## EXPLANATORY STATEMENT

---

This instrument engages the above-named authorising provisions of the above-named Acts, which authorise the determination of fees (and in some instances, charges) for the purposes of the relevant Act. The instrument provides fees (and in some instances, charges) for the financial year commencing 1 July 2010, from which date the instrument commences.

Schedule 1 of the instrument identifies item numbers for fees payable under an Act as stated in column 1, schedule 1 by the numbers indicated in column 2 of the schedule opposite the name of the Act.

As expressed in the instrument, the fee payable for a matter stated in an item in schedule 2, column 2 is the fee stated in schedule 2, column 3 for that matter. The matters listed in schedule 2 are grouped according to the authorising Act and are assigned the item number stated in column 1, schedule 2.

In some cases, fees may be deferred, and where this is the case schedule 2 makes such an allowance.

In general, fees are payable to the Australian Capital Territory. However, items 64 to 90 and 254 are payable to the Public Trustee for the ACT. Fees may be received on behalf of the Territory or Public Trustee by a person conducting functions in relation to an Act for which a fee has been determined.

Explanatory notes are provided through out the instrument and beneath each matter for which a fee or charge has been determined. General explanatory notes are included at the end of schedule 2. Explanatory notes do not form part of the determination.
