

AUSTRALIAN CAPITAL TERRITORY

PUBLIC BATHS AND PUBLIC BATHING ORDINANCE 1964.

EXPLANATORY MEMORANDUM.

No. 10 of 1964

Amendments to the Public Baths and Public Bathing Ordinance 1956-1961 have been prepared which will emit from the Ordinance the requirement that charges for admission to public baths and for hiring of articles thereat be prescribed in the Regulations. The amendments will empower the Minister to determine such charges and to direct the publication of them in such manner as appears sufficient to him to bring the charges to the notice of the public and persons seeking admission to public baths.
