

AUSTRALIAN CAPITAL TERRITORY

CO-OPERATIVE TRADING SOCIETIES ORDINANCE 1946.

EXPLANATORY MEMORANDUM.

No. 1 of 1946

Where the rules of a co-operative trading society applying for registration are not in order, the amendment of the rules and their resubmission with the application for registration may not, in some cases, be effected within the prescribed time of two months after the formation of the society. It is proposed to allow an extended period, in such cases, for submission of the amended rules.

It is also proposed to authorize the use of the contraction “Ltd.” for the word “limited”.
