

AUSTRALIAN CAPITAL TERRITORY

ROADS AND PUBLIC PLACES REGULATIONS

EXPLANATORY MEMORANDUM

No. 8 of 1976

These amendments will increase the level of fees charged for the making good the damage to road pavements as a result of excavations to lay pipes, cables, etc. They will also incorporate minor alterations in nomenclature to reflect changes in technology and substitute metric measurements.

The Australian Capital Territory Legislative Assembly agreed to the proposed Regulations at its meeting on 12 April 1976.
