Lotteries (Fees) Determination 2010 (No 1)

Disallowable Instrument DI2010–101

made under the

Lotteries Act 1964, section 18A (Determination of Fees)

EXPLANATORY STATEMENT

The *Lotteries Act 1964* (the Act) provides for the approval and regulation of lotteries in the Territory.

This instrument revokes the determination of fees made by Disallowable Instrument DI2009-98, made on 15 June 2009 and notified on the Legislation Register on 18 June 2009.

Section 18A of the Act provides that the Commission may determine fees for the Act. This instrument provides for fees in relation to applications to the ACT Gambling and Racing Commission (the Commission) for approval to conduct lotteries in the Australian Capital Territory.

This instrument increases fees in accordance with the Wage Price Index estimate for 2010-2011 of 3.5%. Rounding to the nearest dollar has occurred in relation to the increases. A comparative table indicating the previous and revised fees is included as an Attachment to this Explanatory Statement.

The new instrument does not change the types of fees that may be charged in comparison to the revoked instrument.

All fees are exempt from GST under Division 81 of the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth).

A determination under section 18A is a disallowable instrument and must be tabled in the Legislative Assembly.

The instrument is effective from 1 July 2010.
