REPEAL OF THE EDUCATION REGULATIONS

EXPLANATORY MEMORANDUM

No. 1 of 1964

The Regulations made pursuant to the Education Ordinance 1937-1957 have required frequent amendment in recent years and as these amendments have been mainly of an administrative nature it has been decided to repeal the regulations and insert in the Ordinance, in more general terms, the provisions of the regulations. These provisions which relate to the granting of bursaries, scholarships, grants-in-aid, and the control and management of Endowment Funds have been included in the Ordinance by the Education Ordinance 1964.
