Disallowable instrument DI2010–169

made under the

University of Canberra Act 1989, s 42 (Approval and publication of statutes)

EXPLANATORY STATEMENT

Explanatory Notes

Section 19 of the *University of Canberra Act 1989 (ACT)* establishes an Academic Board. The *Academic Board Statute 1990* contains additional details of the membership and operation of the Board. The *University of Canberra (Academic Board) Amendment Statute 2010* seeks to amend the *Academic Board Statute 1990* to facilitate the creation of a new statute and rules governing the three categories of members elected to the Board – academic staff, students and professors. This will allow the mechanisms and details relating to elections to be incorporated in rules with an authorizing statute restricted only to elections for members of Academic Board. This suite of statute and rules mirrors the suite for elected members of the University's Council.

In making this Statute the University had regards to the provisions of section 40B(1)(b) of the *Human Rights Act 2004 (ACT)*.
