

AUSTRALIAN CAPITAL TERRITORY
MISREPRESENTATION ORDINANCE 1976

EXPLANATORY MEMORANDUM

The Chairman of the Senate Standing Committee on Regulations and Ordinances has given notice of motion to disallow the Misrepresentation Ordinance 1975. One of the grounds of objection to the Ordinance is that section 6 creates a criminal offence for misrepresentation and introduces a reversal of the onus of proof.

The Misrepresentation Ordinance 1976 repeals section 6.
