# **Transplantation and Anatomy Amendment Regulation 2011 (No 1)**

## **Explanatory Statement**

**SL2011-20**

Circulated with the authority of  
Katy Gallagher MLA  
Minister for Health

## EXPLANATORY STATEMENT

### Authority

This Regulation is authorised by section 51 of the *Transplantation and Anatomy Act 1978*.

### Outline

The amendment to section 3 of the *Transplantation and Anatomy Regulation 2001* is to allow for all intensivists to be able to certify brain death for the purposes of organ transplantation.

The list of qualifications in section 3 has been amended to include the qualification of a Fellow of the College of Intensive Care Medicine of Australia and New Zealand (FCICM).

### Revenue/Cost Implications

There is no additional cost involved in this Regulation.

## Formal Clauses

**Clause 1 – Name of Regulation** – states the title of the Regulation, which is *the Transplantation and Anatomy Amendment Regulation 2011 (No 1)*.

**Clause 2 – Commencement** – states when the Regulation commences. The provisions commence on the day after notification.

**Clause 3 – Legislation amended** – provides that this Regulation amends the *Transplantation and Anatomy Regulation 2001*.

**Clause 4 – New section 3(c)** – inserts a new subsection for the qualifications of medical practitioners who can certify brain death as a Fellow of the College of Intensive Care Medicine of Australia and New Zealand (FCICM).
