

EXPLANATORY MEMORANDUM

AUSTRALIAN CAPITAL TERRITORY

ORDINANCES REVISION ORDINANCE 1977

Ordinance No.65 of 1977

The laws of the Australian Capital Territory are being reprinted as in force at the end of 1977 in the form of a general reprint estimated to comprise 5 bound volumes. As a precursor to such a general reprint, unnecessary material is removed from the Statute book before the reprint is undertaken.

2. This Ordinance repeals time-expired Ordinances and Ordinances that merely repeal other Ordinances so that they will not have to be reproduced. This Ordinance also amends a number of Ordinances by omitting sections that set out the division of the Ordinances into Parts. The information in the omitted sections will appear in the Table of Provisions, which will precede the text of each Ordinance in the volumes.
