

AUSTRALIAN CAPITAL TERRITORY  
SEWERAGE RATES (AMENDMENT) ORDINANCE 1978

Explanatory Statement

Ordinance No. 27 of 1978

The Sewerage Rates (Amendment) Ordinance 1978 amends the Sewerage Rates Ordinance 1968 (the Principal Ordinance) by increasing the sewerage rates payable for the 1978/79 financial year. The Ordinance also amends the Principal Ordinance to put ratepayers paying sewerage rates on land situated in Oaks Estate in the same position as other ratepayers in the Australian Capital Territory from the commencement of the rating year which began on the first day of July 1978. In the past Oaks Estate ratepayers often paid more sewerage rates than did other ratepayers in the City Area.
