, determining the fee as \$57.00 from 1 July 2006. This instrument does not adversely affect any person's rights or impose liabilities on any person.
