

Race and Sports Bookmaking (Sports Bookmaking Events) Determination 2008 (No 2)

Disallowable Instrument DI2008 — 210

EXPLANATORY STATEMENT

The *Race and Sports Bookmaking Act 2001* (the Act) regulates the activities of sports bookmakers in the Australian Capital Territory.

Subsection 20(1) of the Act provides that the Commission may determine a sporting or other event to be a sports bookmaking event for the purpose of the Act.

This determination revokes DI2008-114 dated 16 May 2008 and notified under the Legislation Register on 22 May 2008.

Schedule 1 of this determination details the various national and international sporting events, excluding greyhound, harness and thoroughbred racing events that a licensee may offer. This Schedule remains unaltered from the previous determination.

Schedule 2 details the various national and international greyhound, harness and thoroughbred racing events that a licensee may offer.

An inconsistency with the numbering for the events in Schedule 2 has previously reflected Thoroughbred Racing as being event number '4', this has been amended to reflect the correct number as being '3'.

Further amendments to Schedule 2 of this determination reflect the following inclusions of international racing events:

Greyhound Racing:

Each New Zealand Group 1, Group 2 and Group 3 meeting as scheduled and sanctioned by the New Zealand Greyhound Racing Authority.

Harness Racing:

Each New Zealand Group 1, Group 2 and Group 3 meeting as scheduled and sanctioned by Harness Racing New Zealand.

Thoroughbred Racing:

Each Group 1, Group 2 and Group 3 thoroughbred race, as classified by the Cataloguing Standards Committee, conducted in accordance with the applicable rules as promulgated by the Jockey Club of Canada;

Each Group 1, Group 2 and Group 3 thoroughbred race, as classified by the Cataloguing Standards Committee, conducted in accordance with the applicable rules as promulgated by the Direktorium Für Vollblutzucht und Rennen (Germany);

Each Group 1, Group 2 and Group 3 thoroughbred race, as classified by the Cataloguing Standards Committee, conducted in accordance with the applicable rules as promulgated by L'Unione Nazionale per l'Incremento delle Razza Equine (U.N.I.R.E.) (Italy); and

Each USA Group 1, Group 2 and Group 3 event as classified by the International Cataloguing Standards Committee, conducted by the relevant thoroughbred racing controlling authority for each state.

In all other respects, the determination remains unchanged.
