Public Place Names (Phillip) Determination 2009 (No 1)

Disallowable instrument DI2009- 213

made under the

Public Place Names Act 1989— section 3 (Minister to determine names)

EXPLANATORY STATEMENT

The *Public Place Names Act 1989* provides for the naming of divisions and public places and, in particular, section 3 empowers the Minister to determine in writing, notified in the ACT Legislation Register, the name of a division or public place.

Pursuant to Section 254A of the *Legislation Act 2001*, the Minister has delegated the power under the *Public Place Names Act 1989* to name a division or public place to the Chief Planning Executive, ACT Planning and Land Authority.

This instrument determines the names of three new roads in the Division of Phillip as specified in the attached schedule and associated plan. This plan also includes the extension of three gazetted roads (shown in grey). The theme for the naming of public places in Phillip is *names associated with the First, Second and Third Fleets*.

The number of women and men after whom divisions or public places have been named in the last 10 years, and whether the names of women are well represented, have been considered as required by the *Public Place Names Act 1989*.

This instrument commemorates one woman, one man and two convict ships.
