

AUSTRALIAN CAPITAL TERRITORY

AMENDMENT OF FIRE BRIGADE (ADMINISTRATION) ORDINANCE 1974

38 of 1980

EXPLANATORY STATEMENT

The Fire Brigade (Administration) Regulations (Regulations 1974 No.30) were made prior to the promulgation of the Fire Brigade (Administration) Ordinance 1974, and accordingly, were void. The Fire Brigade (Administration) Regulations (Regulations 1980 No.12), which replaced the invalid regulations, came into force on 21 August 1980.

The Fire Brigade (Administration) Ordinance 1980 amends the Fire Brigade (Administration) Ordinance 1974 to add a provision validating any act done in reliance on the invalid Regulations up to the time when the new Regulations came into force. Accordingly any benefits which the invalid Regulations might have conferred upon members of the Fire Brigade will be preserved by the Ordinance.
