MOTOR VEHICLE (THIRD PARTY INSURANCE) REGULATIONS

EXPLANATORY MEMORANDUM

No. 6 of 1975

The principal amendments to the Motor Vehicle (Third Party Insurance) Regulations increase the maximum premium rates for third party insurance in the A.C.T. The increases are in accordance with the maximum rates recommended by the A.C.T. Third Party Insurance Premiums Advisory Committee and have been audited by independent Chartered Accountants.

The other amendment to the Regulations simply replaces two old forms used under the Regulations with a new single statistical form.
